

## Kiss Me 51

### Chapter 51: She Is Just An Illegitimate Daughter

Jiang Huaiyuan was startled, then smiled awkwardly. "Weiyi, didn't you change your surname a few years ago?"

A few years ago, she did change her surname to Jiang but she had never admitted herself to be a Jiang!

"No, for the past twenty-one years, I have always borne the surname Zuo. I don't have a father. When I was born, my father was dead." She smiled faintly but hidden deep within was unmistakable pain.

She vowed to get back at the Jiang for her mother's death and the humiliation she had suffered from since young.

"Mr. Jiang, I think you have remembered wrongly."

Her words were a great blow to Jiang Huaiyuan!

He knew that Zuo Weiyi had always held a grudge against the Jiang family because of Zuo Qing's death and hated him as a father.

However, he was still her father and this was a reality nobody could change, wasn't it?

Looking at his daughter in front of him, Jiang Huaiyuan didn't know what to say.

If he did not seize this opportunity, Jiang Group would have to change its name forever!

He had strived for decades, how could he hand over his company to others just like that?

"Mr. Shi!"

Just then, Jiang Tingmei who was standing beside her father, voiced out. She looked at Shi Yuting with avaricious eyes filled with deep admiration.

"Mr. Shi, I can vouch for that. She is indeed my father's daughter, but..." She dragged the last word while shifting her vision to Zuo Weiyi and then returned to Shi Yuting's handsome face. "She's an illegitimate daughter! Maybe Mr. Shi doesn't know yet that her mother seduced my father and had her."

Jiang Tingmei was pleased with herself. She thought that once Shi Yuting knew of Zuo Weiyi's true identity, he would definitely be contemptuous of Zuo Weiyi.

Upon hearing her words, Zuo Weiyi's hands which were holding Shi Yuting's tightened.

When her mother was alive, she had suffered from their humiliation. Now that she was dead, did they have to utter slander against her like this?

"Seduce?" Zuo Weiyi smirked and let out a cold laugh. She stared at Jiang Huaiyuan who was standing beside Jiang Tingmei. "Mr. Jiang, is it true that she seduced you?"

If making this public could prove her mother's innocence and get rid of the humiliation she had suffered, then she would set things right today!

With her calling him to account, Jiang Huaiyuan hesitated and for a moment, he didn't know how to react.

Although their voices were not loud, this was a public place. If he were to admit it was not Zuo Qing who seduced him but rather he who forced himself on her, how could he still keep a foothold in the business world?

If he didn't admit now, how could he answer to his daughter who was currently doted upon by Shi Yuting?

He raised his head and looked at his daughter. "Weiyi, can we talk outside? This is..."

He put forth his request as he saw the crowd at the banquet.

"Dad, why must you go out? Just say it here." Once she got to know that her father wanted to talk outside, Jiang Tingmei was anxious. She wanted everyone in the hall to know about Zuo Weiyi's identity as an illegitimate daughter and despise her. This would give her great satisfaction.

Beside Jiang Tingmei stood her mother, Qiu Yun. She knew what exactly happened twenty-one years ago and did not utter a single word.

That year, it was Jiang Huaiyuan who forced Zuo Qing but being the arrogant wife, how could she live with it? Hence, all these years, she had taken the matter as Zuo Qing's fault for seducing her husband!

## **Chapter 52: Don't Worry, I'm Here**

"Tingmei, say no more!" Jiang Huaiyuan reprimanded his daughter for talking too much.

Then, he looked at Shi Yuting and Zuo Weiyi.

"Mr. Shi, can I have a word with my daughter please?"

Shi Yuting turned to his side and looked at Zuo Weiyi. His eyes were full of adoration and his voice was gentle enough to make every lady jealous!

"Do you wish to go?"

Zuo Weiyi looked up and saw his adoration.

She wanted justice for the humiliation that her mother had suffered but without power, how could she make Jiang family pay the price?

Sensing her worries, Shi Yuting smiled and assured her, "Don't worry, I'm here."

