

Kiss Me 91

Chapter 91: Shu Yuner's Revenge

Upon thinking about that, Zuo Weiyi turned around, wanting to return to where she came from.

Yet at this instance, a pickup truck stopped by her side.

She stopped in her tracks instinctively and tilted her head up to look at the truck.

In a blink of an eye, two ruffians pounced on her before she could react in time.

Zuo Weiyi was stunned. If not for her quick reflexes, she would not have gotten away from their sudden attack. She stared at the two men with widened eyes. "Who are you?!"

The two of them hesitated for a moment before sharing a look and charging toward Zuo Weiyi again.

The expression on Zuo Weiyi changed as she turned on her heels and ran away quickly.

As the two men were blocking her way of return, she had no choice but to run forward.

Damn it!

Whom did she offend?

"You have to catch her!"

A familiar voice shouted behind her. Zuo Weiyi was shocked to hear the voice. Was that... Shu Yuner's voice?!

She ran while turning her head around. As expected, Shu Yuner was standing by the pickup truck!

As she was distracted, the two men managed to catch up with her and trapped her in their grips.

"Let go of me!"

Seeing that she was captured, Shu Yuner's lips curled into a pleased smile.

It was all because of Zuo Weiyi that her father's company had collapsed, causing her whole family to be in a huge debt for the rest of their lives!

Ye Fan had even left her because of this!

Everything was because of Zuo Weiyi.

'Witness my revenge!'

Damn it!

Staring at Shu Yuner who was approaching her, an alarm rang in Zuo Weiyi's head, urging her to run.

Otherwise, knowing Shu Yuner's personality, Zuo Weiyi would not only be humiliated, something much worse might happen too.

She still remembered what had happened last time. Her wine was spiked just so Shu Yuner could get a stranger to violate her as she was intoxicated. That was just because of Ye Fan, that one person. Now that it involved her whole family, Zuo Weiyi could not imagine what she would do.

As she thought of that, Zuo Weiyi quickly dipped her head and bit the hand that was holding her wrist.

"Ah!" The man yelped in pain and let go of her wrist.

Upon realizing her scheme, his partner approached her, attempting to hold her. With her quick reflexes, Zuo Weiyi swung her leg toward his crotch.

"Ugh!" He let go of her other arm and dropped to the floor, hands covering his crotch. The terrible pain drained all the color from his face!

Zuo Weiyi took the chance and ran away.

Seeing that she had escaped, Shu Yuner ran after her. Her eyes throwing cold glares at the running figure.

Zuo Weiyi suddenly stopped as she felt a sharp pain piercing her back.

Her face went pale in an instant, her body slowly sinking to the ground.

Looking at the fallen Zuo Weiyi with a dagger in her back, Shu Yuner was also stunned. She scanned the area and gave an order the two ruffians, "Let's leave now!"

After finishing her sentence, she glanced at Zuo Weiyi who was on the ground with a frightened expression before running toward the pickup truck.

The two men followed after her and escaped with the truck.

With blood spilling from her back, Zuo Weiyi lifted her heavy eyelids and vaguely saw a tall figure approaching her. However, before she could see clearly, her sight became more and more blurry, and everything eventually turned black as she lost all sense of her body...

Jing Residence.

Chapter 92: Weiyi Has Gone Missing!

In a room on the second floor, Shi Yuting sat next to the bed. His expression had already returned to his usual calmness as he stared at Jing Xinlei, who was bed-ridden.

The family doctor was diagnosing her.

Shi Yuting's phone suddenly rang, breaking the silence in the room. He frowned and took out his phone. It was from his younger sister, Shi Nuannuan.

He walked to the window and picked up the call.

“What’s up?”

“Brother, I can’t find Sister-in-law.” Shi Nuannuan’s voice was riddled with anxiety.

She was looking for her everywhere but to no avail. She only encountered a puddle of blood on the street. It was still wet and fresh, signifying that whatever had happened here was only a few minutes ago.

Shi Nuannuan began to feel anxious when she could not find Zuo Weiyi anywhere.

