

Kiss Me 221

Chapter 221: I Just Want To See If You Have A Fever...

Every time he did these things, he would never take time or place into consideration. He would only 'finish' her then and there!

"Looking at your face, are you still not satisfied?"

Staring into her eyes, Shi Yuting smirked and asked suggestively.

Zuo Weiyi blanked out for a few seconds before realizing what he meant. Her face turned red in embarrassment.

"You're the one who's not satisfied!"

"Oh? How did you know?"

Zuo Weiyi was exasperated by his flirting. She straightened her outfit and was ready to leave the room.

In the next second, she was pulled into Shi Yuting's embrace.

"It's only 3 PM, should we go shopping?"

Sitting on his lap and feeling his warmth radiating from his chest, Zuo Weiyi turned her head around and looked at his perfect features.

"Go shopping?"

"Yeah... Don't couples walk around the shopping mall, watch movies or something like that? They called it a date?"

Zuo Weiyi was bewildered.

Was this man the real Shi Yuting?

Going shopping and watching movies, was he really suggesting these? The mighty Shi Yuting was suggesting a date?

She looked at him suspiciously before raising her hand to his forehead.

Noticing her strange action, Shi Yuting frowned. "What are you doing?"

Zuo Weiyi blinked.

"I just want to see if you have a fever..."

"..."

Shi Yuting was speechless.

"Alright, let's go shopping."

After leaving 'Mei Ye' and stepping into the black Bentley, Zuo Weiyi had no idea where he was heading.

Yet the question she wanted to ask the most still spilled from her lips.

“Shi Yuting.”

“Yeah?”

“You and Tangteng Xi, you’ll be engaged soon, yes?”

“Nope.”

Zuo Weiyi was surprised by his answer.

No?

But, it was plastered all over the news, was it fake then?

Shi Yuting turned his head to her. This was the actual reason she was upset, wasn’t it?

The black Bentley stopped in front of a luxurious shopping mall.

Shi Yuting get off the car first and dragged her inside,

For the first time in his twenty-nine years of life, he went shopping with a woman.

He had never expected to do something so... normal in his life.

“What do you want to buy?”

Zuo Weiyi blurted out when she saw that he was standing in the middle of the shopping mall, with no idea what to buy.

Shi Yuting frowned and turned to her. “What do couples usually buy?”

Zuo Weiyi froze.

Actually, she did not know either.

Pot calling the kettle black, she too, had never been in a relationship before.

“Nevermind, let’s go up first.”

Holding her hand, both of them headed to the escalator.

The second floor of the shopping mall was the fashion department. Every outfit that was sold here were of designer brands.

Zuo Weiyi sighed in exasperation. She was afraid that ‘normal’ couples usually do not buy these things.

“Hubby, what do you think about this?”

The two of them walked past the couples’ outfit area and Zuo Weiyi unconsciously turned toward the voice. She saw a pair of lovers, they did not seem over thirty.

The lovebirds were trying on matching outfits, but as soon as they saw the price, they gave up instantly.

Sure enough, only the rich like Shi Yuting could afford to come to these places.

Seeing that she was staring into the distance, Shi Yuting followed her gaze and saw the matching outfits. After looking at it for a few seconds, he dragged her along to that place.

When the shop assistant saw the customer that was walking toward her, she was shocked.

Was this man not Dizun Corporation's CEO, Shi Yuting?! He was one of the joint venture partners of this shopping mall!

Oh, god! She actually met a celebrity in her life!

Chapter 222: On A Sweet Date (1)

"Mr. Shi, has anything caught your eye? Please, try on anything that you like!"

Shi Yuting ignored the enthusiastic salesperson.

He stepped into the store, his eyes scanning the department and stopped at a pair of outfits, which had a design of the word "only" imprinted on the left side of the chest.

"This one."

After picking up the outfit, he pulled Zuo Weiyi into the fitting room.

Zuo Weiyi was completely in shock.

"Go in and try it on."

He said while ignoring the weird glances thrown by the worker and pulled Zuo Weiyi into the same fitting room.

Um...

Looking at the man who had squeezed into this tiny space, Zuo Weiyi blinked a few times.

"What are you doing?"

Shi Yuting frowned. "Changing clothes, what do you think I'm doing?"

