

Kiss Me 461

Chapter 461: This is Just a Replica...

It wasn't that he didn't think she could afford it, but with her personality, would she be so extravagant as to spend tens of thousands of yuan to buy him a scarf?

Or did she think that only such a price could match his own?

Seeing a flash of surprise in his eyes, Zuo Weiyi couldn't help but feel a little embarrassed. She said embarrassedly, "This is just a replica..." she paused and glanced up from the corner of her eyes as if she was afraid of being heard. She said softly, "98 yuan."

Hearing this, Shi Yuting was shocked.

He looked down again at the scarf. Sure enough, the material was rough.

So it was an imitation.

Shi Yuting probably would never have thought that he would actually use an imitation one day.

Looking at his unresponsive face, Zuo Weiyi could not help but feel a little worried.

Did he really dislike it?

"If you don't like it, I'll throw it away." She stood up and impatiently went to take the paper bag in his hand.

However, before her hand touched the paper bag, he reacted quickly and raised the paper bag a little higher. Then, he looked at her with a serious expression and said, "How can there be a reason to take back what was given away?"

Zuo Weiyi was surprised, and her hand froze in midair.

"I thought you didn't like it?"

"Did I say that?"

"..." Though he didn't say it, he didn't seem to like it at all from his expression, or did he?

At this moment, the waiter brought two servings of big wantons to the table.

"Please enjoy your meal."

Looking at the wantons in the bowl, Zuo Weiyi couldn't wait to pick up the chopsticks and spoon. She sat down and after picking up a big wanton, she took a bite.

It was a little hot, but in such a cold winter, the bite warmed her heart.

Seeing that she was eating with relish, Shi Yuting picked up a spoon, scooped one up, put it into his mouth, and started chewing.

This was his first time eating this thing, and it tasted pretty good.

Then, he ate the second one.

Seeing that he was eating with relish, Zuo Weiyi could not help but laugh.

In fact, he wasn't that particular about food. He didn't have to eat from a high-end restaurant.

Just as she was thinking about it, Shi Yuting suddenly raised his head and met her gaze.

She was surprised for a moment and felt guilty. She quickly lowered her head and continued eating the wantons.

"Zuo Weiyi."

Hearing this, she looked up at him in confusion.

"What?"

Shi Yuting turned around and looked at a table of men and women not far away. Judging from their words and actions, they should be a couple.

Following his gaze, Zuo Weiyi turned around and saw that the girl was using a spoon to put a wonton into the boy's mouth. Their actions were very intimate, and Zuo Weiyi could not help blushing.

But...

She turned around and looked at the man in front of her with some confusion.

Why did he ask her to look at the couple?

She asked him with her eyes.

"Feed me."

"..."

He looked so calm and at ease, as if there was no one else in the restaurant, just the two of them!

"Shi Yuting, stop messing around!" After saying that, Zuo Weiyi ignored him and continued eating her wonton.

After taking a bite, she seemed to feel that the man opposite her was not moving at all. When she looked at him, she saw that he was staring at her without moving, not even eating the wonton.

In an instant, Zuo Weiyi three creases formed between her eyebrows!

No one would have thought that the decisive and arrogant man would actually do such a childish act. No wonder the girl just now thought that she had mistaken him for someone else.

Chapter 462: The Absent-Minded Hei Long

In the end, the one who compromised was Zuo Weiyi.

She knew that if she did not do something, he would probably continue to be stubborn.

So, she picked up the spoon in her hand, scooped up a wonton from her bowl, and put it into his mouth.

Shi Yuting chewed with relish. Then, he scooped up a wanton from his own bowl and brought it to her mouth.

Zuo Weiyi was surprised to see the wanton coming towards her. From the corner of her eyes, she glanced at the other people in the restaurant.

Would they be killed by the gazes of others for showing off their affection?

Looking at the man in front of her, in the end, she opened her mouth and swallowed that wanton.

...

It was already half past one in the afternoon when she came out of the wanton restaurant.

In the afternoon, Shi Yuting still had business to deal with and had to go to ***[1]. He was afraid that she would be bored by herself, so he let her go back first.

