

Kiss Me 441

Chapter 441: I Was Imprisoned by Him

However, when he saw the men in black lying on the ground one after another, it was obvious that they were killed by them who had just entered. Then, what was their purpose?

However, all of this didn't allow Jiang Huaiyuan to think about it carefully because he had already fainted in the next second.

"Quickly take him to the hospital!"

Xiangyi gave the order and recalled what Shi Yuting had said. They had to capture Jiang Huaiyuan alive!

At night.

After dinner, Shi Nuannuan sat on the sofa. She was baffled about where Zuo Weiyi had gone last night.

"Sister-in-law, where exactly did you go last night?"

Glancing at Shi Nuannuan, Zuo Weiyi could not help but glance at Shi Le.

Could Shi Tiannan tell him that she was imprisoned?

She glanced at Shi Yuting beside her and saw that his expression was calm.

"I was going to look for Tengtang Xi, but I fainted for some reason. When I woke up, I was in a completely unfamiliar room."

Hearing this, Shi Nuannuan could not help but frown. "Unfamiliar room? Then who brought you there?"

Zuo Weiyi looked up. Speaking of which, Shi Tiannan did not seem to be at home at the moment.

"Shi Tiannan."

The moment she said that Shi Le and Shen Lanzhi, who were on the sofa, were also shocked.

"Shi Tiannan?" Shi Le frowned slightly, feeling confused.

Why did Tiannan take her away?

Shi Nuannuan was also a little puzzled. "Why did he take you to that place? Also, why didn't you come back? We were so worried about you."

"I was imprisoned by him."

Hearing this, everyone was shocked again!

This, what the hell was going on!?

Shi Le's brows furrowed slightly as he looked at her suspiciously. "You said that he imprisoned you? Why did he want to imprison you?"

Why?

Zuo Weiyi raised her eyes and looked at Shi Le calmly.

He imprisoned her because of Shi Yuting, right?

But how was she going to say this reason in front of him?

On paper, Shi Yuting and Shi Tiannan were brothers. Who would have thought that Shi Tiannan would want nothing more than to get rid of Shi Yuting?

So, if this matter came out of her mouth, no one would believe it, right? They might even think that she was trying to drive a wedge between the two brothers, causing the Shi family to be in turmoil.

At that time, she would really become a sinful person.

After thinking for a moment, she lowered her head dejectedly and said, "I... don't know."

Looking at her dejected face, Shi Le had a puzzled look on his face.

At that moment, he seemed to recall something. "Oh right, where's Shi Tiannan?"

He had to ask clearly. Why was she imprisoned for no reason?

"He seemed to have gone out in the evening," Shen Lanzhi replied.

On the sofa, Shi Yuting's lips curled up slightly.

At night, when he returned to his room, Shi Yuting's phone rang.

He picked up the phone and saw that it was from Xiangyi. He walked to the window and picked it up.

"Mr. Shi, we've found Jiang Huaiyuan. He's in the hospital now."

Hearing this, Shi Yuting's brows furrowed slightly. "The hospital?"

"Yes, just as you expected, Tengtang Xi sent someone to silence him. Fortunately, we arrived on time. Now, his injuries have stabilized."

"Stay there, and don't let anyone get close."

"Yes."

After hanging up the phone, Zuo Weiyi came out of the shower just in time.

He turned around and saw her wrapped in a towel. The corners of his lips curled up slightly. He walked over, pulled her into his arms, and walked to the bedside.

"Did he do anything to you over there?"

Zuo Weiyi was stunned for a moment before she realized that he was referring to Shi Tiannan.

Chapter 442: Jiang Huaiyuan Was Admitted to the Hospital!

"No, it's just... it seems that he intends to use me to deal with you."

Hearing this, Shi Yuting lowered his unfathomable eyes.

Then, he raised his head and smiled at the person in front of him. "Now, help me take a bath!"

Zuo Weiyi was stunned. She raised his head and looked at him in a daze. "Take a bath?"

Shi Yuting pointed at his injured hand. "How else do you think I should take a bath now?"

Looking at his injured hand, Zuo Weiyi suddenly felt guilty.

She caused this injury, and it was inconvenient for him to take a bath with only one hand.

With that thought, she stood up. "Let's go!"