He had set her mind at ease. After receiving his message, Zuo Weiyi looked at him and was extremely touched.

Although they were not a courting couple, at least he doted on her.

She turned around to look at Jiang Huaiyuan and agreed. "Alright."

Jiang Huaiyuan was overjoyed.

Only if she was willing to have a private talk with him, everything would be much easier.

He turned and walked toward the garden, a place with not many people at the moment.

Before following him, Zuo Weiyi took another anxious look at Shi Yuting.

She didn't know whether what she planned to do next would trouble him.

What if what she was about to say or do required his money and power? Would he still help her against all odds?

Shi Yuting sensed her anxiousness and uneasiness and gave her a gentle smile.

"Remember, you are my woman. Nobody would dare to touch you." Once again, he set her mind at ease and assured her to do what she wished to do.

Shi Yuting's doting on Zuo Weiyi was deeply imprinted in Jiang Huaiyuan's mind. He was truly shocked.

If only he had known that Weiyi was Mr. Shi's woman, he would've brought her and her mother back home and treated them well!

Now, he had done them both wrong and might even offend Shi Yuting!

Qiu Yun saw them walking to the garden but still being worried, she tailed them.

Jiang Tingmei, on the other hand, did not plan to leave. She thought this was the perfect opportunity to get close to Shi Yuting since Zuo Weiyi was not around.

She turned around and with eyes brimming with admiration, she introduced herself. "Mr. Shi, I'm Jiang Tingmei. It's nice to meet you."

She stretched out her hand politely, wanting to get to know Shi Yuting.

However, Shi Yuting did not bother to look at her. He turned and walked towards another direction, taking no notice of her existence.

Jiang Tingmei's hand dangled in the air awkwardly. She looked at the man's back as he left and bit her lips angrily but she did not dare to chase up to him.

She didn't understand why Mr. Shi had no response after hearing about Zuo Weiyi being an illegitimate daughter.

Didn't he think she was better than Zuo Weiyi?

Except for her looks, were neither her identity nor family background better than Zuo Weiyi's?

Jiang Tingmei had been very confident of her own looks but today, after seeing Zuo Weiyi, she had indeed been stunned by her beauty.

She was even jealous of her!

Zuo Weiyi walked to a deeper part of the garden and stopped with her back facing Jiang Huaiyuan.

"Say what you want to say." Her tone of voice was cold and was one that Jiang Huaiyuan had never heard before.

“Weiyi, I know you hate me for your mother’s death, but could you please ask Mr. Shi not to withdraw his investment for the sake of your father? You know that I’ve put in lots of effort and hard work in Jiang Group. I can’t bear to see it being closed down.”

### **Chapter 53: Zuo Weiyi’s Request**

Facing her coldness, Jiang Huaiyuan pleaded pathetically.

Zuo Weiyi turned around. She remained expressionless.

Then, she smiled. “Alright. If you promise to do what I’m about to request, I’ll ask him not to withdraw his investment.”

Jiang Huaiyuan was delighted. “What request do you have?”

Zuo Weiyi was silent for a few seconds.

“Announce what you did twenty-one years ago in front of the media. Make it public.”

“Err...” Jiang Huaiyuan was stunned. “Weiyi, I know, I am the one who did your mother wrong, but I’ve borne my responsibility toward you and your mother all these years.”

True, for the past twenty-one years, he had borne his responsibility of providing them with food, clothes, and shelter and nothing less.

“If I were to admit it in front of the media, how could Jiang Group still survive?” The reason he didn’t want Shi Yuting to withdraw his investment was to keep the company. If he did what she requested, what was the point of begging her now?

“You can’t do that? There’s another option.”

“What is it?”

“Divorce Qiu Yun. I want Qiu Yun and her daughter to leave you without getting a single cent!” Looking at Jiang Huaiyuan, Zuo Weiyi was indifferent without a speck of sympathy.

She wanted that pair of mother and daughter to pay a painful price for the humiliation that her mother had suffered!

