

## Kiss Me 651

### Chapter 651: Xiao Cui's Confusion

Once she's married and had children, Zuo Weiyi would naturally not let her serve her anymore. Instead, she would let Xiao Cui be free and let her have a family of her own.

This made Xiao Cui and Xiao Song blush.

On the other side of the room, Shi Nuannuan looked at Xiangyi with a loving gaze as he stood by quietly.

Would there be a day when she would marry Xiangyi as well?

And then have babies?

As she thought about it, Shi Nuannuan started to imagine a scene where she, Xiangyi, and her future baby were playing and chasing each other in their own courtyard. The scene was simply too beautiful and too heartwarming, making her giggle to herself.

Xiangyi heard her silly laughter and his brows furrowed slightly as he turned his head. He saw her spacing out, as if she was fantasizing about something.

A droplet of saliva dripped down from the corner of her mouth, before she came back to her senses. She wanted to steal another glance at Xiangyi but did not expect to find him staring back at her the moment she turned to look his way.

In an instant, she felt guilty. She raised her hand to cover her face, but when she touched the drool at the corner of her mouth, Shi Nuannuan's face immediately turned black.

F\*ck, she really was drooling!

Xiangyi turned away, but the thin corners of his mouth unconsciously curved up slightly.

"Oh right, Xiao Song..." The reason Zuo Weiyi came to visit Xiao Song was to check his injuries and to understand his account of what had happened. "During the few days you were imprisoned by them, did you manage to get a good look at their faces? Do you know their identity or background?"

Xiao Song lowered his eyebrows and pondered. "I don't. Although I saw their faces, I don't know any of them."

When he was imprisoned, other than the two men in black who were watching him, he had no idea who the real kidnapers were.

"What about the man who accused you of stealing the watch?" She asked again. She had a gut feeling that there would always be some clues.

"That was Charlie, so I thought he was a man from overseas. But I hadn't seen him since it happened."

Zuo Weiyi felt that this was also a clue.

When Shi Yuting returned, she would properly investigate this man named Charlie!

Xiao Cui also seemed to have thought of something and spoke up.

“Madam.”

Zuo Weiyi turned to look at Xiao Cui.

“I have a suspicion that I would like to share with you.”

“What is it?”

“It’s the man I told you about before. I once said that his voice was very neutral. But when I saw Qiu Yun last night, she didn’t have the same voice as the one I heard.”

Xiao Cui’s observations were definitely helpful for Zuo Weiyi’s investigations.

“Are you sure?”

Xiao Cui nodded, “Yes, although their heights are about the same, I can confirm that their voices are different. When I heard Qiu Yun speak, I immediately knew that she was a middle-aged woman, but the person who spoke to me before that sounded like a tender young man.”

And Xiao Cui was certain he did not sound more than 25 years old.

If that really was the case, then the person behind the scenes was definitely someone else.

But who was it? Who wanted to kill her?!

Zuo Weiyi closed her eyes and mentally searched through the people she had a grudge against, but she could not think of anyone else.

### **Chapter 652: Could It Be Related to Li Chengcheng?**

After all, those who had a grudge against her were already dead or in jail. There was no way that those who had died were resurrected to seek revenge on her.

If that was the case, then there were two people: Jiang Tingmei and Tengtang Xi.

But she was a very realistic person. How could such a ridiculous possibility be true?

A dead person was a dead person. There was no such thing as a resurrection.

She witnessed the deaths of Jiang Tingmei and Tengtang Xi with her own eyes. They couldn’t be fake.

“Young Madam.” Just as she was deep in thought, Xiangyi suddenly said, “Should we start with Qiu Yun?”

This seemed to be a good choice.

Since they found Qiu Yun, it meant the suspect knew Qiu Yun.

Speaking of which, Zuo Weiyi suddenly remembered that Qiu Yun used to be a maid in the house of Li Chengcheng, the CEO of L Group. Could this matter be related to her?