The two of them entered the bathroom together. They said that they would help him take a bath, but in the end, she was also completely drenched.

"Shi Yuting!" She could not help but feel a little angry. She had just taken a bath, but she was instantly drenched again.

How was he asking her to help him take a bath? He was simply teasing her!

"Take a bath yourself!" She threw down the towel and turned around to walk out of the bathroom. However, in the next second, she was pulled back by him. Caught off guard, she fell into the bath and fell into his arms.

"Ah!" She cried out in shock. When she came back to her senses, she slapped the water in the bath. Her phoenix-like eyes widened as she stared at the man in front of her. "Shi Yuting!"

"Call me hubby." He grabbed her hands that were waving wildly and pulled her into his arms. Then, he whispered above her head.

Zuo Weiyi suddenly paused because of his words. Then, she calmed down.

Husband?

She thought about it and felt a little embarrassed.

"No!"

Even she herself was not sure if this wedding still counted.

"No?"

"Shi Yuting, can you stop fooling around! I... I'm not in the mood." She lowered her head dejectedly and pushed him away. Her mind was still filled with the things that happened at the wedding. She was not in the mood to play with him.

Looking at her dejected face down, Shi Yuting did not want to create trouble.

It's like she's feeling a little down.

After showering, they both walked out of the bathroom and lay on the bed. Zuo Weiyi slept first.

No, no, no, no, no, no.

It was not until a warm hand reached out and embraced her in the familiar bosom that she felt at ease.

“Tomorrow, let’s go and clarify the matter.”

His voice sounded above her head.

She frowned slightly but did not speak. She lay in his arms until dawn and slowly fell asleep.

Early in the morning.

Early in the morning, Zuo Yi came to the Shi family’s house, knowing that his precious granddaughter had been found!

“Weiyi, where’s my Zuo Weiyi!?”

Early in the morning, his bright voice could be heard in the empty living room.

Hearing his voice, Shi Le walked down from the second floor.

“It’s early in the morning. What are you shouting about in other people’s homes?”

Seeing Shi Le, Zuo Yi did not even bother to respond. However, when he saw Shen Lanzhi walking down from behind him, he could not help but ask, “Where’s my granddaughter? Where’s her room?”

Hearing this, Shen Lanzhi was stunned for a moment. Then, she turned her head and looked in the direction of her son’s room. Finally, she turned back and looked at Zuo Yi. “They’re not up yet.”

“What time is it? Why aren’t they up yet?” Zuo Yi couldn’t wait any longer. She walked past Shi Le and Shen Lanzhi and was about to go upstairs.

However, when he passed by Shi Le, he was stopped by him.

“Hey, old man, do you even know what’s going on? It’s only six o’clock. Why are you disturbing them?”

Hearing Shi Le’s words, Zuo Yi wanted to retort, but he suddenly calmed down.

Chapter 443: Because I Like Her

Shi Yuting’s words suddenly flashed through her mind. ‘Don’t you want to hold your great-grandson?’

Thinking of this, Zuo Yi gave up on the idea of going upstairs. Instead, he returned to the living room and chose to sit down, patiently waiting for them to get up.

At this moment, the living room door was pushed open. Shi Le turned around and saw Shi Tiannan walking in.

He could not help but open his mouth when he remembered what Zuo Weiyi had said about imprisoning her the day before.

“Tiannan, you seem to be very busy these few days.”

Shi Tiannan’s expression was calm as he walked in. He caught a glimpse of Zuo Yi on the sofa.

He turned his gaze and looked at Shi Le. “Yes.”

“What are you busy with?”

“Something at the company.”

“I heard from Zuo Weiyi that last night...” Shi Le actually liked Shi Tiannan. Although they were not blood-related, he still admired his work ethics. This was also why he was willing to hand over a portion of the Shi family’s business to him to manage.

He was a grandson that he held in high regard, so he did not wish for any estrangement between him and Shi Yuting in this family.

“Zuo Weiyi, is it?” Shi Tiannan had already admitted to it before Shi Le could speak.

Shi Le could not help but feel a little surprised. “Did you really imprison her?”

“Imprison? She must have misunderstood!”

Shi Le frowned. Misunderstood?

“What misunderstanding?”

