

Kiss Me 231

Chapter 231: Tengtang Xi Push the Table Over!

Aunty Yu glanced at the arrogant Tengtang Xi coldly.

“I’m sorry, Miss Tengtang. We have prepared the dishes according to Mr. Shi’s preferences. If you want to eat something else, you would have to buy it yourself. We dare not change the menu on our own accord.”

“You!”

Tengtang Xi stood up from the chair angrily and pointed at Aunty Yu. Her face was dark.

She was just a servant. How dare she talk back to her like this?!

She stared at Aunty Yu and then looked around at the maids standing around.

These servants obviously disliked her. They were all trying to her make her life difficult!

Great, great!

Not cooking the dishes that she liked? Then, no one should be eating today!

Tengtang Xi turned and saw Zuo Weiyi drinking a bowl of freshly cooked soup calmly. She was completely deaf to her words.

How did she still have the mood to drink soup?

Tengtang Xi grinned seeing the table full of food. She then raised her hand and pulled the tablecloth on the dining table hard...

Smash!

The dishes on the dining table all shattered on the ground after Tengtang Xi pulled the white tablecloth. It was messed up.

“Ah!”

Everyone heard another scream before they could react!

It was from Zuo Weiyi.

Shi Nuannuan and Aunty Yu both turned their heads. They then saw Zuo Weiyi got up from the chair. Her hands were red and swollen from being burned by the hot soup.

The burning sensation and the pain caused Zuo Weiyi to frown. She kept blowing her hands hoping to relieve some pain.

“Weiyi!”

“Miss Zuo!”

Shi Nuannuan and Aunty Yu rushed over after seeing this.

Shi Nuannuan was anxious and did not know what to do after seeing Zuo Weiyi's red hands when she walked over.

"Hurry and rinse your hands with cold water to lower the temperature!" Aunt Yu said quickly.

Zuo Weiyi and Shi Nuannuan looked up after listening to Aunt Yu's words. They glanced at Aunt Yu and then rushed to the kitchen to rinse her hands with cold water.

Zuo Weiyi only felt the pain was slightly relieved after rinsing her hands with cold water. However, she could still feel the pain as if a layer of skin was peeling off.

Shi Nuannuan was very furious. She then rushed out of the kitchen and shouted while pointing at Tengtang Xi!

"Tengtang Xi, did you do it on purpose?!"

Tengtang Xi felt a little happy when she saw Zuo Weiyi's red hands.

She grinned and snorted coldly. "What do you mean? Who told her to sit there? I just pulled the tablecloth. I did not even touch her!"

"What a lame excuse!"

"Lame excuse? Then, why did the kitchen not prepare my favorite dishes? Since you don't want me to let me eat comfortably, no one should eat then!"

Tengtang Xi was unafraid of Shi Nuannuan.

Even though she was Shi Yuting's sister and the precious granddaughter of the Shi family, she was not afraid to offend her at all!

Tengtang Xi put her hands around her chest and looked arrogant after speaking.

Shi Nuannuan was furious.

"So, you are not going to admit it? It's fine!"

Shi Nuannuan then rushed out of the dining room to the coffee table in the living room like a gust of wind. She then picked up the phone and keyed in the familiar number.

At Di Zun Group.

The atmosphere in the huge conference room was quiet and awkward because of the man sitting at the head of the table.

Chapter 232: Nuannuan's Complaint

No one dared make a sound. They were focusing on the projection screen on the wall that showed the latest analysis of the sales market.

A cell phone suddenly rang in the silent meeting room.

Everyone turned their head and saw that Shi Yuting's mobile phone was vibrating in front of him.

He lowered his eyes slightly. Shi Yuting frowned when he saw the familiar number. He then picked up the phone.

“Hello?”

His low and sexy voice spoke. Then, Shi Nuannuan’s anxious voice could be heard from the other end after he finished speaking.

“Brother, something happened to Weiyi!”

Shi Yuting’s facial expression turned cold. His voice was so low as if there was no warmth. “What happened to her?”

Shi Nuannuan deliberately exaggerated after taking a look at Tengtang Xi!

