

Kiss Me 81

Chapter 81: Does the Wound Still Hurt?

After hesitating for almost a minute, Shi Yuting finally picked up the phone.

“Hello?”

His deep voice was melodious just like a heavenly voice, echoing in Jing Xinlei’s ear.

She thought he would no longer answer her call since her call was not being answered. When she was about to hang up, she heard the familiar voice again.

She felt warmth in her heart and smiled.

“Ting, there will be a cocktail party tonight. Sheng Hao and others will all be there. Would you like to come?”

Today was her birthday.

He spent one birthday with her five years ago. However, she had not received any birthday wishes and gifts from him since she went abroad.

Shi Yuting lifted his eyes slightly. His gaze met with Zuo Weiyi’s eyes who was standing not far away.

Zuo Weiyi paused and then quickly lowered her head seeing him suddenly looking at her.

Why did she feel guilty?

“Ting?” Jing Xinlei could not help but frown since Shi Yuting did not give any response.

Shi Yuting retracted his gaze. He had initially wanted to reject Jing Xinlei’s invitation. However, he changed his mind after seeing Zuo Weiyi’s face.

“Okay.”

Jing Xinlei was overjoyed upon hearing his answer.

“Then I’ll wait for you!”

Shi Yuting did not say anything more and hung up the phone.

At 5.30p.m.

The company’s personnel had gone home from work one after another. Zuo Weiyi had also started to pack her things.

She raised her head and looked at the desk not far away after she had finished packing her things.

Shi Yuting was still looking at and concentrating on the document in front of him with his pair of narrow eyes.

Zuo Weiyi had nothing to do. So, she simply rested her hand below her chin while admiring the man's carved-jade-like face.

Shi Yuting frowned as he could feel someone staring at him. He then raised his head and saw the woman looking at him in admiration.

Zuo Weiyi was startled when she met with his eyes. She tried to look away.

"Come here."

Shi Yuting signaled her with his hand.

Zuo Weiyi paused for a second. She then slowly stood up and walked toward the man's desk.

"Yes?" She asked as soon as she reached his desk.

"Come here." He tilted his head and pointed to the space next to him.

She paused.

Half a second later, she came to the space beside him.

Shi Yuting immediately pulled her into his arms as soon as she approached.

"Does the wound still hurt?" He asked while lifting her skirt a little with his hand.

That deep voice seemed to have a magical power, which could mesmerize people.

She could feel his muscular chest while leaning on it. Zuo Weiyi could not help but blush!

She lowered her head and watched his slender fingers gently touched the scar on her leg. "It doesn't hurt anymore. It's just a bit itchy sometimes."

She could not help but want to scratch it sometimes.

With that said, she was trying to raise her hand because it was a little itchy at the moment.

Shi Yuting held her hand. He then reached out his thumb and gently rubbed her wound. He was extremely gentle.

He buried his face in her shoulder. Zuo Weiyi could see his perfect face that was just a centimeter away when she slightly raised her head.

She could not figure out what was on his mind.

He would be frank and straightforward at times without being considerate of anyone's feelings. At other times, he could also be so gentle that it melted people's hearts at times.

Shi Yuting raised his eyes and met with hers. He grinned. "Why? Are you afraid that you won't see me again in the future?"

Zuo Weiyi was left stunned for a while. She did not understand what he meant.

After half a second, she realized what he was talking about and answered him.

Chapter 82: Choosing A Gift

“Yeah, I will leave you one day, right?”

He would not marry her. And she, could not be his lover for his whole life.

One day, they would part ways and live their own lives separately.

However, Shi Yuting was surprised by her honest words.

‘Leave?’

His smile faded instantly.

Shi Yuting had mixed feelings looking at her delicate face.

He once said that the woman in front of him could never be his wife. However, he was a little displeased when he thought about her leaving him one day. More specifically, he was a little disappointed.

2What happened?

Zuo Weiyi looked up at him. She saw a weird look on his face. She then asked, “What’s wrong?”

Shi Yuting glanced at her and did not answer. He then pulled her up and stood up.

“Let’s leave.”

The two left Di Zun together.