“When I went out yesterday, I happened to see her lying in the snow on the way, so I rescued her and brought her back to my villa.”

“Why did you bring her to your villa and not here?” Shi Le asked.

Since he was kind, it was better to send her back directly.

Being asked about this, Shi Tiannan was silent for a long time.

If he wanted to stay in the Shi family as his grandson, he had to handle this matter properly.

He had been careless and should not have exposed his identity in front of Zuo Weiyi.

However, when he went there yesterday, it happened to be when she woke up. Moreover, he was about to call Shi Yuting, so he appeared in front of her without thinking.

However, he did not understand. Even his grandfather did not know that he had a villa there, so how did Shi Yuting know?

“Because I like her.” Only by saying so would all his actions not be questioned by them.

Hearing this, not only Shi Yuting, even Shen Lanzhi and Zuo Yi, who was sitting on the sofa, were surprised by his words!

“What? You... you like her!?” Shi Yuting was clearly in disbelief as he looked at him in astonishment!

At this moment, Shi Yuting and Zuo Weiyi happened to come down the stairs. When they reached the stairs, they heard Shi Tiannan say ‘I like her,’ which made them stop in their tracks.

Shi Yuting’s face darkened.

“She’s your sister-in-law now!” Shi Le couldn’t help but raise his voice.

However, Shi Tiannan’s gaze fell on Zuo Weiyi, who was standing beside Shi Yuting on the stairs.

“She wasn’t like that when I liked her.” After saying that, Shi Tiannan turned around and walked toward the second floor.

When he passed by Shi Yuting, a cold voice sounded, “I should have warned you. You’d better not touch my things.”

Hearing that, Shi Tiannan stopped and turned to look at him. “You should thank me. Otherwise, she would have frozen to death in the snow.”

As soon as he finished speaking, Shi Tiannan turned around coldly and returned to his room.

Shi Yuting lowered his eyes and looked calm. However, the intimidating aura emitted from his handsome face was hard to ignore.

On the sofa, Zuo Yi followed Shi Tiannan’s back and saw his granddaughter coming downstairs. He could not help but stand up excitedly.

Chapter 444: Tengtang Xi Threatened Bai Duo

“Zuo Weiyi!”

Seeing Zuo Weiyi, Zuo Yi, who was on the stairs, could not help but be startled.

“Come, let grandpa see if you’re injured anywhere!” Zuo Yi rushed over and carefully looked her up and down.

Seeing his excited and worried look, Zuo Yi could not help but feel a little lost.

“Grandfather...”

“Weiyi, why did you suddenly run out yesterday? You worried grandfather to death.” Seeing that she was unharmed, Zuo Yi was finally relieved.

He looked at his granddaughter in front of him and said with a lingering fear in his heart.

“You... don’t think that this is grandmother’s plot?” She remembered that after the wedding, he did not go upstairs to see her. She thought that he had believed Tengtang Xi’s words and chose to leave.

Naturally, she didn’t know that Zuo Yi had been staying in the Shi family’s living room the entire time. However, when he heard Tengtang Xi’s words, his heart was in a mess. For a moment, he didn’t know how he should treat this matter.

Later on, to find out the truth of this matter, he went to Tengtang Xi’s house. When he returned, she had disappeared. This might have formed a barrier in her heart, which was why she thought that he had believed Tengtang Xi’s words.

However, he only wanted to get to the bottom of everything.

“At first, I was indeed shocked by Tengtang Xi’s words, but later on, I also went to investigate this matter.”

“Investigate? How?” She asked in a daze.

Seeing her blank expression, Zuo Yi smiled. "Come."

He turned around and went downstairs, sitting down on the sofa.

Zuo Weiyi followed him over.

"At first, it was a woman named Bai Duo. She told me that your grandmother left with a child," Zuo Yi said as she recalled what Bai Duo had said to her when she was observing the situation of the people.

It was impossible for her to pretend to be filled with righteous indignation.

Compared to that day at the Teng Tang family, the guilt on Bai Duo's face was naturally not an act.

Her guilty conscience meant that she had something up her sleeve. Naturally, it could not be hidden from her eyes.

After leaving the Teng family home, he immediately sent people to keep an eye on Bai Duo. As expected, she met with strange men, and that man was none other than Tengtang Xi's men.