Of course, before he let her go back, he also made sure that Gu Yansheng had already left the presidential villa.

A few days later, Sisi passed away as expected.

These few days, Zuo Weiyi's mood was a little low.

Gu Yansheng had gone to Country Z. She was worried about her grandpa, so she stayed in the presidential villa to accompany him for the past few days.

There were still a few days before the New Year. At the end of the year, there were many things that the overlord needed to do, so he had to make a trip back to Country Z.

Knowing that she had always wanted to return to Country Z, Shi Yuting really wanted to bring her along. However, Zuo Yi was not in a good mood these few days, so Zuo Weiyi gave up the idea of returning to Country Z with him.

That day, in the mansion.

Looking at Xiang Yi, who was leaving with Shi Yuting, Shi Nuannuan also wanted to go. Moreover, it was close to the New Year, and she heard that Xiang Yi would return to his hometown directly from Country Z for the New Year. In other words, she would not see him until the New Year was over!

Looking at her brother and Xiang Yi who were preparing to leave, Shi Nuannuan felt a wave of disappointment.

At this moment, her phone buzzed.

She took out her phone and when she saw the name on it, Shi Nuannuan looked in the direction of the main entrance and saw Xiang Yi holding his phone.

She could not wait to see the text message.

“See you next year, Happy New Year!”

Looking at those few words, Shi Nuannuan was as happy as a child. Her mood instantly improved!

In the courtyard, Xiang Yi, who was about to set off, smiled when he saw that the short message had been successfully sent.

He raised his head and saw Hei Long walking over with a puzzled expression not far away.

Hei Long was Shi Le's personal attendant. He had never shown such an absent-minded expression.

Being in the same position, Xiang Yi could not help but ask, "What's wrong?"

Hearing this, Hei Long raised his head. When he saw Xiang Yi, his cold face changed slightly.

Then, he frowned a little. "Have you investigated the incident where the young mistress was shot?"

Hei Long's sudden words slightly startled Xiang Yi.

"No, why are you asking this all of a sudden?" He looked at Hei Long and noticed that there was something unusual in his words.

Hei Long lowered his eyes as if he was deep in thought. He then raised his head and looked at Xiang Yi. His tone was calm and without a trace of emotion.

"I lost a gun."

Xiang Yi was surprised to hear this. His eyebrows furrowed slightly and his pair of black eyes narrowed.

Hei Long lost a gun. What did this mean?

"And it was on that day. If I remember correctly, when I got out of the car, I didn't take the gun down."

"You mean, someone took your gun and shot the young mistress?"

Chapter 463: Who Fired That Shot?

Hei Long looked at him and did not directly answer his question, but neither did he deny it. Instead, he looked at Xiang Yi and walked straight into the house.

The meaning of his words could not be more obvious.

If there was no one else behind the young mistress at that time, then the only person who would have fired at her was Tengtang Xi.

Xiang Yi's deep and serene eyes turned cold at the thought of this.

It was indeed Tengtang Xi who had fired the gun!

However, this matter still needed to be verified. As long as he could confirm whether the bullet that was taken out of the young mistress's body was the one from Hei Long's gun, he would be closer to the truth.

"What are you thinking about?"

Shi Yuting walked out of the house and was about to get into the car when he saw Xiang Yi standing alone in a daze. He did not even notice his presence, which surprised him.

After all, Xiang Yi rarely showed such a state of absent-mindedness. The only time he was absent-minded was when he was at the company the last time.

That absent-mindedness should have been because of Nuannuan. But this time, it may be because something had happened.

Hearing his voice, Xiang Yi suddenly came back to his senses and walked in front of Shi Yuting.

“Just now, Hei Long told me that he had lost his gun in the car that you and Tengtang Xi were in when you and your wife were attacked,” Xiangyi said.

Hearing this, Shi Yuting’s deep and dark eyes suddenly narrowed.

The scene was a mess so there was no way to investigate it. So until now, there had been no results.

It was not that he had never suspected Tengtang Xi, or even Gu Yansheng.