Jiang Huaiyuan was taken aback. Before he could reply, Qiu Yun appeared from behind the osmanthus tree.

She pointed and roared at Zuo Weiyi!

“Zuo Weiyi! That’s too much!”

Zuo Weiyi was not surprised at Qiu Yun’s sudden appearance.

She looked at her and laughed coldly. “Too much? This is nothing compared to how you humiliated my mother.”

“You!” Qiu Yun was at a loss for words. She turned her head toward Jiang Huaiyuan angrily. “Did you agree to her request?”

Jiang Huaiyuan was stupefied. Facing his wife, he couldn't say a single word. "Err..."

His hesitance flared up Qiu Yun's fire!

"Jiang Huaiyuan! You dare promise this little brat her request? You'd better watch your back!"

She turned her head furiously and glared at Zuo Weiyi, "Like mother like daughter! You're just like your mother, you only know how to seduce men with power!"

Slap! Qiu Yun felt a burning pain on her cheek.

She widened her eyes and looked at Zuo Weiyi in disbelief.

"Little b\*tch, you dare slap me?"

"This is not the first time I've slapped you, why wouldn't I do it again?" Even without Shi Yuting backing her up, Zuo Weiyi still dared to slap Qiu Yun.

She once had qualms about fighting Qiu Yun and Jiang Tingmei because of her mother and would endure most of the time.

Now, she had no more worries and did not have to put up with it any longer!

Qiu Yun was extremely furious. She raised her hand to return the slap.

Jiang Huaiyuan immediately caught Qiu Yun's wrist to stop her from slapping Zuo Weiyi.

"What are you doing? Let go of me!" Qiu Yun was struggling and the fire of fury in her grew. "Why, are you starting to defend her now that you see her with Shi Yuting?"

"Can you please keep calm?" Jiang Huaiyuan shouted angrily. In his ears was Shi Yuting's words: 'You are my woman. Nobody would dare to touch you.'

His words were enough to prove Zuo Weiyi's position in his heart. If Qiu Yun slapped her today, they wouldn't have peaceful lives in future.

"Why are you defending this little brat? Have you decided to agree to her request?"

#### **Chapter 54: Thinking Of Saving Jiang Group?**

Qiu Yun suddenly realized something and her expression shifted from angry to sad. "Jiang Huaiyuan, you are such an ungrateful man...do you really plan to divorce me and send me and Tingmei away without giving us a single cent?"

"I..." Jiang Huaiyuan couldn't say anything. He didn't want to do this but at the same time, he wanted to save Jiang Group. For a moment, he didn't know how to choose between the two.

His hesitance was like silent consent to Qiu Yun. She cried and hammered Jiang Huaiyuan's body with her hands. "Jiang Huaiyuan! You b\*stard! I will definitely not agree to a divorce!"

Zuo Weiyi looked at the crying Qiu Yun indifferently.

This was nothing compared to what Qiu Yun did to her mother.

Jiang Huaiyuan consoled his crying wife while looking at Zuo Weiyi. He pleaded, "Weiyi, please don't do this for your father's sake. If I divorce her, how will she live in the future?"

Zuo Weiyi felt a throbbing pain in her heart.

"For my father's sake? Now you are bringing up our father-daughter relationship? Jiang Huaiyuan, all these years, besides providing shelter and monthly living expenses of two thousand dollars, what else have you done for me and my mother?" Zuo Weiyi couldn't control the tears in her eyes. All she had left for Jiang Huaiyuan was hatred!

"What did you do when you saw her lying in the pool of blood? Your family only consists of Qiu Yun and Jiang Tingmei. Since this is the case, don't talk to me about our father-daughter relationship! Let me tell you, I don't have a father. My father died before I was born!"

"If you want to save Jiang Group, bring your certificate of divorce and see me at Di Zun!"

Zuo Weiyi did not give Jiang Huaiyuan another opportunity to speak. She turned and walked toward the banquet hall.

