

## Kiss Me 241

### Chapter 241: Text Message

Who was it?

The night was very dark and it was very difficult to find the suspicious figure amongst the bustling crowd.

After Shi Nuannuan grabbed a seat, she quickly went to order some barbequed meat and beer.

“You guys can just wait here. I will go to the bathroom first.” After that, she stood up and walked toward the barbeque shop.

Xiangyi was a little worried as he watched her walking away.

Be it Miss Zuo or Miss Shi, both their identities were very special.

“Miss!”

Xiangyi spoke up as soon as he saw Shi Nuannuan walking away.

Shi Nuannuan turned around and asked, “What do you want?”

“I...” Xiangyi stopped before he could finish his sentence.

He should not say that he wanted to accompany her to the bathroom, right?

However, even though it was a little difficult for him to say it, Xiangyi finally said, “I will accompany you.”

Shi Nuannuan could not help but feel a little warmth in her heart.

Did he want to accompany her to the bathroom?

Did she hear it correctly?

Even though Shi Nuannuan was a little surprised, she could not help but feel very warm and touched inside.

Was it possible that Xiangyi was actually worried about her?

As she thought about this, Shi Nuannuan did not say anything in response. Instead, she turned around as she walked toward the restroom in the restaurant as she gladly accepted Xiangyi’s company.

Anyway, he would not be able to follow her into the women’s washroom. So, what was there to be afraid of?

As Xiangyi glanced at Shi Nuannuan’s back, Xiangyi turned around and looked at the person sitting to his left. “Miss Zuo, make you that you stay here and do not leave this place no matter what happens.”

This was a public area anyway. Even if the person hiding in the dark had any malicious intention, it was absolutely impossible for him to take her away in such circumstances. Therefore, Xiangyi felt at ease to leave her here to wait for them.

Zuo Weiyi smiled as soon as she heard Xiangyi's words. Perhaps Xiangyi actually cared about Shi Nuannuan.

"Alright then, come back quickly!"

Xiangyi nodded before he turned around to catch up to Shi Nuannuan.

At this moment, Zuo Weiyi was left alone in front of the barbeque shop as she watched the bustling crowd and take in the loud noise around her from time to time.

Before she met Shi Yuting, she would always come to this place to have supper with her best friend, Bei Xingchen. She really liked this place because it was very relaxing and it made her feel at ease.

As she thought about it, she suddenly realized that she had not seen Bei Xingchen in such a long time. Zuo Weiyi wondered whether she was already done settling her family affairs.

Therefore, Zuo Weiyi took out her cell phone as she decided to make a phone call to check up on Bei Xingchen.

However, Zuo Weiyi's cell phone suddenly buzzed.

She lowered her head as she picked up her cell phone. As soon as she looked at her cell phone, she realized that she had received a text message from an unknown number.

She tapped into the text message and she could see that the stranger had sent her a picture.

As soon as Zuo Weiyi saw the picture, her eyes widened in shock.

Was that not her best friend, Bei Xingchen, in the picture?

It seemed as though her best friend was actually confined in a very dark room and her mouth was sealed with black tape. Bei Xingchen seemed to be unconscious.

What was happening?

Even though she was still in shock, her cell phone buzzed again, and she received another text message.

This time, there was no picture, but just one sentence in the text message. "If you want to save your best friend, then you should come to this address immediately!"

Immediately afterward, Zuo Weiyi saw the address that was attached below.

Who was it? Why would he kidnap Bei Xingchen?

Zuo Weiyi's grip around her cell phone tightened as she stood up and was about to leave the barbeque place.

As soon as she stood up, she suddenly recalled Xiangyi's reminder before he left.

She should not leave this place, no matter what happened.

**Chapter 242: Depressed Old Man**

Xiangyi was standing outside the bathroom. He could actually see Zuo Weiyi who was sitting outside through the shop window. Xiangyi could not help but frown as soon as he saw her standing up all of a sudden.

It seemed as though Miss Zuo had just received some news.

He turned around and it seemed as though Shi Nuannuan was not done in the washroom yet. Xiangyi continued staring out the window, and he did not even dare to blink out of fear that Miss Zuo would be gone in a blink of an eye.

If that ever happened, he was afraid that Mr. Shi would never forgive him.

“I will give you twenty minutes to come here. Otherwise, your best friend is dead!”

Zuo Weiyi’s cell phone buzzed again and this time, the text message that she received was a threat!

Zuo Weiyi could not think of anyone who would kidnap Bei Xingchen. What was their purpose?

Regardless of what Xiangyi had instructed her earlier, Zuo Weiyi stood up as she got ready to leave.

As soon as she got up and turned around, she suddenly bumped into someone who was walking in her direction.

“Sorry!”

Zuo Weiyi quickly lowered her head and apologized before she even looked at the other party.