Upon hearing how she had addressed Zuo Weiyi, Shi Yuting’s voice deepened. “Who was the one who had allowed you to call her that?”

Shi Nuannuan paused for a moment and pouted. “Let me be! I like Weiyi as my sister-in-law more than that Jing Xinlei!”

Rage bubbled in Shi Nuannuan’s chest. “Brother! Have you forgotten how she had treated you in the past?! And you are going to forgive her just because she said she doesn’t know anything?”

“My life, my problems. Don’t you get involved.”

“Brother!”

“If there’s nothing else left I’m hanging up.” Shi Yuting was already ready to end the call.

Shi Nuannuan tensed up. “Wait!”

She almost forgot the reason she called.

“Brother, Sister-in-law Weiyi... Weiyi has gone missing. I have searched for her for a while now but I can’t find her but...” Shi Nuannuan glanced downward, looking the blood on the ground in the rain, her heart was beating with unease.

“But there is blood on the street...”

Upon hearing her sentence, Shi Yuting was shocked, a wave of unease struck his heart.

He quickly turned around and rushed out of the room anxiously.

“Yuting!” Seeing him leaving so suddenly, Zhao Qunfang was bewildered. She wanted to stop him, but he was already gone.

After everyone left the room, Jing Xinlei opened her eyes and sat up on the bed.

It was 9:40 in the evening when Shi Yuting sat in the living room on his sofa, his darkened expression was like the dark sky before a storm.

As a figure appeared in the room, both the Shi siblings glanced at it. Xiang Yi had returned.

“Did you find her?!” Shi Nuannuan questioned immediately.

Xiang Yi shook his head and looked at Shi Yuting. "We have searched everywhere around the Jing residence, there is no sign of Miss Zuo."

Shi Yuting's heart grew heavier.

Where did that woman go?

"Has the results of the blood test come out?" He asked with a frown.

"Not yet."

As soon as he finished, the phone in Xiang Yi's hand rang.

He picked it up and ended the call within a minute, his expression was rattled. "Mr. Shi, the result came out. The blood... It belongs to Miss Zuo."

Shi Yuting was visibly affected by Xiang Yi's report, his heart was consumed by dread.

"I don't care if City Z is turned upside down. Find out where Zuo Weiyi is!"

His heart had never been filled with such anxiety.

Seeing her frantic brother, Shi Nuannuan was stunned as well.

When Jing Xinlei left him five years ago, she did not even see this side of him.

Had Zuo Weiyi become an existence that greatly affected her brother over time?

"Yes!" Xiang Yi nodded firmly and turned around to exit immediately.

Chapter 93: Waking Up in an Unfamiliar Room

Three days had already passed when Zuo Weiyi woke up in an unfamiliar room.

As she opened her eyes, the first thing she saw was a decorated ceiling.

'Where am I?'

Zuo Weiyi's first instinctive action was to sit up.

Yet as soon as she moved, the sharp pain on her shoulder blade made her frown.

After three days of treatment, the wound on her back was slowly healing.

The memories before she passed out gradually returned to her. She was stabbed by Shu Yun'er, was she?

Who saved her then?

She looked around the unfamiliar room and frowned.

'Where is this?'

At this moment, the door was gently pushed open and a figure walked in.

Zuo Weiyi glanced at the figure with a dazed expression, it was someone unfamiliar to her.

Seeing that she had woken up, the man was shocked but quickly hid it with a sensual grin.

“You have finally woken up.”

Zuo Weiyi was confused by his gentlemanly attitude. “Are you the one who has saved me?”

“You don’t remember me?” His smile grew bigger as he walked towards her, his eyes unmoving.

Zuo Weiyi paused for a moment.

Did she know this man?

She carefully scanned this man in front of her, but she could not find him in her memories.

“You are...?”

“Gu Yansheng.”

Gu Yansheng?

Zuo Weiyi’s brows furrowed. She had heard of this name before, but she could not seem to recall this man from anywhere.

“Xiwang Elementary School.” Gu Yansheng decided to remind her.

As she heard the name from his mouth, Zuo Weiyi’s looked at him with widened eyes and a shocked expression.

