

Kiss Me 721

Chapter 721: Calling “Hubby” Affectionately

As soon as she turned around, she saw Shi Yuting and Manli chatting not far away.

“How long does Miss Manli plan to stay here this time?”

“A little longer. I think this place...is quite interesting.” Manli smiled implyingly.

Originally, she had planned to go back in two days, but now, she had changed her mind.

“Hubby!”

A crisp voice interrupted. Shi Yuting turned around when he heard the voice, and almost immediately, he felt someone hold his arm intimately.

He looked down and saw a familiarly sweet face.

“What are you guys talking about?” Zuo Weiyi held onto him right after she affectionately called him ‘Hubby’. It was intentional.

Shi Yuting could not help but narrow his dark eyes slightly and cast a sidelong glance at the person in front of him.

This was the first time she had called him ‘Hubby’ in public.

The corners of his lips curled up slightly, and he reached out to pull her closer to him as he gently asked, “Are you tired?”

He knew that she had been busy with the birthday banquet since morning. Even though he did not allow her to be busy with her own affairs with a big belly, she insisted on doing it herself.

Meanwhile, he had been busy with the important matters of Di Zun and C Country all day long, so he had no time to control her and had to let her do whatever she wanted.

“Your friend?” Zuo Weiyi ignored him but cast a glance at Manli instead.

But she actually had a good memory—she remembered Manli to be the woman who had ‘kissed’ her husband in front of the restaurant the other day.

“This is Miss Manli, the heir to the royal family of A Country.” Shi Yuting remembered that he had explained to her about Miss Manli and that kiss. But at this moment, he patiently explained again, as if he could see through her intentions.

He enjoyed the way she cared about him.

“You are Shi—”

“I am his wife, Zuo Weiyi. Hello.” Before Manli could finish, Zuo Weiyi had already spoken and stretched out her hand.

Manli paused for a few seconds. Her bright eyes fell on Weiyi’s fresh and refined face. She was indeed a beauty.

Even though she was pregnant now, she could not hide the beauty that seeped out from her bones.

“How do you do? I’m Manli.” Manli extended her hand and shook her hand in return.

Shi Yuting turned around and looked briefly at Gu Yansheng who had followed Zuo Weiyi over. He cast a cold glance at him before taking a sip of red wine and scoffing at him.

“Yo, what are all of you gathered here for?” Zhong Shenghao called out as he approached with Shi Nuannuan.

When she saw her brother, Shi Nuannuan’s gaze kept searching for Xiangyi’s shadow, but she could not find him.

Strange, if her brother was here, why wasn’t Xiangyi with him?

“Brother, why isn’t Xiangyi—”

Just as Shi Nuannuan was about to speak, a waltz started to play in the banquet hall, followed by pairs of handsome men and beautiful women entering the dance floor.

Manli’s gaze swept over Shi Yuting before landing on Zuo Weiyi.

“Mrs. Shi, with your current condition, I don’t think it is convenient for you to dance, right?”

Her sudden words stunned Zuo Weiyi for half a second. She looked down and looked at her protruding belly, before turning to Manli. “Yes, I agree.”

“Then, you don’t mind if I invite your husband to dance with me, do you?”

Zuo Weiyi’s clear eyes stared at Manli for awhile.

Regardless of how Manli felt about Shi Yuting, Weiyi had to admit that Manli was a very strong woman.

It was usually the men who invited the women to dance. And yet Manli had taken the initiative to invite the man. She had also taken the advantage of Weiyi being pregnant to borrow her husband in front of everyone.

Chapter 722: You Won’t Reject Me, Will You?

If she wasn’t pregnant, she would have definitely dragged Shi Yuting onto the dance floor. But right now, she wasn’t in any condition to do so.

This Manli was indeed not an ordinary person.

Zuo Weiyi smiled back generously. “I’m fine with it. As long as he’s fine with it.”

It was a simple sentence, but she had essentially thrown the baton to Shi Yuting.

Shi Yuting glanced at the woman in his arms and saw that she was smiling beautifully.