She was speechless.

Changing clothes?

Did he need to share the same cabin as her?!

"Get out! Use the other one!"

Zuo Weiyi was embarrassed.

Which couple would change clothes together in the same fitting room?

Only Shi Yuting had the guts to do something like this!

She tried to push him out of the cabin but to no avail, Shi Yuting stood in his place firmly. He was not planning on leaving.

Zuo Weiyi glared at him angrily.

“Let me help you.”

Shi Yuting said and reached his hand to her top.

“I’ll do it myself!”

She said and turned her body around. She took off her top and changed into the wool knitted sweater which had the word “only” on it.

After she finished changing, she turned around again. At this moment, Shi Yuting had also changed into the clothes with the same design.

Without his suit and leather shoes, Shi Yuting exuded a different kind of charming in casual wear. The grey outfit fit his toned body well and perfectly. Zuo Weiyi almost had a nose bleed!

How could such a handsome man even exist?

Zuo Weiyi could but help but think further.

She could not deny Shen Lanzhi’s beauty. When his father was young, he was probably a hottie too.

“How do I look?” After changing into his clothes, Shi Yuting asked the person who was zoning out.

Zuo Weiyi immediately pulled herself back to reality.

“Excellent!”

This man looked good in everything.

Shi Yuting smiled in satisfaction and stepped out of the fitting room with her.

Standing in front of the mirror, Shi Yuting embraced Zuo Weiyi from behind, his chin resting on her shoulder. He stared at the reflection of the two of them.

“This outfit looks good.”

Zuo Weiyi was startled when she saw their reflection.

They looked so... perfect together when they were in a couple’s clothing.

The salesperson who was standing beside even felt envious just by looking at them.

No matter their height, appearance or ambience, both of them were a match made in heaven!

“The two of you are made for these clothes, and each other too!”

The worker approached them and complimented with a smile.

When he heard this, Shi Yuting’s smile grew wider.

“Then, we’ll take it.”

Pulling her away from the mirror, Shi Yuting walked to the counter and bought the clothes.

As soon as they exited the store, they immediately attracted the gaze of other people. Not to mention the murmurs and whispers that they had induced.

“Look, that man is so hot!”

“Yeah, hot... Is that his girlfriend? God, I’m so envious! They look so happy together...”

Listening to the praises, Zuo Weiyi felt a little proud.

How many girls dreamed to be with the man beside her? Yet he only had his eyes on her.

Maybe, compared to some of the ladies, she was extremely lucky.

Chapter 223: On A Sweet Date (2)

After they exited from the store, they strolled around again.

“Is there anything else you want to buy?”

Shi Yuting turned around and asked.

Zuo Weiyi shook her head. “No.”

She really had nothing else to buy. There was nothing she was missing.

Shi Yuting raised his hand and looked at the time on his watch.

It was already six in the evening.

“Then, let’s go and eat.”

With their hands joined together, they left the mall.

As they stepped out, the sky had already darkened. The nights in Country Z were illuminated by bright lights and it was still fairly crowded.

The two of them sat in an open-air restaurant.

They sat down after being shown to their seats.

As they were waiting for their meal to be served, Zuo Weiyi tilted her head to enjoy the view of the night sky. Stars sparkled at the top of her head, the beautiful sky could even compare to the beauty of Country Z’s city view.

“Weiyi?”

A familiar sound called.

Zuo Weiyi turned her head around and saw Gu Yansheng who seemed to be here for a meal as well.

“Yansheng? Why are you here?”

She smiled. What a surprise!

Yet when Gu Yansheng appeared, Shi Yuting’s face darkened instantly.

Epecially when he heard how Zuo Weiyi had addressed him.

Yansheng?

Why did she call him by his full name then?

When he thought about this, his heart beat anxiously.

Looking at the person sitting in front of Shi Yuting, Gu Yansheng smiled gently. "I'm here to eat."

As she heard that, Zuo Weiyi blurted out, "Is that so? Do you want to join us?"

She regretted it almost immediately after realizing what she had said.

She vaguely remembered that Shi Yuting did not like it when she was too close to Gu Yansheng.

Zuo Weiyi slowly turned her head around to glance at Shi Yuting. As expected, his face was so dark!

But, how could she take back her words?