“Tengtang Xi, she is jealous of Weiyi because you only like Weiyi. So, she scalded her with the hot soup. Poor Weiyi, her hands are burnt...”

Shi Nuannuan could not help sniffing and crying as she spoke.

Shi Yuting’s hand that was holding the phone gradually tightened. He was about to erupt and it was like the calm before the storm!

He hung up the phone. He then suddenly got up and strode toward the door of the conference room.

Some directors were surprised seeing him suddenly standing up.

Xiangyi who was behind him said, “Mr. Shi, the meeting today...”

“Let’s continue tomorrow!”

Xiangyi turned and said after Shi Yuting’s figure disappeared, “We will continue the meeting tomorrow.”

After that, Xiangyi also left.

In the living room, Shi Nuannuan hung up the phone. Tengtang Xi then walked out of the dining room and her face was dark.

“Shi Nuannaun, how dare you slander me?”

Shi Nuannuan sneered. “Slander you? Do you dare to say that you didn’t mean it just now?”

Although Tengtang Xi said that she did that because there was nothing that she liked to eat, she must have deliberately pulled the tablecloth when she saw Zuo Weiyi drinking the soup!

How could she not see through her dirty tricks?

Tengtang Xi pursed her lips and glared at Shi Nuannuan.

But soon, all her worries disappeared.

Even if Shi Yuting knew that she did this, what could he do?

His grandfather had allowed her to live here and Hei Long was here too. He would not dare to do anything to her.

Tengtang Xi smiled and walked to the sofa to sit down while thinking of this.

She would just wait for Shi Yuting to come back. She wanted to see what Shi Yuting would do to her for Zuo Weiyi!

“Go and make me a cup of coffee.”

Tengtang Xi looked arrogant while sitting on the soft sofa. She then spoke to the maids nearby.

Here, perhaps Shi Nuannuan dared to oppose her, Aunt Yu dared to disrespect her, but the other maids would never defy her.

If that was the case, then she would surely let them know the result of doing so!

Xiao Cui slightly nodded looking at the arrogant woman on the sofa. “Yes.”

Xiao Cui walked toward the kitchen after speaking.

Aunt Yu helped Zuo Weiyi walk out and sat on the sofa to rest.

While instructing the maid on the side, “Go and fetch the medicine kit.”

The maid nodded and left.

After applying the ointment, the redness on Zuo Weiyi’s hands finally subsided, but it still looked a little shocking.

Because there was a big blister on her burnt hands!

Aunt Yu said hesitantly, “It can’t be bandaged. You must be extra careful these few days. If the blister bursts, it will be very painful!”

Chapter 233: Shi Yuting Gets Angry!

Zuo Weiyi nodded a little after listening to Aunt Yu’s words. “Yes.”

As for Tengtang Xi who was sitting nearby, she was very happy to see Zuo Weiyi in this state. She even thought that it was better to scald her hands until they were burnt to crisps to relieve her hatred!

There was a sudden sound of a roaring engine in the courtyard!

Shi Nuannuan knew that her brother had returned.

She ran to the gate after glancing at Tengtang Xi.

The door of the blue Ferrari was opened and Shi Yuting got off the car. His face was extremely dark.

“Brother, you’re back!”

Shi Nuannuan stood at the gate looking at Shi Yuting who was approaching.

Shi Yuting walked straight into the house and ignored Shi Nuannuan.

Zuo Weiyi and Tengtang Xi who were on the sofa turned their heads and saw him furiously approaching.

He ignored Tengtang Xi and walked to Zuo Weiyi. He immediately noticed her injured hand at a glance.

Shi Yuting frowned and got angry looking at Zuo Weiyi's hands.

His eyes were sharp and cold!

He turned and glared at Tengtang Xi!

"Did you do it?" His voice was as cold as ice that made people shiver as if they were being thrown into a cold pool!

Especially when Tengtang Xi met with his cold eyes, she intuitively felt that he wanted to kill her.

Shi Yuting's glare at the moment was something she had never seen before.

Tengtang Xi was a little afraid of him as she clenched her fists.

However, she felt her throat suddenly tightened before she could speak!

She saw Shi Yuting's extremely cold face.