He suddenly glanced at Zhong Shenghao beside him. “If Miss Manli wants to dance, my good friend Zhong—”

“Oh, my! I absolutely love this song! Come, Nuannuan, shall we dance?” As soon as he met Shi Yuting’s gaze, Zhong Shenghao knew what he was planning. Without waiting for him to speak, he directly pulled Shi Nuannuan to the dance floor.

He really wanted to see how he, who only doted on one person, could reject the favor and initiative of another of the opposite sex.

An ordinary person might be fine, but that Lady Manli was not an ordinary person. She was the heir to the royal family of A Country! Unless he had a real reason, he could not reject her!

This would be a good show to watch!

Zhong Shenghao pulled Shi Nuannuan to dance slowly on the dance floor while looking at Shi Yuting from afar with interest. He really wanted to know how he was going to reject that Manli in front of Weiyi!

“Brother Shenghao, you did it on purpose, didn’t you?” Shi Nuannuan finally saw through his thoughts.

Just now, her brother was obviously going to ask for his help!

“Don’t you want to see who your brother will choose?”

“Of course, he would definitely reject her directly! For sure!” In her opinion, her brother would definitely not dance with other women in front of her sister-in-law, so he would definitely reject that Manli directly later!

Speaking of Manli, she was really arrogant and shameless. She openly seduced her brother and even wanted to get involved with Xiangyi! Tsk! One really could not judge a book by its cover!

Manli stretched out her hand. It was obvious that she was inviting Shi Yuting.

Staring at that slender hand, Shi Yuting did not react. However, he was silently cursing in his heart: Damn Zhong Shenghao, I’ll settle the score with him later!

“Go ahead, it’s just a dance.” Just as he was in a daze, Zuo Weiyi suddenly spoke up again.

He was hesitant, which meant that he was definitely unwilling. However, this Miss Manli’s identity was special. If he rejected her directly, wouldn’t it affect the cooperation between the two countries?

But it was just a dance. She had nothing to worry about at all.

Moreover, she could tell that Miss Manli’s tone earlier clearly hinted deliberate intention.

“Since it was Miss Manli who personally invited you, if you don’t accept this dance, wouldn’t we just appear stingy? Don’t you agree, Miss Manli?” She looked at Manli with clear hidden implications—she made it clear that Shi Yuting would accept this dance purely because of her invitation.

Manli glanced at Zuo Weiyi. As expected of Shi Yuting’s wife.

Even if someone wanted to snatch this man away, the chances of success were zero.

“Yes, I invited you.” She smiled generously as she looked at Shi Yuting, “After all, the only person I know here at this banquet is Mr. Shi. And under such a good atmosphere, I really want to do this dance. You won’t refuse, right?”

Chapter 723: Was It just His Imagination?

He was a very outstanding man, but he was already taken. She felt a little regretful. If she had known Shi Yuting earlier, would she have been his other half?

She would use this dance to fill the regret in her heart.

If they couldn’t be lovers, she was fine with being just friends.

“Okay.” His low voice rang out indifferently.

To him, it really was just a dance.

The two of them slowly walked onto the dance floor. The corners of Zuo Weiyi’s mouth curled up slightly. If this was a war, then she would still be the one to win.

Because she was ‘Mrs. Shi’!

“F*ck! My brother actually accepted that Manli’s invitation!” Seeing her brother slowly walking onto the dance floor while holding Manli’s hand, Shi Nuannuan couldn’t help but widen her eyes!

He actually accepted it, and her sister-in-law just remained silent and smiled? Wasn’t she worried that her brother would be snatched away by this Manli?

“F*ck, what is this couple doing?” Zhong Shenghao, was also extremely astonished.

One accepted to dance with another woman, and the other actually had a smile on her face?

It seemed that the two of them had already reached the stage where their love was as strong as gold! Did they think that no one could snatch the other away?

At the thought of this, Zhong Shenghao couldn’t help but feel jealous!

When would he be able to find his own love like Ting?

As he thought about it, his gaze became a little misty, and Jing Xinlei’s beautiful face suddenly appeared in his mind.