But in the end, none of them had guns on them at that time, so no one had expected that Tengtang Xi, who had never gotten out of the car, would actually steal Hei Long’s gun in the car to shoot at Zuo Weiyi!

“Tengtang Xi stole Hei Long’s gun?” He asked, his tone so cold without a trace of warmth in it.

Xiang Yi lowered his eyebrows. “No, it seems that Hei Long left the gun in the car. ”

Hearing Xiang Yi’s words, Shi Yuting’s face was cold, but there was no change in it. His unfathomable eyes were gradually tainted with a hint of cold hostility!

Seeing that he was silent, Xiang Yi spoke again, “Do you want me to go and check it out now?”

Under normal circumstances, he would definitely go and check it out without consulting him. However, today, the matter of going to Country Z was also quite important.

“No rush,” said Shi Yuting. Then, with the same cold expression, he entered the back seat of the black Bentley. “Let’s go to Country Z first.”

He was indeed not in a hurry to deal with Tengtang Xi, because he would slowly think of ways to torture her until she could not live or die!

At this moment, if he wanted to make a move on the Tengtangs, it would be as easy as flicking his finger; it would be as easy as crushing an ant!

“Yes.” Xiang Yi nodded and then opened the car door.

The black Bentley left, but at this time, a crisp shout came from behind. “Happy New Year!”

Through the rearview mirror, Xiang Yi saw the person standing at the doorway waving constantly. Sitting in the driver’s seat, the edges of his mouth curled into a smile.

From the living room, she watched her daughter rush out suddenly and inexplicably shouted ‘Happy New Year’ to someone. She started to wonder who.

Watching her daughter as she returned to the living room, Shen Lanzhi looked at her suspiciously. "Nuannuan, who were you talking to?"

Facing her mother, Shi Nuannuan's rolled her bright eyes and said, "I- I am talking to my brother!"

Chapter 464: The Most Painful Thing in the World

After saying that, she seemed to be in a good mood as she walked up to the second floor.

Meanwhile, Shen Lanzhi, who was sitting on the couch, had a confused look on her face.

Shouldn't she wait until Yuting came back to say the words 'Happy New Year'?

Sitting on the couch, Shen Lanzhi was puzzled.

...

In the presidential villa.

These few days, Zuo Yi had been sitting in the backyard, looking at the artificial pond that no longer had Sisi.

Zuo Weiyi looked at him, and indeed felt a little heartache.

To her grandpa, Sisi was someone who never left him. But with her physically gone, he must have felt an emptiness in his heart.

It is because she didn't have the heart to let her grandpa go, she couldn't follow Shi Yuting back to Country Z today.

As she was quietly looking at Zuo Yi from a distance, Zuo Yi suddenly stood up from the chair and walked towards Zuo Weiyi step by step with his crutch.

Seeing his this, Zuo Weiyi became a little excited. "Grandpa."

In the past, when he saw his precious granddaughter, Zuo Yi would always smile happily with a face full of joy. However, ever since Sisi left, his smiles and joyful face became rarer.

Today, there was finally a trace of joy.

"Weiyi, come with grandpa to the seaside for a walk."

His words surprised Zuo Weiyi slightly for a moment. It seemed that grandpa mood was not better.

"Okay."

Perhaps he would be in a better mood when he reached the seaside, because that was where his grandmother 'lived'.

The two of them arrived at the seaside. It was an exceptionally cold in winter.

Zuo Yi was wearing an old black coat. He leaned on his walking stick and looked at the endless sea. His gaze was distant, and the expression on his face seemed like he was reminiscing past memories from decades ago.

After standing for an entire afternoon, Zuo Yi did not say anything. He just looked quietly into the distance. He was not tired, hungry, or thirsty.

Snowflakes fell from the sky again. Zuo Weiyi held up the black the umbrella [1]in her hand and slowly walked towards Zuo Yi.

“Grandpa, it’s snowing.”

Facing towards her grandpa, she called out calmly. Then, she raised the umbrella above his head and shielded him from the snow.

