

Kiss Me 561

Chapter 561: The Late Night Wantons

She looked down at her flat stomach. Was what he said true?

Was the child really in danger?

She started to worry. She must not lose this child again no matter what!

She got up and got out of bed.

It was already late at night. They should have already fallen asleep.

Thinking of this, she opened the bedroom door and walked out. She wanted to go to the kitchen to find some food.

Even if she wasn't hungry, she still needed to replenish some nutrients.

Walking to the stairs, she found that the lights were still on at the living room coffee table. Then, she caught a glimpse of Shi Yuting sitting on the sofa.

She paused in her steps.

Shi Yuting noticed the figure that appeared on the stairs at the corner of his eyes and couldn't help but turn around.

He was slightly surprised when he saw her.

Zuo Weiyi looked at him without saying a word and continued walking down the stairs towards the kitchen.

Shi Yuting eyes followed her.

She turned on the lights when she reached the kitchen and went to the refrigerator. She opened the door and looked inside. Other than some meat ingredients, there was nothing else.

But she could not eat meat. If she did, she only end up spitting it back all out.

After thinking for a while, she closed the refrigerator door and left the kitchen.

She walked through the living room and noticed that the man on the sofa was still there.

She walked passed him in silence again as she headed for the stairs.

Shi Yuting put out the cigarette in his hand walked to the kitchen as soon as her figured re-entered the room.

On the second floor.

Although she had not eaten dinner, Zuo Weiyi still did not feel hungry. So, she laid back on the bed.

Not long after, she heard the sound of a car engine coming from outside, and then it gradually faded.

It was already past eleven o'clock, what was he going out for?

Since he had not slept at home in the past few days, Zuo Weiyi suddenly realized something and felt an emptiness in her heart.

Her thoughts consumed her, preventing her from sleeping. But after more than half an hour later, she heard the sound of a car engine outside again, gradually getting louder.

She was surprised and turned towards the door.

Not long after, she heard the doorknob turn.

She hurriedly turned back and pretended to be asleep.

The sound of footsteps approached and stopped by the bed.

Zuo Weiyi just lay there with her back to him, not moving.

Not long after, she heard the sound of footsteps leaving followed by the sound of the door opening then closing.

She listened carefully and turned around after making sure that there was no one else in the room. Shi Yuting had left the room.

As she felt puzzled, a delicious smell suddenly filled the room. The familiar smell made her instantly understand what it was.

She turned around and indeed saw a big bowl of wantons on the bedside table!

Zuo Weiyi was surprised to see the bowl of wantons.

Could it be that he had gone to buy wantons for her just now?

But...

They looked like the wantons they had eaten before. However, she remembered that the restaurant closes at nine o'clock in the evening, and it was twelve o'clock now.

Zuo Weiyi sat up and looked at the bowl of wantons.

If she ate the wantons, wouldn't it seem like she's giving in?

But she might endanger the baby again if she didn't eat them.

In the end, Zuo Weiyi got out of bed and ate the wantons.

Surprisingly, she didn't throw up.

Chapter 562: Changing His Dressing

The next day.

Early in the morning, Doctor Zhang came to the ancient mansion to see how Zuo Weiyi was recovering.

After a night of rest, her complexion had recovered very well. Compared to yesterday's pale face, she now looked a little rosier.

“Young Madam’s complexion has recovered well. Remember to rest well and eat on time. It’s best to eat in smaller portions but more frequently.”

As he gave his instructions, Zuo Weiyi asked, “Doctor Zhang, is there a possibility that I may miscarry my child?”

The doctor pursed his lips at the question and nodded heavily. “Yes, but as long as Young Madam takes good care of her body, it can still be avoided.”

The doctor’s words relieved her slightly.

“Young Madam, if there’s nothing else, I’ll go change the dressing for the president.” The doctor turned around and walked towards the second floor.

Zuo Weiyi was startled when she heard this. She furrowed her brows slightly. “Change his dressing?”

The doctor turned around when he heard her question and nodded at her. “Yes.”

“What dressing?”