Zuo Weiyi did not know Li Chengcheng well enough. However, from her appearance and behavior, she did not seem to be a scheming woman.

This was because while most of the women in the world eyed Shi Yuting covetously, Li Chengcheng did not seem to have any of such feelings for him. This was something that Zuo Weiyi was also a little surprised about.

Usually, even if she was walking with him on the streets or in restaurants, he would always be eyed covetously by those women. Almost everyone, young and old, would want to eat him up!

“Okay.” After thinking for a moment, she agreed with Xiangyi’s idea.

However, since Qiu Yun was already dead, how would Li Chengcheng react? Or did she perhaps already know that Qiu Yun had been in close contact with someone recently?

She recalled that at the Li family’s dinner party, when Li Chengcheng saw Qiu Yun being punished by Shi Yuting for trying to mess with Zuo Weiyi, Li Chengcheng was unexpectedly very concerned about her maid. Although it could just be that CEO Li was kind and benevolent, would she also know something regarding Qiu Yun’s death?

...

In the morning, after seeing Xiao Song, Zuo Weiyi and the others were about to leave the hospital. Xiao Cui had to prepare of her daily three meals, so she had to leave as well.

Seeing her reluctance, Zuo Weiyi couldn’t help but say, “Xiao Cui, why don’t you stay?”

“No, no, I just—”

“It’s alright. The doctor also said that Xiao Song will be discharged in four to five days at most. It’s just for a few days. I can cook by myself. Besides, Nuannuan is here too, right?” Zuo Weiyi had gone through similar experiences before, so it wasn’t hard for her to understand how Xiao Cui must have felt.

For example, when Shi Yuting was injured, she almost refused to leave, not even taking a step away from the bed if his grandfather did not convince her to leave.

“There’s really no need, I—”

“Alright, it’s settled then! You’re only allowed to come back to the house once Xiao Song has been discharged from the hospital, and you must bring him along too.” Zuo Weiyi turned around and left without giving her any chance to speak after interrupting Xiao Cui again.

Xiao Cui’s guilt deepened as she watched the rest leave.

It was already noon when they came out of the hospital.

Zuo Weiyi could not help but feel a little hungry.

Usually, she would not be in the mood to eat whenever she encountered something like this. However, her pregnancy had improved her appetite. She realized that it was easy for her to get hungry.

Normally, she would only eat a bowl of rice. But once she had finished that, she still felt hungry.

### **Chapter 653: Shi Yuting’s Call**

Moreover, she never got hungry even by 12 o'clock, but now she was already hungry at around 11 o'clock. Could it be that her appetite had grown a little too much?

"Sister-in-law, you said that you still have me. But I don't know how to cook!" Shi Nuannuan told Zuo Weiyi.

Ever since she was young, other than to eat or drink, she had never entered the kitchen!

Zuo Weiyi could not help but laugh when she heard that and said, "I know."

"If you knew, why did you still say that?" Shi Nuannuan did not understand.

Zuo Weiyi thought for a moment before asking her, "If Xiangyi is injured, would you want to stay at the hospital to accompany him?"

"Of course I would want to—" Shi Nuannuan blurted out almost without thinking, but halfway through, she realized something and her voice suddenly stopped. "Sister-in-law, why did you suddenly bring this up?!"

She could not help but glance at Xiangyi who was standing behind them. However, his face was still as expressionless, as if he had not heard the conversation just now.

The driver stopped the car in front of them. Xiangyi walked over and opened the back door without batting an eyelid. After the two of them got into the car, he took his seat in the passenger seat.

"Alright, let's go for a meal!" Zuo Weiyi excitedly said.

Xiangyi turned around. "Are you eating out?"

Zuo Weiyi nodded. "Yes, I'm hungry!"

"But..." Xiangyi looked troubled. At such a critical time, was it appropriate to eat outside? What if...

"Don't worry!" Zuo Weiyi assured Xiangyi. She was relaxed and carefree as she smiled at Xiangyi. "Aren't you guys here too?!"