“It’s just that, sometimes, grandpa really wants to see your grandma again. It’s been 41 years, and I miss her all the time. The pain of wanting to see her but not being able to see her, can you understand...”

For decades, he had never told anyone about his longing for Shen Luxi. It had always been hidden in his heart.

Every night, when he looked at Shen Luxi’s photo, his tears would always flow uncontrollably. Not many people could experience that kind of regret and piercing pain.

“I can.” Of course, Zuo Weiyi had a deep understanding of his pain.

When she was forced to leave Shi Yuan, she couldn’t see her mother anymore. So how could she not understand his feelings?

Perhaps the most painful thing in this world was that the person you loved was no longer in this world.

However, she felt that the most painful thing in this world was that the person you loved was right in front of you, but he did not remember you.

So, how could she not understand grandpa’s pain?

“Grandma must be thinking of you all the time. ”

Zuo Yi turned his head toward her before revealing a bitter smile.

Chapter 465: Was He Afraid That I Would Tire Out His Body?

“Is that so...” Did she hate him? Was she angry him, or think about him all the time?

Zuo Yi did not say anything else. He just continued to look into the distance.

The sky gradually darkened.

Zuo Weiyi had been standing there with him for the entire afternoon.

Finally, looking at the darkening sky, Zuo Yi turned around. At this moment, the snow [1]gradually stopped falling.

By the time they returned to the presidential palace, it was already dark outside.

After dinner, Zuo Yi went back to his room.

These days, he did not sleep well. But with Zuo Weiyi’s company, he gradually fell asleep.

At eight o'clock at night, Zuo Weiyi returned to her room and received a call from Shi Yuting.

"What are you doing?"

"I just put grandpa to sleep."

"I realized that with grandpa around, I don't really much space in in your heart as your husband..."

Hearing the obviously sour words on the phone, Zuo Weiyi felt a little helpless.

"That's not true."

"Why not?"

"Shi Yuting!" Zuo Weiyi called him angrily, "Are you jealous of my grandpa too?"

"Yes, it's my fault for being jealous!"

"..." hearing his childish tone, Zuo Weiyi felt a helpless again.

But at the same time, in her heart, she was full of happiness.

"Aren't you busy now?"

"Yes." At this moment, Shi Yuting was still in the office on the top floor of Di Zun, dealing with the mountain-like pile of work at the end of the year.

During this period of time, he had not been at the overlord, so a lot of things had been put on hold for the time being, waiting for him to handle them.

Of course, most importantly, there was a very important shareholders' meeting at the end of every year.

"I won't talk to you anymore. Rest early."

"Yeah, you too. Take care of yourself." During this period, he might be busy late into the night, so Zuo Weiyi could not help but show a hint of concern.

However, when these words stopped in Shi Yuting's ears, the meaning changed.

He was about to hang up the phone when he suddenly spoke up again, and his tone was extremely ambiguous.

"Why? Are you afraid that I'm exhausted and can't satisfy you?"

"..." for a moment, Zuo Weiyi was still a little stunned. When she came back to her senses, she raged in humiliation and shouted, "Shi Yuting! What are you thinking about all day long?!"

"I miss you," he answered with a serious expression.

"I don't want you to think about it!"

"Then who do you want to think about it?"

"None of your business!"

“Then who do you want to care about?”

“Shouldn’t I be the one to care about you?”

“Sure, how do you want to care about it?” His tone was full of affection.

“Alright, I won’t talk to you anymore. You’re busy. I’m going to take a shower.”

It was a casual and ordinary sentence, but it immediately disturbed Shi Yuting’s heart. Even his throat became a little hoarse.

“I’m hanging up.” He quickly hung up the phone.

Because of Zuo Yi, he had not touched her for many days.

At this moment, when he heard her talking about taking a shower, his mind subconsciously thought of her jade-like crystal-clear skin, tempting him to keep the longing for her hidden in his body.

After hanging up the phone, Shi Yuting let out a breath, completely unable to work.

Why did this woman tell him she was going to take a shower for no reason?