Zuo Weiyi thought they were going home. However, the car stopped at the door of a jewelry store.

“Mr. Shi.” The manager personally came out to greet when they were walking into the jewelry store.

Shi Yuting passed through the manager and came to a counter. He pulled Zuo Weiyi to his side.

“Help me choose one.” He pointed at some diamond jewelry at the counter.

Zuo Weiyi was shocked.

These were all women accessories. What was he trying to do?

Since she was asked to help him choose, that meant it was not for her. Then whom was it for?

“Giving it to someone?” She asked.

Shi Yuting lifted his eyebrow and glanced at her clear and big eyes.

Normally, he would not answer this question.

But now, he wanted to answer all her questions.

“Yes.”

“Who?” She asked just out of curiosity.

She hurriedly turned her head and began to choose after meeting with his eyes.

She thought that he would not like people asking him these questions judging by his look.

After all, it was none of her business.

Thus, she began to choose carefully.

“Well, what exactly do you want to give? A necklace? A bracelet? Or a ring?” She turned and asked seriously.

Shi Yuting glanced at her and then looked down.

He did give someone a necklace as a gift five years ago. It did not make sense to choose the necklace again. As for the ring, its significance was extraordinary. Hence, he could not simply gift it to someone.

“I’m not very sure. Just choose one.” He let her decide.

Zuo Weiyi was dumbfounded.

Did this man give gifts so casually?

She pouted and continued to choose the gift at the counter.

“What kind of gift do you want to give? Is it a birthday gift or a common one, or...” She paused and hesitated for a second before saying. “A token of attachment?”

Shi Yuting slightly frowned.

“I am just asking you to choose a gift. Why are you asking so many questions?”

Zuo Weiyi squinted at him and murmured angrily. “You can just choose something yourself then. Why do you are you asking me to help you choose?”

“What are you talking about?” This woman surely had some guts. How dare she talked back at him?

Uh!

Zuo Weiyi bit her bottom lip when she heard his sullen tone. “Nothing. I just feel that it would be much more sincere if you chose the gift seriously.”

“Birthday gift.”

Shi Yuting discovered that he was moved by her unconsciously.

Zuo Weiyi felt that it was much easier for her to choose after knowing that it was a birthday gift.

She bent slightly and stared straight at the counter, scanning through the expensive jewelry before her.

Chapter 83: A Couple Ring Named Wei Yi

Shit!

One, two, three, four, five, six...

Three million!

Was this necklace that expensive?

Zuo Weiyi's eyes widened. She swallowed, again and again, looking at the price tag!

It was so expensive. It was better to choose another one!

Eventually, her eyes fell on other jewelry.

She could not help but feel dumbfounded at what she saw.

Oh, shoot! It was even more expensive!

She turned and looked at the man beside her, exasperate. "That jewelry costs millions. Are you sure you want to buy it?"

Shi Yuting frowned a little while looking at her stunned pretty face. "What do you think?"

Zuo Weiyi was silently contemplating.

Maybe a few hundred million was not a big deal for rich people like him.

She turned to the jewelry again and chose carefully thinking of this.

She could choose boldly since the price was not a problem. It was not her money anyway!

"Let's get this necklace. I think it looks pretty!"

She did not know what to choose. However, she thought that the necklace was more suitable since the other party was a woman. As for the ring, should it not be given by their lovers?

As for those bracelets and anklets, they were also pretty good.

But she could only choose one in the end.

In the case of anklets, she felt that it must be gifted by someone very intimate.

She could not help but look up and add while thinking of this. "Just a normal friend, right?"

Shi Yuting looked at her and nodded. "Yeah."

"Alright, then we'll have this. This necklace is simple and elegant!"

Shi Yuting glanced at the necklace. He then looked at the manager. "Take it out."

The manager smiled a little and took out the expensive necklace carefully.

It seemed that it was not good to give Xin Lei the necklace as a gift again. But he did not know why he did not want to change it once this woman had chosen it.

Watching him observing the necklace, Zuo Weiyi felt bored and turned around. She walked to the other side to look at some other jewelry.