If it was not for his men arriving in time, she might have already been silenced.

"On the night of the wedding, grandfather went to the Teng family home. As expected, he also saw Bai Duo."

Hearing this, Zuo Weiyi frowned in surprise. "Are you saying that Tengtang Xi threatened Bai Duo and made her lie to you?"

Zuo Yi nodded and revealed a doting smile. "My granddaughter is really smart!"

"What happened after that? How did you know that this was actually Tengtang Xi's scheme?" When she heard Tengtang Xi's words, she began to doubt whether she was Zuo Yi's granddaughter.

Zuo Yi's gaze was a little misty in the face of her words.

"Because I can't believe that your grandmother is a woman with ulterior motives and full of schemes." If she were really such a woman, she wouldn't have listened to her parents' coercion 41 years ago and chose to leave without a word. She didn't even ask for a single cent of the money his parents gave her.

As she finished speaking, Zuo Yi looked up and took Zuo Weiyi's hand with some pity. She patted it and said, "Grandpa, I'm really sorry for making you suffer again."

"As for the websites and media that spread those photos and rumors, grandpa has already thought of a way to ban them, so you don't have to worry."

Chapter 445: Photo Identification Results Were Out

Regarding the matter that was still in the limelight yesterday, all major platforms and media websites had been forced to delete the original text this morning. Of course, even if those things were deleted, it was possible that the darkness left behind in Zuo Weiyi's heart could not be removed.

Zuo Weiyi raised her eyes, her expression somewhat gloomy.

Her innocence might have been cleared, but what about her mother?

Where did Tengtang Xi's things come from?

At this moment, the phone in the living room rang.

Shen Lanzhi was sitting beside the phone, so she took the opportunity to pick it up.

Not long after, she raised her head and looked at Shi Le. "Dad, it's for you."

Hearing this, Shi Le stood up and walked over. He took the phone from her hand, and his voice was slightly deep and filled with authority. "What's the matter?"

The other party did not know what he said, but Shi Le hung up the phone.

He walked over and sat down. He looked at Zuo Weiyi and said, "The results of the photos are out. Your photos were photoshopped by a professional."

Hearing this, Zuo Weiyi suddenly felt a sense of relief.

Although she knew that the photos were definitely fake, she did not expect Shi Le to take the images to verify their authenticity. If it were anyone else, they would have long lost their rationality from anger.

Thinking of this, Zuo Weiyi could not help but look at Shi Le gratefully. "Thank you, Shi Le."

She wanted to say something but hesitated. Suddenly, she remembered that she did not know how to address Shi Le.

"Since you are already a member of our Shi family, you can call me grandfather."

Shi Le's words made Zuo Weiyi feel a little touched.

From the beginning, he had treated her like dirt, but now, he had finally accepted her.

"You old man, you've finally come to your senses?" Zuo Yi couldn't help but cast a disdainful look at Shi Le when he heard his words.

Shi Le shot him an annoyed look. "It's none of your business!"

At this moment, Shi Nuannuan, who was in the room on the second floor, also seemed to have woken up. She walked down in her Kawai pajamas.

As soon as she walked down the stairs, she heard Shi Le say 'None of your business.' She could not help but pause for a moment with a dumbfounded look on her face.

This was because her grandfather had always portrayed himself as a serious and dignified person since she was young. This was the first time she had heard him say the word 'F*ck.'

Thinking about it carefully, her grandfather and the president were really comparable. No wonder they both fell in love with the same woman at the same time back then.

"What are you guys talking about?"

She walked over and sat down beside Shi Yuting.

Shen Lanzhi could not help but smile when she saw her beloved daughter. "I'm talking about the Weiyi. So all of this was Tengtang Xi's conspiracy."

Hearing this, Shi Nuannuan immediately looked indignant!

"Is that so!? I knew it. This must be Tengtang Xi's conspiracy! I told you, he definitely made those photos!" She looked at the people on the sofa and began to chatter non-stop. "Damn it! Those photos and videos are really life-like! They've blinded the eyes of so many people! Damn Tengtang Xi. The next time I see him, I'll definitely slap him!"

Thinking of the humiliation that Zuo Weiyi had suffered on the night of the wedding, Shi Nuannuan's face was filled with anger!

