

Kiss Me 641

Chapter 641: Were You the One Who Put in the Poison?

“Xiao Song...”

“Quick, catch him! Damn it!” Xiao Cui was about to speak when she recognized Xiao Song’s voice, but suddenly heard the voice of other men in the background, and they sounded scary!

“Ah!”

Then, she heard Xiao Song’s scream through the phone.

“Xiao Song?!”

“Beep!”

The call had been cut off.

“Sister-in-Law, try this steamed fish. It’s so delicious!”

Before Xiao Cui could come back to her senses, Shi Nuannuan’s voice came from the dining room.

Xiao Cui turned her head stiffly and looked at the kitchen door. Her face instantly turned pale!

Xiao Song’s voice echoed in her ears like a curse: that’s abortion medicine!

Madam...

Her heart was burning as she rushed to the kitchen door impatiently.

Just as she rushed to the door, she saw Zuo Weiyi sitting at the dining table, about to pick up some fish and put it into her mouth.

“Don’t eat it!”

The sudden exclamation stopped Zuo Weiyi in her tracks. She looked at the anxious Xiao Cui in surprise.

“Bang!”

Before anyone could react, Xiao Cui had already rushed to the dining table and smashed the plate of steamed fish to the ground.

It was the same scene again.

Looking at Xiao Cui, Zuo Weiyi was completely dumbfounded, and confused!

Shi Nuannuan felt that it was such a shame that a plate of delicious steamed fish had been smashed to the floor.

Then, she looked at Xiao Cui with some dissatisfaction. “Xiao Cui, what are you doing?!”

Xiao Cui’s heart felt as if it was being torn apart!

She lowered her head and cried out bitterly, “It’s been laced with abortion medicine...”

Everyone was in complete shock. They stared at Xiao Cui in disbelief!

Zuo Weiyi finally recovered and noticed that she was still holding the piece of fish meat from earlier.

She immediately threw it away at lightning speed!

She was about to ask Xiao Cui when she suddenly heard a thud!

Xiao Cui suddenly knelt down in front of her. Zuo Weiyi was even more shocked!

“Xiao Cui, you...”

“I’m sorry, Madam...” Xiao Cui cried bitterly and pressed her head on the cold floor. She apologized repeatedly, “I’m sorry...”

Zuo Weiyi frowned in confusion. She still did not understand.

Abortion medicine, Xiao Cui’s recent strange behavior, and Xiao Song’s accident. What exactly was going on?

Zuo Weiyi narrowed her black eyes and stared at Xiao Cui who kept apologizing. “Did you put that poison in my food?”

Xiao Cui raised her head, her tears falling like rain. She nodded and said, “Yes...”

“Why did you do that?” Her instincts told her that Xiao Cui was not a bad person, so there shouldn’t be a reason for her to harm Weiyi.

So, why would she want to harm the babies in her stomach?

Xiao Cui cried like a pear blossom in the rain. For a moment, she did not know how to explain herself.

In the next second, a cold muzzle was aimed at her temple.

At some point, Xiangyi suddenly came before Xiao Cui. When she felt the cold muzzle aimed at her, Xiao Cui could not help but feel a chill run down her spine. Her entire body stiffened as if she had been electrocuted.

Zuo Weiyi and Shi Nuannuan were horrified when they saw Xiangyi’s actions.

Chapter 642: Kill Without Mercy

“Xiangyi!” Zuo Weiyi shouted!

Did he want to kill Xiao Cui?

Zuo Weiyi reached out to stop Xiangyi.

However, Xiangyi didn’t seem to have any intention of pulling the trigger. Instead, his cold voice rang out. “Who sent you?”

His voice made Xiao Cui’s hair stand. It would be a lie to say that she wasn’t afraid. A gun was aimed at her head after all.

However, since things had already come to this. Even if she died, what could she do?

“Xiangyi!” Zuo Weiyi walked over and pushed Xiangyi’s gun away from Xiao Cui’s head. “Let Xiao Cui explain things clearly first. She won’t even dare to say anything with you acting like this.”