She could not afford to buy jewelry. So, she rarely visited such a high-end jewelry store. She must have a good look around today!

“Mr. Shi, this one was launched just this year and is very suitable for that lady.” The manager introduced with a smile thinking that the necklace was a gift to Zuo Weiyi.

Shi Yuting raised his eyes a little and looked past the manager.

Zuo Weiyi was looking at the jewelry with great interest.

Suddenly, a familiar word came into her eyes.

That was a platinum couple ring. ‘Wei Yi’ was written on the tag.

It was named after her name. What a coincidence.

Zuo Weiyi knew that this was just a coincidence.

Knowing that she had followed Mr. Shi into the store just now, a sales girl came over and gave her a sweet smile, seeing her fascinated by the ring. “Miss, this couple ring is unique in the world. It was just launched yesterday.”

Zuo Weiyi looked up and smiled at the salesgirl. She then lowered her eyes and looked at the price tag.

Oh my gosh!

Thirteen million one hundred and forty thousand?!

Zuo Weiyi gulped!

More than ten million for a pair of rings?! Was this not daylight robbery?

Zuo Weiyi could not help but twitch a few times looking at the price.

Indeed, she could only do window shopping in this place!

Even after selling her body, she would not necessarily be able to afford even a single piece.

“What are you looking at?”

A low voice asked. Zuo Weiyi raised her head. She was a little flustered when she saw Shi Yuting.

“Nothing!” She lowered her eyes and glanced at the package in his hand. “Are you done?”

“Yes.” He answered and glanced in the direction where she was staring just now.

Chapter 84: It’s Okay, I Like Your Stupidity

“Let’s go!” She smiled and walked toward the door.

Shi Yuting wanted to turn around too, but he accidentally saw a familiar name.

He stopped and frowned.

Was that woman staring at this pair of rings just now?

Zuo Weiyi walked out of the jewelry store. She could feel the hot air when she came out since the weather was very hot.

She frowned and turned her head. Shi Yuting was still standing by the counter and doing something.

She turned her head again. Her eyes then fell on the global limited-edition Spyker sports car.

Zuo Weiyi tried to pull the car door.

Huh? The car was unlocked?

She smiled brightly and got into the passenger seat.

Was Yu Ting not too careless this time? He had left without locking the car. This was one of the limited-edition sports cars in the world. Was he not afraid that his car would be stolen?

Shi Yuting walked out of the jewelry store a few minutes later. There were two packages in his hands.

He dropped the packages on her lap after sitting in the driver's seat. "Help me hold them."

Zuo Weiyi paused while looking at the two packages on her leg.

Did he also choose a gift too? Did he not trust her taste?

Cheh! Then, why did he ask her to help him choose?

Zuo Weiyi was dissatisfied as she pouted.

He started the car. Zuo Weiyi was a little curious. She then turned to look at Shi Yuting who was in the driver's seat.

"This car is so expensive. Aren't you worried that someone will steal it if you don't lock it?"

Shi Yuting frowned hard after listening to her words.

Was this woman so dumb?

"Who do you think would drive my car away?"

Zuo Weiyi was stunned. She tilted her head for a moment.

Uh.

She knew that would never happen.

Who in Country Z would dare to steal Shi Yuting's car?!

Her mouth twitched a few times. She then looked up at the man with a silly smile. "Hehe, did I ask a stupid question?"

Shi Yuting glanced at her and immediately showed her a charming smile. "It's okay. I like your stupidity."

Zuo Weiyi remained silent.

She blinked.

Did he like her stupidity?

Damn it!

Who did he say was stupid?!

"You are stupid..." She whispered in protest. She then turned her head and was no longer looking at him.

The reason why Shi Yuting did not lock his car was because of the hot weather. Even if it was only a few minutes, the temperature inside the car would rise rapidly under such scorching sun!

And he was a man who disliked the heat.

The car stopped in front of a styling shop after a few minutes.

"Get off."

Zuo Weiyi regained her senses listening to his sexy voice. She looked out the window. Then, she opened the door and got out of the car.

"Just give her a simple look."

Zuo Weiyi was being pressed down onto a chair following his advice.