“Young girl, we meet again!”

A familiar voice sounded at this time. Zuo Weiyi frowned but as soon as she looked up, she realized that she had bumped into an old man.

When she looked at his face, she was a little surprised.

She could not remember clearly but Zuo Weiyi found the old man to be very familiar.

Was this the old man that she had met on the bus not too long ago?

Why was he here?

“Old Uncle, why are you here?” Zuo Weiyi asked as she smiled.

The old man smiled as soon as he heard her words. After that, he replied, “Didn’t I tell you that we will definitely meet again?”

Zuo Weiyi could not help but look at the kind expression on the old man’s face.

“Why are you here? Are you here to eat too?”

The old man looked around them and it seemed as though Zuo Weiyi had come alone because he could not see anyone who looked like her friend.

At this moment, Zuo Weiyi’s cell phone started buzzing again and she received another text message from the unknown stranger.

“Don’t you dare to tell anyone about this. Otherwise, you can just get ready to collect your friend’s body.”

When Zuo Weiyi saw the text message, she did not dare to stay any longer, and she quickly raised her head and glanced at the old man before she said in an eager manner, “Old Uncle, I have something that I need to do now. If you don’t mind, I will take my leave first.”

Zuo Weiyi wanted to turn around and leave as soon as she was done speaking. However, at this time, the old man lifted the crutch that he was holding in his hand to block her from leaving.

“Wait! Wait!”

Zuo Weiyi raised her head as she looked at the old man with a puzzled expression on her face.

The old man took a deep look at her with complicated emotions in his eyes.

“Is your mother Zuo Qing?”

Zuo Weiyi was stunned, and she froze in place because she did not know how this old man would know her mother’s name.

“How did you... know that?”

“If your mother did not pass away, she would be about forty years old this year, right?”

Zuo Weiyi was stunned again.

“Who are you?”

The old man did not answer Zuo Weiyi’s question directly, but he continued asking her another question instead. “Was your grandmother Shen Luxi?”

At this time, Zuo Weiyi stared at the old man with her widened eyes.

He even knew her grandmother’s name?

“Who are you? How- How do you know my mother and grandmother’s names?”

Zuo Weiyi asked as she stared at the old man with a puzzled and confused expression on her face.

When the old man saw the puzzled expression on her face, the corners of his lips curved upwards slightly before his smile turned bitter.

“I... am an old friend of your grandmother.”

Zuo Weiyi frowned as soon as she heard his words.

Old friend? Her grandmother’s old friend?

“How did your grandmother pass away?” the old man asked again with pain in his eyes.

### **Chapter 243: You Still Have Fifteen Minutes!**

Zuo Weiyi was filled with doubts as she stared at the old man. However, in the end, she answered his question anyway.

“She died of an illness.”

Her grandmother fell ill when she was just three years old, and since they could not afford to pay for treatment at that time, she had passed away shortly after that.

Back then, Zuo Weiyi could not understand why her grandmother’s body was so weak.

As soon as the old man heard her answer, the pain in his eyes deepened immediately.

The incident that happened forty years ago was a pain that he could never forget. It felt like a thorn that was pierced deeply into his heart, and it was so deeply rooted that it could never be removed anymore.

At this moment, Zuo Weiyi’s cell phone started buzzing again.

Zuo Weiyi looked down at her cell phone and she saw that she had received another text from the strange number before.

“You still have fifteen minutes!”

Zuo Weiyi suddenly recalled that she had to rush off to save Bei Xingchen.

She did not have any more spare time. She had to hurry up so that she could save Bei Xingchen!

Even though the old man had made her feel very bewildered, she did not have any time to think about all this right now.

“Old Uncle, I have something that I need to do now. I am sorry, but I have to leave first.”

Zuo Weiyi said as she looked at the old man once again. She was going to leave regardless of whether Xiangyi was going to allow her to leave or not!

At this time, Xiangyi and Shi Nuannuan walked over to them.

“Miss Zuo, where are you going?”

Xiangyi called out to her immediately when he saw that she was about to leave.

If he came one step later, Miss Zuo would probably have been tricked already.

True enough, there was someone who was hiding in the dark and waiting for Miss Zuo!

As soon as she heard his voice, Zuo Weiyi turned around to look at him.

At this time, Zuo Weiyi wanted to explain the situation to Xiangyi, but she suddenly recalled the threat in the text message earlier. “Don’t you dare to tell anyone about this. Otherwise, you can just get ready to collect your friend’s body.”

Who the hell was this, and why did this person kidnap Bei Xingchen?

Shi Nuannuan also walked over as she asked blankly, “Yes, Weiyi... where are you going?”

At this time, Xiangyi could feel that there was someone else nearby them, so he quickly turned around.

As soon as he saw the old man, his eyes widened in shocked. He was obviously very surprised by the appearance of the old man!