However, Xiangyi still had a cold expression. Even his long and narrow eyes were cold.

“His Excellency has said that anyone who wants to harm the young madam will be killed without mercy.”

“...” Zuo Weiyi’s face contorted in frustration. Wasn’t this a little too harsh?

She could not think of any reason Xiao Cui would want to harm her or the babies in her stomach. She must be going through something or forced by others. She had to know.

“Not on my watch! Put the gun down first!” Shi Nuannuan also walked over and held Xiangyi’s arm that was holding the gun with both hands, indicating for him to put down the gun first.

Zuo Weiyi tried to pull Xiao Cui up from the ground. Her expression was calm. “Get up and tell me honestly.”

However, Xiao Cui did not get up at all. Instead, she continued to kneel, tears falling like rain. “Madam, I know I’m guilty. If you want to kill me, I won’t have any complaints, but...”

Thinking of Xiao Song, she once again knocked her forehead on the ice-cold floor. She was heartbroken. “Please, save Xiao Song... I, I really don’t know what to do...”

Zuo Weiyi was stunned. It was indeed about Xiao Song.

“Get up first.” She bent down and once again helped Xiao Cui up, who was sobbing miserably on the floor. “If you want me to save Xiao Song, you have to calm down and tell me the whole story.”

Hearing her words, Xiao Cui regained some of her senses.

Just now, she heard Xiao Song’s scream on the phone, so she was not sure how he was doing. Now, it seemed that only Madam could save him!

Xiao Cui eventually sat down and told Zuo Weiyi the whole story.

Zuo Weiyi, Shi Nuannuan, and Xiang Yi were still confused by one question.

Who was the person who wanted to harm the babies in her stomach?

“You don’t know who that person is?” Zuo Weiyi asked Xiao Cui calmly.

Xiao Cui shook her head. Thinking back carefully, she didn’t know any of the people in the hotel.

“I don’t know those people. I only know that the person who contacted me was a man, but his voice was very neutral and he was on the short side.” Compared to the tall and straight figure of the previous man, the man who contacted her was indeed a little too thin and weak.

A man?

Zuo Weiyi racked her brains and couldn’t remember who she had offended or who had always held a grudge against her.

In the past, there were Jing Xinlei and Tengtang Xi, who were full of hostility toward her. However, they were both women, and one of them had already been sent to the first prison, while the other had already been buried in the sea. It was impossible for them to plot any further.

To her knowledge, there didn't seem to be any man who hated her to the bone. The only one was Jiang Huaiyuan, but he had also been sent to the prison, so it was impossible for him to do such a thing. Moreover, Weiyi didn't think it was possible for him to do such a thing.

Chapter 643: Could He Be Her Brother's Enemy?

Then who else could it be? An enemy that she didn't know about?

"I've lived here for so many years. No one would hate me enough to want to kill my child..." Zuo Weiyi frowned and muttered to herself.

"Could it be..." Shi Nuannuan suddenly thought of a possibility.

Zuo Weiyi turn her gaze towards her. "What?"

Shi Nuannuan looked at her. "Could it be Brother's enemy?"

It did seem possible.

After all, a man who had reached the peak of the world must have overcome all obstacles and make some enemies along the way. It was inevitable.

This was not impossible.

"If that's really the case, shall we give him a call?" Zuo Weiyi raised her head and looked at Shi Nuannuan.

"Alright!" Shi Nuannuan nodded in agreement.

Perhaps her brother would know how to handle this matter properly and might even be able to find out who the mastermind was!

Thus, Zuo Weiyi called Shi Yuting in C Country.

The phone rang twice before he picked up.

He had just called not long ago, and now he received another call from her. Although Shi Yuting was puzzled, the corners of his mouth could not help but curl up.

"You miss me that much?"

"..." As soon as the call was connected, he sounded so confident. Zuo Weiyi's mouth could not help but twitch a few times.