She looked at Shi Yuting, dumbfounded. "What is this for?"

"Accompany me to a birthday party later."

Zuo Weiyi was dumbfounded.

A birthday party?

Was this the birthday party of the friend whom he wanted to give that gift to?

Zuo Weiyi's styling was finally finished after half an hour.

The question in her mind was being answered after forty minutes.

The luxury sports car cruised into a mansion at 7 p.m.

Zuo Weiyi was holding onto the two packages when she got off the car. She was looking at this magnificent and luxurious English-style building.

The two walked side by side and came to the magnificent ballroom through the courtyard.

"Ting!" A figure approached them quickly from not far away. "You are here!"

Jing Xinlei looked happy when she saw him.

However, the smile on her face froze instantly when she noticed Zuo Weiyi walking next to him.

Chapter 85: What Gift Did You Bring?

Zuo Weiyi was also somewhat surprised.

Was it true that Yu Ting was going to attend Jing Xinlei's birthday party?

Zuo Weiyi looked up. She saw Jing Xinlei's eyes shining with hostility when she met with her eyes.

However, Jing Xinlei did a good job of hiding it.

She smiled and looked at Zuo Weiyi kindly. "Miss Zuo, you are also here."

Zuo Weiyi was not used to her friendly tone. She smiled back to her politely but felt awkward deep inside her heart.

This Jing Xinlei was a two-faced person. She hated her so much. Why did she pretend to be so kind?

"Ting."

A loud voice called out. Shi Yuting raised his eyes and saw Zhong Shenghao and Xiao Ran coming over.

Xiao Ran's gaze became contemptuous when she saw Zuo Weiyi there.

She still remembered that Zuo Weiyi left her bestie behind after her bestie had fallen off the horse.

A party like this seemed to be a simple birthday party. But in fact, it was an opportunity for some people in the business industry to benefit from this banquet.

Especially today's main guest—Shi Yuting!

A company that was facing bankruptcy could also be revived as long as they cooperated with Di Zun!

They naturally would not miss this opportunity.

Of course, such an opportunity was only possible thanks to Jing Xinlei's father who had invited them.

As soon as Shi Yuting entered the banquet hall, he was quickly surrounded by some business tycoons and celebrities. They just wanted to get close to him to get his recognition and in turn, the opportunity to work with Di Zun Group!

Zuo Weiyi was being pushed to the side as she looked on at the surrounded Shi Yuting. Fortunately, Zhong Shenghao who was behind her helped her in time.

She turned her head and smiled at Zhong Shenghao. "Thank you!"

He also smiled back at her. He suddenly glanced at the small paper bag in her hand. The wrapped ribbon was exposed. He immediately knew that it was a birthday gift.

Zhong Shenghao was curious as to what gift the two of them had brought.

“What gift did you bring? Let me see!”

Zhong Shenghao pursed his lips and took the gift from Zuo Weiyi’s hand directly.

Of course, he would not open it without her permission. He just took out the box from the small paper bag and looked at it.

He then raised his eyes and looked at Zuo Weiyi. “Which one is yours?”

What he was more curious about was what kind of gift would Shi Yuting give to his first love after five years?

Zuo Weiyi was not surprised that the gift in her hand was taken away abruptly. This gift would be given to Jing Xinlei anyway. It had nothing to do with her.

Instead, she was a little curious. What kind of gift did Shi Yuting choose?

Zuo Weiyi smiled a little unnaturally looking at Zhong Shenghao.

Both the gifts were brought by Shi Yuting. She was sorry to say that she did not prepare a gift at all.

“Both the gifts were prepared by him, I haven’t...”

She was interrupted by Zhong Shenghao before she finished speaking. “It doesn’t matter. Ting must have prepared a gift on your behalf since he brought the two gifts.”

He smiled gently and suddenly felt that Zuo Weiyi looked a little different today.

Especially her clear black eyes that were as pure as the lake water.

His words left Zuo Weiyi in deep thought.

Was that right?

Chapter 86: The Unique Couple Ring

Shi Yuting prepared two gifts and one of which was prepared on her behalf?