The only woman he had ever loved was in love for seven years, but it wasn’t with him.

Ever since she had been in prison, he had bribed the warden to visit her in prison for more than a year. Time was like a butcher’s knife. Within just a year, she had become much more haggard than before. The first time he visited her, he thought that the warden had brought the wrong person—he almost could not recognize her. Fortunately, he had bribed the warden to help her receive special treatment, which saved her life. However, every time he went to see her, she only looked at him coldly and never said a word to him. It was as if her heart was dead.

Thinking of how she treated him coldly every time, Zhong Shenghao’s heart felt like it was being pricked by needles.

“Brother Shenghao, what are you thinking about?” Shi Nuannuan could tell that he may be dancing with her but his mind was clearly elsewhere.

Zhong Shenghao only came back to his senses when he heard her voice.

However, he suddenly saw a familiar figure out of the corner of his eye. Not far away, a familiar slender figure passed through the crowd and disappeared in a blink of an eye.

Was it his imagination? He thought he had just seen Xinlei’s figure?

His gaze searched through the crowd again, but he didn’t see that figure again. Zhong Shenghao couldn’t help but laugh bitterly and mock himself in his heart. ‘Zhong Shenghao, oh, Zhong Shenghao, have you gone mad? This is Joss Hotel. How could Xinlei appear here at Grandfather Zuo’s birthday banquet?’

He had wanted to secretly rescue her and let her return to a peaceful life many times. However, no matter how much money he spent, that warden didn’t dare disobey Ting’s orders.

Xinlei would probably have to spend the rest of her life in prison.

After a busy day, Zuo Weiyi started to feel a little tired. She turned around and wanted to go to the lounge to rest for a while. Her back was starting to ache.

At the entrance of the hall, Xiangyi had just entered and his pair of eyes immediately searched for Shi Yuting among the crowd. As expected, he saw him waltzing on the dance floor.

Chapter 724: Long Time No See, Mrs. Shi.

He was about to step forward, but immediately caught a glimpse of Shi Nuannuan, who was also dancing on the dance floor, with Zhong Shenghao.

The moment he saw the two of them chatting and laughing, Xiangyi felt as if something was blocking his heart. He felt so stifled that he even felt that the scene was somewhat a little too much.

However, he quickly put away his feelings and walked to a long dining table, quietly waiting for the end of the song.

His Excellency was dancing with Miss Manli, so he naturally didn’t want to disturb them.

As for Jing Xinlei’s escape from prison, he’d better wait for this dance to end.

In the lounge, Zuo Weiyi sat on a European sofa, feeling completely exhausted!

She didn’t do that much today, perhaps just walked a few steps. So she didn’t expect to be so tired. Her legs were almost sore!

She rubbed her legs as she sat on the sofa.

Suddenly, the door opened. She turned around, thinking that it was Shi Yuting or Shen Lanzhi.

Instead, she saw a hotel waiter.

This was the lounge. What was the waiter doing here?

No, he didn’t seem like a waiter

Although he was wearing a waiter's clothes, he had a hat on his head, which didn't seem to be part of the waiters' attire of Joss Hotel.

Zuo Weiyi could not help but feel a little strange. She looked at the waiter and asked, "You are not a waiter here, are you?"

The person who came in remained silent. After he came in, he gently closed the door of the lounge and locked it.

Zuo Weiyi saw what the waiter was doing and her eyes narrowed in suspicion.

"What are you doing?!" She raised her voice as she gradually felt that there was something amiss with the waiter.

The waiter still didn't say anything as he removed his cap and his shoulder-length hair fell down.

Zuo Weiyi was shocked.

He was a woman? Then why was she wearing a male waiter's clothes?

"Who are you? What are you trying to do?"

Zuo Weiyi looked at her thin face for quite a while, but she couldn't recognize it.

It wasn't until her voice rang out, "Long time no see, Mrs. Shi."

Upon hearing this familiar voice, Zuo Weiyi furrowed her brows tightly before coming to a sudden realization!