“The president’s hand was injured for some reason. It’s quite serious.”

The words ‘quite serious’ made Zuo Weiyi’s heart beat faster.

She stared blankly at the doctor as he walked upstairs towards the study room.

“When the two of you were arguing the day before yesterday, he punched the wall. His wound hadn’t even been treated but he ran out again. Then, I heard that he even got into a fight with someone at the bar,” Shi Le informed Weiyi as he walked down the stairs.

Zuo Weiyi suddenly remembered the loud bang she heard the last time. It was the sound of his fist hitting the wall.

Her heart ached a little. But even so, she didn’t go to the study room. Instead, she picked up her coat and car keys and went to the hospital as usual.

On the second floor.

The doctor was changing the dressing on Shi Yuting’s hand.

“Just now, the young madam asked about the cause of your hand injury.” the doctor suddenly spoke while changing the dressing.

Hearing this, Shi Yuting’s heart trembled slightly. Then, he looked up at Doctor Zhang and frowned slightly. “You told her?”

The doctor changed the dressing and glanced at him. “Yes, I just blurted it out.”

“Then you’d better watch your mouth from now on!” As soon as he finished speaking, Shi Yuting stood up and left the study room.

The doctor just smiled and shook his head as he watched him leave. Then, he started to pack up his medical equipment.

He went to the bedroom on the second floor, but he didn't see her inside. Shi Yuting went to look downstairs, but he still didn't see her.

He frowned and asked the maid.

"Where's Young Madam?"

"She went to take care of your mom as usual," Shi Le said from the sofa before the maid could reply.

Shi Yuting turned to his grandpa.

As usual?

"During the twenty days that we ignored and even complained about her, she had been going to the hospital almost every morning to take care of your mom."

Shi Le's words undoubtedly threw a heavy blow to Shi Yuting's heart!

Although he had seen her twice at the hospital, he did not know that she went there every day.

"Perhaps she was afraid that you and Nuannuan did not want to see her, so she deliberately avoided your timings and chose to go there in the morning," Shi Le continued.

The past few days had indeed been hard on the child.

...

At the hospital.

Zuo Weiyi had just walked to the door of Shen Lanzhi's ward when she looked up and saw Gu Yansheng standing there.

Chapter 563: Did She Imagine It?

She was taken aback for a moment before walking over.

Hearing the sound of footsteps, Gu Yansheng turned around. Seeing that she was safe and sound, his worried heart finally calmed down.

"Weiyi, are you... Okay?"

Zuo Weiyi smiled faintly at his concern.

"I'm fine. But, why are you here so early?"

Gu Yansheng looked at her and pursed his thin lips. "I was a little worried when I saw you two yesterday. And since you don't have a phone, I came here to wait for you."

He knew that she would definitely come here every morning.

Zuo Weiyi smiled and turned to walk into Shen Lanzhi's ward.

She said, "I've bought a cell phone. It's the same number as before."

Gu Yansheng's eyes lit up. "Really?"

“Yes.”

She replied and then walked to the bathroom. She fetched some warm water and came out to wipe Shen Lanzhi regularly.

“So, I need to wipe my mother’s body. Do you...mind leaving for a while?” She turned around and looked at Gu Yansheng.

Gu Yansheng looked at Shen Lanzhi who was lying on the bed. He then nodded at her. “Okay.”

He turned around and left the ward. He did not come back until she finished cleaning Shen Lanzhi.

As soon as he came in, he saw her giving Aunt Shen a massage while saying something to her.

“Mother... I saw the doctor yesterday. The doctor said that the lack of nutrition in my body may cause a miscarriage. But you don’t have to worry too much. The doctor also said that as long as I rest well, the baby and I will be healthy.” Her voice was very gentle as a faint smile appeared on her lips, as if she was chatting as usual with Shen Lanzhi.

Gu Yansheng suddenly asked, “Weiyi, you do this every day. But can Auntie Shen feel and hear it?”

Zuo Weiyi turned to look at him.

She smiled slightly, “I don’t know either. But I hope she can hear it.”