Since the person who wanted her dead did not dare to confront them directly, it meant that he could only kill her in the dark. So, it shouldn't be that risky for her to eat out openly.

After all, she also believed in Xiangyi's strength.

But most importantly, she was getting impatient. She was too hungry!

It would take fifteen minutes to return to the seaside villa from the city, and it would take at least half an hour to cook when they got home. She could not wait for that long!

In the end, they arrived at a restaurant. Just as they reached the door, they met a familiar face.

"Weiyi."

"Yansheng." Zuo Weiyi was also a little surprised to see Gu Yansheng.

Gu Yansheng smiled. "Are you here for dinner?"

“Yes.”

“Why don’t we go together?” Gu Yansheng smiled modestly.

Zuo Weiyi thought about it for a moment. Since Nuannuan and Xiangyi were around, she agreed immediately.

If it was only her, she might have to politely rejected him.

“Sure.”

Shi Nuannuan did not have much of an impression of Gu Yansheng. She only knew that he was someone that Zuo Yi admired very much. He should also be like a brother to Sister-in-Law, right?

No, it was more likely that he was her brother’s love rival.

They found a private room and sat down.

Just as they did, Shi Nuannuan’s stomach suddenly felt a little uncomfortable.

This time, it was definitely not a psychological effect!

“My stomach is a little uncomfortable. I need to go to the toilet!” As she said that, she immediately stood up and rushed out the door of the private room.

Xiangyi watched as she got up and he suddenly got up and rushed over!

“I’ll accompany you!” His tall and straight body completely supported Shi Nuannuan’s body.

Zuo Weiyi did not have time to react as her phone rang.

She took it out and was stunned when she saw the caller ID.

Shi Yuting?

#### **Chapter 654: Picking up the Phone**

Shi Yuting?

Ugh, what a coincidence.

She was just thinking about what would happen if he found out that she was having dinner with Yansheng again when the phone rang.

“Hello?”

“Waiter.”

Almost at the same time that she picked up the phone, Gu Yansheng looked at the waiter standing at the side and said, “Change this cup to boiling water, no tea.”

He knew that she was pregnant and so she could not drink tea.

Hearing the voice in the background the moment the call connected made Shi Yuting frown slightly.

A sense of unhappiness spread throughout his chest.

“Gu Yansheng is beside you?”

In an instant, Zuo Weiyi felt a headache coming.

Wasn't this too much of a coincidence?

She knew that Gu Yansheng probably did not do it on purpose. After all, he did not know that this call was from Shi Yuting.

With a grimace, she could only bite the bullet and said hesitantly, “Yes.”

“Are you with him?” Shi Yuting's face darkened even more and he sounded obviously sour.

“No, we just happened to meet and had a meal together.” She tried her best to speak as gently as possible. At this time, Shi Yuting needed to be coaxed, not forced.

“Really?” Shi Yuting did not sound convinced.

“It's true. Furthermore, Nuannuan and Xiangyi are both here.” If that was the case, he wouldn't be that concerned over Gu Yansheng's presence, right?

Shi Yuting suddenly fell silent.

Then, he suddenly said, “Put Nuannuan on the phone.”

“...”

Zuo Weiyi couldn't stop wondering if this was all just a little too coincidental.

Pursing her lips, she said embarrassedly, “Um... Nuannuan went to the bathroom.”

“What about Xiangyi?”

“Xiangyi... went with her too.” Even through the phone Zuo Weiyi could feel the build up of his jealousy about to explode.

“So this was all just a coincidence?”

“Yes, it's quite a coincidence.”

“Zuo Weiyi! Are you actually playing dumb in front of me?!”

“How could I!” It really was a coincidence after all! She muttered softly, feeling really wronged.

“Is it Shi Yuting?” At this moment, Gu Yansheng seemed to have noticed that it was Shi Yuting through her expression.

Zuo Weiyi looked at him with some confusion, then nodded in a daze. “Yes.”

“Give it to me.” He stretched out his slender hand, indicating for her to pass the phone to him.