How could there be someone like Tengtang Xi in this world? It was simply polluting her eyes!

When he heard that the video and photos were fake, Shi Le could not help but turned her gaze to Zuo Weiyi.

Chapter 446: Jiang Huaiyuan Was Discharged From the Hospital

"Those photos are fake, but those videos..." Shi Le wanted to say something but hesitated, afraid that what he would say next would hurt Zuo Weiyi.

The person on the phone just now said that the photos were fake, but the videos were real. Moreover, it had been confirmed that the man and woman in the videos were called Jiang Huaiyuan, and the other one was Zuo Weiyi's mother, Zuo Qing.

"I know, the video is real." At this moment, Zuo Weiyi lowered her eyes with a hint of sadness on her face. The hand that was placed in front of her gradually tightened uncontrollably. Thinking of those videos and the people pointing at her mother, her heart was suffered more.

"That is indeed my mother..."

Hearing this, Shi Nuannuan could not help but look surprised. She pursed her lips and did not know what to say for a moment.

"Sister-in-law..."

Shi Nuannuan was about to say something to comfort her, but she suddenly raised her head and revealed an indifferent smile. "It's fine. I just want to know how Tengtang Xi obtained these things."

She must make the person who released this video pay the price!

Two days later.

Zuo Weiyi was taken to the hospital by Shi Yuting, and it was also a VIP area.

"Why did you bring me here for?"

Looking at the silent corridor, filled with the strong smell of disinfectant, Zuo Weiyi frowned, and asked Shi Yuting next to her.

“Meet someone.”

After two days of recovery, the injury on Shi Yuting’s arm was almost healed.

He held her hand and walked to a ward.

When they reached the ward’s door, they saw two men in black suits standing at the door.

When she pushed open the ward’s door and saw the men on the bed, Zuo Weiyi was shocked for a moment.

Jiang Huaiyuan?

Why did this man, who had almost disappeared from her life, suddenly appear in C Nation?

“Mr. Shi, Mrs. Shi.”

Xiangyi, who had been standing guard all this time, respectfully nodded at the two of them when he saw them enter.

Jiang Huaiyuan, who was lying on the hospital bed, also turned his head when he heard the voice. When he saw Zuo Weiyi, who had suddenly appeared, he was so shocked that he could not say a word.

That kind of shock was not the joy of reunion after a long separation between father and daughter. Instead, it was filled with guilt!

Thinking about how he had given that video to Tengtang Xi in order to seek glory, knowing full well that he had helped him forge those photos, Jiang Huaiyuan dare not look at Zuo Weiyi’s face.

Looking at the man on the bed, his prosperity had long been exhausted, and that face seemed to have suffered a lot, but Zuo Weiyi’s heart did not have the slightest bit of pity.

If not for him, her mother would not have lost her life under the wheels of the car. Thinking of his cold-bloodedness and his brutality, Zuo Weiyi wanted to turn around and leave!

However, just as she turned around, Shi Yuting, who was beside her, pulled her back.

“Don’t you want to know where those videos and photos of Tengtang Xi came from?”

His words caused Zuo Weiyi’s expression to change abruptly. She looked at him in disbelief. “What do you mean?”

Shi Yuting didn’t say anything. His gaze fell on Jiang Huaiyuan, who was lying on the bed.

Following his line of sight, Zuo Weiyi’s face was filled with disbelief!

Could it be that TengtangXi’s things were given to him by her cold-blooded and heartless father??

No, he was no longer her father. In her dictionary, the word ‘father’ had long been deleted by her. It no longer existed!

She walked step by step towards the hospital bed. Her clear black eyes gradually turned red with resentment!

Chapter 447: Why Are You Doing This!?

As he watched her gradually press on, Jiang Huaiyuan, who was lying on the hospital bed, could not help but feel a little flustered.

Especially when he met her eyes that were filled with anger, he actually became a little timid.

“Wei, Weiyi, you... listen to me. I was also forced into a corner... I...”

“I just want to ask you, were those videos and photos given to Tengtang Xi by you?” She suppressed her anger and pressed on Jiang Huaiyuan word by word!

There seemed to be a ball of fire burning in her heart, but it couldn’t destroy her hatred for Jiang Huaiyuan!