As she looked at him, she suddenly felt something move in her palm. She turned back and looked down at the hand in hers.

Seeing her unusual behaviour, Gu Yansheng asked from the sofa, “What’s wrong?”

She stared at the hand in hers as if she was waiting for something.

However, a minute had passed and there was no movement. She could not help but feel disappointed.

“Nothing,” she replied softly.

But was she imagining things? Why did she feel as if her mother’s hand had moved a little?

Or was it just because she had been massaging it earlier?

Zuo Weiyi looked at Shen Lanzhi’s hand quietly. She was a little confused and fell into deep thought.

“Weiyi, I’m going back to Z Country tomorrow. Do you really not want to come with me?”

Just as she about to get lost in her thoughts, Gu Yansheng suddenly spoke from the sofa.

Zuo Weiyi looked up at him. She looked away again and continued massaging Shen Lanzhi.

“I want to go back.”

Gu Yansheng was delighted. “Then, you’ll come with me?”

She looked up. “I’ll think about it.”

She missed her mother and really wanted to go back to visit her.

“Okay, then I’ll leave once you’ve thought about it.” Her answer made Gu Yansheng very happy.

“No, that’s OK. If you have something important to do, you can go back first. I have grandpa anyway. I can go back by myself.” She knew how Gu Yansheng felt about her, so she wanted to keep some distance between them so that she didn’t confuse friendship and affection.

Chapter 564: The Best Friend Is Online

“It’s okay. I’m not in a hurry.” Gu Yansheng looked at her as he revealed a faint smile. His fiery eyes were filled with tenderness.

Zuo Weiyi looked at him and did not say anything else.

...

After leaving the hospital in the afternoon, Zuo Weiyi did not return to the ancient mansion. Instead, she went to her grandpa Zuo Yi’s place.

After lunch, she stayed in her room alone. She stood on the balcony and looked at the scenery in the distance. Her vision was a little misty.

She had been in C Country for a few months and hadn’t even visit her mom during the New Year.

She really wanted to go back.

Just as she was deep in thought, her phone suddenly buzzed with a message.

She turned around and walked to the side of the huge princess bed. She picked up her phone and looked at it. It was a Wechat message.

It was not until then that she remembered she had logged into Wechat on her new phone.

“It’s me, Xingchen.”

Upon seeing that familiar name, Zuo Weiyi’s face immediately revealed a joyful smile.

“Weiyi, you’re finally online!”

“Xingchen, how have you been recently?”

“Pretty good, but why haven’t I been able to get through to your phone?”

“I lost my phone a while ago.”

Zuo Weiyi replied and waited for Bei Xingchen’s reply. After a while, her phone rang.

Seeing the familiar number, she picked it up.

“Hello, Xingchen!”

“My baby, I finally got through to your phone!”

As soon as the call connected, her best friend Bei Xingchen’s voice came through.

Zuo Weiyi smiled. “I’m sorry, because of some recent events, I haven’t been in touch.”

“It doesn’t matter. I’ve heard that your identity is very powerful now! Since you’re the granddaughter of the ex-president of C Country and the new President is your Mr. Shi, I’m so envious of you!”

Zuo Weiyi was surprised by her best friend’s words for a moment.

Then, she hurriedly said, “Xingchen, it’s not because my identity has changed that I haven’t contacted you...”

Bei Xingchen burst into laughter over the phone and said, “I know. Do you really think I don’t know you well enough by now? Even if you want to get rid of me as a friend now, I don’t plan to let you off just like that! Because... I’m also in C Country now!”

Hearing this, Zuo Weiyi’s black pupils brightened. “What? You’re in C Country now?”

“Yup, that’s right. You didn’t expect this, did you?!” She had been in C Country for two days and was flying back tomorrow afternoon. She had wanted to meet up with her best friend, but was unable to contact her for a long time. Finally, she was online today!

“Plus, I’m in the city you’re in!”

Bei Xingchen’s arrival had undoubtedly given Zuo Weiyi a huge surprise!