This voice belonged to...Jing Xinlei?!

"You... you are..." Zuo Weiyi was still in disbelief as she looked at the woman in front of her.

Was the thin woman standing in front of her really the same Jing Xinlei from back then?

The first time Zuo Weiyi saw Jing Xinlei, the latter looked stunning! However, the woman standing in front of her now had clearly changed. She looked extremely malnourished and emaciated. How was she the Jing Xinlei from back then?

And wasn't she supposed to still be in prison? Why was she here?

Jing Xinlei curled her lips and revealed a cold smile as she leisurely looked around the magnificent lounge.

"It's not strange that Mrs. Shi doesn't remember me. After all, compared to me, who was tortured to death in prison, Mrs. Shi lives a supreme life. Naturally, she won't remember small characters like us. Don't you agree?"

As soon as she finished speaking, Jing Xinlei had already reduced the distance between her and Zuo Weiyi.

Chapter 725: Is the Child Shi Yuting's?

It was only then that Weiyi felt danger approaching. Her gaze could not help but look at the locked door.

“Oh, Mrs. Shi is... pregnant?” Jing Xinlei’s gaze fell on her bulging belly. The corners of her mouth curved into a smile but her eyes remained sinister.

Zuo Weiyi looked at her and stood up from the sofa. “Why are you here? Did you escape?”

Jing Xinlei did not answer her question. Instead, she kept staring at her stomach as if she was very interested in it. “Is the child Shi Yuting’s?”

The uneasiness in Zuo Weiyi’s heart grew stronger.

She had escaped and tried every means to sneak into this place. What could her motive be? Wasn’t she here to find her?

Zuo Weiyi looked at her and didn’t answer.

She hoped that Shi Yuting would come find her immediately after the dance.

Jing Xinlei was here to seek revenge. She wasn’t worried about herself, but she couldn’t let anything happen to the child in her belly!

“Should I congratulate the two of you? You’ve finally gotten rid of all obstacles and got married!” Jing Xinlei said calmly. The smile on her face deepened, but the coldness of it made Zuo Weiyi feel more and more uneasy!

She began to retreat, waiting for an opportunity to escape.

However, she could only back up into the sofa, and Jing Xinlei was blocking her way to the door. If she wanted to escape, she had to get through her. This was undoubtedly not feasible!

“Do you know about my life in the past year in prison?” From the day she stepped through the prison gate, she had been tormented by others. She knew very well that all of this was a private order from Shi Yuting to the warden. She hated not only Shi Yuting, but also the woman in front of her who had replaced and taken everything away from her!

Facing Jing Xinlei, Zuo Weiyi finally opened her mouth and said in a harsh tone, “You brought this upon yourself!”

If she had not done those things, she would not have to bear the consequences.

“Brought this upon myself?!” Upon hearing her words, Jing Xinlei, who had been relatively calm, was instantly enraged. She stared at Zuo Weiyi with her starry eyes wide open. “Zuo Weiyi! You actually said that I brought this on myself?! If it weren’t for you, if it weren’t for you taking everything that belonged to me, would I have done all these things?!”

“What did I do? I wasn’t around five years ago. It was you who chose to abandon him when he was on the verge of collapse, all for the sake of your own dream. And five years later, you returned with your own schemes. Even without me, Shi Yuting wouldn’t have accepted your return!”

“Shut up!” Five years ago, she had indeed made a grave mistake. However, when she was about to return, her father’s company was already in danger. She had no other choice but to do what she did.

But when Zuo Weiyi said it out loud, she could not help but feel a little embarrassed and angry!

“If it weren’t for your appearance, my plan would have proceeded smoothly! Why did you appear? Why did you disrupt my plan? As long as my plan succeeded, I would have still been by his side. It’s all because of you. It’s you who ruined everything for me!” Jing Xinlei’s emotions were going out of control. She walked over and raised her hand fiercely, about to slap Zuo Weiyi in the face.

Zuo Weiyi had been alert since the beginning, paying attention to every single behavior of Jing Xinlei.