Seeing Shi Yuting's darkened face, Gu Yansheng knew immediately what to do.

He smiled. "It's fine, I have a meeting with a friend."

After that, he turned around and sat somewhere else.

Zuo Weiyi took a final look at him before turning back to Shi Yuting who was staring at her with an unpleasant gaze, implying that he was upset.

At this instant, the waiter served two steaks, which Zuo Weiyi was grateful for.

"Time to eat!"

She said and lifted her fork and knife.

Yet, after she had eaten a piece of meat, Shi Yuting still had not touched his food.

She pursed her lips together in confusion. "Are you not going to eat?"

Shi Yuting stared at her, he still looked upset.

"Feed me."

Zuo Weiyi thought she heard that wrong, so she frowned. "What?"

"Feed me."

She was speechless.

Feed him?

She blinked, her expression blank.

"Why?"

"I don't want to move my hands."

She was just stunned speechless now.

Zuo Weiyi frowned and glanced across the restaurant.

Which other pair was feeding each other?

She glared at him. "Shi Yuting, stop being so childish."

"I can't help it, I was born childish."

She did not know how to respond to that.

Zuo Weiyi bit her bottom lip. He was definitely unhappy because she talked to Gu Yansheng.

Staring at the pouting man in front of her, Zuo Weiyi could not help but think. 'So, the mighty CEO of Dizun has his childish moments too.'

It was pretty cute, she thought.

To pamper this "baby boy", Zuo Weiyi had no choice but to play along.

"Only one time."

Zuo Weiyi said and cut a piece from his steak, pushing it toward Shi Yuting's lips.

Seeing that piece of meat she had willingly cut and sent to him, Shi Yuting grew a little happier and bit down the steak.

Chapter 224: On A Sweet Date (3)

Not far from their table, Gu Yansheng saw their intimate action. His heart clenched painfully.

Yet, when he saw the smile on Zuo Weiyi's face he could not help but feel that maybe that was what she truly wanted.

After eating the steak handed by Zuo Weiyi, Shi Yuting's mood visibly improved. So, he cut a piece of meat and pushed it to her lips.

Zuo Weiyi was stunned for a bit but took a bite helplessly.

The two of them were already at the center of attention when they came into the restaurant, with this, they were even more striking!

After dinner, both of them planned to leave the restaurant.

Zuo Weiyi stood up and turned her head. She saw that Gu Yansheng was still alone, only a cup of water was on his table.

She was hesitant to bid goodbye to him.

"Let's go..."

Before she was able to finish her sentence, Shi Yuting took her hand and quickly marched out of the restaurant.

“Shi Yuting!”

“I don’t like the way you’re addressing me, change it!”

Zuo Weiyi paused, she frowned at his back.

He did not like how she was addressing him?

“Then, what should I call you?”

“Think about it yourself!”

“...” She was totally dumbstruck.

She had always been addressing him by his full name. What to call him aside from ‘Shi Yuting’?

Yuting?

She could not get used to that.

“Yuting?” She walked a bit quicker to match up to his pace.

Looking at his side profile, she asked.

Shi Yuting frowned.

He was still not satisfied even if she called him by his name only.

“No, change it.”

Zuo Weiyi was startled again.

Change? Change to what?

“Shi babe?” She blurted out.

Shi Yuting seemed to not catch it, he suddenly stopped in his tracks, his eyebrows slightly knitted together. “What?”

Looking at his frown, Zuo Weiyi shook her head with her lips pursed. “No- nothing!”

Shi Yuting squinted at her.

“Come on, didn’t you say that you want to go to the movies?”

Hugging his arm, Zuo Weiyi dragged him to the cinema.

It was his first time visiting the cinema. He only knew that people had to buy the tickets first. The rest? It was unknown to him.

“Which movie would you like to watch?”

Zuo Weiyi did not know what to watch on this spontaneous date, so she looked at the screen that was displaying the list of movies screening. She did not recognize any of these movies.

Shi Yuting was also looking at the screen, but his eyes were not focused on the name. Instead, he was looking at the tags.

Horror, romance, he did not like these genres.

So, he chose an 'action' film.

"This one."

He pointed at a movie with that genre and simply picked it.

He turned around and looked at the lady next to him. "Is that alright?"