She initially thought that he had chosen another gift because the one that she had chosen earlier was not good enough.

Zhong Shenghao gave the gifts to Jing Xinlei and smiled. “Do you want to open them and let us see?”

Jing Xinlei received the gifts. She was also looking forward to it. What kind of gift would Shi Yuting give to her after five years?

“Do you know what’s inside?” Zhong Shenghao turned and look at Zuo Weiyi.

Zuo Weiyi was startled when she met with his eyes. Her gaze then rested on the paper bag in Jing Xinlei’s hands. She said, “Umm, the one I chose was a necklace. As for the other one, I don’t know what it is, either.”

She told the truth. She only knew that one of them was the necklace she had chosen. As for the other one, she really did not know.

“Then, hurry up and open it. We’ll know when we see it!” Xiao Ran who was at the side could not wait to see the contents of the box.

Jing Xinlei smiled sweetly. She did not expect Shi Yuting to give her presents after five years.

She heard that Zuo Weiyi had chosen the necklace. So, Jing Xinlei picked up a rectangular box and then looked into another paper bag that contained a small square box.

It must be the necklace inside the rectangular box. Jing Xinlei did not care much about the gift that Zuo Weiyi prepared. She was more interested in the one that Shi Yuting had prepared.

Hence, she put the rectangular box back into the paper bag and picked up another one instead.

Women were very sensitive to the meaning of certain jewelry, even to Zuo Weiyi who seldom wore jewelry. She was startled when she saw the square box.

The square boxes were usually used to place rings, right?

Of course, there was also another kind of jewelry that was put inside this kind of box.

“Wow... is it a ring?” Xiao Ran was also looking forward to it when she saw the beautifully packed box.

She naturally hoped that her bestie could make up with Shi Yuting after knowing that Zuo Weiyi was with him. She wanted Zuo Weiyi to get lost as soon as possible.

Jing Xinlei felt happy when Xiao Ran mentioned it. She could not help but look forward to it even more. She could not wait to open the box.

Zuo Weiyi’s heart suddenly sank to the bottom when Jing Xinlei opened the box. She saw an exquisite platinum ring in it. She felt as if something was stuck in her chest and found it hard to breathe!

Was this not the ring that she saw before?

Shi Yuting had bought it and given it to Jing Xinlei. What did this mean?

Hehe, this was not surprising, after all...

They used to be lovers!

Mrs. Shi’s position had been reserved for Jing Xinlei since the beginning!

“Wow, I know this ring! It was just launched yesterday, and there is only one pair in the world. It is very unique!” Xiao Ran’s eyes widened the moment she saw the ring. She was envious.

Jing Xinlei lifted her eyes and looked at Xiao Ran uncertainly. “Is it a limited-edition globally?”

“Yes! It is called ‘Wei Yi’. It means that you are my only one. The total value of a pair is thirty million one hundred and forty thousand! Xin Lei, you are so blessed!” Xiao Ran looked envious. She deliberately said it louder and purposely glanced at Zuo Weiyi as if these words were directed toward her!

Jing Xinlei was pleasantly surprised.

She looked at Xiao Ran. "Are you sure that this is a couple ring?"

"Of course. Why should I lie to you? If you don't believe me, you can look at the ring. The word—Wei Yi should be engraved on it!"

Chapter 87: Where Is My Dear Sister-In-Law?

Jing Xinlei lowered her head and looked closely. Indeed, the word—'Wei Yi' was engraved on the ring!

She was very excited as she looked up. Her eyes involuntarily looked at Shi Yuting who was surrounded by several business tycoons.

It turned out that she had always been on his mind.

Perhaps he had never forgotten her in these past five years.

Jing Xinlei's eyes suddenly turned red as she looked at the man not far away.

She put away the present. She then walked past Zuo Weiyi and rushed toward Shi Yuting.

Shi Yuting was slightly stunned to see Jing Xinlei suddenly rushing toward him. He frowned and did not know what her intention was.

However, Jing Xinlei suddenly raised her arms and circled them around Shi Yuting's neck in the next second.