After a while, she said calmly, "I have something to tell you, but before that, you have to promise me that you will not get angry or hurry to fly back from C Country."

Since they met, fell in love with each other, got married, and went through so many ups and downs together, Zuo Weiyi Shi Yuting inside out.

When he went to C Country, he had to leave his most valued personal assistant behind to protect her. If he heard that someone wanted to harm her and the babies in her stomach, he might really fly back from C Country immediately, knowing his personality. Even if she wanted to explain and assure him everything was fine, he might not listen at all.

Her words made Shi Yuting narrow his eyes slightly. "It's that serious?"

"Yes... it was quite serious at first, but it's not serious now. I just wanted to tell you."

"Tell me."

Zuo Weiyi pursed her lips and hesitated for a moment before she slowly said, "It's just... someone wants to harm the babies in my stomach and threaten—"

"Someone wants to harm my children?!"

"..."

Before Zuo Weiyi could finish speaking, Shi Yuting had already stood up from the sofa in shock!

At this moment, the few members of Parliament who were discussing national affairs with him also raised their heads and looked at him in shock.

"I won't say anymore if you continue to act like this." Although she had already expected that his reaction would be a little extreme, she just warned him. Why would he continue to act like this?

She did not wish for him to specially come back from C Country for these trivial matters.

After all, Xiangyi was still around, wasn't he?

Shi Yuting's gaze shifted to the few surprised-looking officials in front of him. He immediately walked to the window and said, "Speak."

Zuo Weiyi could hear that his voice had become much calmer. Only then did she speak. "I don't know who it is. It seems that they found Xiao Cui a long time ago and then used Xiao Song to threaten Xiao Cui to poison my food."

The schemer was such a mastermind. He had actually targeted Xiao Cui. One could imagine how easy it was for a person who prepared three meals a day to poison her food. Moreover, she would not be suspected.

Chapter 644: Xiangyi Was Worried that Nuannuan Was Poisoned?

Thinking about how she almost ate the fish, Zuo Weiyi still felt a lingering fear!

"Xiao Cui?" Shi Yuting's eyes turned cold, and so did his voice.

"Don't blame her!" Zuo Weiyi could feel Shi Yuting's anger through the phone, and she hurriedly defended Xiao Cui. "She was forced to by others, and she was the one who spoke up at the last moment. Otherwise, when you return to Z Country, you might not be able to see me or the babies."

Although Xiao Cui was in the wrong, Zuo Weiyi was well aware of her difficulties.

Having to choose between her lover and master, how could anyone expect her to make the right choice?

However, she should have told Weiyi about this. There might be another way to save Xiao Song.

Her words made Shi Yuting's heart tighten in C Country.

His inability to see everything became his most fatal weakness.

But who was it that took notice of his wife and son?

"Xiao Cui might have been too impatient and lost her mind. But even though she poisoned the food, she stopped me and broke the entire plate of fish just as I was about to eat..."

Suddenly, Zuo Weiyi paused and turned to look at Shi Nuannuan.

She remembered that when she came to the dining room, Shi Nuannuan had already eaten a piece of fish...

At that moment, Shi Nuannuan also realized what she had just done. When she met Zuo Weiyi's gaze, she became even more afraid.

"I, I ate some of that fish..." Oh God, would she die?

Xiangyi's expression changed when he heard her words. His anxious black eyes were filled with anxiety and worry!

In the next second, Xiangyi grabbed her hand and rushed to the door.

But when he reached the door, he suddenly stopped.

If he left at such a critical moment, what if the people behind it all found this place?

But Nuannuan...

He turned and stared at her slightly frightened black eyes. He could see that she was trembling.

But the duty he was entrusted with was to protect the young madam. If he saved Nuannuan and something happened to the young madam, even if he had a hundred heads, it would not be enough for him to live.

"Xiang—Xiang Yi... will I, will I die...?" After living for so long, this was the first time Shi Nuannuan felt so frightened.