Jiang Huaiyuan had never seen her eyes so red. At this moment, he couldn’t help but want to sit up from the bed and escape from her interrogation.

“Weiyi, I really had no choice because I was forced... You don’t know, during the past six months, I...”

“I just want you to tell me, did you give those things to him?!” She let out a roar and looked at the man in front of her angrily. Her bright black eyes hid endless pain and torture!

Jiang Huaiyuan was frightened by her roar and didn’t dare to say any more nonsense.

He lowered his head. His eyes were a little evasive, and his expression was also fearful and uneasy. He lowered his head and said, “Yes, yes...”

Hearing this, Zuo Weiyi’s heart felt as if a cold, sharp sword had stabbed it!

She closed her eyes in pain, and tears couldn’t be contained anymore. Her hands that were hanging on both sides of her body tightened!

She opened her eyes and rushed to the hospital bed. She punched Jiang Huaiyuan angrily as if she wanted to vent all the pain and anger in her heart!

“How could you be so cruel? What did my mother do to you!? Why did you do this to her!? Why, why... why?!” She almost exhausted all her strength, struggling to beat Jiang Huaiyuan’s body with all her strength. The pain from the injury was not even one ten thousandths of the pain in her heart!

“She’s already dead. She’s dead! Why are you still unwilling to let her go? What did your heart do?!” Tears rolled down her cheeks. Every drop was flowing for her mother. She had never thought of stopping even when she hit his hand.

When she thought of her mother being run over by a car, her heart felt as if it was being hammered by a thousand hammers and riddled with holes!

In front of her, the heartless man chose to leave indifferently when he saw her mother lying in a pool of blood. It was as if what was lying in the pool of blood was not her mother but an ice-cold stone.

Even though Jiang Huaiyuan was a man, he could clearly feel how powerful her thin and small fists were when she was beating him with all her might. Every punch was extremely painful for him!

“Ah!” He wailed in pain. The wound on his left abdomen gradually opened up as he tried to dodge. Bright red blood stained the blue-striped hospital gown.

“Weiyi... I, I beg you... Please don’t hit me... Ugh!”

Zuo Weiyi’s hand seemed to have accidentally punched his wound, causing him to let out a painful groan. Cold sweat began to drip down his forehead!

At the side, Xiangyi could not help but want to step forward to stop Zuo Weiyi when he saw how crazy she was. However, he was stopped by Shi Yuting.

Perhaps this was the only way for her to vent the pain in her heart.

Xiangyi took a glance at Shi Yuting and did not step forward again.

Zuo Weiyi seemed to have noticed his painful expression. Her violent punches also stopped abruptly. Her gaze landed on Jiang Huaiyuan’s body, and at a glance, she saw bright red liquid reflecting off his left abdomen.

Chapter 448: Her Pain!

Was he injured?

Looking at the place that was dyed red with blood, her heart did not have the slightest bit of pity.

Staring at the place that was dyed red with blood, Zuo Weiyi suddenly raised her hand and fiercely punched the wound!

“Ah!” The punch seemed to have taken Jiang Huaiyuan’s life!

He let out a wave of painful wails, and his face turned deathly pale. He could not withstand this sudden and intense pain, and in the next second, he fainted from the pain!

Seeing that he had fainted, Zuo Weiyi’s body slowly slid down the edge of the bed.

She lay on the edge of the bed, the pain in her heart almost swallowing her whole, and she would never recover!

She sobbed silently, and her body trembled along with her sobs.

Shi Yuting walked over, pulled her up, and held her tightly in his arms.

Grabbing the collar of his chest, she lay on his chest and cried silently. The pain in her heart could not be vented in any way. It seemed that only by crying like this, the pain in her heart could be slightly alleviated.

After leaving the hospital, Zuo Weiyi looked a little haggard. Her eyes were unfocused as she stared straight at the spot under her feet.

Her mind was filled with the memories of being with her mother since she was young. Now, it was no longer possible.

Suddenly, she seemed to have remembered something. She suddenly raised her head and looked at the man beside her who had been watching her.

“How do you plan to deal with Jiang Huaiyuan?”

Looking at her, he reached out and pulled her into his arms, hugging her. “How do you plan to deal with him?”