"D\*mn you, Zuo Weiyi!"

Qiu Yun saw her leaving and wished to skin her alive!

Jiang Huaiyuan stood where he was and thought deeply about what Zuo Weiyi had said.

The moment she entered the banquet hall, Zuo Weiyi let out a long sigh of relief.

This was the first time she was so domineering in front of Jiang Huaiyuan and Qiu Yun!

She was actually nervous.

If Jiang Huaiyuan really brought the divorce certificate to Di Zun tomorrow, would Shi Yuting help her?

At the thought of this, she raised her head and looked around for Shi Yuting.

Guests filled the huge banquet hall but among the crowd, she couldn't locate Shi Yuting.

Zuo Weiyi frowned slightly and walked into the banquet hall.

After searching for a while, she still could not spot him. Zuo Weiyi gave up looking for him. She thought maybe he had something to do and so she didn't think much about it. She looked up to look for the washroom.

This was her first time here and she didn't know where the washrooms were.

While walking, she saw a waiter carrying a tray of wine head-on. Zuo Weiyi stopped the waiter and asked, "May I know where the washrooms are please?"

The waiter pointed and Zuo Weiyi walked toward the direction of the washroom after thanking him.

She went to the washroom and then tidied her make up and left.

Just as she was about to return to the banquet hall, she suddenly saw Shi Yuting just around the corner.

## Chapter 55: The Roof Terrace

She halted and frowned as she saw the figure disappearing around the corner.

She stood there for a few seconds. Then, she walked toward the same direction and found a corridor.

She heard light footsteps above her head. Zuo Weiyi raised her head and from the gaps of the staircase, she saw Shi Yuting walking up to the second floor.

Curiosity took over her and because she was also searching for him, Zuo Weiyi tailed him without hesitation.

When she came to the second floor, she followed the sound of the footsteps to a roof terrace.

Shi Yuting stood by the railing, looking at the stars which filled the dark night. He looked like he was in deep thought.

Zuo Weiyi looked at the tall figure and halted. Why did she sense loneliness in him?

Or was she mistaken?

Shi Yuting was very alert. Very quickly, he sensed someone behind him. He turned and his sharp, cold eyes shot through Zuo Weiyi who was approaching.

That swift and fierce gaze of his stunned her. Zuo Weiyi had never seen such a serious and terrifying look before.

Under the white moonlight, Shi Yuting's eyes relaxed and turned gentle when he saw the familiar face.

The same scene with the same person had happened once previously.

That year, his family met with calamity and she chose to leave without turning back.

Zuo Weiyi was stupefied when Shi Yuting looked at her without moving. She thought that her face was dirty and so, she tried to clean her face with her hand.

"Why?" She looked at the man opposite her.

Upon hearing her voice, Shi Yuting regained his senses.

He smiled. "You are beautiful!"

He walked over and took her into his embrace. He brought her to the railing of the roof terrace to admire the stars in the sky.

"You are just like tonight's sky, beautiful and dazzling."

Zuo Weiyi was not very used to being protected in his embrace while listening to his admiration.

She was not sure if it was an illusion that she always felt but when Shi Yuting looked at her, it was as if he was looking at someone else.

However, he recovered without leaving a single trace each time and she couldn't find any loopholes.

“Why did you come here? I’ve been looking for you.” Zuo Weiyi tilted her head up and found that the sky here was extraordinarily gorgeous.

“You’re done?” he asked while looking at her pretty face. He let go of her so she could face him.

Zuo Weiyi nodded. “Yes, I...”

She looked awkwardly at the man.

“Yes?”

“I told him that you will not withdraw your investment from Jiang Group only if he divorces Qiu Yun...”

All of these were her own ideas. She didn’t know if he was willing to help her.

Fifty million dollars was not a small amount. Would this man waste so much money for her sake?

Gazing at her smiling face, Shi Yuting smiled slightly. “You did well.”

Zuo Weiyi was taken aback.

She did well?

It was his money that she was spending.