She was not afraid of death, but she was only twenty-two years old. She was still so young, and she had not even officially dated Xiangyi. She did not want to die.

"No!" Xiangyi looked at her and unconsciously tightened his grip on her hand, as if he was afraid that she would slip through his fingers.

Looking at the two people who rushed to the door, Zuo Weiyi and Xiao Cui also ran over anxiously!

Xiao Cui was not sure if this abortion drug would harm the miss. Although those people said that others would be fine after eating it, how could she dare believe their words!

“Miss... I, I’m sorry...” At this moment, Xiao Cui could not help but feel guilty.

She watched her eat the fish, but she did not stop her.

Anxiety and fear filled Xiangyi’s chest, but he still remained calmer than anyone else.

Then, he took out his phone and dialed Zhong Shenghao’s number.

After hearing all about it, Zhong Shenghao was so shocked that he almost fell from his chair.

“Poisoned?!”

Chapter 645: A Slight Pain in the Stomach

“Please come to the seaside villa immediately!”

“Be there in ten!” After hanging up the phone, Zhong Shenghao, who had just taken a bite of dinner, picked up his medical kit, started his car, stepped on the accelerator, and sped all the way to the seaside villa!

“What happened?” On the phone, Shi Yuting seemed to have sensed something, but he couldn’t hear it clearly. His heart was also filled with anxiety.

It wasn’t until his faint voice came from the receiver that Zuo Weiyi came back to her senses and put the phone back to her ear.

“Nuannuan ate a few mouthfuls of the fish before...” At this moment, Zuo Weiyi’s heart was also uneasy. Her gaze was fixed on Nuannuan the whole time.

She didn’t know if it was her misconception, but she felt that Nuannuan’s face seemed to be getting paler.

“Go get Zhong Shenghao!” Shi Yuting shouted over the phone!

He knew very well that at such a critical moment, the best way was not to rush to the hospital but to stay at home and find Zhong Shenghao.

“I’ve already called!”

Everyone’s eyes were anxiously fixed on Shi Nuannuan’s pale face.

Shi Nuannuan suddenly felt a pain in her stomach.

Her two hands subconsciously covered her stomach.

Xiangyi’s expression changed when he noticed her strange actions. “What’s wrong?”

Shi Nuannuan held her stomach, her face filled with fear and trepidation. “I... I feel... my stomach hurts a little...”

As she said that, her body started to slide down uncontrollably..

Xiangyi pulled her into his arms, the anxiety and heartache in his eyes were obvious.

“Nuannuan.”

It was the first time Xiangyi had called her name. Shi Nuannuan raised her eyes, and a thought suddenly flashed through her mind.

If she died now, would Xiangyi’s heart ache for her?

At the thought, the pain in her stomach worsened.

“Nuannuan, how... how do you feel?” Zuo Weiyi was also extremely anxious as she looked at her increasingly pale face.

Meanwhile, Xiao Cui was at a loss when she realized that she had caused all of this. Her tears flowed even more violently.

“Why don’t... Why don’t we sit down first and see if you’d feel better?” Zuo Weiyi suggested. She did not seem to care about Shi Yuting who was on the phone. She held the phone in her hand, but she did not cut it off.

Shi Yuting was quietly listening to every action on the other end of the phone.

“How do you feel?” Xiang Yi bent down next to her and held her hand tightly, not letting go.

Shi Nuannuan tried hard to calm herself down, but the more she tried to calm down, the more afraid she became, and her stomach started to hurt badly.

“I, I feel like I... I’m going to die..”

“No, you won’t die!”

She turned to look at Xiangyi’s pained and anxious face. Suddenly, the image of the girl who ate at his house before the new year flashed across Shi Nuannuan’s mind.

“Xiang—Xiangyi.”

Xiang Yi raised his eyes and stared into her black pupils. That helplessness and fear almost broke his heart.

“Yes?”

“Who was the girl who ate at your house before the new year... is she really your fiancée?”

Xiangyi looked into her moist and hesitant eyes and was silent for a few seconds before he said, “No, she’s not.”