Zuo Weiyi did not know about the movie, but seeing that it was his choice, she nodded along. "Sure."

After the cashier heard their choice, he paused for a while.

Quickly, his smile. "Please wait for a moment."

A few seconds later and the cashier handed two tickets to Shi Yuting, "It's the 7th hall, we wish you an enjoyable experience."

Taking the ticket, the two of them headed to the 7th hall.

After entering the hall, there were not many people in there and most of them were couples.

Both of them found their seat and waited for the movie to start.

7:40 PM, the huge screen lit up while the lights in the hall dimmed.

While wearing their 3D glasses, the two of them planned to enjoy their show.

A few minutes into the movie, the more Zuo Weiyi watched, the more she felt that something was off...

It started off with a kissing scene but that was fine. However, why was it still the same scene after five minutes, and what was worse was that...

Chapter 225: On A Sweet Date (4)

Seeing that the male and female lead were taking off their clothes, Zuo Weiyi slowly frowned.

What... was this movie?

It was even in 3D, it was like the two people were doing 'that' in front of her eyes...

The next moment, the female lead was stripped by the male lead, exposing her private areas. Zuo Weiyi widened her eyes and immediately took off her 3D glasses.

Wh, wh, what kind of action film was this?!

She turned her head, wanting to look at Shi Yuting's reaction.

At this moment, Shi Yuting also realized that the content of this movie was not the same as what he was thinking about.

When he chose an 'action' film, he did not mean this kind of action!

After watching the movie for 10 minutes, Shi Yuting's throat went dry. The nature of him as a man was kindled.

He also took off his glasses. He could not believe that he chose the wrong film.

"Uh... Let's... leave?"

Zuo Weiyi did not dare to glance at what was being played on the screen right now.

She had no idea why the cinema was allowed to play this type of movies.

As she also had no idea that this cinema was the top in Country Z. There was nothing that could not be played.

At this moment, Shi Yuting's voice grew hoarse.

To watch this type of film with her, it was impossible to say that he was not worked up.

So, he immediately stood up without thinking much, "Yeah."

Seeing that he agreed, Zuo Weiyi left as if she was escaping from hell.

She did not know why would Shi Yuting choose this kind of movie...

The two of them left the cinema. Zuo Weiyi was walking in front with her head down, she did not want to talk to the man behind her.

Shi Yuting noticed her strange behaviour but he was confused.

He walked faster and caught up to her, "What happened?"

Zuo Weiyi still had her head down, she bit her lip, "It's nothing."

"Then why are you walking so quickly?" He frowned, clearly having no idea what was going on in her mind.

Was she feeling embarrassed about the film?

In the parking lot, Zuo Weiyi opened the door of the Ferrari. This time, she did not choose the front seat. Instead, she sat at the back seat.

Shi Yuting frowned again.

This woman... Was there a need?

They had already done 'that' for so many times, there was no need for her to be embarrassed.

"Sit here," Standing in front of the door, he pointed to the front seat with his gaze.

"It's fine, I'll sit here."

Shi Yuting squinted his eyes but then it lit up as if he understood something, "Are you... implying me to do something?"

Zuo Weiyi lifted her gaze, her expression blank, "What?"

The man quirked his lips into a smirk.

"I see, you're even looking forward to it more than I am..."

Looking at his smirk, Zuo Weiyi first frowned in confusion but then her face immediately turned green.

He wants to...

Zuo Weiyi quickly opened the other side of the door and ran to the front seat without a moment of hesitation.

Only after she put on her seatbelt, Shi Yuting smiled in satisfaction. He sat on the driver's seat.

The luxurious Ferrari drove through the night city and arrived in Shi residence in half an hour.

In actual, Shi Yuting could not hold back his desire anymore. As soon as he stepped into the mansion, he dragged Zuo Weiyi upstairs.

Shi Nuannuan did not even have the time to properly greet them.

"Brother, you're back..."

Zuo Weiyi still wanted to reply Shi Nuannuan yet she was forcefully dragged to upstairs.

"Hey! Shi Yuting, what are you doing!?"

She did not know what was he rushing for.

Chapter 226: Figure Walking in the Door

Zuo Weiyi did not notice it until they entered the master bedroom and was pushed against the door panel.

But, it was too late.