“If they really get divorced, you...will not withdraw your investment?”

“What do you wish I do?” he asked.

Zuo Weiyi hesitated.

Of course, she hoped that Jiang family would have nothing at all when she thought of the humiliation her mother had suffered. If they divorced, Qiu Yun and Jiang Tingmei would be paying the price whereas Jiang Huaiyuan, who had done her mother wrong, would never be able to make up to her mother in this life.

Her thought brought her back to the day when her mother laid in a pool of blood. She was alone and helpless but Jiang Huaiyuan ignored them. At that thought, she wished she could kill him and Qiu Yun!

### **Chapter 56: His Personal Territory**

“I don’t know.” She lowered her head and said, “I only wish for those who have bullied my mother to pay a painful price!”

Shi Yuting smiled. “Then, leave everything to me.”

Zuo Weiyi stared at the man blankly.

Leave everything to him?

Had he guessed what she was thinking?

She had the intention but she didn’t know how to get back at Jiang Huaiyuan and Qiu Yun.

She had once thought to get Jiang Group into bankruptcy but if that was the case, it was too easy for Qiu Yun and her daughter.

What she wanted to do was to first let Qiu Yun and Jiang Tingmei pay a painful price and let them suffer but if this was the case, Jiang Group will not be closing down.

She wanted to see how that pair of mother and daughter, who did not know anything, would live without money and vain appearances.

Looking at her blank look, Shi Yuting smiled. Before she had any response, he bent over and sealed her tender lips.

Tonight, she was beautiful and charming.

He would rather kiss her here than attend the banquet.

However, Shi Yuting had never expected this kiss to lead him into addiction and to get out of hand.

His kiss went deeper and deeper. Zuo Weiyi was tightly held in his embrace and her body was tightly attached to his.

When she felt his hand movement, Zuo Weiyi was shocked. The lingering scene at the hotel room that night came flashing back in her mind...

He let go of her lips and his mouth ventured to the sexy collarbone near her breast.

Zuo Weiyi widened her big eyes when she realized they were at the roof terrace!

Although there weren't any tall buildings around, what if someone came here to admire the night view? Wouldn't they be exposed?

If what they were about to do had been seen by someone, how could she live her life?

At this thought, Zuo Weiyi struggled to speak. "Shi...Shi Yuting..."

"Don't, don't do this!"

She grabbed his naughty hand.

Shi Yuting raised his head and his voice began to turn husky. "Don't worry, this is my private territory. Without my permission, no one dares to enter."

Upon finishing his words, he began the next movement...

Although he had assured her of their privacy, Zuo Weiyi did not relax.

This place was not closed up, it was an open-air terrace!

Even if he said this was his private territory, what if someone were to walk up the way she had done?

No, definitely not!

"Shi Yuting! Don't do this...At least, at least not here, please..."

She was struggling to get away from the man's control but it was too late. Then man had untied his belt, found a place, and pressed her against the wall.

"Shi Yuting!" Zuo Weiyi was angry.

The next second, she felt a pleasant sensation that instantly put off her modest anger and replacing it was the uncontrolled sound of heavy breathing.

Since they were outside, Shi Yuting let go of her after half an hour as a precautionary measure.

"It looks like your body is more honest." Shi Yuting smiled a devilish smile while smoothing down her messy evening gown.

Zuo Weiyi knew what he meant.

She was unsure of why she eventually couldn't resist.

This man must have used a legendary venomous insect on her!

### **Chapter 57: Ting, I'm Back I**

She bit her lips, glared at the man, and turned to leave.

From the end of the corridor came a beautiful melody. The ball must have started.

"Do you know how to dance?" Shi Yuting stopped to asked Zuo Weiyi.

"A little." She was not good at dancing as she did not have talent in dancing. Of course, she rarely attended events like this so she did not know ballroom dancing.

"I'll teach you." He smiled and tugged her along to the dancing floor.

"Ting."

Just then, a woman's voice could be heard. The voice was gentle and pleasant.