He raised his hand and clasp Tengtang Xi's neck. He had no intention of letting go.

Suddenly, Tengtang Xi felt that she had difficulty breathing. The feeling of suffocation seemed to threaten to swallow her!

"You... what are you doing... Quickly let go of me..."

She struggled to try to get rid of Yuting's tight fingers.

What was he doing now? Did he want to strangle her to death?!

At this moment, Hei Long who was standing nearby saw what was happening and quickly walked over.

"Mr. Shi!"

"Get lost!!!"

He wanted to stop Shi Yuting, but was unable to due to Shi Yuting's sharp gaze! Then, his roar echoed through the whole living room.

Hei Long tightened his fists. Perhaps he should not be Mr. Shi's enemy, but it was his duty to protect Tengtang Xi.

Moreover, if something happened to Tengtang Xi here, he had to take the blame, even Mr. Shi would be implicated.

Hei Long paused for a few seconds before moving forward again.

But this time, he was stopped by Xiangyi who was nearby.

Both of their sharp eyes met each other. A murderous aura immediately filled up the entire living room.

"Get out of my way," Hei Long said coldly.

Xiangyi grinned. The slight smile of his instantly made Shi Nuannuan fangirl like an idiot. She was dumbfounded...

So handsome...

Shi Nuannuan tilted her head and her saliva was about to flow out.

“Sorry, I’m afraid that won’t do.”

Xiangyi spoke calmly while facing Hei Long.

“It’s best not to interfere with what Mr. Shi is going to do.”

Xiangyi looked at Hei Long seriously and there was no smile on his face.

Actually, he was helping Hei Long.

Maybe it was his duty to protect Tengtang Xi, but if he openly challenged Mr. Shi, he was afraid that Hei Long would lose his life.

He should know which was more important!

Hei Long kept quiet after listening to Xiangyi’s words.

He turned and glanced at Tengtang Xi who was about to die. However, he chose not to move.

Chapter 234: Do You Have Any News About Xinlei?

“Hei... Hei Long... help... help me...”

At this moment, Tengtang Xi was almost unable to make a sound. Her beautiful face was already red!

She kept on hitting Shi Yuting’s arms fiercely trying to break free from his hands.

Air... she needed air...

“Shi Yuting, quickly... let... go...”

Her breathing became smaller. Tengtang Xi’s eyes began to turn white.

Seeing this scene, Zuo Weiyi who was on the side was a little nervous, but she still did not speak.

Maybe someone like Tengtang Xi should be given a lesson.

It was just that...

If she really died... Would Shi Yuting be implicated?

Zuo Weiyi heard Nuannuan said that Tengtang Xi was engaged to Shi Yuting to increase his chances of being elected president. If she died like this, Shi Yuting would not...

Zuo Weiyi suddenly stepped forward while thinking of this. She then reached out and grabbed Shi Yuting’s arm.

Shi Yuting turned and looked at Zuo Weiyi puzzledly. He frowned.

Zuo Weiyi pursed her lips facing his dark eyes. "My wound still hurts a bit. Can you ask Zhong Shenghao to come here?"

Shi Yuting stared at her for a few seconds and finally let go of Tengtang Xi's neck.

"Ahem... Ahem!"

Tengtang Xi immediately slumped to the ground. She kept on coughing and felt like she was coming back to life.

Shi Yuting turned around and carried Zuo Weiyi after letting go of Tengtang Xi. He looked at Zuo Weiyi. "I will call him to come over now."

Zuo Weiyi nodded. "Okay."

Tengtang Xi could not help getting angry after seeing the concerned look on Shi Yuting's face.

He had actually wanted to kill her for an illegitimate daughter!

Did he not want to be the president anymore?!

Tengtang Xi seemed to look ruthless while thinking of this. She then stood up and walked to the second floor. She immediately dialed Shi Le's number as soon as she reached her room.

Zhong Shenghao really came after a while and checked on Zuo Weiyi.

"It's quite serious. But fortunately, you have rinsed your hands with cold water in time. Otherwise, your hand might be scarred."

Zhong Shenghao was preparing some medicine for Zuo Weiyi as he spoke.