She paused for a moment, trying to figure out what he was trying to do. But in the end, she slowly took the phone from her ear and placed it in his large palm.

“Hello?”

On the other side, Shi Yuting was stunned when he heard his voice. Then, he said coldly, “Who told you to pick up the phone?”

“I am indeed having a meal with Weiyi,” he said and smiled slightly, as if he was pausing deliberately.

Shi Yuting could not hold it in any longer. “So you’re trying to show off that you are having a meal with my wife?”

“You can think of it that way, but I haven’t finished speaking.”

“Sorry, I’m not interested in listening to a single word you say. Give her the phone.”

“Other than her, your sister and Xiangyi are indeed here.” After saying that, Gu Yansheng returned the phone to Zuo Weiyi.

Zuo Weiyi smiled gratefully at him since he helped explain things for her.

“See, I didn’t lie to you.”

“Mrs. Shi.”

“What...?” The way he addressed her so suddenly startled her.

“It seems that no matter where I go from now on, I have to bring you along.”

#### **Chapter 655: How He Cares about Me**

“It seems that no matter where I go from now on, I have to bring you along.”

What does that mean?

However, before Zuo Weiyi could figure out a reply, Shi Yuting had already hung up the phone.

Zuo Weiyi was confused.

“I’m sorry, I let him misunderstand you again,” Gu Yansheng said to her

Zuo Weiyi smiled at him, then took a sip of water and said, “It’s okay. That’s how he cares about me.”

Her words made Gu Yansheng pause for half a second. His black jade-like eyes stared at her beautiful face.

After a long while, he slowly said, “Weiyi.”

“Hmm?” She was holding the teacup as she looked up at him.

“You’re very happy now.”

She smiled and put down the teacup. “Yes, very happy.”

Gu Yansheng looked at her deeply. Perhaps it was time to let go of his feelings for her.

The dishes had been served, but Nuannuan and Xiangyi had yet to return.

She looked at his watch. Fifteen minutes had already passed. Could something have happened?

Zuo Weiyi started to get a little worried, so she dialed Nuannuan's number.

"Hello?"

"Sister-in-law, I... I have something to deal with. Please go ahead without me. I'll come over after I'm done!"

As soon as she finished speaking, Shi Nuannuan quickly hung up the phone. It sounded like she was in a hurry.

Zuo Weiyi was dumbstruck again as both siblings ended up hanging up on her.

They hung up so quickly and decisively!

Shi Nuannuan, on the other hand, was waiting anxiously in the ladies' washroom.

Why did this period have to come now?

Moreover, she did not realize that she had been discovered by Xiangyi. How embarrassing!

Finally, Xiangyi's voice came from the entrance of the ladies' washroom.

"Miss."

Shi Nuannuan immediately walked to the door and saw Xiangyi standing there with a paper bag in his hand.

She took the paper bag and when she met Xiangyi's calm gaze, her face suddenly turned red. Then, she lowered her head awkwardly and turned around. She walked to the cubicle and opened the paper bag.

When she saw the things in the paper bag, she could not help but be surprised.

Did Xiangyi buy all these himself?

Sanitary pads, panties, and a brand new set of clothes.

When she imagined Xiangyi buying sanitary pads in the supermarket, the corners of Shi Nuannuan's mouth could not help but twitch. He must have felt very embarrassed.

After changing her clothes, she walked out of the bathroom. When she saw Xiangyi again, her face automatically turned red.

"Er.. thank... thank you."

Xiangyi looked at her calmly. He did not feel awkward as he remained composed.

When the two of them returned to the private room, with Nuannuan in a new set of clothes, Zuo Weiyi and Gu Yansheng could not help but feel a little surprised.

However, since she was a woman and had said that her stomach was not feeling well before running to the washroom, it must have meant that she just got her period.

But where did her clothes come from? Could it be...

Zuo Weiyi's gaze inadvertently turned to Xiangyi.

Such willingness to buy that kind of thing for a woman, it must be true love!

...