“You... You are Gu Yansheng from my childhood?!”

Gu Yansheng chuckled lightly. “You finally remembered.”

“Didn’t you immigrate with your family?!” She continued to stare at him, bewildered.

When she was young, Gu Yansheng was probably her only friend.

Everyone else bullied and laughed at her when they knew that she did not have a father. Only Gu Yansheng, who was a few years older than her, helped her.

However, their friendship only lasted a year. He had finished school and immigrated with his family, and she never saw him ever again.

“I told you before that I will return.” The man chuckled again, the eyes that were staring at her softened.

Even though a decade had passed, he never forgot her beautiful face.

Zuo Weiyi grew happier as she was reunited with an old friend, but because she was injured, her face still appeared to be pale and haggard.

Looking at her pale white face, Gu Yansheng’s eyes were filled with pity. “Is your wound still painful?”

Zuo Weiyi recovered her usual smile and answered, "It's alright. Are you the one who saved me?"

"Yes."

"But why are you there yesterday night?" She asked.

That place was not near a highway, did he lived in that area too?

"I will explain to you later. But, that was not yesterday night. You were unconscious for three days and three nights."

When she heard that, her eyes widened again. "Three days and three nights?!"

She could not believe that she had fainted for that long.

Zuo Weiyi lowered down her head, Shi Yuting's face flashed across her mind.

Did he look for her when she was unconscious for this long?

As she was in deep thought, someone knocked on the door.

"Come in."

Gu Yansheng's expression turned cold when he lifted his head up.

Chapter 94: President Gu, Mr. Shi had arrived

After getting his permission, a man pushed the door open.

"President Gu, Mr. Shi has arrived."

As soon as she heard his name, Zuo Weiyi quickly glanced at the door.

That Mr. Shi he mentioned, was it Shi Yuting?

The corner of Gu Yansheng's mouth curled up into a faint smile. "He is earlier than I thought."

He only had this mansion of his for three days, but he did not expect Shi Yuting to find out about it so quickly.

Gu Yansheng turned his head around and smiled at Zuo Weiyi. "Rest up."

He then left the room.

As soon as he arrived on the lower floor, two figures were standing in the living room.

"To what do I owe the honor of Mr. Shi's visit?"

Shi Yuting turned his head toward Gu Yansheng who was walking down the staircase as he heard his voice, a visible coldness appeared in his eyes.

"Where is Zuo Weiyi?" He went straight to the point.

Gu Yansheng grinned. "Weiyi is doing fine at my place, I don't intend to hand her over to you."

Weiye?

Shi Yuting squinted. The way he called her with such intimacy, what relationship did they have?

"I don't need your approval if I said I want her." He glared coldly at Gu Yansheng.

"Is that so?" He scoffed. "What if I insist on keeping her?"

"Hand her over."

When he knew that the pool of blood was hers, his heart kept teetering over the edge of anxiety. He had never felt such uneasiness. Visions of the day she fainted in the mountain with a full body of wounds flashed in his mind, over and over again.

That feeling suffocated him.

Staring into his cold eyes, Gu Yansheng stayed silent as his smile faded away slowly. A certain tension began to build between the two of them.

For a moment, Shi Yuting smelled a scent that was similar to Zuo Weiye's in the luxurious living room. He tilted his head up immediately and saw a familiar figure standing at the top of the staircase.

Zuo Weiye was curious if "Mr. Shi" was really Shi Yuting, so she had walked out of her room and headed to the stairs. To her expectation, it was Shi Yuting.

When her figure appeared, Shi Yuting rushed to the stairs without any hesitation.

Seeing that he wanted to head upstairs, Gu Yansheng stretched out his arm, intending to stop him.

However, Shi Yuting dodged the outstretched arm with his quick reflexes. Before anyone could catch sight of him, he had already reached the top of the stairs and was standing in front of Zuo Weiye.

Staring at the person in front of him, a flicker of concern flashed in his eyes, but Zuo Weiye did not manage to catch it.

She only caught the rage within his eyes and his furious scolding, "Are you hiding from me?!"