Zhong Shenghao left after everything was done.

He turned and called Shi Yuting when he reached the door.

Shi Yuting knew that he had something to say to him. Thus, he got up and walked toward the door.

Zhong Shenghao asked, "Have you heard about Xinlei recently?"

Shi Yuting's eyes did not waver at all after hearing this name again. He was indifferent as if this name had nothing to do with him.

This was indeed the case.

"No."

Zhong Shenghao pursed his lips and there was a trace of sadness in his eyes.

"I heard that she has recently disappeared from her hometown. If you have any news about her, please tell me."

Shi Yuting glanced at him and did not say anything.

Zhong Shenghao smiled a little. He then turned and left.

Shi Yuting did not even plan to go to the company since Zuo Weiyi was injured. He decided to stay at home and be with her.

But before that, he had to deal with Tengtang Xi!

Since the lunch was already ruined by Tengtang Xi, Aunt Yu ordered the kitchen to cook some dishes again.

Shi Yuting had not eaten lunch either.

As everyone was sitting at the dining table and was about to enjoy lunch, Aunt Yu could not help asking Shi Yuting.

Chapter 235: Tengtang Xi is Driven Away

“Master, do you want to call Miss Tengtang to come down and eat?”

Although Aunt Yu also hated Tengtang Xi, she still had to do what she should do. After all, she was serving the grandson-in-law that was personally selected by the Speaker.

Shi Yuting only remembered about Tengtang Xi after hearing this. He tilted his head slightly and spoke to Xiangyi who was waiting in the living room.

“Xiangyi.”

Xiangyi walked into the dining room upon hearing Shi Yuting calling him.

“Throw all Tengtang Xi’s things out of this mansion! Including... her.”

He looked cold and without any emotions.

Zuo Weiyi and Shi Nuannuan looked up at him in surprise with a slightly stunned expression.

‘Throw Tengtang Xi’s things out of this mansion?’

Shi Nuannuan’s eyes widened. She snapped back to reality after a while and could not help being happy!

She knew that Tengtang Xi would not stay here long!

Xiangyi accepted the command and nodded a little. He then turned and left.

Zuo Weiyi just glanced at the man in the main seat calmly after being slightly stunned. She then lowered her head to continue eating her lunch.

Her heart was warm. She knew that everything Shi Yuting had done was for her.

He did not hesitate to fight against Tengtang Xi for her. Did he not want the position of the president?

Zuo Weiyi lowered her head. She continued eating as she continued thinking deeply.

“Eat more!”

Just as she was thinking, Shi Yuting's attractive voice suddenly spoke in her ears. Zuo Weiyi then saw a few more pig livers in her bowl.

She looked at him and was in a daze.

Shi Yuting just smiled. His smile was sexy and it could make all the women around the world fall in love with him!

"It's good for enriching the blood."

Zhong Shenghao told him that Zuo Weiyi's body was much worse than before due to the blood transfusion for him last time. Her anemia was also very serious. Thus, it was best to give her a more blood-enriching tonic diet.

So, he had ordered the kitchen to prepare a plate of celery and pork liver.

Zuo Weiyi felt all warm inside after looking at his black eyes.

"It's all yours. Eat them all!" He said to her in a commanding tone.

Zuo Weiyi had a headache looking at the plate full of celery and pork liver.

She did not like to eat pork liver that much. It was okay for her to eat a little occasionally but to eat a whole plate...

It was better to just kill her!

"Brother! I want to eat celery and pork liver too..."

Seeing the two showing affection to each other in front of her, Shi Nuannuan could not help pouting and teasing!

Shi Yuting turned and met with his sister's eyes. He then pushed a plate of chicken wings in front of her.

"This is yours!"

Shi Nuannuan laughed after seeing her favorite chicken wings.

She knew that even if her brother liked Zuo Weiyi, he would not forget about her!

"I suddenly feel so happy! Not only do I have a beloved brother, but there will also be a sister-in-law who loves me in the future!" Shi Nuannuan turned as she said, "Am I right, my dear sister-in-law?"