“Really?”

“Yes.”

Hearing this, Shi Nuannuan, who was originally afraid, could not help but squeeze out a faint smile.

At this moment, the doorbell rang.

Chapter 646: Psychological Effects

Xiao Cui wiped her tears and rushed to the door, expecting it to be Zhong Shenghao

“Open the door!” Zhong Shenghao’s urgent voice came from behind the door.

After a series of examinations by Zhong Shenghao, he concluded that Nuannuan was not poisoned!

Everyone was surprised.

Zuo Weiyi spoke first, “But her face was really pale just now.”

Zhong Shenghao turned his gaze away. “She must have been scared!”

“...”

Scared? To the point that her face became pale?

Well, it did not seem impossible.

“But she felt a stomachache just now...” Xiangyi spoke as well.

The way she looked just now really looked like she had been poisoned. In addition, she kept saying that she was going to die, which made them even more flustered.

Zhong Shenghao couldn’t help but look at Xiangyi. Compared to their worried and nervous faces, Zhong Shenghao looked more relaxed.

He had been very anxious on his way there. But after the diagnosis, he was really relieved.

He glanced at Xiangyi, then turned to Shi Nuannuan lying on her back on the sofa. When she heard that she was not poisoned, her complexion gradually recovered.

“How about now? Does it still hurt?”

After hearing his question, Shi Nuannuan finally felt that her stomach did not hurt anymore.

“It doesn’t seem to hurt anymore.”

Zhong Shenghao raised his eyebrows. “I didn’t give you any antidote.”

Shi Nuannuan paused. Then what was going on?

“It could be a psychological effect from your reaction to the incident.”

“Psychological effect?”

“Yes. The more scared and anxious you are, the more your psychology affects your physiology. But don’t worry, you are not poisoned.”

“But, she did eat the fish.” Zuo Weiyi argued.

Suddenly, Zhong Shenghao remembered.

“What about the fish? Is there any more of it left?”

“It’s on the floor in the dining room!”

The group went to the dining room again. Zhong Shenghao bent down and took out a tool to extract the poison from the fish for examination.

When Xiao Cui realized what he was doing, she pulled out the bottle from her apron pocket.

“I have more here.”

Everyone’s eyes fell on Xiao Cui and then to the blue and white porcelain bottle in her hand.

“They gave this to me. There’s still some of it left.”

Zhong Shenghao walked over and took the bottle from her hand. He opened and sniffed it, only to find that it was colorless and tasteless.

“I’ll be taking this to the hospital to run it through some tests.”

Once he had settled everything, Zhong Shenghao left the seaside villa for the hospital to find out what was in the small bottle.

After Zhong Shenghao left, Zuo Weiyi remembered that her call with Shi Yuting hadn’t ended yet, so she brought the phone back to her ear and told Shi Yuting everything.

When he heard that everything was fine, Shi Yuting instantly heaved a sigh of relief.

“So, what’s next? What should we do? Those people threatened Xiao Cui with Xiao Song, but Xiao Cui didn’t do as they said. Xiao Song is definitely doomed now!”

“Nothing will happen to any of you.” Shi Yuting was very calm on the phone.

“What?”

“Outsiders won’t be able to observe your every move in the villa.” The security system in the seaside villa was designed by Shi Yuting himself, and he could access it via his phone. Although he was in C Country, he knew everything around the seaside villa like the back of his hand.

Chapter 647: Revealing the Mastermind

If he was really being targeted, it was impossible for him not to know.

“But what do you mean?” She was still a little confused.

“Just play along.”

Zuo Weiyi was surprised.

Play along?

..

Ten minutes later, Xiao Cui’s cell phone rang in her pocket. It was the same number that had contacted her before.

She glanced at the people in the living room and answered the call under their gazes.

“How is it?” A deep, neutral voice came from the phone.

Xiao Cui looked up at Zuo Weiyi and slowly replied, “I have to see Xiao Song before I tell you the answer.”