After lunch, they returned to the seaside villa and found that the courtyard, which initially had only two bodyguards, now had more than a dozen both inside and outside.

Zuo Weiyi was shocked.

What was going on?

### **Chapter 656: The Man Who Returned in the Middle of the Night**

She turned to look at Xiangyi in confusion.

When he met her gaze, Xiangyi said, "They were sent by Master."

Zuo Weiyi looked back at the people in the courtyard before walking into the house.

When she walked in, she was a little tired, so she went straight to the second floor to rest.

Shi Nuannuan glanced at Xiangyi before quickly going upstairs to take a nap.

...

In the evening, the sky gradually darkened, and Zuo Weiyi finally woke up.

Recently, she really liked to sleep more and more. She always felt that she couldn't get enough sleep no matter how much she slept.

She sat up from the bed and looked at the gradually darkening sky outside the window. She suddenly remembered that Xiao Cui was at the hospital so she had to cook dinner herself.

She got up from the bed and just as she walked into the living room, she saw Shi Nuannuan sitting on the sofa.

"Sister-in-law, you're awake?"

"Yes." She smiled and walked straight to the kitchen.

Not long after, she walked out again. "Nuannuan, do you want noodles?"

She didn't really feel like eating rice that night, so she decided to order noodles. She just didn't know if Nuannuan would like them.

Nuannuan was reading a fashion magazine on the sofa when she replied. "Sure, anything is fine."

Thus, Zuo Weiyi ordered three servings of noodles. Of course, the other serving was for Xiangyi.

Half an hour later, Shi Nuannuan could not resist the temptation of the fragrance. She put down the magazine and ran in.

"Wow, it looks so delicious."

As she spoke, she had already sat down at the dining table.

“Oh, whose is this?” She pointed at the other serving.

“Xiangyi’s. Call him in to eat.”

Hearing this, Shi Nuannuan was stunned for half a second before she quickly got up and ran outside to pull Xiangyi in.

But Xiangyi did not have any intention to sit down. Instead, he said softly, “Thank you for Young Madam’s kindness, but I’ve already eaten.”

As he spoke, he turned around and walked out of the door.

Shi Nuannuan could not help but purse her lips as she watched him leave.

He had clearly been standing at the door the entire time. When did he get the time to eat?

But Zuo Weiyi also understood his reason, so she did not force him. Instead, she sat down and ate with Nuannuan.

...

After dinner, she watched TV on the sofa for a while. Only when it was nine o’clock did Zuo Weiyi go upstairs to rest.

Perhaps it was because she had slept for too long in the afternoon that she did not feel sleepy after repeatedly lying on the bed.

As the night gradually deepened, Zuo Weiyi was finally able to close her eyes slowly.

She suddenly heard the sound of someone opening the door, but she was just too sleepy and fell into a deep sleep within a few seconds.

The man who had returned in the middle of the night quietly laid down beside her.

A small light turned on in the room. Under the light, Shi Yuting looked at her sleeping face and thought that he seemed to be increasingly unable to leave this woman.

Just because she had a meal with other men, even when there was someone else present, he could not wait to put down the important matters of the country at hand and specifically flew back from C Country. Was he already intoxicated with her?

Just looking at her sleeping face, Shi Yuting felt an unprecedented sense of satisfaction, and a perfect smile appeared on his face.

But then, he suddenly raised his head. Who would have thought that in the eyes of outsiders, a cold, ruthless, decisive man who had never been controlled by any other would one day be infatuated with a woman called Zuo Weiyi? Where was his dignity?

### **Chapter 657: A Terrifying Nightmare**

He smirked. He had never thought that he could not live without a woman.

He looked at the person on the bed again and lay down.

Just as he was about to turn off the lights, he realized that there was something wrong with the person lying next to him.

He stopped turning off the lights, turned back to her, and noticed that she had started moving.

Looking at her tightly knitted brows, Shi Yuting sensed that something was wrong with her.

“Weiyi?” He called out loud.