She couldn’t let anything happen to herself, and she definitely couldn’t let anything happen to the children in her stomach!

Chapter 726: Stalling for Time

In two more months, they would be coming into this world. She would never let anyone hurt her children again!

She was already prepared. The moment Jing Xinlei raised her hand, she rushed to the door!

Seeing that she was waiting for an opportunity to escape, Jing Xinlei was furious. She quickly rushed forward and grabbed her!

“You want to leave?! I’m warning you, no one can ruin my plans today!”

She disguised herself and spent an entire day to find out about her current situation. She also tried every possible means to sneak into this birthday banquet, all in order to hide her identity, find Zuo Weiyi, and take back everything that belonged to her! This was a once-in-a-lifetime opportunity, and she absolutely did not want anyone to ruin it!

Zuo Weiyi’s entire body fell backward as she staggered and fell back onto the sofa!

The moment she fell, she used her hands to support herself on the sofa, trying her best not to let her stomach bump into anything.

If she were to confront Jing Xinlei head-on, she might be able to hold on until Yuting came looking for her. However, if she did that, her child would definitely be hurt, so she could not do that!

The doctor said that the final two months were critical, so she could not use her child as a bet for victory.

But, what should she do? The door was locked from the inside and there was a certain distance from the banquet hall. The soundproofing was so good that if she shouted for help directly, Jing Xinlei would definitely be angered again. She might not have the chance to save herself!

What should she do? What should she do?

Using her arm to support herself on the sofa, Zuo Weiyi tried her best to calm herself down.

She had to stall for time until Shi Yuting came looking for her.

After a dance, he would definitely come looking for her. Although it would take some time, he would definitely come!

She tried her best to prop herself up and looked up at Jing Xinlei who was gradually approaching her.

“What exactly do you want? I can give it to you.” She suddenly acted like she was afraid of Jing Xinlei. Of course, this was the only way for her to stall for time.

Seeing the fear on her face, Jing Xinlei suddenly laughed out loud. “Zuo Weiyi, are you begging me?”

“Yes, as long as you’re willing to let me go, you can have anything you want! Money, freedom, I’m fine with it! As long as you don’t hurt me!”

Jing Xinlei clicked her tongue and sneered at Weiyi’s cowardly appearance. “Zuo Weiyi, are you seriously begging me?”

Zuo Weiyi didn’t say anything as her eyes remain fixated on Xinlei’s every move.

“Yes, as long as you’re willing to let me go, you can have anything you want,” she said calmly, praying in her heart that Shi Yuting would come quickly.

“Is that so? Then I want Shi Yuting, I want the identity of ‘Mrs. Shi’!”

Zuo Weiyi’s palms tightened. Why would there be such a woman in this world?

How could these two things be given to her just because she wanted them?

“Do you think that these two things can be given just because I want to?”

“I don’t care!” Jing Xinlei roared angrily, “I know that it’s impossible for Shi Yuting to fall in love with me again, and it’s also impossible for me to become Mrs. Shi! However, if I can’t get all of this, then you can disappear. If I can’t get it, then you, Zuo Weiyi, can forget about getting it!”

She thought about how she had been tortured in prison while Zuo Weiyi had everything going for her. Not only did she marry Shi Yuting, but she also had a child. Why did the heavens treat her so well? Why did they give everything to Zuo Weiyi?!

Chapter 727: I Am Not the Third Party

She was unwilling to accept this. She wanted to destroy everything!

“Why, why do you always like to force things that don’t belong to you? So what if I disappear? He won’t fall in love with you, not now, and certainly not in the future!”

“I know he won’t!” Jing Xinlei roared. Her face turned furious, but then she laughed bitterly. “From the moment I left, I knew that he would never forgive me again. But even so, I don’t want you to have a good time!”

“Do you really love him?” Zuo Weiyi suddenly asked.

Her words calmed Jing Xinlei.

“You’re a third party, what right do you have to ask me if I love him?!”

“I’m not a third party.” Zuo Weiyi looked at her and said calmly, “When I met him, he didn’t have any woman by his side.”