“Xingchen, you...you’re not lying to me, are you? Are you really in C City, C Country?”

Bei Xingchen could not help but roll her eyes, even though her dear sis could not see it!

“Just you wait,” she said.

Then, she went silent. Not long after, Zuo Weiyi received a message. It was a photo from Bei Xingchen.

“Do you believe me now?”

Zuo Weiyi recognized the place in the photo at once! It was at Joss Hotel!

“You’re at Joss Hotel?!”

“Yes!”

“Wait for me, I’ll come find you right away!”

Without waiting for Bei Xingchen’s reply, Zuo Weiyi had already ended the call. She picked up a coat and car keys and quickly went downstairs.

Zuo Yi was playing chess with Uncle Yu in the living room. Seeing her rush downstairs, he could not help but ask, “Weiyi, are you going back?”

Chapter 565: I Can’t Drink Coffee

However, Zuo Weiyi left like a gust of wind.

“I’m going to meet a friend!” As she reached the door, she suddenly stopped and turned around to look at Zuo Yi at the chess table. “Also, I’m not going back today!”

After saying that, she smiled at her grandpa and turned around to run out of the door.

At three o'clock in the afternoon, Zuo Weiyi arrived at the entrance of Joss Hotel in a white Porsche.

Just as she arrived, she saw a slim woman standing in front of the building.

That familiar figure was none other than Bei Xingchen, whom she had not seen for almost half a year!

The car slowly came to a stop. Bei Xingchen stood there quietly with a stylish and simple lady's handbag in her hand.

When she saw the white car stop, she stared at it for a while. Then, she saw the car door open.

At the sight of her best friend, she shouted. "Xingchen!"

Bei Xingchen was the same. The moment she saw her, she was overjoyed!

"My dear!"

The two girls hugged each other, their faces filled with unspeakable happiness.

"Weiyi, why do you look like you've been having a bad time?" As they parted, Bei Xingchen noticed that her face did not look so good. Moreover, compared to when she was in Z Country, she had clearly lost a lot of weight. She could not help but frown.

Zuo Weiyi looked at her best friend with a faint smile and changed the topic. "What about you? Why did you suddenly come to C Country?"

Bei Xingchen pursed her lips and her bright eyes shifted. She did not answer her question directly. Instead, she said, "Let's go. Let's find a place to have afternoon tea."

Bei Xingchen pulled her away from the entrance of Joss Hotel.

The two of them found a cafe and sat down.

"Two cappuccinos, please," Bei Xingchen said to the waiter as he walked over.

Cappuccinos were their favorite, especially in winter.

However, just as the waiter turned to leave, Zuo Weiyi hurriedly called out to him, "Just one cup, actually!"

Her sudden words made Bei Xingchen pause and frown. "What's wrong?"

Every time they came to a place like this, they would order the same type of coffee. So she did not hesitate to order two cups of cappuccinos, not expecting Zuo Weiyi to want otherwise.

Zuo Weiyi turned around and smiled at her, but she did not answer. Instead, she said to the waiter who was still waiting, "Just give me a cup of lemonade."

The waiter nodded and left.

Bei Xingchen asked again, "Weiyi, haven't you always liked cappuccinos?"

Zuo Weiyi only pursed her lips and smiled at her friend's question. Then, she looked around, leaned over and whispered to her, "I'm... pregnant. I can't drink coffee."

Bei Xingchen's eyes widened from what she just heard.

She really wanted to shout in delight, but since they were in public, she had to hold it in. Her eyes shone as she looked at Zuo Weiyi across her. With a lowered voice, she asked again, "You're pregnant?!"

Zuo Weiyi nodded.

"Oh my god, you-you're actually pregnant!" Bei Xingchen was a little excited. "How many months has it been?"

"More than two months."

"When the baby is born, you have to be the godmother!"

"Okay, as long as you don't mind," Zuo Weiyi said with a smile.

"Of course, how could I mind my own godson!" Bei Xingchen's face was full of anticipation, and she suddenly asked, "Did Shi Yuting know at the time?"