“I want to clear my mother’s name and get Jiang Huaiyuan to admit to the crimes he committed more than 20 years ago in front of everyone in Z Nation!”

“Okay.” He gave a dotting smile and raised his hand to brush away the traces of tears on her face. “But, are you willing to do this?”

He originally wanted to leave Jiang Huaiyuan here and let her vent to her heart’s content before sending him to the first prison that would never see the light of day again.

Zuo Weiyi lowered her eyes. She was indeed unwilling.

But so what? Her mother would never come back. The only thing she could do was to restore the truth of the incident that happened more than twenty years ago so that she could clear up the humiliation her mother had suffered over the years.

She leaned against his chest, her eyes calm without a ripple. “This is the best repayment for my mother.”

At the same time, on the other side.

At Teng Tang’s house.

In the living room, on the coffee-colored leather sofa, Zuo Weiyi’s expression darkened slightly as she looked at Tengtang Li, who was standing at the side. “Director Teng Tang, all these years, you’ve been working hard for the national affairs. From today onwards, why don’t you enjoy your retirement at home?”

When Zuo Weiyi said this, Tengtang Li could not help but quickly raise his head, his expression fearful.

But in the end, he did not dare to say anything.

He closed his eyes and silently accepted the result that Zuo Weiyi gave him.

He did not expect that his granddaughter had really found someone to perjure herself and even wanted to kill him to silence him. According to the law of the country, she should be sent to the procuratorate.

Obviously, the president had shown mercy to his family and did not send his only granddaughter to the Prosecutor’s Office. What else could he say?

“In this world, there is a saying that if you do too much injustice, you will die. In the end, you will harm yourself and others.”

Zuo Yi stood up after saying that and was about to leave.

However, when he heard his words, Tengtang Xi, who was at the side, could not accept this result!

“Why! Why do you treat our Teng Tang family like this!?” At this moment, her emotions seemed to be a little intense, and was about to rush towards Zuo Yi, but was stopped in time by the two bodyguards behind her!

Chapter 449: You Hit Me...

On the side, Tengtang Li saw this and could not help but quickly pulled her back. “Xi’er, just think of it as doing this for grandpa. Don’t do any stupid thing!”

He was heartbroken. He really could not bear the pain of losing his life for nothing anymore.

What kind of crime was it to attack the president? Why was she so stupid?

“Xi’er, listen to grandpa, okay? The president has already done his best for us. What else do you want to do?!”

“I can’t accept it. Why? Why is everyone in this world helping Zuo Weiyi? I can’t accept it! I can’t accept it!”

Slap!

Before Tengtang Xi could finish speaking, a loud slap suddenly rang out, reverberating in the huge living room.

Tengtang Xi was instantly stunned. She covered her face and slowly raised her head, looking at Tengtang Li in disbelief.

“Grandfather... you, you hit me...” She couldn’t believe that her grandfather, who couldn’t even bear to scold her since she was young, actually hit her for the first time.

Looking at his granddaughter, Tengtang Li was heartbroken. “Do you know that you’ve already destroyed the Teng family for Zuo Weiyi?!”

Faced with his rebuke, Tengtang Xi felt frustrated. She quickly pushed him away and walked to the second floor!

Why was everyone in this world helping Zuo Weiyi, and now even her grandfather was speaking up for her!

She tried all means but couldn’t touch her. She was unwilling, unwilling!

Standing on the balcony of the second floor, Tengtang Xi gripped the guardrail tightly. Her nails dug into it, making a “squeak” sound. It was as if the guardrail was not the guardrail, but Zuo Weiyi!

The next day.

Early in the morning, all the major media outlets reported Teng Tang's minister's resignation. This made many people feel very sudden.

When the only one on the left found out about this matter, she was also slightly surprised. However, she soon had an answer in her heart.

Her grandfather must have used Tengtang Xi's crime and murder to silence the Teng Tang family and executed them, right?

Just as she was thinking about it, her phone rang.

She took out her phone and realized that it was a call from the presidential palace.

"Grandfather?"

"Hehe, miss, this is Uncle Yu." Uncle Yu's voice sounded on the phone, surprising Zuo Weiyi.

"Uncle Yu, why are you calling?"

On the phone, Uncle Yu paused for a moment and said in a somewhat disappointed tone, "Miss, Sisi is sick."