“But to me, you’re a third party!” Jing Xinlei roared again. “If it weren’t for you, he would have definitely forgiven me!”

“Would he?” Zuo Weiyi asked in return, “If he knew that you came back just to use him to help your Jing family resolve the crisis, do you think he would forgive you? He wouldn’t. He would only hate you even more!”

“That’s all because of you!” Thinking back to the time when she told Shi Yuting about her plan, Jing Xinlei was burning with anger. “If you hadn’t told him everything, how could he have known?!”

“He’s smart. Even if I didn’t tell him, he would have known one day! You don’t love him at all. How can you say that I took away everything that belongs to you?”

“How do you know that I don’t love him?!” She loved him, but she placed too much importance on her work and dreams. She was caught in between the two.

“When you love someone, you won’t leave them when they’re on the verge of collapse, and you won’t use them! You only have a vain possessiveness towards him. You think he’s the best in the world, so with a man like him, you have a sense of superiority and enjoy the vanity, don’t you?”

“That’s not true! I just...” Jing Xinlei suddenly didn’t even have a reason to convince herself. “I was just caught between him and my dreams. But I love him!”

“That’s not love at all. In your heart, he’s not even as good as your dreams. How can that be called love?”

“What right do you have to say that that’s not love?!”

“Because I won’t. I won’t leave him when he’s at his most helpless. Do you know that he is willing to give up the position of president for me. But can you make the sacrifice for him?”

Zuo Weiyi’s words were like a bucket of ice water—they woke Jing Xinlei.

Was this what it was like to truly love someone? But she was still very unwilling!

But why? She was the one who knew him first. She was the one who fell in love with him first. So why did Zuo Weiyi, who appeared later, get all of his love? Why? She was unwilling, she was just unwilling!

“I was the one who fell in love with him first, why did you come out and snatch it from me?” Jing Xinlei spoke softly but her eyes seem to want to devour Zuo Weiyi completely!

“Love doesn’t differentiate between first and second. You knew long ago that he wouldn’t be able to forgive you after returning five years later, right?” Zuo Weiyi was a woman too. How could that man possibly forgive her if she abandoned everything five years later and returned?

Jing Xinlei should have already known this in her heart, but she just wasn’t willing to accept this fact.

Chapter 728: You Will Disappear Today!

Jing Xinlei was stunned by her words. Weiyi had hit the nail on the head!

When she returned five years later, she knew very well that the man who had once liked her would not necessarily forgive her. That was why she had devised that plan. She had gone endured others' opinions and put on a show to make Shi Yuting think that she did not know about his parents' car accident when she left that year.

However, she still did not expect that Zuo Weiyi would actually hear about this plan!

So it was all still Weiyi's fault. If it weren't for her, Shi Yuting would have definitely forgiven her!

"Don't belittle yourself. It was all because of your appearance that my plan was disrupted! So, today, you must disappear!"

"Alright, I can disappear, but what will you gain?"

"I don't need anything. I also know that even if I try to escape and get discovered, I'll still return to prison. But before that, I want to destroy everything! Why should I suffer in prison while you enjoy the life of being 'Mrs. Shi' in the real world?"

As soon as she finished speaking, Jing Xinlei was already slowly approaching Zuo Weiyi.

Zuo Weiyi started to tense up.

She naturally understood what she meant by 'disappearing'. It was not simply to make her disappear in front of Shi Yuting's eyes, but to truly 'disappear' from this world!

As expected, when Jing Xinlei took her third step, a sharp dagger suddenly appeared in her hand!

"I wonder what Shi Yuting will look like when he finds you lying in a pool of blood?"

Looking at the sharp dagger in her hand, Zuo Weiyi's entire body tensed up. She slowly stood up and moved behind the sofa.

Shi Yuting...

The dance should have ended by now. Was he looking for her? Or was he talking to some business people?

If it was the latter, she definitely wouldn't have waited for him to come.

Thinking that she and the babies in her stomach were about to meet this misfortune, she couldn't help but clench her fists! She was not going to go down so easily!