Zuo Weiyi felt as if her heart was being poked by a needle after witnessing this scene from not far away.

She slowly raised her hand and held her chest.

She asked herself. 'Why does it hurt so much?'

Jing Xinlei's sudden move immediately attracted the attention of many guests. They were discussing it in an instant and some people cast their envious eyes at them.

Shi Yuting was stunned, not knowing what Jing Xinlei's sudden move meant.

"I knew that you still have me in your heart." Jing Xinlei put her chin on his shoulder and said as she wept.

Shi Yuting frowned and then immediately pushed Jing Xinlei away. He stared at her.

"I don't understand what you are saying."

Jing Xinlei raised her hand and wiped the tears on her cheek. "I have received your gift."

Gift?

Shi Yuting slightly raised his eyebrows and stared at Zuo Weiyi who was standing not far away.

Damn it!

Did she also give her the ring?

Zuo Weiyi looked down sadly when she met with his eyes. She could feel the pain in her chest, which made her very uncomfortable.

“Brother!” A clear voice sounded at this moment. Shi Yuting’s arm was intimately grabbed onto. He turned and saw Shi Nuannuan’s pretty and refined face.

“You guys are finally here. I am bored to death! Hey, where is my dear sister-in-law?” After that, Nuan Nuan started to look around and wanted to find Zuo Weiyi from the crowd.

Her words made both Jing Xinlei and Shi Yuting frown.

Sister-in-law? Who?

Shi Nuannuan quickly found Zuo Weiyi. She pulled Shi Yuting and walked over.

“Hi! Sister-in-law!”

Zuo Weiyi looked up. She was surprised to see Shi Nuannuan here. It was even more unexpected when she heard her addressing her as her ‘sister-in-law’!

She looked at Shi Nuannuan stunned. “Sister-in-law?”

“Brother, how can you leave Sister-in-law alone here!” Shi Nuannuan ignored Zuo Weiyi’s surprised look and looked at Shi Yuting with dissatisfaction.

Shi Yuting was confused by her.

“Nuan Nuan.” Jing Xinlei also came over watching Nuan Nuan in disbelief. “Did you just call her ‘sister-in-law’?”

Shi Nuannuan turned and answered frankly, “Yes. What’s wrong?”

Jing Xinlei was startled. She knew that Zuo Weiyi was with Ting now. But was she not just her replacement?

Why did Nuan Nuan address her as ‘sister-in-law’? They were not married yet.

Jing Xinlei turned and looked at Shi Yuting sadly. Her eyes were full of tears.

“Nuan Nuan, are you mistaken...”

Chapter 88: The Truth Five Years Ago

“Uh, I’m hungry. Sister-in-law, let’s go and eat something!”

Nuan Nuan seemed to interrupt her deliberately without waiting for her to finish speaking. She then dragged Zuo Weiyi to a table not far away.

Jing Xinlei had abandoned her brother who was on the verge of collapsing five years ago and resolutely chose to pursue her dream. From then on, she hated Jing Xinlei deeply!

Zhong Shenghao and Xiao Ran were also stunned looking at this sudden scene. They just kept quiet.

Jing Xinlei bit her lower lip hard as if she had received a huge hit. She then turned and rushed toward the backyard.

Xiao Ran glanced at Shi Yuting and hoped that he would chase after her looking at Jing Xinlei who was sad and gone. However, Shi Yuting just looked from a distance. He then turned around and walked toward her sister and Zuo Weiyi.

Zhong Shenghao and Xiao Ran had no choice but to go after Jing Xinlei.

They saw Jing Xinlei standing by the pool sobbing when they walked to the backyard.

Jing Xinlei turned her head suddenly when she heard footsteps behind her. She thought Shi Yuting would chase after her. However, she felt disappointed and burst into tears when she saw it was Zhong Shenghao and Xiao Ran.

“I don’t understand. He clearly said that I could pursue my dream. Why? Why did everything change after I went abroad? How could he do this to me?”

Jing Xinlei was so sad that she covered her face and wept bitterly.

Zhong Shenghao gradually frowned after hearing her words.

“Xin Lei, aren’t you too mean to say that?”