Hearing this, Zuo Weiyi's heart jolted. "What's wrong with it!?"

"I've asked a professional doctor to come over and take a look. He said that Sisi's age has already exceeded its lifespan."

"You're saying that Sisi is... going to die?" Zuo Weiyi had never thought that Sisi would die one day.

It had such a big body and looked so youthful and energetic. It had been fine a while ago. How could it suddenly become sick?

Uncle Yu did not answer the phone, which was a tacit agreement.

It was true. In this world, the longest life span of the Chinese White Dolphin was only 40 years, but Sisi had lived for more than 41 years, which had long exceeded its age.

But sometimes, in this world, many things seemed to be predestined.

Sisi was Miss Xi's favorite pet, but it had just been kept for a few days when Miss Xi left. And when its life was supposed to end, the only miss came.

Was this fate?

Even if it was going to die, it had to wait for Miss Xi to say goodbye.

"I'll be there right away!"

After hanging up the phone, Zuo Weiyi left and couldn't wait to go to the Presidential Palace!

Chapter 450: Proof of Existence

As soon as she reached the backyard, she saw Zuo Yi sitting by the pond with a dejected look on his face, caressing Sisi's snow-white body.

It did not seem to be angry anymore. It stayed by the shore without moving. If she could not hear its faint cries, she would have thought that Sisi was already dead.

As she walked over, she saw Zuo Yi's sad look.

"Grandfather..."

This was the first time she had seen her grandfather so dejected.

Sisi was perhaps proof of her grandmother's existence to him.

Hearing her voice, Zuo Yi finally blinked his moist eyes and said in a hoarse voice, "Grandfather knows that its life has reached its limit. It's just a little reluctant to part with it."

"Back then, when your grandmother left, she didn't leave anything behind. This dolphin was the only thing she left behind, and it was also her favorite."

Some things, perhaps after years of training, would eventually disappear without a trace.

Just like before, she disappeared from his world without a trace in an instant.

Looking at his grandfather's expression and his sad words, Zuo Yi knew that it was because he missed his grandmother.

She squatted down and reached out to caress Sisi's white body. "That's not it either. What grandmother left behind, wasn't there still me?"

Hearing that, Zuo Yi looked up at her.

She smiled. "Mother and I are the best presents that grandmother left for you."

Even though mother was no longer around.

Her words finally made Zuo Yi reveal a faint smile.

Wasn't that the same? This granddaughter in front of him was really the best present that Ruoxi left for him.

The weather in December was always freezing.

The two of them accompanied Sisi for a while. Zuo Weiyi was only worried about Zuo Yi's health, so she helped him back into the house.

Just as they entered the living room, Uncle Yu walked in with a figure at the door.

"Sir, Young Master Yansheng is here."

On the sofa, the two of them turned their heads when they heard the voice. As expected, they saw Gu Yansheng walking in with Uncle Yu.

Zuo Weiyi smiled when he saw him.

“Yansheng is here. Quick, come and sit.” Zuo Yi’s voice sounded a little depressed compared to before.

Gu Yansheng could tell something from his expression.

He walked to the side of the sofa and sat down. “What’s wrong, grandpa Zuo?”

Zuo Yi lowered his head and did not speak. His expression was very sad.

Glancing at her grandfather, Zuo Weiyi pursed her lips. Then, she looked up at Gu Yansheng. “Sisi is sick. The doctor said that her life is coming to an end, so grandpa...”

Hearing this, Gu Yansheng was a little surprised, but he was not surprised.

After all, Sisi has a stronger vitality than the average white dolphin, and it was already a miracle that she could live until now.

“Grandfather Zuo, you’re really lucky.”

Hearing Gu Yansheng’s words, Zuo Yi raised his eyebrows in confusion. “Lucky?”

“Isn’t that right? Sisi’s life might have ended a few years ago, but it was tenacious until you found Weiyi. Sisi is gone, but Zuo Weiyi is still with you.”

Gu Yansheng was a man. He might not know how to comfort people, but his words had touched Zuo Yi’s heart, making him feel very gratified!

He turned his head and glanced at his granddaughter, then patted the hand that was holding his arm.

“Yes, Zuo Weiyi is the best gift that Ruoxi gave me.”