Feeling the restless fire in his body, Shi Yuting had no choice but to get up and walk to the washroom that was specially set up in the office.

Although the heater was turned on, it was still a little too cold to take a cold shower in such a winter!

...

Nine o’clock

Zuo Weiyi walked out of the bathroom, put on her pajamas, and was about to lie down when her phone rang again.

Chapter 466: A Text Message From an Unknown Number

She picked up her phone and found that it was a text message from an unknown number.

She frowned and opened the text message hesitantly.

There was a line of words written: “Want to know how your child died? It must be very painful, right?”

Looking at the line of words, Zuo Weiyi’s heart felt like it had fallen into a pot of oil in an instant, and she was in great pain!

She quickly press the reply button: “Who are you?”

After a while, that unknown number replied: “You want to know who I am? You’ll know when you come to the ocean dock. Remember, come alone. Otherwise, I won’t appear.”

Looking at the content of the reply on the screen, Zuo Weiyi could not help but clench the phone in her hand. Her joints were slightly white, and her pair of dark eyes were gradually tainted with a touch of pain and hatred!

She did not know who had sent this message. She only wanted to know how her child had died?

Who had shot her in the back that day?

She desperately wanted an answer, so she got up, changed her clothes, and left the presidential villa.

Driving a white Porsche, she followed the road signs to the ocean dier.

The contents of the message suddenly flashed through her mind.

The other party asked her to go alone, was there a purpose?

Thinking of this, she could not help but feel a little uneasy.

But who exactly killed her child? She was also anxious to know.

She thought that her child was lost in the chaos. But since someone sent her such a message, it was obvious the shot was not an accident!

At that thought, Zuo Weiyi felt uneasy.

She wanted to call her grandfather, but it was already so late, and he had not rested well for the past few days. It was not easy for him to fall asleep today. Thinking about it, she could not bear to disturb him.

But if she went alone, what if the other party had ulterior motives?

After thinking about it, Zuo Weiyi decided to give Shi Yuting a call. At the very least, she wanted him to know where she had gone.

She picked up her phone and was about to call Shi Yuting's number when she suddenly stopped.

In the blink of an eye, she had arrived at the ocean dock.

She sat in the car, but had no intention of getting out.

She held her phone in her hand, unable to make up her mind.

In the end, she decided to send a text message to Shi Yuting.

Only when the text message was successfully sent did she nervously hold her phone and open the car door.

There were boats and yachts of all sizes parked at the ocean dock.

Zuo Weiyi did not know the exact location of the person who sent her the message.

It was already 9:30 pm. The dock was exceptionally calm and there was no one around.

In an instant, she felt that there seemed to be a pair of eyes staring at her from behind. She quickly turned her head and saw a figure standing there under the moonlight.

She couldn't see the person's face clearly because of the shadow of the ship beside her, but she could tell that she was a woman from the figure.

In the next second, Tengtang Xi's shadow flashed across Zuo Weiyi's mind!

Was it her?

Zuo Weiyi looked at the figure under the shadow of the ship, eager to see if that person was Tengtang Xi!

As expected, as the figure gradually walked out from the shadow of the ship, she saw Tengtang Xi's smug face!

"It's you..."

Looking at Zuo Weiyi, Tengtang Xi revealed a smug smile, then slowly walked towards her.

"Why, are you surprised?"

Chapter 467: I Didn't Expect You to be so Lucky!

Looking at Tengtang Xi, Zuo Weiyi's face was filled with disbelief.

Could it be that her child was killed by Tengtang Xi?

Thinking of the shot that killed her child, Zuo Weiyi's black pupils were instantly filled with hatred. Her hands couldn't help but tremble in anger!

"It was you! That shot was fired by you, wasn't it?!"

Looking at her angry appearance, Tengtang Xi felt extremely happy in her heart.

"Do you want to know?" Tengtang Xi suddenly walked past her and walked towards a medium-sized yacht that was docked at the dock. "I'll tell you when I get on."

After walking onto the medium-sized yacht, Tengtang Xi turned around and said to Zuo Weiyi who was still standing at the dock.