The man sealed her soft lips arrogantly.

Gosh! They had just done it this afternoon. Why did this man have so much energy?!

"Shi Yuting, do you lack love in your previous life?"

Zuo Weiyi stared at him with dissatisfaction after the sex!

He smiled. "Well, that's why you have to repay me in this life!"

Zuo Weiyi was speechless.

Why did she feel that she would be led off-topic by him no matter what she said?

Forget it!

Zuo Weiyi glared at him. She then walked into the bathroom.

Seeing her body wrapped in sheets, Shi Yuting grinned and followed her.

It was already 11.40 p.m. after the two took a shower and came out.

Zuo Weiyi was really tired. Hence, she fell asleep shortly after lying down.

As for Shi Yuting, he went to the study room and only came back to the master bedroom in the wee hours of the morning.

The next morning.

Zuo Weiyi was awakened by the sweet and pleasant chirping sounds outside the window. She opened her eyes and realized that it was already seven in the morning.

The man beside her was no longer there.

She got up to wash up and went downstairs.

Zuo Weiyi had initially thought that Shi Nuannuan would stay in the living room like her after she had eaten, but she went to the courtyard instead.

Zuo Weiyi walked to the courtyard curiously. She then saw Nuannuan sorting out some flowers in the courtyard. The flowers seemed to be carnations.

Zuo Weiyi frowned as she rarely saw purple carnations.

Maybe because of her mother—Zuo Qing's sake, she did not even know when she started liking carnations.

Did Nuannuan like carnations too?

She walked over and looked at Shi Nuannuan. "Where did these flowers come from?"

Shi Nuannuan turned her head and smiled brightly after hearing the sound.

"They're very beautiful, aren't they? My brother especially found someone to transport them from Southern Europe!

This kind of flower apparently grew only in the Mediterranean region of Southern Europe.

In Mainland China, most of them were red carnations.

Shi Nuannuan then moved the pot of carnations into the house and placed it in the most prominent position in the living room.

"Do you like carnations too?"

Zuo Weiyi could not help asking Nuannuan who was sitting on the sofa with a happy face.

Shi Nuannuan turned her head and glanced at Zuo Weiyi. "No. I just thought it was very beautiful, so I asked for this pot from my brother."

Zuo Weiyi was a little taken aback after hearing this.

'Asking for a pot of carnations from Shi Yuting? What do you mean?'

Did he not ship this pot directly from Southern Europe and placed it in Shi Mansion?

Suddenly, a few figures appeared at the door of the living room before Zuo Weiyi could speak.

The two turned their heads when they heard the sound. Zuo Weiyi and Shi Nuannuan both looked surprised and shocked watching those few figures walking in.

Tengtang Xi?

Tengtang Xi was pulling the suitcase while stepping on seven-centimeter high heels. She immediately smiled contemptuously at Zuo Weiyi after walking in.

That look of mockery made her look like an arrogant princess!

And Hei Long was standing behind her?

What the hell was going on?

“Tengtang Xi?! Why are you here again?!” Shi Nuannuan was very upset when she saw Tengtang Xi.

Tengtang Xi did not care whether Shi Nuannuan wanted to see her or not.

She would soon become the lady of the Shi family anyway! No, it was the First Lady!

Chapter 227: I am The House Lady Here from Now On

And she—Shi Nuannuan would get married one day!

Tengtang Xi glanced at her and smiled. She then looked sideways at Hei Long who was holding the suitcase behind her.

“Take my luggage and bring it to the second floor.”

“Yes.”

Hei Long nodded. He then turned around and brought the suitcase upstairs.

“Hold on!”

Shi Nuannuan could not help speaking after seeing their unusual behavior.

This Hei Long was Grandfather’s deacon. Why did he come to Shi Mansion with Tengtang Xi?

What was the conspiracy in this?!

Shi Nuannuan stared at Hei Long. “Bring your luggage to the second floor? What do you mean?!”

After all, Shi Nuannuan was the pearl in the Shi family. Hei Long did not dare to disrespect Shi Nuannuan although Tengtang Xi did not care much about her.

“From today onward, Miss Tengtang Xi will live here.”

Zuo Weiyi and Shi Nuannuan were shocked, and their eyes widened after hearing this.