“It’s not convenient for him to talk to you right now.” At this moment, Xiao Song had long been knocked unconscious.

“Then you’ll never know the answer!”

Hearing this, the person on the phone was silent for a few seconds, then said, “Alright, in half an hour, come to the address I am about to give you. You’d better not play any tricks, or your little lover will die!”

“And you’d better not play any tricks, or I won’t help you with anything else!”

Fortunately, Zhong Shenghao called just now and told them that the drug was a slow-acting one. One had to be poisoned with it many times before the it would gradually take effect. Furthermore, though it would not harm a normal person, it was definitely deadly to a pregnant woman and her womb as there was no known antidote or cure for it.

Xiao Cui still had lingering fear when she heard that.

Those people actually told her that this medicine wouldn’t cause any harm to Madam!

When Zhong Shenghao tested the poison’s medicinal properties, he was also extremely shocked!

This medicine was colorless and tasteless. Once it was mixed in with food, there was no way to trace it, besides the knowledge of the person who used the poison.

It was a truly vicious method of targetting Zuo Weiyi and her children.

Zhong Shenghao tried to figure out who the mastermind was and could not help but break out in cold sweat.

How deep was his hatred that he would resort to poisoning Ting’s wife and children in such a cruel way?

After ending the call, Xiao Cui went to the address she was given.

In order to avoid detection by the other party, Xiangyi put a tracking device on the back of Xiao Cui’s ear that was the same color as her skin. Then, he left the house ten minutes later than her.

In order to let Xiangyi track her better, Xiao Cui drove the car very slowly.

...

At 8:30 pm, she arrived at her destination according to the address and found that it was actually an abandoned junkyard.

Xiangyi and the others followed behind. Firstly, they would bring out the mastermind from behind the scenes. Secondly, as Xiao Cui had bitterly begged, they would rescued Xiao Song.

There was only one abandoned iron-sheet house in the entire junkyard. Xiao Cui glanced at the half-closed door and slowly opened it with an uneasy heart. As soon as she entered, she saw Xiao Song lying unconscious on the ground!

“Xiao Song!” She cried out in surprise and quickly dashed over!

However, just as she reached Xiao Song’s side, a few black shadows gradually stepped out into the dim light.

She looked up and saw them slowly walking towards her. Besides the few men in sunglasses, she also saw the man she met at the market that morning.

“You promised me that you wouldn’t hurt him!”

“Cut the crap, I want to know the result.”

Xiao Cui was shocked when she heard his voice.

Although he did look like the person she met at the market, his voice was clearly different this time.

The man from that day had a very neutral voice, but why it sound like the voice of a middle-aged woman this time?

Chapter 648: The Unexpected Truth

As Xiao Cui got lost in her thoughts, the door of the iron-sheet house was suddenly kicked open, followed by Xiangyi and his group swarmed in!

The few men in black immediately reached for their pistols, but with Xiangyi and his group’s speed, it was already too late. The five men in black were shot and fell to the ground at almost the same time, as the mastermind stood frozen speechless.

Xiangyi’s cold voice asked, “Who are you?”

The figure turned to face Xiangyi. Hidden behind the sunglasses were eyes filled with fear.

“I—I—” The figure stuttered in terror.

Xiangyi walked over and took off the figure’s sunglasses and cap. When he saw the face of the figure, he was shocked.

“It was you?”

If he remembered correctly, the woman in front of him was the one who had caused the tragic death of the young madam’s mother. She was Qiu Yun, Jiang Huaiyuan’s first wife!

The ‘man’ turned out to be a woman! Even Xiao Cui was shocked!

Although she knew that the woman’s voice must have been deliberately changed as part of the disguise, it was still too strange! The person who initially threatened her earlier was actually this middle-aged woman?

“Are you the one who harmed the young madam?” Xiangyi’s voice was cold and Qiu Yun started to tremble in fear.

A voice echoed in her ears, “If you want to avenge your daughter and husband, then do as I say.”