Zuo Weiyi was slightly stunned. She looked at her, a little astonished. She only reacted after a short pause.

Nuannuan had actually called her sister-in-law...

Although she felt sweet and warm inside, Zuo Weiyi knew that this position as her sister-in-law did not belong to her.

"Xiangyi! What are you doing?!"

The three of them were eating happily in the dining room. They suddenly heard Tengtang Xi's voice in the living room. Her angry voice seemed to fade away at the gate.

Chapter 236: Uncomparable To Us Tengtang's

"Xiang Yi! How dare you throw all my things out?!"

Xiang Yi placed Tangteng Xi's luggage outside the front door and turned around to return to the mansion.

He slowly turned his head back when he heard her shout, his expression calm. "It's Mr. Shi's order."

Tengteng Xi's eyes widened upon hearing that, her face expressed disbelief.

Not only did he try to kill her because of that woman, now he was trying to get rid of her stuff?!

Did he understand what was going on?!

Tengteng Xi clenched her fists, her beautiful face was twisted with ugly rage.

Looking at Xiang Yi who was walking back to the house, Tangteng Xi was furious.

"Shi Yuting! Come out!"

She yelled at the door. However, in the very next second, Xiang Yi shut the door tightly.

This was the first time she was unwelcomed to a house.

Never had she, the high and mighty mistress, been treated in a way that was shameful and embarrassing to her. She almost exploded in anger.

She continued to shout at the delicately carved door.

"Shi Yuting! Don't you dare forget that without us, the Tengtang's, your president-dream won't be realized!"

Shi Yuting sat in the dining room and ate his meal elegantly, ignoring Tangteng Xi who was yelling like a psycho.

"Shi Yuting! Don't you regret treating me like this!"

After she finished shouting, Tangteng Xi glared at the door and turned to Hei Long. "Are you dead?! I don't understand why Grandpa Shi told you to come with me!"

As an underling, it was inevitable that Hei Long would be scolded by Shi Le. However, it was his first time hearing such vile words from Tangteng Xi.

For someone who had gone through tough training, he only listened silently to those words.

If it was not for the master speaker's order, he would not even protect this infuriatingly arrogant mistress.

After glaring at Hei Long's poker face, Tangteng Xi dragged her luggage and turned around, walking toward the gate.

Hei Long's duty was to protect her, so he followed.

Feeling that he was following her, Tangteng Xi whipped her head around and scolded him sternly, "Go away! Go back to your master speaker and don't follow me!"

She marched away and left after shouting it.

Hei Long stood rooted in his spot and looked at her leaving figure. While doing so, Hei Long took out his phone and called Shi Le who was in Country C.

Ever since Tangteng Xi left, Shi Residence became a lot quieter.

Zuo Weiyi was worried about Tangteng Xi's words.

After finishing his lunch, Shi Yuting was prepared to go to the office.

"Shi Yuting."

Shi Yuting turned around with his lips pursed, waiting for her to continue her sentence.

"Is it really fine for you to treat her that way?"

Shi Yuting only smirked. "Comparing to this, you should think about changing how you address me."

Zuo Weiyi paused, she did not understand his meaning at first.

How should she address him?

After half a second, Zuo Weiyi finally understood his words.

Last time, he had told her that he did not like how she addressed him by his full name.

So, what should she call him?

Looking at her face that was in deep thought, Shi Yuting smiled and headed downstairs.

When Zuo Weiyi returned to her senses, the man had already disappeared.

Chapter 237: Afternoon Tea

In the afternoon, Zuo Weiyi lay down on the sofa while thinking of another way to address Shi Yuting.

It was impossible for her to call him "Ting" like Jing Xinlei. If she were to call him "Yuting"... Well, she liked "Shi Yuting" better.

If it was "Shi babe"... It seemed too childish for him.

As she was struggling with her own thoughts, Shi Nuannuan came downstairs.

"Weiyi, the weather is so nice today. Why don't we go out?"

Zuo Weiyi raised her gaze to Shi Nuannuan who was walking down from the stairs.

"Where to?"

Shi Nuannuan tilted her head aside and pondered.

“Hmm... Let’s go have afternoon tea!”