Zuo Weiyi did not say anything whereas Shi Nuannuan was very angry!

“Live here?! What right does she have? Who allowed her to?!”

“The Speaker!”

Shi Nuannuan paused after listening to Hei Long’s answer.

Grandfather?

Why did he let Tengtang Xi live in Shi Mansion?

“Does my brother know?” Shi Nuannuan asked.

Hei Long’s face was cold. “He should know.”

“Did he also agree to let this woman live here?!” Shi Nuannuan was surprised!

How could her brother agree to Tengtang Xi living here? Did he not dislike her?

Zuo Weiyi who was nearby felt as if her heart was stabbed fiercely by something after hearing Hei Long’s words. Her face was pale.

“I’m not so sure about it. However, Mr. Shi did not deny it either,” Hei Long said.

Shi Nuannuan’s small mouth became an O shape after hearing that.

Her brother did not object to Tengtang Xi living here, why?!

Seeing that Shi Nuannuan did not speak anymore, Hei Long took the luggage and went to the guest room on the second floor.

Although the engagement ceremony with Shi Yuting was about to happen soon, Tengtang Xi still did not dare to move directly into the master bedroom.

However, when she thought of Zuo Weiyi sleeping with Shi Yuting every night, she still could not help getting angry and stared at Zuo Weiyi with hatred!

“Listen, from now on, I will be the house lady here. You better make something that I like for lunch later.”

She ordered the maids in the living room proudly with her arms folded in front of her chest.

She then turned and glanced at a bodyguard behind her. “Xiao Li, give the menu that I like to eat to the kitchen.”

Tengtang Xi looked at everyone after speaking. She then walked toward the stairs gracefully in her high heels.

Damn!

Shi Nuannuan’s was about to explode in anger!

“Tengtang Xi, who do you think you are?! How dare you give orders here?!”

Tengtang Xi paused after listening to Nuannuan’s yell. She then turned around and looked at her condescendingly.

“Didn’t you hear what I just said? I will be the house lady here.”

“Bullshit!”

“You!”

Facing Shi Nuannuan’s swearing, Tengtang Xi clenched her fists tightly and her face turned pale!

However, she was very smart. She knew that Shi Nuannuan could not do anything to stop the engagement. Hence, she did not waste time arguing with her.

She glanced at Shi Nuannuan coldly. She then turned and walked toward the second floor.

Zuo Weiyi remained calm looking at Tengtang Xi walking upstairs.

Chapter 228: She Just Sleeps in the Guest Room Anyway

She had already heard about the news of the engagement. Hence, Tengtang Xi living here did not bother her that much.

She sighed, turned, and walked toward the sofa.

Since Hei Long did not ask her to leave, did it mean that she could still stay here even if Tengtang Xi was here?

But, why was it so?

Did Shi Yuting’s grandfather not wish that she would leave this mansion? He even hoped that she could go as far as possible.

Shi Nuannuan turned her head when she felt the person next to her leaving. She then saw Zuo Weiyi walking toward the sofa. She followed her.

“Weiyi, don’t get the wrong idea. My brother may not know about this...”

Looking at Shi Nuannuan’s worried expression, Zuo Weiyi just smiled indifferently.

“It’s okay. I don’t mind her living here. Anyway, she only sleeps in the guest room, right?”

Shi Nuannuan could not help being taken aback after hearing this.

It was true too. No matter how strong Tengtang Xi was, she was only here to stay in the guest room.

Shi Nuannuan looked up at Zuo Weiyi’s beautiful face and asked tentatively, “You really don’t care?”

“She just lives here. It doesn’t mean anything.”

“It’s good that you think that way. My brother will come back in the afternoon. Maybe he will make her leave by then!”

“Yes.” Zuo Weiyi slightly smiled. She then turned and looked at the LCD screen on the wall.

Her silky hair blocked her beautiful profile.

However, the smile on her face disappeared in an instant and was replaced by sadness the moment she turned around.

Did she really not mind Tengtang Xi's existence?

Zuo Weiyi asked herself.

If she did not care, why did she feel so uncomfortable at this moment?

After finished unpacking her clothes, Tengtang Xi walked down from the second floor at 10.10 a.m.

She then walked straight over and sat down on a single sofa after she saw Shi Nuannuan and Zuo Weiyi who was sitting on the sofa.