But Zuo Weiyi did not seem to hear him. From her expression, she seemed to be experiencing something painful.

Damn it!

He growled in his heart as he recalled everything that she had experienced in the days after he left.

He caught a glimpse of her slightly bulging stomach and a strong sense of uneasiness spread to his chest, tugging at his heart!

“Weiyi, what’s wrong?” His voice started to tremble and sounded hoarse as he grew uneasy.

Zuo Weiyi still didn’t wake up.

He was anxious and flustered that he didn’t know what to do.

Just as he was about to get up and call Zhong Shenghao, Zuo Weiyi started to murmur.

“No, don’t...”

He turned back to her and saw her still frowning in pain, but he didn’t know what she was saying.

Was she dreaming?

“Don’t... let me go...” Zuo Weiyi murmured as she dreamt that someone was trying to kill her.

She could only see a blurry figure holding a knife and trying to stab at her.

She ran as fast as she could but no matter how hard she ran, she could not escape. Behind her was a pair of eerie and terrifying eyes filled with hatred.

Finally, she stumbled and fell. When she got up again, the face filled with hatred had already approached her.

“Zuo Weiyi, I will take your life to avenge my family with blood!”

Looking at the sharp dagger that was going to stab her, she tightly protected her stomach, but in the end, she was still stabbed by the cold dagger.

“Ah!”

She woke up in so much shock that she sat up with a terrified expression, and her black eyes were filled with fear and uneasiness!

“Weiyi...” Seeing how she woke up so suddenly, Shi Yuting’s heart ached. As he spoke, he gently touched her shoulder.

But his touch only terrified her further and her body suddenly trembled.

“Ah!”

She turned quickly towards him, still terrified. It was only when she saw his face clearly that she breathe a sigh of relief.

It was just a dream.

She started to recognize the familiar room and closed her eyes. She wanted to catch her breath, but just as she closed her eyes, the terrifying scene in the dream once again entered her mind, forcing her to quickly open her eyes.

“What’s wrong with you?” He frowned as his heart tightened slightly as he looked at her frightened appearance!

She looked at him and was a little surprised by his sudden appearance.

“You... why are you back?” She didn’t answer his question, but asked her own in confusion.

Shouldn’t he be in C Country at this time, and only be back in a few days?

In that case, was it true that she had heard someone turn the doorknob?

“First, tell me, what’s wrong with you? Did you have a nightmare?”

### **Chapter 658: Feeling Uneasy after Waking Up from a Dream**

But his question only reminded her of the dream again and heart started to beat in fear.

She nodded. “I had a nightmare.”

He reached out to pull her into his embrace, as if to dispel the uneasiness in her heart and give her a sense of security.

A low and gentle voice sounded above her head. “It’s okay, it’s just a dream.”

As he hugged her, he realized that she was drenched in cold sweat and her pajamas were stuck to her body.

He carried her out of bed and walked to the bathroom.

He placed her in the bathtub and washed her body affectionately.

After the shower, he placed her back on the bed and was about to turn around to leave.

Just as he turned around, he was grabbed by the corner of her clothes by her small hand.

He turned back towards her and saw the uneasiness on her face.

Just what kind of dream did she have just now to have scared her to this extent?

“What’s wrong?” asked he.

“Don’t leave yet.”

In the dark and empty room, she suddenly felt an unprecedented fear—the dream had really affected her.

He stared at her for a while, then reached out to turn on all the lights in the room. In an instant, the originally dark room immediately became bright.

“I’ll go get you a glass of water. It’ll just take me a minute.”

The brightened room slightly eased Zuo Weiyi.

She let go of him and watched him walk out of the room.

Sure enough, he came back with a glass of warm water within a minute.

“Here, have a drink.”

A mouthful of warm water entered her throat, finally warming up her heart, and making her feel more at ease.

She put down the cup and her gaze just happened to catch a glimpse of the clock on the bedside table. It was 3:45 am.

“Why did you suddenly come back?” And in the middle of the night too.