The familiar voice made Shi Yuting stop. He was suddenly startled.

He turned around and saw a tall woman standing there.

The familiar face had some maturity and charm added on as compared to five years ago.

Zuo Weiyi turned around too. When she saw the woman, she was shocked.

This woman looked a little like herself...

The woman was wearing a sexy fishtail evening gown. She stood there like a beautiful scenic horizon. Her black eyes reflected deep yearning.

"Ting, I...I'm back."

Looking at that woman, pain flashed through Shi Yuting's eyes so swiftly that nobody could catch it.

However, on that exquisite face, one could only see coldness without a bit of warmth.

Hearing how she addressed Shi Yuting intimately, Zuo Weiyi turned around and her vision fell on Shi Yuting's handsome side profile, then on the woman.

Who was this woman?

The woman took a few steps forward and stood in front of both of them. She had a beautiful face like a figure who had walked out of a drawing, so beautiful it was enough to cause the fall of a city or a state.

It had been five years since she last looked at him.

"How are you?"

Looking at the familiar face, Shi Yuting remained silent.

Five years of pain was like a stamp imprinted on his heart, one that he would never forget.

After quite a while, he turned stoically and tugged Zuo Weiyi along towards the banquet hall.

Zuo Weiyi was tugged on all the way.

The woman frowned as she watched the man's back. She couldn't understand what was wrong with him.

His steps were quick and Zuo Weiyi had to run a little to catch up with him.

Then, suddenly, Shi Yuting let go of her hand unconsciously.

When his hand slipped from her palm, Zuo Weiyi was stupefied. It was as if something had slipped from her fingertips.

She staggered and stopped but Shi Yuting kept advancing his steps.

What was wrong with him?

Zuo Weiyi stood there and the sight of his back became farther and farther. She frowned. She was at a loss.

"Ting!"

That familiar voice sounded once again from behind.

Zuo Weiyi turned around and saw the woman running toward Shi Yuting.

Watching the woman run past her, Zuo Weiyi stood where she was.

"Ting, please don't go!"

The woman dashed over to him and wrapped her arms around his waist. One side of her fair face nestled against his sturdy back and tears were flickering in her eyes.

Shi Yuting was dumbfounded. He stopped.

Hearing her sob, he closed his eyes and opened them again. He then stretched his hands to part the hands wrapping around his waist.

“No...Ting, please don't ignore me...” The woman shut her eyes and her tears rolled down her cheeks. The slight trembling sound of sobbing caused Shi Yuting's heart to ache.

### **Chapter 58: Ting, I'm Back II**

Not far away, Zuo Weiyi stood looking at the two figures that were close to one another. Her heart sank and she felt pain, as if something was blocking her chest.

She stood there and gawked at the two of them.

Shi Yuting clenched his fists and in the next second, he quickly parted the hands wrapping around his waist.

He turned around and his dark eyes showed a sense of pain. “I've never ignored you. You were the one who chose to leave from the beginning.”

Then, he walked toward Zuo Weiyi.

“Why? You were the one who said I can go after my dreams, but why did you ignore me after I went overseas? Ting, please tell me why?”

The woman stood where she was. She looked at the tall figure and her tears couldn't help but roll down her cheeks.

Shi Yuting halted.

Without turning around and looking at her, he said, “You can go after your dreams, but all these are none of my business.”

His voice was so cold without a bit of warmth and as compared to five years ago, he was now acting like a stranger.

He walked to Zuo Weiyi and held her hand and then they walked towards their hotel room.

The woman still stood where she was with silent tears falling.

He held her hand all the way to their hotel room and only let go of her when they entered the room.

Zuo Weiyi pursed her lips. She didn't know what to say to the man who stood there.

The atmosphere in the room at that time was quiet and awkward. Zuo Weiyi couldn't hold back her words.

Firstly, she wanted to break the awkward silence and secondly, she was curious.

She wanted to know who that woman was.

That woman looked like her. These few days, she noticed that when Shi Yuting looked at her, it was as if he was looking at someone else.