Zuo Weiyi and Shi Nuannuan's hobbies were to watch comedy to pass the time when they were bored.

However, Tengtang Xi was indifferent to dramas.

She was only concerned about international fashion shows and exhibitions of some branded jewelry.

Thus, seeing the comedy playing on the television, Tengtang Xi picked up the remote control without hesitation and switched the channel.

Zuo Weiyi and Shi Nuannuan continued to watch the television after glancing at Tengtang Xi. When the channel was suddenly changed, Shi Nuannuan could not help turning her head and seeing Tengtang Xi holding the remote control.

"What are you doing?!"

She spoke irritably and her eyes were full of anger!

Tengtang Xi just snorted. "Of course, I'm watching TV."

"Change it back!" Shi Nuannuan was completely stern!

Tengtang Xi turned her head and glanced at Zuo Weiyi who was beside Shi Nuannuan.

"Why should I?"

Shi Nuannuan pursed her lips and got up!

"Tengtang Xi, don't go overboard!"

As Shi Nuannuan was about to rush to Tengtang Xi, Zuo Weiyi quickly took her arm and signaled her to calm down.

Tengtang Xi grinned seeing Shi Nuannuan's irritated face.

"Why? Do you still want to hit me?"

"You deserve it. I just want to hit you, so what?!"

Shi Nuannuan shouted. Her anger could not be suppressed. She then pushed Zuo Weiyi away and rushed over.

“Nuannuan!”

Zuo Weiyi was very worried. After all, Tengtang Xi was personally escorted by Hei Long, which proved that she had a place in Shi Le’s heart!

Seeing Shi Nuannaun who rushed past her, Zuo Weiyi also quickly followed and immediately grabbed her hand!

Chapter 229: Zuo Weiyi’s Counterattack!

“Don’t stop me. I have to teach her a lesson today!” Shi Nuannuan screamed! She tried to get rid of Zuo Weiyi’s dissuasion.

“Nuannuan, calm down first...”

“Slap!”

Zuo Weiyi suddenly felt a burning sensation on her cheek before she could finish her words!

Her eyes widened in astonishment. She then saw Tengtang Xi’s domineering and arrogant face when she turned her head.

Shi Nuannuan, Aunty Yu, and the other maids who were standing in the living room were shocked.

When had Miss Zuo been treated like this here?

Shi Nuannuan turned and glared at Tengtang Xi looking at Zuo Weiyi’s red cheek. “How dare you hit Weiyi?!”

“I have hit her. So what?” Tengtang Xi looked at Nuannuan and said coldly.

“Oh, there is so much I want to say!”

After that, Shi Nuannuan was about to rush forward.

However, another figure was a step faster than her, rushing toward Tengtang Xi. Then, she heard a loud slap!

The slap resounded through the living room.

Tengtang Xi was holding her sore cheek. She also stared in disbelief while looking at Zuo Weiyi.

She did not expect that an illegitimate daughter would dare to fight back against her.

“How dare you hit me?”

No one had ever dared to treat her roughly since childhood, let alone slapping her.

Tengtang Xi was so angry that her face darkened!

Zuo Weiyi was calm.

“Why not? You hit me first, didn’t you?”

Tengtang Xi became angrier facing Zuo Weiyi’s calm and persistent tone!

She shouted, “You don’t have the right to hit me!”

“Then, what about you? Why did you hit me?” Zuo Weiyi remained calm.

“You seduced my fiancé!”

“Your fiancé? Are you engaged?”

“You!”

Tengtang Xi was so angry that she could not speak.

“We are not engaged now, but we will have an engagement ceremony soon!”

“Then, wait until the ceremony is held. Now, you don’t have the right to hit me.”

It was true. To Shi Yuting, the current Tengtang Xi had nothing to do with him. She was neither his fiancée nor his girlfriend. So, what right did she have to slap Zuo Weiyi?

Of course, Zuo Weiyi would slap her back without hesitation!

She did not want to cause trouble. However, she could not keep her calm when someone had offended her.

Every word that Zuo Weiyi had said was true. The current Tengtang Xi was indeed nobody to Shi Yuting. Nonetheless, how could she endure such humiliation being slapped by an illegitimate daughter!