“Gu...”

The old man quickly raised his hand and interrupted Xiangyi before he could even finish his sentence.

Xiangyi was slightly started, and he only regained his composure after a few seconds.

Was the old man trying to conceal his true identity?

Xiangyi understood the old man’s intention immediately and quickly rephrased his sentence. “Sir, why are you here?”

The old man smiled slightly as he looked at Xiangyi.

“It is rare that I get some time off to myself. Therefore, I thought that I should come out to relax for a short while.”

Shi Nuannuan who was standing beside Xiangyi at this time could not help but turn around to look at the old man as soon as he heard his voice.

When she saw the old man, she had a very shocked expression on her face. She was obviously very surprised!

Before she could open her mouth, the old man took a step forward.

“Since you have friends with you, I will not bother you anymore.”

The old man smiled as he looked at the three of them before he turned around and left immediately.

In fact, Zuo Weiyi was also very puzzled when she saw Xiangyi talking to the old man.

Did Xiangyi knew this old man?

It was only when the old man had gradually disappeared from the crowd of people that Shi Nuannuan turned around as she stared at Zuo Weiyi in surprise.

“Weiyi, do you... know the old man just now?”

Zuo Weiyi was surprised at the sudden question, and she could only shake her head blankly as she replied, “I don’t think I can say that we know each other. We only met each other once on the bus before...”

As soon as she heard this, Shi Nuannuan frowned as she got even more confused.

“Bus? Are you sure? Did you remember that correctly?”

How could the old man just now possibly take the bus?

#### **Chapter 244: Who Are You?**

Shi Nuannuan was in disbelief.

However, Zuo Weiyi did not notice Shi Nuannuan's facial expression at all. This was because, the only thing on her mind right now was her best friend, Bei Xingchen!

The text message clearly stated that she should not tell anyone about this matter. So, what should she do now?

What should she do so that she could save Bei Xingchen?

"Um... I, I have to go to the washroom now, too."

Zuo Weiyi deliberately found an excuse to leave in order to avoid Xiangyi and Shi Nuannuan.

After that, she turned around and walked in the direction of the barbeque restaurant.

Xiangyi could not help but frown slightly as he watched her walking away.

What kind of text message did Miss Zuo receive earlier? Xiangyi could tell that Zuo Weiyi's face was obviously a little flustered at this time.

Moreover, who was the person who had been hiding in the dark all this while?

Zuo Weiyi rushed into the washroom and quickly took out her cell phone. After looking at her text messages and the picture of Bei Xingchen who had been kidnapped, Zuo Weiyi felt very confused.

She knew that she would not be able to shake Xiangyi and Shi Nuannuan off so easily.

In other words, the twenty minutes that the other party had given her would definitely not be enough!

As soon as she thought about it, Zuo Weiyi tried to call the unfamiliar number on her cell phone.

The phone started ringing for a short while before it was finally connected.

Zuo Weiyi waited silently for a few seconds and after making sure that there was no sound from the other end of the line, she finally spoke up.

"Who are you? Why did you kidnap Bei Xingchen?"

"Why? Of course, it is because of you!"

The person on the other end of the line sounded very strange because he was obviously using a voice-altering machine.

Therefore, Zuo Weiyi had no way of recognizing who the voice belonged to at all. Was it someone that she knew in the past?

"What is your purpose in doing so?" Zuo Weiyi asked once again.

"You will know when you come later."

Zuo Weiyi held her cell phone tightly in her hand. Ever since she was a child, the only person who had always loved her and treated her nicely, besides her mother, was Bei Xingchen.

Therefore, there was no way that she would let Bei Xingchen die!

“I will definitely come over but...” Zuo Weiyi paused for a short while. “Twenty minutes is too little time. You are not allowing me to tell anyone about this matter. I have to find a way to make sure that I can come and see you alone.”

No matter what the other party’s intention was, she did not want Bei Xingchen to die because of her. She was her one and only sister.

When they were still on campus, both of them were inseparable and it was as though they were biological sisters!

The other party did not seem to have any doubts about her intentions after listening to her words. Therefore, the other party agreed without thinking too much about it. It was as though he knew about her current situation, and he knew that it would be impossible for her to arrive within twenty minutes.

“Alright then. I will give you one hour. I expect to see you at half-past eight. If I don’t see you at that time, then you can get ready to lose your best friend!”

After he was done speaking, the person on the other end of the line hung up the phone immediately.

After coming out of the washroom, Zuo Weiyi was still a little absent-minded.

Aside from Xiangyi, Shi Nuannuan also seemed to realize that something was wrong with Zuo Weiyi.

Therefore, Shi Nuannuan could only look at Zuo Weiyi with a puzzled and concerned expression on her face.