Had she become another person's shadow?

At the thought of this possibility, her curiosity became stronger.

“Is she your ex-girlfriend?”

In the huge presidential suite, Shi Yuting turned around and stared at Zuo Weiyi.

That handsome face emitted a coldness which made Zuo Weiyi felt strange.

He walked over to her and looking down from above, he said, “When I dote on you, it doesn’t mean you can poke your nose into my personal affairs.”

His words caused Zuo Weiyi to stop for a while.

“I didn’t mean that...”

“Remember, I can give you whatever you wish except for the status of Mrs. Shi. Don’t you ever think about it,” he said indifferently.

Zuo Weiyi was shocked. Her chest felt like it was being stabbed by a knife!

She had almost forgotten that the relationship between them was merely to fulfill what they each needed. What right did she have to know about his private affairs?

She pursed her lips and flashed a bitter smile. “I’m sorry, I’ve almost forgotten my identity. I’m only your sexual partner.”

Looking at her pretty face, Shi Yuting said nothing more.

Instead, he turned toward the door and walked out.

Zuo Weiyi stood where she was as she looked at the door being closed. After a good while, she regained her senses and she walked toward the couch by the side of the room.

Had she unconsciously begun to care about this man?

*Zuo Weiyi, don’t you ever love this man. If you were to fall in love, you would be the one feeling miserable.*

*He is such a respectable person and you are an illegitimate daughter whom everyone has casted aside. How could you even imagine yourself as his girlfriend?*

When she thought of this, she laughed at herself!

She thought she’d better take care of herself and not think about other matters.

### **Chapter 59: Ting, I’m Back III**

She thought about how neither the status of Mrs. Shi nor that woman was related to her.

She pursed her lips and sat on the couch. Then, she picked up the magazine on the coffee table to read to pass her time.

Flipping through the magazine, she saw a familiar face on one of the pages.

Zuo Weiyi was taken aback. She then realized the woman in the picture was that woman they had just met. She was an international top model, Jing Xinlei.

Her black eyes skimmed through every word of information on the magazine. So, that woman's name was Jing Xinlei.

She waited till midnight but Shi Yuting did not return to the presidential suite.

Zuo Weiyi took a shower and lay in bed. She was tired and she fell asleep.

When she woke up, it was the next morning.

Shi Yuting did not return to the room the entire night.

Sitting on the huge double bed, Zuo Weiyi pursed her lips and got up.

Where he went was none of her business!

She got up and cleaned herself. Then, she walked out from the back door to enjoy the beautiful view by the sea.

The gentle sea breeze brought comfort and peace to people.

Zuo Weiyi sat on the deck chair beside the swimming pool. She looked at the blue sky and the clear water and unconsciously fell asleep.

After a while, a shadow covered her. Looking at the person lying on the deck chair, Shi Yuting was calm.

Sensing someone standing close, Zuo Weiyi opened her eyes and in a daze, the man's perfect outline was imprinted in her eyes.

She halted and then sat up.

Shi Yuting took a glance at her and asked, "Why didn't you order breakfast?"

Zuo Weiyi hesitated. "I...I don't know how to order."

This was her first time here and she didn't know how to order breakfast.

She had wanted to go out for breakfast but she was not familiar with this place—what if she lost her way?

Shi Yuting stared at her and scolded, "Stupid woman!"

He tugged her hand and walked towards the room.

After leaving the room, both of them went to the restaurant within the hill villa to have a simple breakfast. Then, Shi Yuting brought her along to the black Bentley.

"Are we going home?"

On the back seat, Zuo Weiyi was in the dark. She thought they were going back to the city.

Shi Yuting pursed his lips slightly and replied, "No."

She took a look at him but didn't ask further.

Vine Hill Villa was huge. After a five-minute drive, they were still in the hill villa.

However, this time, they went to a different venue.

Zuo Weiyi opened the door and got down from the car.

The scenery here was beautiful! Not far from the place was a golf course.