Zuo Weiyi looked up and paused slightly when she heard the name her best friend uttered. Her expression became a little gloomy.

Chapter 566: I'm Getting a Divorce

Sensing the sadness on her face, the smile on Bei Xingchen's face disappeared.

"What's wrong?"

Zuo Weiyi raised her head and looked at her with a smile. "Too many things have happened recently. He and I...are getting a divorce."

Hearing this, Bei Xingchen's eyes widened completely!

"Di-Divorce?!" This time, Bei Xingchen couldn't hold it in anymore. She shouted out loud and even jumped up from her seat!

Zuo Weiyi was frightened by her action and quickly pulled her to sit down.

"Do you have to be so loud...?"

Bei Xingchen sat down again with a melancholic look on her face. "Darling, you don't have a fever, do you? You want to divorce Shi Yuting? He's the president of an entire country now!"

Why did she not want the position of First Lady? Was she insane?

Zuo Weiyi only sighed at her best friend's shocked expression before lowering her eyes. "A lot of things happened..."

"What kind of things? Could it be that he has another woman?" Bei Xingchen leaned forward and asked softly.

Zuo Weiyi raised her head and was a little shocked by her words. Shi Yuting's explanation yesterday suddenly rang in her mind.

A moment later, she lowered her head. "No."

"Then, did he abuse you?"

Zuo Weiyi raised her head at her best friend's words. "How is that possible?!"

Although a man like Shi Yuting was ruthless in the eyes of others, he would never do such a shameless act of abusing her.

"Does that mean that he doesn't love you anymore?"

Zuo Weiyi looked down again. She hesitated a little when she thought of the recent events. But in the end, she still said, "Not really."

So, Bei Xingchen had no choice but to say, "He didn't cheat on you; he didn't abuse you; and he doesn't not love you anymore. So why would you want to get a divorce? My dear, have you gone crazy?"

Seeing her best friend's confused look, Zuo Weiyi fell silent and told her roughly what had happened during this period of time.

Bei Xingchen could not help but widen her eyes again. "You're saying that because of your one mistake, your mother-in-law is now lying in the hospital in a vegetative state?"

Zuo Weiyi was not surprised by her best friend's reaction.

She looked down and nodded.

"And just because of this, Shi Yuting wants to divorce you?"

"No, not him...I'm the one who proposed it."

Bei Xingchen was puzzled when she heard this.

"Why would you bring it up when he didn't even mention it?"

Zuo Weiyi did not answer as she looked at her best friend.

When she proposed the divorce, it was mainly because she had misunderstood that he was with another woman. Plus, she was in so much stress and pain. Even though she now knew the truth, it didn't change the fact that she was suffering when she spoke of the divorce.

"My dear, you're pregnant now. You're pregnant! What, do you really want to live alone with your baby like those romance novels?"

Zuo Weiyi looked up at her suspiciously. "Have you read such novels?"

"Of course. Although it's very nice, it's only a novel. It's an illusion! I don't want you to learn from the novels!" After saying that, Bei Xingchen picked up the cappuccino on the table and took a sip.

Zuo Weiyi took a sip of her lemonade as well. Her gaze inadvertently turned to look outside the glass window.

After knowing the truth, her heart was actually in a mess.

Was she really going to get a divorce?

She looked around at the street scene outside the glass window, feeling a little lost

Chapter 567: The Figure Outside the Coffee Shop

Just as she was looking out the window, lost in her thoughts, a seemingly familiar figure suddenly flashed past her.

She was slightly startled and her eyes involuntarily followed that figure.

Bei Xingchen noticed that Weiyi was staring blankly outside so she reached out and waved her hand in front of her eyes. "What are you looking at?"

Zuo Weiyi came back to her senses and turned to look at her best friend. "Wait here!"

As she spoke, she quickly stood up and ran towards the cafe's entrance.

That figure just now seemed to be the woman who claimed that she had bumped into her daughter and prevented her from going to Shen Lanzhi that day.

Although she could not remember how she looked exactly, she knew that she was wearing the same pair of sunglasses. She was certain that it was her.