Jing Xinlei looked at Zhong Shenghao in surprise after hearing him said that. She was at a loss. “What do you mean?”

“It was you who had left the nearly collapsed Ting five years ago. Didn’t you?”

The three of them were good friends since they were young. He knew that Jing Xinlei had decided to leave Shi Yuting to pursue her dream five years ago. Hence for this matter, he did not say anything mean to her due to their relationship although he thought that she was being too cruel to Shi Yuting.

However, he did not expect her to confound black and white and blamed Ting for abandoning her.

Jing Xinlei was startled. She lifted her eyes. “Collapse? What the hell are you talking about?”

Zhong Shenghao frowned. “Don’t tell me that you did not know Ting’s parents had a car accident on the day you boarded the plane five years ago.”

Jing Xinlei’s expression suddenly changed upon hearing his words. She looked at Zhong Shenghao in disbelief. “You... car accident? I... I didn’t know. Didn’t Uncle Shi die two years after I had left? Didn’t he?”

“Two years after?” Zhong Shenghao squinted.

Could it be that Xin Lei might not know anything from five years ago?

“Who told you that? Ting’s parents were in a car accident on the same day you left the country. Only Auntie Shi was rescued. Did you not receive Ting’s call?”

Jing Xinlei was shocked. She kept shaking her head. “No. It’s impossible. How could this be? Why did no one tell me about this?”

Zhong Shenghao was also surprised.

No one told her?

Ting did call her that day, didn't he?

Jing Xinlei raised her teary eyes. She suddenly seemed to remember something and quickly rushed toward the hall!

Inside the hall, Zuo Weiyi was looking down and had no appetite. All she could think of was the scene of Jing Xinlei hugging Shi Yuting.

"Stupid woman!"

Zuo Weiyi raised her head and glimpsed at the perfect face when she heard the voice.

Chapter 89: The Truth About Five Years Ago (1)

"Yeah, I'm stupid. I'm not as clever as your Jing Xinlei!" She knew that she had no right to be angry with him and had no reason for being argumentative. But she wanted to be wilful at this moment!

Zuo Weiyi walked stubbornly toward the gate after she had finished speaking.

Today was Jing Xinlei's birthday. But he had to bring her here, making her look so pathetic and embarrassing in front of them.

Shi Yuting slightly frowned as he saw her walking toward the gate.

Nuan Nuan who was at his side could not help but hit her brother. "Brother, hurry up! Go after her!"

Shi Yuting turned and glanced at Shi Nuannuan. He wanted to follow behind Zuo Weiyi.

Just then, a manly voice spoke.

"Yu Ting."

Shi Yuting turned around when he heard the sound and saw a middle-aged man and woman walking toward him.

It was Jing Xinlei's parents—Jing Rengui and Zhao Qunfang.

Shi Yuting was expressionless and had no intention to speak when he saw them coming to him.

"I haven't seen you for a long time. How are you doing recently?" Jing Rengui held the goblet up and smiled at Shi Yuting.

Shi Yuting pursed his lips. A figure suddenly rushed over when he was about to speak after listening to Jing Rengui's kind words.

"Father!"

Jing Xinlei cried loudly. Her pair of dark eyes looked at her father, her heart was broken. "Why? Why didn't you tell me?!"

She snarled in distress ignoring all the guests present.

Jing Rengui was shocked by his daughter's growl. He turned and saw her face which was full of tears. "Xin Lei, what's wrong with you?"

Shi Yuting and Shi Nuannuan were a little surprised.

Nonetheless, Jing Xinlei just looked at her father painfully. "Why didn't you tell me? Why didn't you tell me about Uncle Shi's car accident?!"

Jing Rengui did not know what to say and lowered his head after listening to his daughter's roar.

"Xinlei, don't blame your father. We did this for your good." Zhao Qunfang felt bad for her daughter.

Jing Xinlei turned her head and looked at her mother. "Mother, you knew how important Ting is to me! Why did you lie to me? Why did you tell me that Uncle Shi died of illness?"

"Xinlei, don't cry. We did this for your sake." Zhao Qunfang's eyes started to tear up.