He stared at her and then lay down on the bed. “Yeah.”

Yeah? What kind of answer was that?

Thinking about how his life was gradually sinking into a world revolving around her, Shi Yuting could not help but feel a little proud. He did not want to tell her that it was because he missed her.

Of course, if it were not for the dinner between her and Gu Yansheng, he would have come back a few days later.

“Have you finished settling your affairs over there?” She remembered that before he went abroad, he had said that he would only be back after more than a week. It had only been a few days, so why did he come back so soon?

He leaned against the headboard and crossed his arms across his chest. “Not yet.”

“...”

‘Not yet? Then why did he come back?’

Suddenly, a possibility flashed across her mind.

During lunch, he had suddenly hung up the phone. Could it be that... he came back to see her?

Thinking about it, Zuo Weiyi could not help but feel a little touched and proud.

“Shi Yuting...”

“Call me hubby.”

Fine, since he cared so much about her. “Hubby.”

After she said so, she suddenly turned around and looked at his flawless side profile. “Are you becoming more and more inseparable from me?”

She hit the bullseye, but Shi Yuting did not look at her. He only did so after half a second and reached out to lift her delicate chin. “Are you proud, Madam?”

She smiled and looked at him. “Can I?”

He pulled her into his arms. “Let me think about it.”

She smiled blissfully as she leaned her head against his strong, secure chest. “How will the other side since you left so suddenly?”

### **Chapter 659: Who Is ‘Unsatisfied with His Desires’?!**

The reason he really came back was probably due to his uneasiness and fear after the series of events that happened.

“I’ll just deal with them through video conference.” He hugged her as he replied simply.

However, Zuo Weiyi raised her head and looked at his face.

At the same time, he lowered his eyes and met her black pupils.

“Will that be okay? Wouldn’t the parliament members start to talk?” She was a little worried. After all, he was the president of a country, but he always stayed in Z Country. Would it attract some criticism?

“They’d dare?” He looked at her. He said them so simply but they would have definitely made others more hesitant to question him as the leader of a country.

After staring at him for a long time, Zuo Weiyi softly said, “You’re so capricious.”

“That’s because I can afford to do so.”

She smiled lightly. After being together for a long time, she realized that Shi Yuting was actually just an ordinary person. He had feelings of joy, anger, sorrow, and joy, as well as a small amount of pride that ordinary people usually have.

He lowered his head and sealed her pink lips.

Perhaps because she had just received a shock, he was very well-behaved tonight. After a deep and passionate kiss, he let her go.

Of course, there was another reason.

After all, she was pregnant. Although she could have sex after four months, Zhong Shenghao still advised him not to do it so often just to be on the safe side. He had to restrain himself and endure it. Losing the baby would be a lot worse!

After losing her first child, how pained she looked was still vivid in her mind. Therefore, he would not allow any mishaps to happen to this child.

He suddenly stopped, which surprised Zuo Weiyi.

Usually, he would not be like this.

She remembered that he had said before that she could have sex after four months. After that, she had also looked up some information on the internet. Some even started to lose control after three months. Since the first three months and the second two months of pregnancy were the most important periods, they could not have sex together.

Since Shi Yuting knew this, he managed to stop himself. Was this still the same Shi Yuting who would not let her off every time before this?

Shi Yuting closed his eyes as he pretended to be asleep. But he could feel her staring at him and opened his eyes to look at her. "Madam, you look like you're not satisfied with your desires. Do you want me to continue?"

Not satisfied with her desires?!

How could she be?!

Seriously, it was clearly him who was not satisfied with his desires every time! So, really who was it that was not satisfied with his desires?!

She turned away but did not know where the guilt in her heart came from.

She was not dissatisfied with her desires, so why would she be guilty?!

"I'm not, I'm not. Go to sleep!"

In order to hide her guilty conscience, she turned her back to him and closed her eyes, pretending to sleep.

The corners of Shi Yuting's mouth curled up, and he immediately wrapped his arms around her body. "Madam, you don't actually have to be so 'reserved' in front of me."