Zuo Weiyi walked to the door and wanted to chase after that figure. But as soon as she reached the door, she saw Shi Yuting who suddenly appeared out of nowhere. She stopped in her tracks.

Shi Yuting had just gotten out of the car. As soon as he turned around, he saw her standing at the entrance of the cafe. His face also froze.

At the sight of him, Zuo Weiyi suddenly turned around and returned to the cafe.

Shi Yuting became expressionless again and followed her into the coffee shop.

However, his private room was booked on the second floor.

After entering the hall, he scanned the coffee shop once and finally saw her.

After staring at her for a long time, Shi Yuting finally walked towards the private room area on the second floor.

"Darling, where did you go just now?"

Bei Xingchen thought it a little strange that Zuo Weiyi started drinking her lemonade with her face lowered the moment she came back.

"Nothing, I just saw a familiar figure." As she said that, Zuo Weiyi turned her head but Shi Yuting's figure had already disappeared.

"Who was it?"

Zuo Weiyi turned back around with a thoughtful expression.

"It's the mother of that little girl who held onto me that day."

She did not understand why she had the urge to chase after the little girl's mother when she saw her. Besides, Zuo Weiyi was the cause of the entire matter anyway. Even if she found the little girl's mother, what then?

But what was this feeling of unease, then?

Was it because she had been suppressing herself too much recently that she had gone a little mentally deranged?

Zuo Weiyi looked down again, not able to understand what was wrong with her.

"The little girl's mother? Where is she?" Bei Xingchen also stretched her head out, but the figure was gone.

Zuo Weiyi looked up and tried to distract her. "She's gone now!"

Bei Xingchen sat down and did not press further. Instead, she changed the topic. "Oh right, I'm going back tomorrow."

Zuo Weiyi asked in surprise, "Tomorrow?"

"Yes."

"Is it that urgent?"

"Well...It's not that urgent, it's just..." she stammered, unable to speak for a long time.

Zuo Weiyi looked at her and could not help but frown. She looked at her. "What is it?"

"Nothing, it's just...I came here with a friend and he has to go back tomorrow. So I can only go back tomorrow."

"So you're here for leisure?" She thought she was sent to C Country on a business trip.

"I guess you can say that..."

"Then, when are you leaving tomorrow?"

"The plane leaves at nine o'clock tomorrow morning."

Hearing her friend's answer, Zuo Weiyi fell into deep thought.

"What's wrong?" Bei Xingchen asked when she saw Zuo Weiyi deep in thought.

Chapter 568: Meeting the Familiar Figure Again

Zuo Weiyi looked up. "I'll leave with you tomorrow."

Bei Xingchen was stunned at first, but she quickly exclaimed, "Do you really plan to divorce Shi Yuting, run away, and return to Z Country to live alone?!"

Zuo Weiyi could not help but roll her eyes when she saw her best friend making a fuss over nothing.

"You've really read too many romance novels. I just want to go back and visit my mom."

Bei Xingchen heaved a sigh of relief when she heard this. "You scared me to death."

Zuo Weiyi rolled her eyes again. Then, she began to plan her departure the next day.

The two of them sat in the coffee shop for a while. When they came out, it was already four o'clock in the afternoon.

Seeing that it was still early, the two sisters took a stroll around.

Soon, night fell. In the bustling city, the lights had been turned on.

"Shall we go get something to eat?" Zuo Weiyi turned to her best friend beside her as they walked under the European-themed streetlights.

Bei Xingchen was naturally very happy!

"Sure, you are now the granddaughter of the former president and the wife of the current president. Of course, I have to leech off you!"

Zuo Weiyi was amused by her best friend's words. She then walked into the parking lot and drove out.

The white Porsche cut through the shadows under the night sky but the traffic was heavy. She was not very familiar with C Country, so she had to look up places along the way.

"Xingchen, what do you want to eat?" Zuo Weiyi asked Bei Xingchen in the passenger seat as she held the steering wheel.

"I'm fine with anything. You decide!"