He was pacing around anxiously for three days, yet she was here hiding with another man!

"I..."

Zuo Weiye's sentence was cut off by his roar.

"These three days, do you know how much I..." worry about you? The three remaining words were stuck in his throat.

Ever since he met this woman, his emotions were out of control. Whenever she was involved in something, his heart was disturbed.

"Zuo Weiye, don't you ever think about escaping me unless I abandon you, or else, you can't run away from my side. Are you clear?"

Zuo Weiyi lifted her head up and looked into his dark eyes, slowly opening her mouth. "It's not that I want to run away from you, I was just... injured. I just woke up today."

As he heard that she was wounded, his heart felt painfully pinched. Unconsciously, concern appeared in his eyes. "What happened to you?"

Chapter 95: Choose To Be Choiceless

When she realized his tone had become calmer, Zuo Weiyi smiled silently. "I'm alright."

"Then come home with me." Shi Yuting grabbed her hand and headed downstairs.

"Weiyi..." As they reached the first floor, they were met with Gu Yansheng's tender gaze.

He had more than enough for Zuo Weiyi to stay with him. She did not have to worry about clothes or her three meals. So naturally, he did not want her to return to Shi Yuting's side.

Looking at her old friend, Zuo Weiyi smiled. "Thank you for saving me. I will treat you to a meal someday."

"Don't you want to leave?" Shi Yuting looked at her with anticipation.

Zuo Weiyi was stunned to hear his question and glanced at Shi Yuting briefly.

Seeing how luxurious his mansion was, Gu Yansheng was probably a very successful man now.

She could choose to stay here and leave Shi Yuting, but her heart would still be with him.

It was obvious to her that her existence to him was nothing more than a peasant's presence, but she still wanted to go back to him.

Staring at Gu Yansheng, Zuo Weiyi forced a bitter smile. "I do. Well, some people have no choice, but I choose to be choiceless."

She smiled at him one last time before walking toward the exit.

Gu Yansheng stood there, stunned, looking at the person who had turned away from him.

All of a sudden, as if he had thought of something, he shouted, "Wait!"

Zuo Weiyi stopped, even Shi Yuting stopped in his tracks.

Annoyance was on his handsome face.

"This is my phone number, you can call me if anything happens."

Looking at the card in his hands, Zuo Weiyi was about to say something but was quickly dragged away by Shi Yuting who was visibly unappeased.

“What did you mean by that?”

In the extravagant Bentley, Shi Yuting asked the person next to him.

Zuo Weiyi was caught off guard by his sudden question. “By what?”

“That you choose to be choiceless.”

She hesitated and turned her head away. “Nothing.”

He could probably guess what she meant, but if she did not reveal the answer, he did not want to be too confident about it.

His gaze then landed on the name card she was holding, the more he looked at it the more annoyed he became. Eventually, he snatched the card from her hand and threw it out the window.

Zuo Weiyi was jolted. “What are you doing?!”

“If anything happens, I’m here. You don’t need Gu Yansheng!”

Zuo Weiyi glanced at his handsome profile, her expression turning a little sad.

She cast her eyes downward. “Then where were you when I was stabbed...”

His heart was stabbed as he heard her question. He was stunned.

He turned his head and gazed at her upset face.

It was obvious to him that she looked weaker after he had not seen her for a few days.

“Stay by my side, I won’t let anything or anyone harm you.”

Zuo Weiyi tilted her head up and was met by his passionate gaze, but she turned her head away and stared out the window.

It did not matter to her now, she understood her status clearly.

After half an hour, the car finally stopped at Shi’s garden.

As soon as Shi Nuannuan saw Zuo Weiyi, she quickly pulled her into a big and warm hug. “Weiyi, where were you?! I was so worried!”

“Ugh!”

She had accidentally pressed on the wound on Zuo Weiyi’s shoulder blade with her sudden hug. Weiyi frowned and groaned in pain.

Shi Yuting immediately caught on and pulled his younger sister away from Zuo Weiyi. “Where is your wound?”