After the three of them sat down at their table, the barbecued meat and beer that they ordered had already arrived. Shi Nuannuan was about to start eating, but Zuo Weiyi suddenly spoke up at this time.

“Nuannuan, my stomach is feeling a little uncomfortable. Is it okay if I go back first?”

As soon as she heard Zuo Weiyi’s words, Shi Nuannuan turned around and asked worriedly, “What is wrong with you?”

Zuo Weiyi came up with an excuse immediately in order to convince Shi Nuannuan.

“Well, that... it is that time of the month for me. So, my stomach is hurting...”

Shi Nuannuan nodded as soon as she heard Zuo Weiyi’s words and it seemed as though she believed her words immediately.

It was no wonder why she looked so absent-minded earlier. It turned out that her period was here!

## **Chapter 245: My Brother Will Deduct Your Salary**

**Translator:** EndlessFantasy Translation **Editor:** EndlessFantasy Translation

As a woman, Shi Nuannuan naturally understood what it felt like when a woman was on her period. This was because she would also experience some discomfort when she was on her period. For instance, she would get very emotional and upset, and there were also times where she would feel very uncomfortable no matter what she did.

“Alright then. Let’s pack up our food so we can go home and eat!”

Shi Nuannuan agreed immediately. After that, she called the owner of the shop to pack their food up for them.

On the other hand, Xiangyi was somewhat skeptical about the entire situation.

Was Miss Zuo really absent-minded because she was experiencing physical discomfort?

Xiangyi could not stop frowning as he stared at Zuo Weiyi with a thoughtful expression on his face.

\*\*\*

After arriving back at Shi Mansion, Shi Nuannuan sat down in the living room as she enjoyed her barbequed meat and beer.

At this time, Zuo Weiyi returned to her bedroom immediately because she was feeling ‘unwell’.

As she looked at the barbequed meat and beer on the table, Shi Nuannuan decided to ask Xiangyi to accompany her to eat because it tasted really good.

Otherwise, it would be too boring for her to eat on her own.

Moreover, Aunt Yu and all the other maids in Shi Mansion had already gotten off work at night. Therefore, the only people who were left in the living room in Shi Mansion at this time were Shi Nuannuan and Xiangyi.

At this time, Xiangyi headed to the side of the room and made a phone call to Shi Yuting as he stared in the direction of the bedroom on the second floor.

“Xiangyi!”

At this time, Shi Nuannuan poked her head out of the dining room as she looked at Xiangyi.

Xiangyi turned his head when he heard his name and saw her head peeking out from behind the door.

“Come here!”

Shi Nuannuan asked as she pointed at him.

Xiangyi was slightly taken aback this time because he did not understand her intentions. However, he had no choice but to walk over to her immediately.

“How can I help you, Miss?”

Shi Nuannuan smiled immediately. Recently, she did not understand why but she would always feel very happy and comfortable as long as she could see Xiangyi’s face.

“My order is...” Shi Nuannuan grinned before she laughed and continued, “You have to accompany me to finish this barbequed meat and beer! I can’t finish all this food on my own.”

As soon as he heard her order, Xiangyi looked at the barbequed meat and beer that was on the table.

After that, his eyes returned to her as he maintained a calm expression on his face.

“Miss, it’s better if you eat it on your own.”

“No, I want you to eat with me! This is an order. If you dare to refuse me, my brother will deduct your salary!”

Xiangyi remained calm and composed despite Shi Nuannuan’s threat. However, after looking at her for a few seconds, he finally decided to sit down at the table.

“Alright then, I will stay here and accompany you.”

Xiangyi knew very well that Mr. Shi would not deduct his salary just because of this. However, for some unknown reason, he wanted to stay and accompany her as he watched her eat.

Xiangyi did not understand why his emotions were so complicated.

However, Xiangyi could relax a little and he felt more at ease because they were already back at Shi Mansion, and he assumed that it would be safe.

At this time, Shi Nuannuan was filled with joy in the dining room.

This was because she was satisfied as long as she was with Xiangyi.

Therefore, she glanced at Xiangyi who was seated quietly across her. On a whim, she suddenly picked up a piece of grilled mutton before she stuffed it into Xiangyi’s mouth. “Eat up!”

When Xiangyi saw her sudden behavior, he was shocked, and he quickly responded, “No, Miss. You can eat...”

“This is an order!”

Shi Nuannuan really thought that those four words were very useful.

“I am not used to eating these things.”

Xiangyi continued refusing the food calmly.

Shi Nuannuan calmed down as she looked at Xiangyi.

“You don’t like this?”

“Yes.”

“Then, what kind of food do you like?”

Xiangyi remained calm even though he could see the excitement in Shi Nuannuan’s eyes.

“I don’t like anything.”

“How can that be possible?”

### **Chapter 246: One Hour Away, Only Half an Hour Left!**

“Miss, hurry up and eat quickly.”