Why did God keep taking her children away?

She retreated slowly while Jing Xinlei pressed on.

At the same time, in the banquet hall.

Shi Yuting left the dance floor as soon as the song ended. His gaze searched for Zuo Weiyi's figure in the crowd, only to find that she had gone off to somewhere unknown.

"Mr. Shi is really a fool. Not only are you rich, powerful, and handsome, but you also dance so well. No wonder all the women in the world fall for you," said Manli from behind him.

Shi Yuting turned around when he heard her. "Miss Manli's dancing is also very good."

"Is that so? I'm really honored to be praised by you."

"That's useless. My brother will never fall in love with any woman except for my sister-in-law. So you'd better give up on this idea of trying to bewitch my brother!"

Shi Nuannuan had walked over at some point in time. She looked at Manli and said sourly while rolling her eyes at her disdainfully.

This was the first time someone had slandered her. Manli was not angry at all. Instead, she curled her lips into a smile and said, "Is that so? Mr. Shi is indeed loyal. He's becoming more charming."

"Excuse me, do you not understand human language?" Shi Nuannuan immediately raised her voice, looking like she hated Manli. "I've already said that my brother will not fall in love with you! No matter how beautiful you are, no matter how noble your status is, in my brother's eyes, you're just a piece of trash—"

Chapter 729: Defending Her Man to the Death

"Young Miss!" Xiangyi walked over. After hearing Nuannuan's words, he could not help but interrupt her.

Lady Manli's status was noble. If Nuannuan continued to slander her, she would offend the royal family of A Country and it would not be easy to deal with her.

Hearing a familiar voice, Shi Nuannuan turned around. As expected, she saw Xiangyi standing in front of her. Her eyes could not help but light up. "Xiangyi!"

Her attention had successfully been diverted. Xiangyi looked at her and did not speak again. The purpose of calling out to her was to interrupt her frivolous treatment of Miss Manli.

However, the moment he appeared, Manli opened her mouth. "Yes, since Mr. Shi is taken, I think..." She deliberately dragged out her last syllable as she looked at Xiangyi's cold face.

Shi Nuannuan frowned and turned to look at Manli.

"His assistant is not bad either. Although his skin color is not as white as his, he seems to be more robust. His skills must be extraordinary too, right?" As she spoke, Manli had already stepped in front of Xiangyi.

Seeing her pair of soul-stirring eyes staring at Xiangyi, Shi Nuannuan's jealousy overflowed!

"Hey, what's the meaning of that look?!"

She stretched out her hand and directly pulled Manli away from Xiangyi!

In the face of love, she did not care about Manli's identity. She would defend her man to the death!

Although Xiangyi had not yet become her man, she had already tacitly decided so in her heart!

Manli staggered and almost fell down from the force of the pull and the instability of her heels. Fortunately, Zhong Shenghao, who was walking over, took the opportunity to help her up, thus avoiding a disaster.

“Nuannuan, stop messing around!” Although Shi Yuting doted on his sister, if he allowed her to continue messing around, he was afraid that Manli would get hurt again. He could not help but warn her in a lowered voice!

Looking at her brother, Shi Nuannuan was not convinced. “I’m not messing around!”

She was defending her man! How was she messing around?

But as she met his fierce gaze, Shi Nuannuan lowered her head and did not dare to say any more as her cherry lips pouted in dissatisfaction!

She really could not understand why her brother and Xiangyi were helping this Manli. Was it because she was a member of the royal family of A Country?

Tsk, the person who dared to snatch her man away was just a pile of sh*t in her eyes!

Shi Yuting shifted his gaze away from Nuannuan. He searched the hall once more, but he still did not see Zuo Weiyi.

“Have you seen your sister-in-law?”

Hearing this, Shi Nuannuan raised her head and looked around the hall once, but she did not see her sister-in-law either.

Strange, she had been standing just over there watching them dance. Where did she go in such a short time?

“She was still standing there before, I don’t know where she went,” she replied, only to find that her mother was also gone. “Mommy isn’t here either, maybe she’s with sister-in-law.”