Zuo Weiyi already knew what kind of personality Tengtang Xi had. She couldn't wait to kill her at any moment.

If she really got on the yacht, she didn't know what would be waiting for her.

But since she had tried so hard to get her out, didn't she want her to die?

Looking at Tengtang Xi's smug face under the moonlight on the yacht and thinking about her dead child, Zuo Weiyi clenched her fists. The anger in her heart couldn't be controlled at all!

With anger, she walked onto the yacht!

The moment she stepped on the yacht, it slowly sailed away like an endless ocean.

Zuo Weiyi did not know Tengtang Xi's purpose. She only wanted to know if she was the one who killed her child!

"Did you kill my child?"

Only when the yacht gradually left the dock did Tengtang Xi turn around and look at Zuo Weiyi. "That's right. Originally, I only wanted to kill you, but I didn't expect you to be so lucky. I shot you in the heart, but you didn't die! "

With that, Tengtang Xi turned around and suddenly walked into the cabin of the yacht.

Seeing her enter, Zuo Weiyi, who was still standing outside, walked in as well.

This medium-sized yacht looked very luxurious, and there was actually everything inside. It's probably used by some rich young people when they went out to play or have a party.

"Did you know?" Tengtang X poured a glass of red wine and started admiring it by herself, "The moment I heard that you didn't die, I wanted to rush to the hospital and shoot you again. However, you were protected by the president of the country, Zuo Yi. Even Shi Yuting's mother, Shen Lanzhi, couldn't get in. Do you know how much I hated you back then?"

At that moment, Tengtang Xi's eyes were already dyed red with jealousy and hatred. She looked at Zuo Weiyi with a pair of eyes that wanted to cut her bones and pull out her tendons!

At this moment, after Zuo Weiyi heard her words, she was so angry that her entire body was trembling uncontrollably. There was only one thought in her mind. She only wanted to strangle Tengtang Xi to death with her own hands!

"But later, I heard that your child was gone." Tengtang Xi, who was still angry a moment ago, suddenly calmed down. She looked at Zuo Weiyi with a smile on her face, but there was a strange look in her eyes, "Hahaha, your child is gone. I really didn't expect you to be pregnant with Shi Yuting's child, Hahaha..."

As she said this, she suddenly burst into laughter, like a lunatic going crazy. She looked at Zuo Weiyi with a smile, but couldn't control the corners of her mouth that were rising proudly, "You didn't die, but your child died for you. Hahaha... do you know? When I heard this news, I was really happy..."

Chapter 468: You are a Hideous Devil!

"That was the first time I felt so happy since you appeared in my world. Do you understand that feeling?"

Every word she said was like a needle, a thorn, stabbing fiercely into Zuo Weiyi's heart!

"What are you happy about? Even if you killed my child, Shi Yuting would never fall in love with you!" Despite her anger, she tried to calm down after hearing Tengtang Xi's words. However, her eyes could not hide the grief and anger!

She knew very well that the best way to make a person like Tengtang Xi suffer was to pick on her weaknesses, especially things that she could not accept. For example, Shi Yuting would never fall in love with her. Just this sentence alone was enough for her to know how infuriating she was in Shi Yuting's eyes. She was like a hideous devil, utterly wretched!

Hearing her sudden words, the smug Tengtang Xi suddenly turned around and the smile on her face froze. She looked at Zuo Weiyi with a ferocious expression. "What did you say? "

"Didn't you hear me clearly?" She suppressed the urge to kill Tengtang Xi in her heart and said angrily, "I said that a woman like you is like a hideous devil in Shi Yuting's eyes. Do you know how hideous your face is right now? If he saw it, he would definitely be disgusted to the point of vomiting!"

Every word that Zuo Weiyi said made Tengtang Xi want to go crazy!

At this moment, with her murderous expression, she angrily pointed at Zuo Weiyi, "What right do you have to say that about me?!"

How was she ugly? Whether it was her figure or her appearance, she was the envy of everyone. How was she as hideous as a devil?!