Qiu Yun gritted her teeth. “That’s right, I want to kill her and the child in her womb to avenge my daughter and husband!”

“Why don’t we save these words for Mr. Shi and the young Madam?” Xiang Yi replied coldly. “Take her away!”

However, they were about to escort Xiao Cui, Xiao Song, and Qiu Yun out, the woman suddenly fell to the ground in pain!

When everyone turned around, they saw that her face had turned purple and blood was flowing out of her seven orifices. She looked extremely horrifying!

Xiangyi immediately bent down. Qiu Yun, who was struggling in pain on the ground, suddenly stopped moving.

He reached out and checked her pulse and breathing, but Qiu Yun was already dead.

...

When they returned to the seaside villa, Zuo Weiyi was shocked when she learned about what had happened.

She had initially suspected Qiu Yun, but Xiao Cui had said that perpetrator was a man. So how did he suddenly become a woman, and Qiu Yun no less?!

It was true that Qiu Yun had wanted her to die all this time. But she had already become a servant, so how did she have such great power to not only win over those distinguished guests to slander Xiao Song, but also hire bodyguards and assassins?

It just didn’t add up.

However, in Z Country, besides Qiu Yun, there didn’t seem to be any one else who would hold a grudge against her now.

In other words, the mastermind behind this incident was not Shi Yuting’s enemy?

“Did she say anything when she died?” Zuo Weiyi asked Xiang Yi.

Chapter 649: Zuo Weiyi’s Intuition

Qiu Yun had always wanted her dead, so how could such a person be so willing to poison herself and commit suicide before her goal was achieved?

This was too illogical.

Her intuition told her that things might not be that simple.

If Qiu Yun wasn’t the mastermind, then who could it be?

Zuo Weiyi suddenly got goosebumps.

There really was someone out there who wanted to kill her and the children in her stomach! If that was the case, there was no way of safeguarding herself.

Xiangyi recalled Qiu Yun's death.

"She said that she wanted to avenge her daughter and husband."

Zuo Weiyi lowered her eyes slightly.

That could indeed be her motive for trying to kill her, but she still felt that things were not that simple.

"Young madam, the enemy is still hiding in the dark while we are standing out in the light. It is most difficult to protect oneself against hidden arrows. So during this period of time, it is best that you do not leave the house," Xiangyi suggested. Tomorrow, he might have to send people over from Shi Mansion. It was always good to strengthen the defenses.

"Yes, I know." Zuo Weiyi smiled.

She turned to look at the clock on the wall. It was already 11:10 pm.

"It is getting late. You should rest early." Zuo Weiyi stood up. Although danger lurked everywhere, fortunately, the security system here was very strong. She could at least feel a little more at ease at the villa.

"Madam." At this moment, Xiao Cui suddenly spoke.

Zuo Weiyi turned towards her.

"Can I go to the hospital to see Xiao Song?" Xiao Cui's heart was burning with anxiety as she kept thinking about Xiao Song in the hospital.

Zuo Weiyi did not answer. Instead, she turned towards Xiangyi.

Xiangyi immediately understood when he met her gaze.

He looked at Xiao Cui. "You can go tomorrow. Now that the matter has been exposed, and that Qiu Yun is not the real mastermind, then you and young madam are still in great danger. So you should stay here tonight."

He had to stay behind to protect the young madam and Nuannuan, so he couldn't escort her to the hospital.

He believed that when His Excellency returned, he would definitely have other questions to ask her. Therefore, Xiao Cui was the key person to uncover the mastermind.

"Don't worry, Xiao Song will be very safe in the hospital. Don't worry too much." He had already assigned a few people at the hospital, and it was precisely because of this that he couldn't leave at the moment. He had to stay behind to protect the young madam and miss wholeheartedly!

Zuo Weiyi also agreed with Xiangyi, "That's right. Tomorrow, we'll go with you."

Xiao Cui and Xiao Song ended getting involved because of her. If they didn't know her, they wouldn't have been targeted.