“I, Tengtang Xi, can hit anyone when I feel like it. I don’t need any rights to do so!”

She then raised her hand and was about to slap Zuo Weiyi again after speaking.

This time, Zuo Weiyi defended herself. She quickly raised her hand and caught Tengtang Xi’s hand.

“Don’t mess with me and I won’t mess with you. But if somebody messes with me, you can bet I’ll mess with them! I think you have heard of this sentence, right?”

Zuo Weiyi said coldly while grabbing Tengtang Xi’s wrist.

Tengtang Xi’s eyes widened. She was weaker compared to Zuo Weiyi. Tengtang Xi could not break free from her grip.

Shi Nuannuan was a little surprised looking at such a domineering Zuo Weiyi.

Zuo Weiyi seemed to be able to protect herself more than she thought!

Coercion should be used on people like Tengtang Xi who bullied others to suppress her arrogant attitude!

“Zuo Weiyi! Do you know what you are doing?!” Tengtang Xi screamed angrily.

Chapter 230: Lunch

"I know that you come from a wealthy family and others may be afraid of you. But I'm nobody and my life is worthless. I have no fear in this world. If you want, take it. However, you need to have that ability to take it."

"You!"

Tengtang Xi was so angry that she could not say what she wanted to say. Hence, she could only stare at Zuo Weiyi!

Zuo Weiyi glanced at her coldly and let go of her hand. She then turned and walked toward the second floor.

"Zuo Weiyi, you better stop!"

Looking at Zuo Weiyi's calm back, Tengtang Xi was so angry that she wanted to kill her!

This was the first time she behaved so badly in front of others.

"Hei Long, go and drag her down here!"

After the fight just now, Tengtang Xi knew that she could not compete with Zuo Weiyi with her physical strength. So, she could not help looking at Hei Long who was nearby, wanting to order him to drag Zuo Weiyi down.

Hei Long was expressionless after hearing Tengtang Xi's sharp voice.

The Speaker had asked to protect Miss Tengtang, but he did not ask him to obey all her orders, not to mention that it was Mr. Shi's favorite—Miss Zuo.

After the last time Shi Yuting fought against him, he already knew that Miss Zuo was very important to Mr. Shi. He, Hei Long, did not want to offend Mr. Shi for Miss Tengtang's sake.

Hei Long just showed no expression, which made Tengtang Xi even madder!

Shi Nuannuan who was behind her laughed ironically. "How could you still be the first lady like this?!"

Shi Nuannuan posed like Tengtang Xi just now with folded arms after finished speaking. She then walked past Tengtang Xi and went to the second floor.

Tengtang Xi clenched her fist angrily seeing everyone walking upstairs one by one.

She did not believe that she could not win Zuo Weiyi!

Looking in the direction of the second floor, Tengtang Xi secretly decided on something in her heart!

On the second floor, Zuo Weiyi passed through the bedroom and walked toward the balcony.

Her heart was very calm like the autumn breeze.

Shi Yuting was about to be engaged to Tengtang Xi. How long could she stay with him?

Looking at the ring on her finger, she was afraid that this thing would not belong to her after all.

She did not know how much time had passed. Zuo Weiyi was sitting on a wooden chair on the balcony. The breeze made her slowly fall asleep until Shi Nuannuan knocked on the door and woke her up.

“Weiyi, come and have lunch!”

The door was opened and Shi Nuannuan gently pulled her downstairs.

In the dining room, Tengtang Xi had long been sitting on the main seat where Shi Yuting usually sat with a proud face.

Seeing the two approaching her, she raised her eyes and stared fiercely at Zuo Weiyi. She then lowered her eyes waiting for the lunch to be served.

Zuo Weiyi did not look at her and sat down with Shi Nuannuan on the side.

Aunty Yu ordered the lunch to be served.

Tengtang Xi frowned upon seeing the dishes served on the table.

She looked up angrily at Aunty Yu who was standing by the side after the last dish was served.

She then asked arrogantly, “Didn’t I give you the menu a long time ago? Why aren’t there any dishes that I like?”

Aunty Yu was not afraid of facing the furious Tengtang Xi.

“Sorry, we have always cooked these dishes all along. Those that you have mentioned, we don’t have.”

“If you don’t, can’t you go and buy it?!” She shouted.