Jing Xinlei cried and shook her head. "If it was for my sake, you shouldn't lie to me. I would not have lost Ting because of it."

"But that's your dream..." Jing Rengui said softly.

"Dream?" Jing Xinlei looked at her parents. "If I lose Ting, what dreams do I have? That dream is meaningless!"

Jing Rengui and his wife were startled. They lowered their heads in dismay, not knowing what to say.

Jing Xinlei looked at the man next to them. She was crying. "Ting, can you forgive me? I'm sorry. If I had received your call that day, I would surely not have gone abroad..."

Although Shi Yuting was shocked by all these truths suddenly being revealed, he did not show any expressions.

"It doesn't matter anymore." He enunciated a few words calmly. He then turned around and left the banquet hall.

When Jing Xinlei heard it, she was stunned.

Was everything unimportant to him now?

"Ting, I did call you, but you didn't answer it. And then your phone was turned off again. Why did you turn off your phone? Why did you not answer my call? If you had answered my call, I would surely have come back..."

Chapter 90: The Truth About Five Years Ago (2)

Jing Xinlei cried looking him leaving.

Shi Yuting felt his heart tighten thinking of what happened five years ago.

He turned around. There was a flash of pain in his pair of black eyes.

“Why didn’t I answer your call? My parents were still in the emergency room, how could I answer your call? If you wanted to know all of this, what have you done earlier? You haven’t boarded the plane when I called you the first time. Why did you only return my call the next day? Did you want to comfort me?”

His parents were involved in a serious car accident five years ago. It took three days and three nights in the emergency room. In the end, only his mother survived. At that moment, he had almost collapsed several times. But she had resolutely chosen to board the plane and to pursue her dream.

Jing Xinlei shook her head in pain as she was faced with his questions. She kept crying. “No, Ting. Please believe me. I didn’t know that your parents were in a car accident...”

“Yuting, I didn’t know about it. You can blame me if you want. I have concealed all this from her and didn’t convey your words to her. It’s all my fault.” Jing Rengui could not help but speak looking at his crying daughter.

However, Shi Yuting was expressionless. “You don’t have to say anything. I have already said that it doesn’t matter anymore.”

He turned and left after he finished speaking.

“Ting!” Jing Xinlei shouted at him desperately.

Shi Yuting stopped after listening to her cries.

Jing Xinlei was stunned. She thought he changed his mind.

Shi Yuting turned and suddenly walked toward Jing Xinlei.

Jing Xinlei sucked her nose and looked aggrieved when she saw the man suddenly came back.

However, Shi Yuting frowned a little and his eyes fell on the paper bag in her hand.

He took one of them away and then stared blankly at the tearful girl in front of him. “I’m sorry. This ring is not for you.”

He left after finished speaking.

Leaving a stunned Jing Xinlei behind.

Everything had ended five years ago. He would not go back to her even if the truth was finally revealed.

“Xinlei!” Zhao Qunfang’s heartbreaking voice suddenly sounded behind him.

Shi Yuting stopped and turned around. He then saw Jing Xinlei had suddenly fainted.

His heart suddenly tightened!

Shi Yuting did not give a second thought. He immediately rushed toward the unconscious Jing Xinlei.

He carried her up. Jing Xinlei’s eyes were closed and she did not give any response.

He carried her to the second floor.

Shi Nuannuan was stunned looking at the concern on her brother's face. She clenched her fists tightly.

Did Brother still have feelings for Jing Xinlei even after five years?

Zhong Shenghao could not help but show a smile of relief.

Shi Nuannuan bit her lower lip as she glanced at the figures on the stairs. She then turned angrily and walked toward the gate.

She was looking around, wanting to find Zuo Weiyi when she reached the gate.

Zuo Weiyi was walking aimlessly along the side of the road for a long time. She did not know how long she had walked. She only regained her senses when the rain slowly started to fall.

Where was she?

Zuo Weiyi was lost as she looked at the unfamiliar surroundings.

She recalled when she got lost the last time. Hence, she was more vigilant this time.

What about going back along the road that she came from? What if she encountered the situation like the one before, again?