“Do you know how to play golf?” Shi Yuting asked the person beside him when they arrived at the golf course.

Zuo Weiyi shook her head. “No.”

Only bosses would be involved in this sport. She was an ordinary person, how would she know how to play golf? The most she knew was badminton!

“Come, I’ll teach you.”

He dragged her into the golf course. Then, Xiangyi brought the golf clubs.

“Why are they not here yet?” Shi Yuting asked while pulling Zuo Weiyi to his front, holding her hands with his and teaching her how to hold and swing the golf club.

Xiangyi nodded respectfully. “They are waiting for you over there.”

Not far away, at the resting area, a man walked over when he saw Shi Yuting.

He gave out a charming smile. “Mr. Shi, how have you been?”

At that magnetic voice, Shi Yuting turned his head to the side slightly but did not say anything. He continued teaching Zuo Weiyi how to play golf.

#### **Chapter 60: Ting, I’m Back IV**

Zuo Weiyi admitted she had no talent in this sport.

No matter how many times Shi Yuting taught her, she couldn’t hit the ball. It always went awry.

Shi Yuting was getting impatient!

Zuo Weiyi’s face darkened and she gave up learning!

Anyway, what was the use of learning this?

“I quit!” She let go of the golf club grumpily and walked toward the resting area by the side.

Under the scorching sun, she would rather sit there to look at the scenic view than stand in the sun to play golf. She would be much happier.

Seeing her leave, Shi Yuting tossed the golf club aside and walked toward the resting area too.

Upon arriving at the resting area and when she was just about to pick up a glass of fruit juice, she saw that woman. Zuo Weiyi’s look turned dull.

“Hi, pretty!” A man sitting by the side stared at Zuo Weiyi’s pretty face and couldn’t help but greet her with a smile.

Zuo Weiyi turned and realized that he was the man who had greeted Shi Yuting just now.

She forced a nod and a smile.

When the man saw her face, he frowned slightly.

“Xinlei, don’t you think Ting’s woman looks like you?”

Jing Xinlei’s gaze had never left Zuo Weiyi the minute she appeared.

When she heard what the man said, she was astonished.

She looked carefully. They did look very much alike indeed.

So, Ting kept this woman by his side because she looked like her?

If this was true, did it mean he had not forgotten her over these five years?

The thought of this brought joy to Jing Xinlei.

She stood up and stretched out her hand politely, “Hello, I’m Jing Xinlei. He is Zhong Shenghao and she is Xiao Ran. We are...Ting’s friends.”

Looking at her, Jing Xinlei seemed to be hesitant when she introduced themselves.

Zuo Weiyi didn’t expect that when she saw her stretching out her hand.

She nodded slightly and stretched out her hand too. “Hello, I’m Zuo Weiyi.”

“You are Ting’s girlfriend, right?” Jing Xinlei was prying.

Zuo Weiyi hesitated. She didn’t know how to reply.

She couldn’t say no, as she was with him and had even slept with him.

But if she said yes, in reality, she was not. They were in a relationship where they each got what they needed.

However, how was she to announce such a relationship to outsiders?

Just as Zuo Weiyi was in a dilemma and not sure how to reply, a hand pulled her hand away from Jing Xinlei’s grip and tugged her along towards a table by the side.

“You don’t have to reply to anyone’s question.” His voice was extremely cold and by his tone, one could sense his annoyance. He looked as if he was not in a good mood.

“Ting, you’re ungrateful! We care about you!” Zhong Shenghao ridiculed him.

Shi Yuting shot him a cold reply, “It’s not necessary.”

“Alright, alright, today’s gathering is to welcome Xinlei back. Let’s talk about other things!”

“True. First of all, cheers!” Zhong Shenghao took a bottle of cocktail and proposed a toast.

Zuo Weiyi had felt thirsty since just now. She couldn’t wait and took a bottle of wine too.

Looking at the impatient woman beside him, Shi Yuting frowned in displeasure.