Although they could have tea in their house, Shi Nuannuan was already drooling thinking about the ice cream from Ice Town.

Eating ice cream during autumn was so much better than eating it in summer!

Seeing that she had nothing to do in the house, Zuo Weiyi gave in to Shi Nuannuan’s suggestion. So, both of them left the residence with Xiang Yi as their driver.

When the black Audi was out of the parking lot, Zuo Weiyi naturally opened the door to the backseat. She thought that Shi Nuannuan would sit with her, yet as she entered the car, she saw Shi Nuannuan sitting in the passenger seat.

Zuo Weiyi blanked out for a few seconds at her choice.

However, she might be choosing to sit there because there was no one in that seat.

Yet during the journey, Zuo Weiyi was not sure if it was her imagination, but...

Zuo Weiyi lifted her gaze looked at Shi Nuannuan’s face.

Why did she feel like Nuannuan kept glancing at Xiang Yi?

The car finally arrived at the tea shop Shi Nuannuan mentioned, but even when the car had stopped and Zuo Weiyi had got out of the car, she was still staring at Xiang Yi’s handsome face dreamily.

“Miss, we’re here.”

Xiang Yi felt the burning gaze and turned his head toward it, informing Shi Nuannuan calmly.

As he suddenly turned toward her, Shi Nuannuan was shocked to be caught red-handed and could not help but blush in embarrassment.

She pursed her lips and her eyes darted, but she pretended to be calm.

“Oh, I- I know!”

She said and took off her seatbelt, exiting the car.

As they entered the shop and found a place, both of the girls sat down.

Xiang Yi also entered upon parking the car.

“Xiang Yi, sit with us!”

Shi Nuannuan blurted when she saw Xiang Yi standing beside them.

She was clear that he did not have to bother about the difference in status in front of them.

But today, she wanted him to be a normal person with them, ignoring statuses and the difference in positions and whatnot.

Looking into her big innocent eyes, Xiang Yi froze for a while.

He quickly returned to his calm self. "It's fine, miss. I'm fine just standing."

Xiang Yi averted his eyes to avoid her gaze.

Seeing him rejected her, Shi Nuannuan's expression darkened. "I command for you to sit down! This is an order, an order!!"

Her irrefutable tone stunned him, he stared at her face.

"Miss, please don't..."

"I said this is an order! Sit down!"

Shi Nuannuan roared and attracted some gazes from the other customers.

Noticing all the stares, Zuo Weiyi could not help but speak as she looked at Xiang Yi, "Xiang Yi, there's no one else here, so why don't you sit down?"

Chapter 238: This Is An Order!

Even though Nuannuan's actions today had been strange and shocking, Xiang Yi had always been carrying out his duty and protecting her, and Zuo Weiyi was grateful for that.

Shi Yuting was not here with them anyway. He really did not have to behave in such an uptight and respectful manner.

Xiang Yi turned his head to Zuo Weiyi and to Shi Nuannuan. He knew that the customers were all staring at him, so he stopped hesitating and decided to sit down.

All the designs of this shop were meant for four customers. Zuo Weiyi and Shi Nuannuan were sitting face to face, leaving one seat empty beside them.

Xiang Yi was struggling to pick a seat.

If he were to sit beside Miss Zuo, two heads would not be enough to be lopped off as a punishment if Mr. Shi found out. If he sat beside Miss...

Xiang Yi's gaze landed on Shi Nuannuan's delicate face.

At this moment, Xiang Yi also noticed the sparkling gaze that she was giving him. But the difference in their social status and identity was too vast.

Knowing that a relationship between them would be impossible, Xiang Yi dared not imagine anything else.

"Sit here!"

Seeing that he had finally complied, Shi Nuannuan instantly patted the seat next to her, indicating for him to sit next to her.

Xiang Yi paused. There were only two seats and he did not have the gall to sit beside Miss Zuo.

So, he could only sit by Shi Nuannuan.

The waiter then served their meal. When they were ordering just now, Shi Nuannuan had ordered an extra.

“This is yours.”

She pushed the coconut milk tea to Xiang Yi while Zuo Weiyi took her drink. She looked at the two people in front of her with interest as she drank her tea.