Chapter 96: The Exquisite Box In The Drawer

Zuo Weiyi stretched her arm out and touched the area around her shoulder blade. “Here.”

“Get Zhong Chenghao here this instance!”

Shi Yuting turned his head and ordered Xiang Yi.

Xiang Yi accepted his command and quickly left to execute it.

Ten minutes later, Zhong Chenghao arrived.

He carefully inspected Zuo Weiyi’s wound.

“Your wound isn’t serious anymore, it is healing. Make sure the wound does not get in contact with any liquid and it will be fully healed in half a month, but it will leave a scar.”

Another scar.

Zuo Weiyi lowered down her head. She was born with perfect skin without any mole or blemish, yet she had gained two new scars over the span of two weeks.

“Who was the one that stabbed you?” Shi Yuting stared at the person in the bed with a pair of icy eyes.

Her head lowered again. “I don’t know.”

If she said it was Shu Yuner, Shi Yuting would probably not let her go alive.

Even though she should be punished, but Zuo Weiyi did not want Shu Yuner to lose her life.

Maybe Shu Yuner did not have the intention to kill her, or else she would have stabbed her more than once.

Yet, what was out of Zuo Weiyi’s expectation was that Shi Yuting could still figure out who was the culprit even without her confession.

From that day on, Zuo Weiyi was confused. Shu Yuner had never come and search for her. It was as if she had disappeared from Earth.

After rehabilitating for half a month, Zuo Weiyi was fully recovered and was able to go back to work in Dizun Corporation.

In the CEO’s office.

As Zuo Weiyi was bored out of her mind, her phone suddenly rang.

“Hello, Dizun Corporation, how may I help you?”

“Miss Zuo, there’s an important file in Mr. Shi’s desk drawer. Could you take it to Long Zuo?”

As she heard the voice from the other end, she paused for a moment. “Long Zuo?”

“Yes, the international club at Chang Hong Road. Mr. Shi will be waiting for you there in the 8th room on the second floor.”

“Oh, alright!”

After she hung up, Zuo Weiyi stood up and walked toward Shi Yuting's desk.

No wonder he was not around for the entire morning, was he out for business?

The file was expectedly lying inside the drawer when she pulled it out.

As she took out the file, the corner of her eyes caught sight of an exquisite box.

She was stunned. Was that not the box of the couple rings that he had bought for Jing Xinlei before?

Zuo Weiyi took the box out of curiosity and opened the lid. A platinum ring designed for females was in it.

It was the one he gifted to Jing Xinlei, but why was it here? Was it not bought for her?

Zuo Weiyi frowned but she could not figure out the answer. So she placed the box back to its original place and left the office room with the file.

As she stepped into Long Zuo, she was greeted with a sight of wealth.

The only people she could think of who spent their time here were most probably the rich.

Clutching the file in her hand, she began to head to her destination.

In the corridor, Zuo Weiyi was searching for the number plate '8' on the door under the warm yellow light.

At this moment, she stopped in her tracks and frowned.

Damn it, was it that time already?!

Feeling a cramp in her stomach and something hot about to flow down between her legs, Zuo Weiyi quickly searched for a restroom.

After walking for a few steps and spotting the word "restroom" around the corner, she rushed into it as fast as she could.

As soon as she entered the restroom, she began to check herself. As expected, her period was here. Thankfully she remembered well; she had prepared a sanitary pad in her pockets.

Chapter 97: Jing Xinlei's Scheme

After resolving her problem, Zuo Weiyi was about to leave her compartment, but a familiar voice stopped her in her tracks and made her turn around.

"Xinlei, it's been half a month and Yuting didn't even call you once. Is our plan really working?" Zhao Qunfang's anxious voice appeared in a compartment.

"What can we do if it's not? This is the only thing we can do to save Father's company." Zuo Weiyi was stunned to hear Jing Xinlei's voice.

Plan? What plan?

Zuo Weiyi stood in the restroom and stared at the two compartments, completely forgotten that she was intending to leave.

“What if Yuting figured out that you knew about his parents’ car crash incident?”

As she heard her question, Jing Xinlei paused for a moment.