Xiangyi deliberately changed the topic to end the conversation they had earlier.

Shi Nuannuan pouted because she did not want to force him if he did not enjoy eating this kind of food. At this time, she suddenly glanced at the wine rack behind Xiangyi.

“Do you enjoy drinking then? I’ll get some red wine for you!”

After that, she got up and walked toward the wine rack behind him immediately.

After all, all of these were high-quality red wine that her brother had kept and treasured for a long time!

“No need, Miss. I won’t be drinking tonight!”

Xiangyi could not help but speak up as soon as he saw Shi Nuannuan getting up. However, Shi Nuannuan insisted on getting some wine.

She knew very well that the higher the position the wine was placed, the better the quality of the wine. Therefore, Shi Nuannuan naturally wanted to take the bottle of red wine that was placed on the highest shelf.

However, the wine rack was specifically made in accordance to her brother’s height. So, it was obviously beyond Shi Nuannuan’s reach at the moment.

In order to get a bottle of red wine from the highest row, Shi Nuannuan moved one of the chairs over as she climbed and stood on top of the chair to reach the bottle of wine from the highest row. She was certain that it could be done!

However, as soon as she grabbed hold of a bottle of high-quality red wine, she lost grip of the bottle because it was too slippery. The bottle of red wine fell to the ground and instantly shattered. The dark red liquid spilled all over the floor, and it was a messy situation.

As soon as she saw the mess that she had created, Shi Nuannuan panicked and seemed distressed.

If her brother found out about this, he would definitely scold her!

All the maids had already gotten off work. Therefore, Shi Nuannuan would have to clean up the mess on her own.

As she squatted down and was about to pick up the pieces of glass scattered on the ground, Xiangyi suddenly came over and said, eagerly, “Be careful!”

Xiangyi could not stop himself from exclaiming out loud when he saw that she was about to pick up the glass shards with her bare hands.

Shi Nuannuan raised her head, and she could see Xiangyi walking toward her.

“I will do it. Don’t move.”

When she saw that he was being so cautious and worried about her, Shi Nuannuan smiled before she replied, “It’s okay. I am not a kid anymore.”

Shi Nuannuan lowered her head and reached out her hand to pick up the glass shards on the ground.

As soon as she touched one of the glass fragments, she suddenly felt a tingling sensation, and she frowned from the pain.

“Ouch...”

Shi Nuannuan quickly retracted her hand and at this time, there was red blood oozing from her index finger.

When Xiangyi saw that her finger was bleeding, he subconsciously grabbed hold of her hand and placed her bleeding index finger in his mouth, without even thinking about what he was doing. After that, he continued sucking her index finger to stop the bleeding.

Shi Nuannuan was stunned because of his sudden reaction, and she could only stare blankly at him as he continued sucking her index finger.

At this time, the person in the master bedroom on the second floor opened the door as she snuck out quietly.

She walked down the stairs slowly, and when she saw that there was no one in the living room, she hurried down immediately.

Since there was no one there to stop her, Zuo Weiyi quickly opened the door and headed to the garage before she drove her red Maserati out in a hurry.

She was one hour away but there was only half an hour left!

As soon as they heard the sound of the car engine, Shi Nuannuan and Xiangyi suddenly came back to their senses.

Xiangyi let go of Shi Nuannuan’s hand, and he walked to the living room immediately. As he looked out the door, all that he could see was the car leaving the gate in a hurry.

Sure enough, Zuo Weiyi was not feeling unwell!

“Is that Weiyi? It’s already so late at night. Where is she going?” Shi Nuannuan asked when she saw the familiar red Maserati leaving the house.

Xiangyi raised his brows slightly before he turned his head and said to Shi Nuannuan, “Please be good and stay at home. Put some medication and wrap a bandage around your wound!”

### **Chapter 247: The Figure Beneath the Light**

After he was done speaking, Xiangyi rushed toward the door, got into his car, and quickly drove in the direction that Zuo Weiyi had driven off in as he chased after her.

There was a blank expression on Shi Nuannuan’s face as she looked at the two cars that disappeared before her eyes, one after the other.

At this time, she lowered her head as she looked at her finger that Xiangyi had just sucked. It had actually stopped bleeding!

As she thought about everything that had just happened, the corners of her mouth curved up slightly as Shi Nuannuan smiled to herself.

\*\*\*

At half-past eight that night, Zuo Weiyi finally arrived at the address of the location that she had received from the text message. It turned out that this was actually an abandoned car recycling car station.

Zuo Weiyi opened the car door and got out of the car immediately. It was dark all around, and since it was already so late at night, Zuo Weiyi could not find her way through the place at all.

At this moment, her cell phone suddenly rang.

Zuo Weiyi looked at the caller ID before she answered the call.