"Isn't that right? Unfortunately, there's no mirror to show you how ugly your face is right now!" When she thought of the child that she had suddenly lost, her heart felt as if it had been pricked by a needle. However, at this moment, she appeared exceptionally calm.

"You!" Tengtang Xi was so angry that she couldn't even speak. In an instant, she raised the glass of high-grade red wine and smashed it on Zuo Weiyi!

After so many head-on confrontations, Zuo Weiyi had completely understand Tengtang Xi's personality. It was as if she had long expected that glass of wine to fly towards at some point. With a slight shift of her body position, the glass of wine flew past her side, smashing into the glass window behind her.

"Do you know why I lured you onto this yacht?" At this moment, Tengtang Xi's eyes were dyed red with anger!

Facing her murderous face, Zuo Weiyi was very calm. "Don't you just want me to die?"

"Ha..." Teng Tangxi couldn't help but laugh out loud. "So you knew and you still dared to come up?"

"Why wouldn't I dare?" Her eyes looked so calm that there wasn't the slightest ripple. But they masked the anger of wanting to kill Tengtang Xi! "You killed my child. Do you know that there's a saying, an eye for an eye?"

Hearing this, the expression on Tengtang Xi's face suddenly froze for a moment.

She wanted her to pay for her child's life?

Thinking of this, Tengtang Xi laughed out loud again. "Hahaha... Zuo Weiyi, don't you think what you're saying is ridiculous? You want to kill me on your own?"

Zuo Weiyi didn't say anything and just stared straight at her. Her hands that were hanging by her side were tightly clenched as she tried to control the anger that was about to burst out!

Chapter 469: Wrath – Zuo Weiyi's Counterattack!

"Then, why don't I help you right now?" As she said this, Tengtang Xi's gaze turned ruthless. Unknowingly, a sharp dagger had appeared in her hand, and she quickly thrust it at Zuo Weiyi.

Looking at the rapidly approaching dagger, Zuo Weiyi's reaction was swift. She quickly stretched out her hand and tightly grabbed Tengtang Xi's arm, blocking the sharp dagger that was only a centimeter away from her face!

Then, she pushed hard against Tengtang Xi into the dining table behind her!

Along with the impact, some of the red wine and goblets on the dining table immediately fell to the ground with a loud shattering!

After being pushed back by her, the fury in Tengtang Xi's eyes became even clearer. She glared at Zuo Weiyi fiercely and rushed over with the dagger again!

Seeing that she was charging at her again with the dagger in her hand, Zuo Weiyi picked up a bottle of red wine from the table beside her and threw it at Tengtang Xi who was charging at her!

Tengtang Xi seemed to be caught off guard by her action. She did not expect that she would be hit in the head by that bottle of red wine and fall to the ground again!

She didn't expect Zuo Weiyi, who didn't seem to know how to fight back, to be so strong today!

She climbed up from the ground in a sorry state. In the next second, Tengtang Xi felt something dripping down from her forehead.

She was stunned. She raised her hand to touch the liquid flowing down from her forehead. When she looked at it, it was blood!

She actually smashed her head open?

Looking at the red blood stain on her hand, Tengtang Xi became even angrier. She immediately stood up and pounced on Zuo Weiyi!

However, Zuo Weiyi did not feel any fear in the face of her attack. Instead, she went forward with all her might and picked up another bottle of wine before throwing it at Tengtang Xi.

She wanted her to sacrifice her life for her child!

However, this time, Tengtang Xi seemed to have been prepared. The moment the bottle of wine came down, she quickly raised her hand and stopped Zuo Weiyi from doing anything.

However, she did not expect Zuo Weiyi to raise her leg with all her might in the next second and ruthlessly kick her stomach!

"Ah!" She let out a miserable cry and was once again in a sorry state. In an instant, she covered her stomach in pain and broke out in cold sweat. The dagger in her hand also fell.

She saw Zuo Weiyi closing in on her step by step, but Tengtang Xi was in so much pain that she could not stand up even for a moment.

She didn't know how powerful the anger in the heart would be when a mother who lost her child faces the culprit who caused it!