Ah, Nuannuan liked Xiang Yi!

Looking at the glass pushed toward him, Xiang Yi glanced it for a second before pushing it back to Shi Nuannuan.

“Thank you, Miss, but I don’t need it...”

Her face instantly became stern upon hearing his rejection.

“This is an order!”

Zuo Weiyi could not help but smile quietly.

This dominant and stubborn personality of Nuannuan really proved that she was Shi Yuting’s sister.

Zuo Weiyi silently sipped on her drink while staring at the two of them behaving like children during their puppy love.

Xiang Yi raised his gaze at Shi Nuannuan and returned it to the glass of milk tea.

Girls usually drink this, right? What kind of man he was if he drank it?

“Not drinking it? I’ll tell brother to deduct a year of your salary.” Shi Nuannuan glared and threatened.

Xiang Yi was having a headache dealing with Shi Nuannuan’s self-centered behavior.

Finally, he gave in and took the glass. Xiang Yi sipped a little bit.

It was the first time Xiang Yi had ever tasted the combination of the deliciousness of milk tea and the sweetness of coconut fruit.

“Is it good?”

Seeing that he had complied obediently, Shi Nuannuan was extremely happy.

“Yeah.” Xiang Yi put down the glass, still chewing on one piece of the coconut fruit.

A bright smile bloomed on Shi Nuannuan’s face before she dived down to drink her own tea at one go.

When she lifted her head, she was met with a teasing gaze from Zuo Weiyi.

She paused and blushed in embarrassment. She lowered her head and pretended to sip on her tea.

After finishing their meal, the three of them left the tea shop.

As soon as they exited the shop, Zuo Weiyi’s phone rang.

She took out her phone to look at her caller. "Shi babe".

Shi Nuannuan was standing beside her. After noticing that her phone was ringing, she peered at the screen curiously.

Was this not her brother's phone number?

Chapter 239: I Love You

But this name... Shi babe?

Pfft...

"Hello?"

"What are you doing?"

When she picked up the call, Shi Yuting's sexy voice asked.

"I have just finished having afternoon tea with Nuannuan."

"I have a social event tonight."

Zuo Weiyi paused upon hearing that.

Was he... reporting his schedule?

Her heart was filled with warmth just thinking about it.

She smiled softly. "Sure."

At the other end of the phone, Shi Yuting frowned and stayed quiet for half a second.

He asked, "You're going to say just that?"

"What?" Zuo Weiyi questioned. She did not understand what he meant.

"There's nothing else you want to say to me?" Shi Yuting asked again.

Zuo Weiyi bit her bottom lip and frowned.

"What else do I have to say?"

"Something like... I miss you, I'll wait for you to come home..."

In the Dizun building, Shi Yuting sat in his office staring at the television, a romantic soap opera was playing.

The scene that was played was the same as their situation. The male lead called the female lead to report his schedule and that he would return late.

Then, the female lead said, "Sure, I miss you, I'll wait for you to come home."

The male lead replied, "I love you."

The female lead reciprocated with 'I love you too'.

Shi Yuting had watched their actions and merely followed.

Meanwhile, question marks were popping in Zuo Weiyi's head.

She frowned. Shi Yuting seemed different today.

"Or... I love you."

Shi Yuting could not help but blurt the phrase that the male lead had used in the show.

Zuo Weiyi's heart throbbed when she heard that.

Those three words "I love you"... They had never said that to each other.

"I... love you."

The phrase unconsciously slipped out from her mouth just as she was thinking about it, completely forgetting Xiang Yi and Nuannuan's existence.

Shi Yuting's face visibly turned blank when he heard that.

His attention was instantly pulled away from the show.

Because he thought that this was the "proper" way a couple should talk, Shi Yuting wanted to try that out and so, he had subconsciously said those words. Yet, when she said it, his heart was fluttering.

Never would he thought that the words would sound so nice from her lips.

When he was still studying at his university, Jing Xinlei had told him 'I love you' too, but he had felt nothing. Unlike that moment just now that was pure bliss.

As if he was not satisfied, Shi Yuting asked again, "What did you say?"