"I am on the warehouse to your left. Did you bring anyone else here with you?"

"No. Where is Xingchen? Did you do anything to her?"

"Don't worry. She will be fine as long as you do everything that I ask you to."

The voice on the other end of the line replied before cutting off the line immediately.

At this time, Zuo Weiyi raised her head as she walked toward the warehouse that the other party had mentioned over the phone.

After pushing a dilapidated iron door open, Zuo Weiyi walked in cautiously. As soon as she stepped through the door, there was a glare of light shining in her direction.

Zuo Weiyi raised her arm to block the light as she tried to make out the figure that was standing in front of her.

"You are finally here."

When the person under the light saw Zuo Weiyi, she quickly removed the cap from her hoodie as she revealed her beautiful, long, wavy hair.

After hearing the other party's voice, Zuo Weiyi was a little shocked.

This voice...

Zuo Weiyi lowered her hands as she watched the person walking out from behind the light.

"It's you..."

As she stared at the person who just stepped into the warehouse, Jing Xinlei smirked as she said, "Who else would it be?"

At this time, Zuo Weiyi clenched her fists tightly together. She did not understand why Jing Xinlei would kidnap her best friend.

"Where is my friend? Why did you kidnap her?"

Jing Xinlei could not help but sneer.

"Why? Zuo Weiyi, can you stop playing dumb and innocent in front of me?"

Zuo Weiyi frowned as she frowned hard.

What did she do? Why did she say that she was playing dumb?

Was it because of Shi Yuting again?

“Five years ago, you were the one who took the initiative to leave him. Is this the reason why you have kidnapped my best friend? Just because you want to threaten me?”

As soon as she heard Zuo Weiyi’s words, Jing Xinlei turned around and glared at her furiously.

“I gave up on him? If it weren’t because of you, I would not have ended up in this state today!”

Zuo Weiyi continued looking at Jing Xinlei who was standing in front of her.

Jing Xinlei had not changed much compared to how she was before this. However, she was no longer as glorious as she used to be.

What happened to her?

“Whatever happened to you has nothing to do with me!”

“No?!” Jing Xinlei yelled as she sneered again. “Zuo Weiyi, I have lost everything that I had. I have nothing today all thanks to you! If you did not show up, he would not have treated me like that. I have lost everything because of you!”

“Did you know that? Just because of an illegitimate child like you, Shi Yuting has actually hidden me and blocked me out of his life! That was not the only thing that he has done. Even my family, relatives, and friends are all affected because of this! This is all because of you! If you have never shown up in his life, then everything would have been just fine. Why didn’t you just die? Why are you still living in this world and trying to snatch away everything that belongs to me?”

Zuo Weiyi was a little shocked at this sudden confrontation. However, she had no sympathy for Jing Xinlei as she continued staring at Jing Xinlei calmly.

It was no wonder why it seemed as though Jing Xinlei had suddenly disappeared during this period of time. It turned out that Shi Yuting had used his power to block and subdue her presence in the entertainment industry.

### **Chapter 248: You Must be Crazy!**

But, why did Shi Yuting do that?

Was it because she abandoned him five years ago?

If that was the reason why, then why did he still attend her birthday party?

What was going on?

“I really do not understand why I can’t get rid of you at all! You were obviously supposed to be in prison already! So, why did Shi Yuting save you again? Why didn’t he just leave you to rot and die in prison?”

Jing Xinlei’s heart was filled with hatred and jealousy as he thought about how Shi Yuting was pampering and caring for Zuo Weiyi with all of his heart. She wanted to be the only one that he cared about!

Zuo Weiyi's eyes widened in shock.

She stared at Jing Xinlei with an incredulous expression on her face as she asked, "What do you mean by your previous sentence? How did you know that I was in prison?"

Jing Xinleo sneered.

"Hahaha! Why wouldn't I know about it? I was the one who killed Jiang Tingmei so that I could push the blame onto you! However, I did not expect you to get away with it so easily."

As soon as she heard what Jing Xinlei had just said, Zuo Weiyi was extremely shocked.

Jing Xinlei was the one who killed Jiang Tingmei?

"You... are you crazy? You have actually killed someone just because you hate me?"

Zuo Weiyi could not help but yell out loud as she thought about Jing Xinlei's cruelty, and how cold-blooded she was.

She really would not have expected someone who looked so refined and noble as Jing Xinlei to actually be a cold-blooded demon who could kill someone without even flinching!

"Of course! If it weren't because of your nosiness, the Jing family would not have become an outcast in society. We would not have lost everything that we had, and Shi Yuting wouldn't have turned his back on us. All this happened because of you! You are the reason why Jiang Tingmei had to die!"

"Jing Xinlei, you must be crazy. There is no cure for you anymore!"