Zuo Weiyi smiled. She loved being friends with Bei Xingchen due to her straightforward and easygoing personality.

"Then I'll find a local specialty restaurant."

"Okay!"

The two of them looked at each other and smiled. Then, Zuo Weiyi drove while looking for restaurants on either sides of the street.

Suddenly, a figure fell into her line of sight.

Although it was under the night sky, Zuo Weiyi still felt that this figure illuminated by the street lights was very familiar. Wasn't it the little girl's mother whom she had seen earlier?

In order to confirm her suspicions, Zuo Weiyi slowed down the car and let it drift slowly.

Bei Xingchen was a little puzzled. She turned her head and looked at her blankly. "What's wrong?"

"It's her."

Her eyes had locked onto the familiar figure. Bei Xingchen followed her line of sight as she looked over and saw a tall woman walking on the sidewalk.

But she frowned, a little doubtful.

“You’re saying that she is the girl’s mother?”

“Well...” Zuo Weiyi nodded hesitantly, though even she could not figure out what was amiss.

“Are you sure?”

Zuo Weiyi turned back to her best friend, “Do you also feel that something is wrong?”

“Of course. I mean, how could a woman dressed like be the mother of a three- or four-year-old?” Plus, judging by her age and body—which looked like a sl*t’s—she definitely did not look like a child’s mother. In fact, she looked more like a nightclub lady!

Her best friend’s words made Zuo Weiyi feel more puzzled

Maybe she was wrong earlier.

A normal mother definitely shouldn’t be dressed like this. Moreover, she was dressed more modestly on the day of the car accident.

Could it be that she was mistaken?

In order to confirm her suspicions, Zuo Weiyi sped up. The white Porsche instantly passed the gorgeous figure and arrived in front of her.

Chapter 569: The Woman’s Guilty Reaction

When she saw the woman’s face, Zuo Weiyi was even more confused.

At this moment, the woman was not wearing sunglasses but heavy makeup. She could not recognize her.

Could it be that she had really recognized the wrong person?

As[1] a car slowly drove next to her, the woman walking on the sidewalk instinctively looked over.

It was a luxurious car.

Looking at the priceless Porsche, one could tell at a glance that it was imported. Too bad the driver was a woman. If it was a man, she could have tried to seduce him!

The woman smiled contemptuously at Zuo Weiyi before looking away.

Since she was just a woman, there was nothing to see.

Just as the woman looked away, she frowned as if she felt something was wrong.

Then, her gaze returned to Zuo Weiyi’s face in the Porsche. Only then did she feel that the face was somewhat familiar!

Wasn’t she...

The woman widened her eyes and suddenly panicked. She hastened her footsteps!

Zuo Weiyi frowned when she saw the woman’s panicky reaction.

She must have known her!

The woman quickened her pace. She looked up and saw a supermarket not far away, so she walked in without hesitation.

Then, she quickly moved behind a shelf and observed the car that had followed her through the gap.

Outside the door, Zuo Weiyi's car did not stop. Instead, it passed by the supermarket entrance in a flash.

After confirming that there were no other figures entering the supermarket's entrance, the gorgeous woman walked out from behind the shelves. When she reached the supermarket's entrance, she stuck her head out and looked outside.

After making sure that no one was watching her, the woman then left the supermarket.

Just as the woman left, Zuo Weiyi and Bei Xingchen walked out from the corner.

"She definitely knows me."

Bei Xingchen crossed her arms across her chest. Her clear eyes narrowed slightly as she watched the woman leave. "She obviously felt guilty when she saw you, but what exactly was she feeling guilty about?"

Zuo Weiyi was also very confused as she looked at the figure in the distance.

Why is she hiding from me?

"Hey, she went in!" Bei Xingchen quickly tapped on Zuo Weiyi who was deep in thought as the woman entered a shop.

When they arrived at where the woman went in, Zuo Weiyi found that it was a large nightclub.

"She really isn't a decent woman." Bei Xingchen guessed right as she looked at the huge signboard.

"Why would she come to such a place..." Zuo Weiyi frowned, feeling very confused.