Yes, at this moment, Zuo Weiyi only wanted to stab Tengtang Xi in the chest!

She walked over and picked up the dagger on the ground. Then, she looked at Tengtang Xi who was lying on the ground, closing in step by step!

Seeing her approaching, Tengtang Xi struggled to get up from the ground. However, Zuo Weiyi was already in front of her, and she had no way to retreat.

“Do you know? Every night, I have the same dream. I dream that my child comes to me and asks me why I don’t avenge him.”

She squatted down and looked at Tengtang Xi with a cold face. Her ice-cold eyes flickered with piercing malice!

Seeing her cold face, Tengtang Xi couldn’t help but laugh. “Haha... I want you to suffer. Your pain is my greatest happiness!”

“Then, do you know what my greatest happiness is?” She looked at her, completely unmoved by her smile. Her face was still so cold that there wasn’t a trace of warmth.

Chapter 470: The Face was Probably Ruined!

“What is it?”

“It’s the death of the person who killed my child!”

Before Tengtang Xi could react, Zuo Weiyi had already raised the dagger in her hand and stabbed at Tengtang Xi’s thigh!

“Ah!” She screamed in pain! She started breaking out in cold sweat!

She seemed to want to fight back because if this continued, she would only be waiting for her death!

With this thought, Tengtang Xi couldn’t care less about the pain in her leg. She quickly raised her hand and tried to pull Zuo Weiyi’s beautiful hair.

However, due to the pain in her leg, her movements were too slow. Zuo Weiyi easily dodged it.

Then, she stabbed Tengtang Xi’s other leg with her knife and let out a pig-like cry again!

“Ah! Zuo Weiyi, I’m going to kill you!” At this moment, Tengtang Xi was like a mad Tibetan mastiff. She started to bark and bite wildly. She grabbed Zuo Weiyi’s arm and bit down with all her strength!

Zuo Weiyi could clearly feel the pain caused by the teeth, but she did not intend to let go of the hand holding the dagger. Instead, she used all her strength and pushed away the crazy Tengtang Xi in front of her, she slashed her delicate and beautiful face!

This entire situation was something Tengtang Xi did not expect.

She had lured her to the ship so that she would be buried in the sea. She did not expect Zuo Weiyi to suddenly have such an explosive force that she was powerless to fight back.

“Ah!” The tearing pain on her face caused Tengtang Xi to go completely mad. She knew that this slash had completely destroyed her face!

And this was also what she could not accept the most!

She raised her hand to cover her face. Bright red liquid flowed out from between her fingers. It slid down her hand and dripped onto her body and the floor. She was terrified!

Seeing that she was already at a complete disadvantage, Tengtang Xi had no choice but to call Ahu who was driving the yacht.

“Ahu!!”

The pain on her face almost tore her apart. She let out a roar and wished that she could tear Zuo Weiyi into pieces!

A door opened. When Ahu came out and saw Tengtang Xi lying on the ground, he was shocked. When he looked up again, he saw Zuo Weiyi standing in front of her with a cold face!

“Push her into the sea and feed her to the sharks!!!” Bearing the intense pain on her face, she let out a furious roar!

Zuo Weiyi did not expect that there would be other people on this yacht, and the one who came out was still a man.

She had already used her primal strength to deal with Tengtang Xi. If another person came, let alone a man, Zuo Weiyi just knew that she would not be able to deal with him.

“Young miss, your- your face...” looking at her hand covering her face, and the continuous bleeding from the wound, which had long dyed her fair and pure hand bloody, the man named Ahu was also shocked!

At the same time, he was also a little worried about her.

Because he had never seen the young miss in such a sorry state – that face was probably ruined!

“I told you to push her into the sea!!!” Seeing that the bodyguard was completely worried about her, Tengtang Xi couldn’t help but get angry!

At this moment, she only wanted to kill Zuo Weiyi!

“But young miss, you...”

“JUST DO IT!” Tengtang Xi roared again!

At this moment, Zuo Weiyi had already taken the dagger, turned around, and walked out of the cabin onto the deck.