"Yes, I am crazy! You are the one who drove me insane. You have ruined my life and destroyed my family. It would only be strange if I was still sane after experiencing all this!"

Destroyed her family?

Zuo Weiyi stared at Jing Xinlei in disbelief.

"Do you know that my parents and I ended up in this state because of you? Do you know that Shi Yuting has turned his back on us and left us to die because of you?"

Zuo Weiyi remained calm and composed as she listened to Jing Xinlei's words.

"Five years ago, you were the one who abandoned and walked out on him when his business was failing. Five years later, you came back, and you did not hesitate to make use of him for your own selfish desires. In order to drive me away from him, you did not even hesitate before you took someone else's life! Jing Xinlei, do you really think that you are in this state because of someone else?"

Jing Xinlei was stunned for a few seconds when she heard Zuo Weiyi's response.

Shortly after, she yelled, "Of course! This is all because of you. If you did not exist, none of this would have happened!"

"Do you even hear what you are saying right now? You are willing to kill to get what you want. If you continue doing more unrighteous stuff, you will not only be harming others, but you will also be causing harm to yourself! Who are you going to blame then? Me? I am sorry, but you cannot abandon him and

come back whenever you want to just because you want to make use of him for your own personal advantage! I will not sit still and watch him get used by you!”

“All this has nothing to do with you, so why are you being so nosy?”

“Because I love him!” Zuo Weiyi shouted out loud at this time as she faced the hideous Jing Xinlei. “I love him so much that I have no desire to see him getting hurt at all. I could even die for him. Can you do the same?”

At this time, Jing Xinlei was caught off guard, and she did not say anything anymore.

Back then, she, too, loved Shi Yuting with all of her heart. However, back then, she thought that even if she continued pursuing her dreams, he would not say anything but would still be waiting for her five years later.

However, it seemed as though Zuo Weiyi had already taken over her spot in his life now.

### **Chapter 249: Destroy You**

At this time, Zuo Weiyi seemed to read her thoughts, and she said again, “You were the one who turned your back on him in the first place. No one tried to take over your position or snatch him from you. You should be responsible for your own actions!”

“You are lying. If you did not exist, he would still be in love with me!”

“Jing Xinlei, please do not think so highly of yourself. If he was really so in love with you, no matter what anyone else did, no one would be able to replace your place in his heart. Don’t you think so?”

Jing Xinlei was taken aback.

Perhaps she had really thought too highly of her relationship with Shi Yuting. In fact, perhaps from the very beginning, all that he ever felt for her were just mere affection and not love at all.

If he really loved her, no matter what she did, it would be impossible for anyone to take her place in his heart.

Even if she was a murderer, he would still love her.

Why? How could this illegitimate girl beat her? She could not accept this! She did not want to accept defeat at all.

After regaining her composure, Jing Xinlei suddenly sneered.

Since things had already come to this point, Jing Xinlei was also certain that Shi Yuting would never belong to her anymore. Therefore, her one and only purpose today was to destroy her!

She would never let anyone else get what she could not have!

“I do not want to continue arguing with you anymore. Aren’t you here to save your best friend?”

Snap! Snap!

After snapping her fingers twice, Bei Xingchen was brought out from the back of the warehouse with her mouth taped.

“Hmm! Hmm!”

Bei Xingchen wanted to speak as soon as she saw Zuo Weiyi. However, she could not say anything as her mouth was sealed with black tape.

“Xingchen!”

Zuo Weiyi stepped forward as she wanted to rush toward Bei Xingchen but Jing Xinlei blocked her path immediately.

“What? Did you really think that I would let her go so easily?”

“What do you want?”

Zuo Weiyi shouted as she glared at Jing Xinlei sharply.

“I want to destroy you!” Jing Xinlei replied immediately.

Zuo Weiyi frowned as she wondered what Jing Xinlei was going to do.

In the next second, Jing Xinlei suddenly raised a dagger in her hand as she held it against Zuo Weiyi’s cheek.

“Do you think that Shi Yuting will still love you... if I disfigure your face?”

Zuo Weiyi turned pale as soon as Jing Xinlei held the dagger against her face.

So, this was her true purpose in getting her here today!

“You are really crazy.”

“Yes, I am crazy. I want you to know what it feels like to have nothing left!”

“Mpf... mpff...”

Bei Xingchen was very anxious and worried when she saw Jing Xinlei holding the dagger against her friend’s face.

Zuo Weiyi clenched her fists tightly as she glanced at Bei Xingchen. “You can threaten me and do whatever you want to me but first, you have to let my friend go!”

Jing Xinlei turned around and looked at Bei Xingchen who was in the distance.

There were four of them in the abandoned warehouse. Aside from the three of them, there was another man who was holding Bei Xingchen hostage as her hands were tied behind her back.

“Release your friend?” Jing Xinlei raised her head as she laughed out loud. “Hahaha... Zuo Weiyi, you are really too naïve.”