"It's very simple." Bei Xingchen turned to look at her. "She's either a young lady who works here or she came here to have some fun. But looking at her clothes, the former is obviously more likely!"

Zuo Weiyi looked at her good friend and then back at the nightclub's entrance.

Why on earth did that woman feel guilty when she saw her? It was as if she was afraid that she would discover something.

The more she thought about it, the more Zuo Weiyi felt that something was wrong.

"Come, let's go in and have a look!" Bei Xingchen suggested. She was ready to pull her into the nightclub.

Just as she was about to take a step forward, Zuo Weiyi reached out and pulled her back. "Wait."

"What's wrong?"

“She’s obviously hiding from us. If we go in like this, she’ll definitely recognize us.” Zuo Weiyi suddenly realized something at the entrance.

[1] The next few lines are from the perspective of the woman walking on the sidewalk

Chapter 570: Disguises

“Xingchen, do you think... that car accident was planned by someone?”

Bei Xingchen was stunned when she heard this. She looked at her. “Are you saying that someone planned that car accident on purpose?”

“I’m not too sure either. It was just a thought that flashed through my mind.”

“Then do you know this woman?” If that was really the case, then it must be someone who had a grudge against her to be so scheming.

Zuo Weiyi shook her head. “I don’t know her.”

“Have you seen her somewhere and maybe forgotten?” Perhaps she had accidentally offended this woman.

However, Zuo Weiyi was very sure that she had never seen this woman before.

“That’s impossible. I haven’t been here for long, and I rarely go out. If I’ve really seen her and had a falling out with her, it’s impossible for me not to remember.”

Bei Xingchen turned back and stared at the entrance of the nightclub as well.

“Anyway, what we can prove now is that this woman is guilty!” With that, Bei Xingchen turned to Zuo Weiyi. “Let’s go!”

“Where are we going?” Zuo Weiyi came back to her senses, but she had already been dragged away by her best friend.

A few minutes later, the two of them arrived at a hair salon.

“What are we doing here?” Zuo Weiyi was confused.

Bei Xingchen, on the other hand, gave a sly smile and raised her thick eyebrows slightly. “Putting on a disguise!”

Zuo Weiyi was astonished.

...

The room glowed with indulgent luxury under the bright and colourful lights.

After entering the nightclub called Drunken Dream, Zuo Weiyi and Bei Xingchen’s figures were thin and small. Compared to those young masters who came to have fun, they were obviously much more delicate.

In order to better fit their ‘male’ identity, Zuo Weiyi and Bei Xingchen lowered the gentleman hat on their heads.

“Xingchen, don’t you think it’s weird for us to be like this?”

Zuo Weiyi had always thought that only people from ancient times like those in television dramas would dress up as men. So, this was the first time she had tried it.

“Don’t worry. Let’s quickly find out where that woman is!” Bei Xingchen pulled Zuo Weiyi along as they weaved through the crowd.

This was the first time Zuo Weiyi had a fake mustache. She felt extremely uncomfortable. She kept feeling as if there was something stuck on both sides of her mouth. Her ‘chest’ had also been tightly constricted, suffocating her.

She had only taken a few steps when Bei Xingchen’s phone rang.

“I need to take this call!” Due to the loud music and clamor of the crowd, Bei Xingchen had no choice but to find a quiet place to take the call.

Zuo Weiyi wanted to follow her, but gave up when she Bei Xingchen had quickly slipped away through the crowd.

She turned around. This was her first time coming to such a place, so felt uncomfortable.

Her pair of bright eyes searched around, wanting to find the familiar figure from before. But after searching for a long time, she found nothing.

“Hey, little brother, are you here for pleasure or fun?”

Suddenly, Zuo Weiyi heard a trashy woman’s voice from behind her. She turned around and saw a woman with heavy makeup and revealing clothes walking over. A pair of crafty eyes sized her up.

She walked over flirtatiously. Under the light, the woman’s face gradually became clearer.

Zuo Weiyi’s almond-like eyes were wide open, and she recognized the woman in front of her immediately!