She felt a little guilty towards Xiao Song. She really wanted to go and see him with Xiao Cui tomorrow.

After hearing their words, Xiao Cui had no other choice but to listen despite her worries.

At night, everyone returned to their rooms. Only Xiangyi stayed behind to keep watch. When he was tired, he lay on the sofa in the living room to relax for a while.

In her bedroom, Shi Nuannuan had no mood to sleep. She lay on the bed and stared at the ceiling. From time to time, she would reveal a silly smile. Her mind was filled with Xiangyi's words and the anxious expression on his face today.

Did it mean that Xiangyi actually liked her? Or perhaps, even loved her?

Chapter 650: Visiting Xiao Song

At the thought of this, she couldn't help but let out a giggle.

...

The next day.

Zuo Weiyi woke up early in the morning. Downstairs, Xiao Cui was so worried that she was pacing back and forth in the living room.

Zuo Weiyi had just come downstairs when she saw Xiao Cui's anxious behaviour.

Xiao Cui noticed Zuo Weiyi, and not forgetting that she was still a servant, silently lowered her head and stopped walking.

"Madam."

Zuo Weiyi knew what was going through her mind. When she past her on the way to the dining room, she patted her shoulder and said with a smile, "It's okay. Don't worry too much."

After breakfast, Xiao Cui quickly cleaned up the dishes. Then, they went to the hospital to visit Xiao Song.

When she saw Xiao Song wrapped in gauze like a mummy on the hospital bed, Xiao Cui's heart was broken.

Fortunately, after last night's treatment, Xiao Song had regained consciousness and was awake now.

He was so excited that he wanted to sit up when he saw Xiao Cui walking in!

Xiao Cui immediately rushed to the bedside and stopped him. Her voice was choked with sobs as she said, "Don't get up!"

The sight of Xiao Cui relieved the uneasiness and fear in Xiao Song's heart. "Are you alright?"

Although he never had any contact with Shi Yuting, he had long heard of such a famous figure in Z City and knew that he was a ruthless and decisive person.

If he knew that Xiao Cui had made a move on his wife and children, would he let Xiao Cui off so easily? but seeing that Xiao Cui was safe and sound, he finally felt relieved.

"I'm fine." Xiao Cui said softly.

Xiao Song's gaze drifted to Zuo Weiyi who had just walked in. But he didn't recognize Xiangyi and Nuannuan. He did think that the man looked somewhat familiar, but he could not remember who he was.

"Mrs. Shi." He was about to get up, but was stopped by Zuo Weiyi.

"Lie down and rest. You don't have to strain yourself."

"Are you alright?"

She smiled. "I'm fine. The babies and I are both very healthy!"

She didn't blame him and Xiao Cui at all. Instead, she was full of concern, causing Xiao Song to instantly feel inferior.

Then, he spoke anxiously, "Mrs. Shi, I hope you won't blame Xiao Cui. She only did this because she wanted to save me. She definitely doesn't have any ill intentions towards you. On the contrary, she idolizes you very much. Every time she's with me, she keeps talking about you. She really—"

Xiao Song continued to chatter non-stop, but was once again stopped by Zuo Weiyi.

She knew very well what he was trying to express.

"I know. I don't have the slightest intention of blaming her. On the contrary, I want to apologize to the both of you. If it weren't for me, you wouldn't gotten involved."

Her words made Xiao Cui and Xiao Song even more ashamed.

"Please rest well and take your time to recuperate. You don't have to worry about your safety," Zuo Weiyi added.

"Madam..." Xiao Cui suddenly spoke, her heart filled with guilt.

Zuo Weiyi noticed the guilt on her face.

"Even if I have to work like an ox or a horse, I will definitely serve you for the rest of my life." Xiao Cui's eyes started to turn red.

She had such a good master, and yet she had almost committed a huge mistake and become a sinner for all eternity!

Zuo Weiyi smiled. "There's no need for that. One day..." she glanced at Xiao Song. "You're going to have to get married too, aren't you?"