Hearing this, she suddenly turned around and glared at him with a pair of black eyes. "Who's reserved?!"

He looked at her. "You're not being reserved?"

Why was she always at a disadvantage when it came to words?!

She stared at him and suddenly thought of something to refute him. "If I'm not satisfied with my desires, whose fault do you think it is then?"

Shi Yuting narrowed his eyes. She actually dared to doubt his 'ability'!

"So what Madam means is that she's doubting my ability?"

She shut her mouth and did not say any more. It was good enough to be able to refute him.

She was really a genius. The thing he was so proud of actually became her reason to refute him. Thinking about it, she could not help but want to laugh.

### **Chapter 660: The Nightmare that Haunted Me**

‘This seems to be more lethal than saying that I’m not handsome enough?’

“If that’s the case, then it seems that I will just have to prove my ‘strength’, in case Madam misunderstands me.”

Just as Zuo Weiyi was immersed in her own happiness, his sudden words made her feel an inexplicable sense of ‘danger’ assaulting her.

She was about to look at him when his domineering lips covered hers without warning, preventing her from even having the chance to speak!

“Ummph...”

From then on, Zuo Weiyi did not dare to doubt his ‘ability’ anymore!

His touch was much gentler than she had expected.

In the past, his love for her was like a storm, attacking her in all kinds of positions! However, ever since she was pregnant, he had been especially gentle and careful with her—it was a different yet still pleasurable feeling.

After a round of lovemaking, Zuo Weiyi became a little tired and slowly closed her eyes.

However, not long after she had closed her eyes, that ghostly and terrifying face appeared again in the darkness. It scared her so much that she suddenly opened her eyes again and shivered.

Shi Yuting, who was holding her in his arms, sensed that she had been frightened. He could not help but open his eyes and look at her in his arms. “What’s wrong?”

Zuo Weiyi gasped for breath, still a little frightened. “The dream from earlier keeps appearing in my mind again and again.”

At this point, Shi Yuting could not help but frown. “What dream is it?”

She looked at him, fear still lingering in her eyes. “I dreamt that someone wanted to kill my child.”

In the dream, she had initially thought that the person wanted to kill her. But when the dagger stabbed her abdomen, that was when she knew that the one the person wanted to kill was actually her child.

When he heard about her dream, Shi Yuting thought that perhaps there was still a shadow in her heart that had not dispersed after Xiao Cui’s incident.

“It’s alright, it’s just a dream.” He hugged her even tighter, wanting to give her some peace of mind.

Perhaps, it really was just a dream.

Zuo Weiyi frowned and closed her eyes again. However, just as she did, the dream once again crashed into her mind, lingering with no intention of leaving.

What exactly was going on? Why could she never forget this dream.

In the end, Zuo Weiyi was unable to sleep a wink even when daybreak came.

Every time she closed her eyes, her mind the image of that person with a dagger and a face full of hatred chasing after her would fill her mind. She was haunted by nightmares, unable to walk out of that darkness!

Shi Yuting had also been keeping an eye on her the entire night. This was the first time he had seen her unable to fall asleep because of a dream.

Fortunately, she had taken an afternoon nap yesterday and slept for several hours at night. So, she did not feel that tired when dawn broke. Instead, she woke up early with Shi Yuting.

At seven o'clock in the morning, Shi Yuting had just opened the bedroom door when he walked out and bumped into his sister, Shi Nuannuan who was about to go downstairs.

The moment she saw him, Shi Nuannuan was clearly shocked.

"Brother..." She looked at her brother, who was supposed to be in C Country, in shock. "Why... why are you here?"

Shi Yuting glanced at his sister coldly. "This is my home. Shouldn't I be here?"

As soon as he finished speaking, he walked past her and went straight downstairs as Shi Nuannuan remained rooted in the spot.

Then, she turned around and saw that the master bedroom door was open, so she walked in.

In the room, Zuo Weiyi was brushing her teeth and washing up in the bathroom.