However, she quickly regained calmness. “Impossible. Only you and Father knew about this. If I worked a bit harder, I will definitely make Yuting fall in love with me again, and I’ll make him help Father’s company. Mom, you don’t have to worry.”

“How could I not? There’s only half a month left until our deadline. If you can’t make him fall for you and get one billion from him, our whole Jing family will be doomed.” The thought of the company collapsed from being bankrupt filled Zhao Qunfang with unease.

“Mom! Stop being so pessimistic, don’t you trust your own daughter?”

“It’s not that I don’t, but I feel that Shi Yuting doesn’t like you as much as he did before.”

“He still cares for me. Otherwise, why would he carry me to the second floor so quickly when I pretended to faint the other day?”

“You haven’t woken up when he left you, didn’t he?” Zhao Qunfang grumbled and left her compartment after she straightening her outfit.

When Jing Xinlei heard that, she was dumbfounded.

If it was in the past, he would not have left before she woke up.

So, why did he rush out that day?

When Zhao Qunfang walked out and saw Zuo Weiyi, she was startled.

She forgot that they were in a public area!

Did this woman hear what they were talking about?

Staring at the woman in front of her, Zhao Qunfang fiddled anxiously.

If Shi Yuting were to hear about this, their plan would be ruined!

But she did not know who Shi Yuting was, did she?

Zuo Weiyi was startled too.

When she was about to leave, the door to another compartment opened, revealing Jing Xinlei.

When she saw Zuo Weiyi, Jing Xinlei halted.

Why was she here?!

Did she hear their conversation?

Zuo Weiyi quickly left after glancing at Jing Xinlei briefly.

“Zuo Weiyi!”

Zuo Weiyi did not stop but rather increased quickened her steps to exit the restroom.

How could Jing Xinlei exploit Shi Yuting’s feelings?

Seeing that she was escaping, Jing Xinlei was stunned for a moment before chasing after her.

“Mom, catch that woman!”

She would not let Zuo Weiyi ruin their plans!

Zhao Qunfang was still in a daze when she saw her daughter’s sudden movement, but quickly recovered and chased after them.

Chapter 98: Do You Think He Will Trust You?

“Zuo Weiyi, stop running!”

She heard Jing Xinlei’s voice behind her, followed by a forceful tug that stopped her in her tracks.

When she turned around, Jing Xinlei’s anxiety-ridden face was all she saw. “Are you going to tell Shi Yuting what you have just heard?!”

“You dare exploit his feelings?” Seeing that she was caught by both the mother and the daughter, Zuo Weiyi gave up on running away.

She did not believe that they would do anything to her at this place.

Jing Xinlei’s heart was pounding anxiously as she heard her.

Yet at the next moment, her lips curled up to a condescending smile. “Do you think he would believe you if you tell him that?”

Zuo Weiyi paused.

If she were to compare herself with Jing Xinlei, Shi Yuting would definitely believe her more.

After all, he only had her in his heart.

Even though that was what she thought, Zuo Weiyi still confronted Jing Xinlei’s gaze with her own. “If you knew for sure that he won’t believe me, then why are you afraid that I will tell him?”

Her words made Jing Xinlei flabbergasted.

This woman was smarter than she thought!

She lowered her gaze and saw the file in Zuo Weiyi’s hands. Without any hesitation, she snatched the file and ran down the corridor.

After realizing that the file was gone, Zuo Weiyi instinctively chased after her. “What are you doing?! Give me back the file!”

Zuo Weiyi caught up to her in a blink of an eye, stretching her arm to grab the file from Jing Xinlei’s hand.

Yet Jing Xinlei refused to loosen her grip.

She was planning to lure her to the stairs where no one was there with the file, but she did not expect that Zuo Weiyi would catch up to her so quickly.

Jing Xinlei gripped onto the file tighter, refusing to let it go.

She must not let Zuo Weiyi head to Shi Yuting, or else her plan and Jing Organization would be ruined!

“Give the file back!” Zuo Weiyi was still determined to get the file back.

Secretary Fei Lin told her that the file was very important. If she were to lose it, she could not imagine the punishment she would have to bear.