Hearing her words, Shi Yuting felt a little relieved, but an inexplicable sense of unease surfaced in his heart.

“Right, Your Excellency.”

At this moment, Xiangyi remembered about Jing Xinlei’s escape from prison.

“Before I came here, I saw this.”

He took out his phone and flipped to the news that was broadcasted earlier.

Yuting took the phone that he handed over. When he saw the content, Shi Yuting’s eyes turned cold, and his heart was suddenly struck by something.

Jing Xinlei actually escaped from prison? How did she escape from the first prison?!

“What?” Shi Nuannuan was curious and leaned her head over as well.

Chapter 730: Go to Hell with Your Child!

As she moved closer, she suddenly widened her eyes and exclaimed, “Wha?! Jing Xinlei actually escaped from prison?!”

Her voice was a little loud, which attracted a few guests who were closer to them. They turned to look at her in surprise, but they didn’t understand who Jing Xinlei was.

In the next second, the phone in Shi Yuting’s hand was snatched away by Zhong Shenghao.

Looking at the familiar photo inside, he remembered the familiar figure he saw before.

Could it be that the figure just now really belonged to Xinlei?

But why did she come here?

At this moment, the inexplicable uneasiness in Shi Yuting’s heart grew stronger. He raised his head again and looked for Zuo Weiyi’s figure!

“Find Zuo Weiyi immediately!” His roar passed through the crowd and had everyone searching the hall for her.

Shi Nuannuan, who stood rooted to the ground, was still a little dazed. She did not understand why he was suddenly so nervous.

Wasn’t it just Jing Xinlei breaking out of prison? Why was he in such a hurry to find sister-in-law?

Zhong Shenghao also seemed to be very anxious as he rushed into the hall!

Why? Wasn’t she supposed to still be in prison? After more than a year of living a life worse than death, she was still not clear-headed? Why did she use her own life to challenge Ting’s bottom line again and again?

Could it be that she did not know why she was sent to the first prison?!

Zhong Shenghao’s heart ached, but at the same time, he began to worry about Jing Xinlei’s safety.

She had tried every possible means to sneak into this place. Other than seeking revenge on Weiyi, what else could it be? If she made a move on Weiyi again, Ting would definitely not let her off!

Xinlei, why are you so stupid?

“Let’s split up and look for her!” Xiangyi patted Nuannuan, who was still rooted to the spot, and instantly realized that Jing Xinlei’s escape from prison proved that the young madam was in danger!

Although Shi Nuannuan did not understand what was going on, seeing how nervous her brother and Xiangyi were, she also knew the importance of this matter, so she took off and looked around the banquet hall!

In the waiting room.

Zuo Weiyi had nowhere to retreat. She could only watch as the sharp dagger moved towards her abdomen!

“Go to hell with your child!” Jing Xinlei shouted, and in the next second, she stabbed fiercely towards Zuo Weiyi’s abdomen!

Seeing the dagger coming at her, Zuo Weiyi raised her hand without thinking and grabbed Jing Xinlei’s hand that was holding the dagger, using all her strength to resist!

She couldn’t lose these children, absolutely not!

Not expecting her to grab her wrist, Jing Xinlei’s eyes turned fierce, and then she pulled her hand out forcefully!

Zuo Weiyi couldn’t resist her strength, and was flung backward fiercely.

Just as she was about to fall, she reached out and grabbed the back of the sofa so that she would not fall. However, she was at a disadvantage when she tried to protect the baby in her stomach.

However, before she could regain her senses, the sharp dagger rushed towards her again.

She turned around and before she could even stand properly, she saw the dagger coming at her again. In a moment of desperation, she did not care about her position and caught the dagger with her bare hands.

Then, she felt a sharp pain in her palm. It hurt so much that she frowned. Her face turned as pale as snow as cold sweat broke out on her forehead!

Bright red blood dripped down from her palm onto the cold floor. It was a shocking sight!

But even so, she did not think of letting go of the dagger!