Jing Xinlei looked like a lunatic who had already lost her soul.

“Didn’t you say that you will let her go as long as I came and do as you say?”

After listening to Jing Xinlei's words, Zuo Weiyi finally realized that Jing Xinlei had never intended to let her friend go. Zuo Weiyi could not help but feel very anxious and worried.

"Hey..." Jing Xinlei laughed. "Was that what I said? I said that I will destroy you! I want you to die today!"

As soon as she was done speaking, Jing Xinlei's eyes turned dark as though she had already planned for everything that was about to happen.

### **Chapter 250: Do You Want to Die?**

After she was done speaking, she turned around and looked at the man who was holding Bei Xingchen hostage. "It seems as though you will finally receive your reward today."

As soon as he heard her words, the man suddenly let out a burst of horrifying laughter. After that, he turned his attention to Bei Xingchen who was sitting on the ground in front of him.

"I wonder what you will be feeling... when you see your friend being bullied by a man..." Jing Xinlei replied as she turned around to look at Zuo Weiyi with a smirk on his face.

Zuo Weiyi's eyes widened as she stared at Jing Xinlei in disbelief.

When Zuo Weiyi turned around, she saw that the man had already pinned her friend down onto the ground. Bei Xingchen wanted to scream but she could not because her mouth was taped shut.

"Stop it!" Zuo Weiyi wanted to rush over to Bei Xingchen but Jing Xinlei held the dagger against her face.

"Crazy! You are really insane!" Zuo Weiyi roared in anger.

"You can swear at me and scold me all you want. No matter how hard you try, you will never be able to save her. Hahaha..."

Jing Xinlei was laughing uncontrollably as she stared at the furious expression on Zuo Weiyi's face. When Zuo Weiyi turned around to look at Bei Xingchen, she realized that the man had already begun to tear off her friend's clothing!

Zuo Weiyi clenched her fists in anger as she pushed Jing Xinlei out of the way. After that, she rushed over to Bei Xingchen immediately.

"Let her go, you asshole!"

As soon as Zuo Weiyi rushed over to them, she quickly pushed the man away as she pulled her friend up from the ground immediately. After that, she quickly covered her friend up as she tidied up her clothes for her.

Jing Xinlei did not expect Zuo Weiyi to be courageous enough to act this way. Therefore, when she stood up, she saw that Zuo Weiyi had already rushed over to her friend.

She glared at the man who had been pushed aside as she yelled, "Do you want to be paid or not? If you want to be paid, then hurry up and finish what you are supposed to do!"

As soon as he heard those words, the man glanced at Jing Xinlei before he turned around and walked toward Zuo Weiyi and Bei Xingchen.

Zuo Weiyi had already peeled off the tape from Bei Xingchen's mouth but when she was about to untie her tied up hands, the man and Jing Xinlei suddenly rushed toward the both of them.

"Be careful!" Bei Xingchen quickly warned Zuo Weiyi when she saw Jing Xinlei rushing at her with the dagger in her hand.

When Zuo Weiyi turned around, Jing Xinlei had already rushed forward as she tried to stab her with the dagger.

Out of desperation, Zuo Weiyi could only grab the dagger with her bare hands and fortunately enough, she was able to grab hold of Jing Xinlei's wrist.

"Asshole! Leave me alone!"

Zuo Weiyi could hear her friend screaming in the background, and she lost her focus for a moment. When she turned around, Jing Xinlei instantly ran the dagger through her palm.

When Bei Xingchen saw that the man was about to pounce on her, she lifted her feet and kicked the man hard in the crotch.

"Weiyi, be careful!"

Zuo Weiyi looked down at her hand as Jing Xinlei raised the dagger to try to stab her again.

"Go to hell!"

Boom!

A gunshot suddenly shouted in the chaotic warehouse. After that, Zuo Weiyi suddenly saw that Jing Xinlei who was rushing toward her with the dagger in her hand was wailing in pain as she lay on the ground...

A group of people rushed into the abandoned warehouse at this time. The first person that caught Zuo Weiyi's eyes was Shi Yuting's exquisite face.

"Do you want to die?"

Shi Yuting yelled at Zuo Weiyi as soon as he rushed into the warehouse.

He could not believe that this woman had actually come to this place alone without telling him!

However, before he could continue speaking, he noticed that her wounded hands were drenched in blood.

"Damn it!"

Shi Yuting raised his hand as he carried Zuo Weiyi, who was still in shock, up in his arms as he walked out of the abandoned warehouse.

"Wait! Wait a minute!"

"Wait for your death?" Shi Yuting replied in an angry manner as he glared at the person in his arms.

Zuo Weiyi was not worried that Shi Yuting was mad at her because the only person that she was worried about right now was her best friend.