Smack!

As she was fighting for the file, a huge blow suddenly landed at the back of her head. At that moment, Zuo Weiyi’s vision turned black and she passed out.

Jing Xinlei raised her gaze and saw her mother holding her handbag in panic.

“Xin- Xinlei! What do we do now?” It was the first time Zhao Qunfang had knocked someone unconscious, she could not help but feel frantic.

“Remove her from here, let’s use the stairs.”

After Jing Xinlei suggested that, both of them carried Zuo Weiyi and headed to the stairs.

However, as they were turning the corner, a familiar figure suddenly appeared

A pair of pure black handmade leather shoes entered her vision. Jing Xinlei looked up and saw Shi Yuting’s slightly surprised face.

Hanging up the phone, Shi Yuting was about to turn around and go back to his private room. When she saw the Jing mother and daughter, he could not help but frown.

Immediately, he noticed that Zuo Weiyi was passed out on the shoulders of the mother and daughter, and his face suddenly darkened.

“What are you doing?”

His cold voice echoed through the corridor, a trace of displeasure could clearly be heard.

Zhao Qunfang was so scared that her face turned pale when she made contact with his dark eyes.

Why was Shi Yuting so coincidentally here?!

“Ting, I...”

Looking at the man in front of him, Jing Xinlei ran out of words to explain herself.

He stared at the unconscious Zuo Weiyi on their shoulders. Shi Yuting's eyes were cold, and the anger between his knitted eyebrows was clearly visible.

Chapter 99: She Is Exploiting You!

"What did you do to her?"

Facing the coldness in his eyes, Zhao Qunfang grew timid and quickly turned to look at her daughter Jing Xinlei.

"I, we didn't do anything ..." Jing Xinlei lifted her eyes, but Shi Yuting could see the guilt in her.

His face grew colder as he took Zuo Weiyi from them, and glared at the two. "Whether you did or not, I will know soon when I ask her."

After he was done talking, he turned and left with Zuo Weiyi in his arms.

"Ting!" Looking at the back that was turned toward her, Jing Xinlei was filled with loathing. "Is she that important to you?"

Shi Yuting stopped his tracks and turned around, a pair of sharp eyes staring at her. "When we're at the mountain, were you the one who did something to the road signs? Did you do it on purpose because she wasn't familiar with the roads and wanted her to head down the mountain?"

Jing Xinlei was bewildered by his sudden question.

"I..."

Without waiting for her reply, Shi Yuting left with Zuo Weiyi.

In the bedroom on the second floor, Shi Yuting was standing by the bed with a frown.

"Is she really alright?" He asked Zhong Chenghao.

It was more than half an hour and she had not recovered her consciousness.

Zhong Chenghao glanced at the person on the bed and nodded. "She's alright, she only fainted because someone struck her."

"Who did it?!" Shi Nuannuan, on the other hand, was furious. She could not wait to know who the culprit was.

Zhong Chenghao could not help but stare at Shi Yuting. "Did all your enemies decide to come after her now?"

Shi Yuting did not reply to his banter, only staring at Zuo Weiyi.

At this moment, Zuo Weiyi woke up to a familiar ceiling.

When she turned her head, the first thing she saw was Shi Yuting's handsome face.

As she saw him, she quickly sat up, anxiety flashed in her eyes.

"Shi Yuting!"

Seeing how frantic she was, Shi Yuting frowned. He thought that she was in shock and sat down on the bed with her in an attempt to reassure her.

"Don't be scared, you're safe now."

Zuo Weiyi ignored him and grabbed his hand instead. "Don't trust Jing Xinlei, she is exploiting you!"

The other three people stared at her in shock.

What did she mean?

Shi Yuting frowned slightly and gazed into her clear eyes, he asked her softly, "What are you talking about?"

"Jing Xinlei, she knew about your parents' incident and she wanted to use it so you could fund their company with one billion dollars!"

As soon as she confessed, the three were shaken.

Especially Zhong Chenghao, who was still in disbelief.

Xinlei knew about his parents' incident? Impossible!