Zuo Weiyi snapped back to reality.

She lifted her gaze and saw that Shi Nuannuan was staring at her strangely.

After noticing what kind of ground-breaking phrase she had just said, Zuo Weiyi quickly changed the topic.

"Uh-Uhm, I'll hang up now! We're going shopping later so...!"

Not even waiting for Shi Yuting's reply, Zuo Weiyi hung up.

Shi Yuting blinked as her voice was replaced by the beeping.

Staring at his phone, Shi Yuting did not feel unpleasant. Rather, he smiled with a heart full of delight.

At this instant, someone knocked on the door. Shi Yuting did not look away from his phone as he said, "Come in."

"Boss, the meeting is starting." The secretary, Feilin, entered and informed him.

"Alright."

Looking at his grin, Feilin could not help but feel curious.

After working at Dizun for three years, this was her first time seeing him smile!

Chapter 240: A Gaze In The Dark

Who on earth had such a power to make their cold boss smile with such glee?

“Feilin, how long have you been working here?”

Shi Yuting suddenly lifted his head and asked Feilin who was standing by the door.

Feilin was stunned.

Their boss usually wore a cold and icy face. He would not speak if he was not required to. Yet, today he had taken the initiative and talked to her? Was this really their boss??

Although Feilin was shocked, she still answered him.

“Three years, sir.”

“105% raise for you.”

“!!!”

Feilin’s eyes widened. She did not hear that wrongly, right?!

105% raise?!

Feilin was so stunned that she could not find the words to say anything. It was only after a few moments that she recovered from the shock and said, “Thank you, sir!”

“Now go and prepare the meeting.”

“Roger!”

A smile bloomed on Feilin’s face as she left the CEO office with joy.

She never would have expected a 105% raise today!

The news of Shi Yuting being in a good mood was spread all over the building. No matter what proposal was brought up, each and every one of it was approved!

After they finished afternoon tea, Zuo Weiyi and Shi Nuannuan went shopping for a while. As they were walking, Shi Nuannuan’s gaze kept wandering over to Zuo Weiyi, which made her feel a little uneasy.

“Sister, that call was from my brother, right?”

Shi Nuannuan turned around, she heard the ‘I love you’ clear as day!

Upon hearing Nuannuan’s question, Zuo Weiyi’s cheeks flushed red.

She denied, “It’s not!”

“Really?” Shi Nuannuan was not convinced.

“Really!”

Zuo Weiyi nodded and jogged to the exit as if she was escaping Nuannuan’s interrogation. “It’s late now, let’s go home.”

When they exited the mall, the sky had indeed turned dark.

Yet, Shi Nuannuan had no plans to return.

Her brother would not be joining them for dinner anyway, so...

“Weiyi, let’s not go back. Let’s eat barbeque!”

Zuo Weiyi sat at the back and lifted her head. “Barbeque?”

“Yeah! I know a food alley and their barbeque is the best!”

Shi Nuannuan then turned to Xiang Yi and ordered, “Go to Chengxi Alley!”

However, after she commanded that, Xiang Yi did not respond. His gaze was wandering outside like he was searching for something.

Shi Nuannuan asked in confusion, “Xiang Yi, what are you looking at?”

Xiang Yi turned his head back when she spoke up again. “Nothing, where do you want to go, Miss?”

“Chengxi Alley!”

“Roger.”

He was not sure if he was imagining it, but ever since just now, Xiang Yi felt that someone was following them.

They were not with the master speaker, so who were they?

Xiang Yi was frowning throughout the journey.

When they arrived at Chengxi Alley, the sky had turned completely dark.

The barbeque street that Shi Nuannuan had mentioned was full of people too.

They walked to one of the stalls. Most of the people chose to sit outside, only a few people chose indoors.

Shi Nuannuan was a part of the majority too. Sitting outside while barbequing with beer, that was the best!

After waiting for a while, Shi Nuannuan finally found a place and rushed over to sit down.

Xiang Yi stood among the crowd, and he could still feel the stalking. The unmoving stare that was following them never once left.

He lifted his head and scanned the area yet he saw no one looking suspicious.