If that was true, then did that mean that he was lied to as well?

"I knew it! Five years ago when Father was in the accident, every news outlet reported about it. She couldn't have not known about it!" When Shi Nuannuan heard the truth, she grew even angrier, and her resentment toward Jing Xinlei grew deeper.

Shi Yuting lifted his head, he was still calm. He only stared at the woman in front of him. "They knocked you out because you heard the conversation?"

Zuo Weiyi nodded and stared back at his composed face.

Even after hearing this news, Shi Yuting still remained unruffled. Did he not believe her?

The man only caressed the back of her head gently. "Does it still hurt?"

Chapter 100: Gifting A Phone

Zuo Weiyi thought about it for a while but shook her head after. "It doesn't hurt anymore."

"Rest up for today, don't go to the office." His tone was deep and there was a touch of gentleness in his voice.

Zhong Chenghao saw everything with his own eyes while he was staring at the two of them from the sidelines.

Shi Yuting rubbed the back of her head and got up to leave the room.

“Brother!”

Staring at his back, Shi Nuannuan could not help and open her mouth. “Even if it’s for Weiyi, shouldn’t you punish Jing Xinlei?”

Shi Yuting stopped in his tracks for a moment but soon, continued to march forward after a second.

Staring at his disappearing figure, Zuo Weiyi dropped her eyes, her face veiled with darkness.

Punishing Jing Xinlei for her, how could he?

There was no need for her to go to work in the afternoon so, Zuo Weiyi was stuck watching TV on the sofa.

Shi Nuannuan headed out after picking up a phone call.

She did not return before dusk arrived.

During dinner, Zuo Weiyi dined alone in front of the huge dining table.

Aunt Yu suddenly came over and placed a white box in front of her.

She glanced at the box, then raised her eyes and stared blankly at Aunt Yu.

Aunt Yu looked at her with a serious expression. “This is the phone Mr. Shi wants to give you.”

Zuo Weiyi was stunned at the appearance of the white box. As she received and opened it, a new white phone was indeed in the box.

Her old phone was crushed by a car on the day her mother passed away. It was quite inconvenient to not use a mobile phone for such a long time.

Putting down the chopsticks, she picked up the phone. As soon as she picked it up, the screen suddenly lit up, accompanied by a ringtone.

Looking down, she saw a series of numbers displayed on the screen.

Zuo Weiyi frowned, and could not help but feel a little surprised.

Who would call a new phone?

Pressing the answer button, she brought the phone to her ear. “Hello?”

“Have you eaten?” It was Shi Yuting’s signature low voice that was on the other end of the speaker.

Zuo Weiyi was slightly stunned, but she quickly recovered after half a second. “Just did.”

“I am leaving Country Z for a while. Before I come back, don’t go out. Just stay at home.”

She was slightly startled after hearing his words. Subconsciously, she asked, “Where are you going?”

“Country C.”

“Oh.”

The other end went silent after her short reply.

The two of them held their phones, but neither one of them spoke.

After a long silence, Shi Yuting started again, “I’m about to board my flight. Eat more, and rest earlier.”

He was about to hang up his phone but heard an anxious question from her.

“How long will you be there?”

Shi Yuting pursed his lips. “How long do you wish for me to be there?”

Zuo Weiyi paused and realized the unease in her voice.

“Uh, I was just asking...”

She lowered down her head and fiddled with the hem of her pajamas as if she was hiding her guilt.

Yet Shi Yuting could not help but feel a bit upset at her explanation.

“I’m not sure too, but I’ll come back as soon as I can.”

“Mmm.”

She answered and the call ended.

She watched the television after dinner, but there was nothing interesting, so she headed upstairs to examine her new phone.

There was no one in her contacts. She logged in to her social media and told her best friend, Bei Xingchen, her new phone number.

A few moments passed before she received a call from her and they talked for more than an hour.

It was 9:30 in the night, Zuo Weiyi was still lying on the bed with her eyes wide opened, she was having trouble falling asleep.

She turned her head to the side and stared at the empty space that belonged to Shi Yuting.
