

## Kiss Me 941

### Chapter 941: The New Year atmosphere

New Year's Day.

Early in the morning, Shi Le packed his luggage because he had promised to travel around the world with Zuo Yi.

They had worked hard for decades and had now reached the peak of their lives. They had no regrets and their lives could be considered complete. Now, they only needed to enjoy their old age in the company of their children.

Of course, before that, while they were still able to move freely, they had to travel around the world. That way, they would truly have no regrets even if they had to cross over into the other world.

“Grandpa, Grandfather Zuo, have a safe trip!”

Shi Nuannuan wished them well as she watched them get into the black Lincoln.

Once the car had disappeared around the corner, she turned and walked back into the house.

She tried to remain calm, taking deep breaths. But not seeing Xiangyi for even three days was driving her crazy.

Had she gone mad?

She heard that he would only be back on the eighth day of the New Year. In other words, she would have to wait for another week before she could see Xiangyi.

But why did she feel like she couldn't wait any longer?

She plopped herself down onto the sofa and pulled up Xiangyi's number on her phone.

She had just called him before she went to bed last night. Wouldn't it seem too a little obsessive if she called him again?

Her brother said that she had to be more reserved.

But...

Should one even be reserved with a lover?

She didn't think so and dialed Xiangyi's number!

The phone rang for a long time—no one picked up. In the end she gave up.

But, what should she do? She missed Xiangyi so much!

Suddenly, an idea popped into her head.

She should go find Xiangyi in G City.

“Nuannuan, we’re going to the city’s main temple to pray for the babies. Do you want to go?” Shen Lanzhi had been keen to visit the temple to pray for her grandchildren after hearing that Z City’s temple would be filled with strong incense and was usually flooded with people praying for their children every New Year.

Nuannuan looked up and saw that her mom, sister-in-law, brother and the twins had already gathered in the living room. Nuannuan would have usually wanted to go, but she refused this time.

“I’m not going!”

Hearing her daughter’s answer, it wasn’t just Shen Lanzhi but even Zuo Weiyi was surprised.

Wasn’t Nuannuan usually the outgoing one? Why would she pass on an outing on New Year’s?

“Why aren’t you going? Wouldn’t you be alone at home then?” asked Shen Lanzhi as she carried her grandson.

Shi Nuannuan avoided her gaze. Although she could hide it from her mom and sister-in-law, she could not hide it from Shi Yuting’s eyes.

She lowered her head. “Yes, but I just wanted to catch up on some sleep. I hadn’t slept well last night.”

With that explanation, Shen Lanzhi didn’t push further.

“Alright then. You stay at home and rest well.”

“Okay.”

After watching them leave, Shi Nuannuan did not turn around and go upstairs until the car was far away. After a few minutes, she came down with a red suitcase in her hand.

Before boarding the plane, she sent her brother a message.

After all, if she left without saying anything, her mom might be worried about her.

After a while, she saw her brother’s reply: “Be careful, don’t act recklessly.”.

Shi Nuannuan pouted.

“Tsk, didn’t you and sister-in-law get to know each other because you acted recklessly? In the end, you got married and lived a happy life.”

In Shi Nuannuan’s heart, it was only a matter of time before she slept with Xiangyi!

But thinking about it, she wasn’t sure if she would even have the guts to do it.

She turned off her phone before the flight to G City officially took off.

It was already one o’clock in the afternoon when she arrived at G City Airport.

**Chapter 942: Missing Him (1)**

She had been here once before, and the place was still familiar to her.

Xiangyi's home was in a third-tier county town. Well, it wasn't really his home, was it?

After all, he lived with his aunt and uncle when he came back here last year.

He lost his actual home when he was only in his teens...

But Shi Nuannuan did not know the exact reason.

After leaving the airport, she hailed a taxi and took it to the county town where Xiangyi lived.

In the county town, she found a decent hotel to stay in. Of course, the hotels here were incomparable to the star-rated hotels that she had stayed in before, but she was not picky!

After booking the room, she left the hotel. Xiangyi's home was still a distance away from her hotel, so she had to take another taxi there.

She didn't tell him that she was here, so he would definitely be pleasantly surprised to see her later, right?

Shi Nuannuan's heart became filled with joy as she imagined his reaction!

After various attempts at remembering the way there, she finally managed to get much closer to his house.

She remembered that Xiangyi's house was in the third row..

When she arrived at the third row, she indeed saw the familiar door.

The residential area here was filled with small houses with a single door and a single courtyard. While things looked peaceful, their economic situation was not as good as those in the city.

The courtyard door was not closed, so Shi Nuannuan walked straight in.

When she walked into the small courtyard, she saw a figure walk out from the main door. It was a girl.

"Who are you looking for?" asked the girl as she sized up Shi Nuannuan.

Shi Nuannuan also looked at the girl.

She had not seen this girl last year.

Could Xiangyi be hiding a mistress?

"Xiangyi!" Shi Nuannuan called out all of a sudden! She was always a direct and straightforward person.

The girl was stunned for a moment before asking, "Who are you to him? Why are you looking for him?"

Shi Nuannuan thought for a moment. People had to identify themselves before being able to meet him?

Hence, she answered without thinking, "His girlfriend!"

The girl was obviously shocked. She looked at Shi Nuannuan from top to bottom again.

In the room on the second floor, Xiangyi was using his laptop to deal with something when he heard a conversation coming from downstairs.

He thought it was his imagination, but he swore he heard Nuannuan's voice.

But this was G City, and it was the first day of the New Year. How could she be here?

As he tried to figure things out, he heard her voice again!

He got up and walked to the window. Sure enough, he saw the familiar figure standing downstairs.

He turned around and rushed downstairs. As soon as he came out, he saw the face that he had been longing for.

"Nuannuan."

Hearing the voice, Shi Nuannuan turned around. The moment she saw Xiangyi, she rushed over without a second thought. With no regard to her surroundings, she hooked her arms around his neck. "Xiangyi!"

Xiangyi hugged her tightly and smelled her fragrance. A few seconds later, he let go of her and stared at her beautiful face.

His spoke in his deep and magnetic voice slowly. "Why are you here?"

She smiled brightly. "I missed you!"

Unlike other girls, Shi Nuannuan dared to love him openly. She did not feel ashamed to say that she missed him.

It was true after all, she did miss him. She missed him so much that she flew all the way here from Z City!

He beamed and touched her hair. His eyes were spoke of his longing for her the past few days.

### **Chapter 943: Missing Him (2)**

However, Shi Nuannuan remained oblivious. Instead, she continued looking into his dark eyes. "What about you? Do you miss me?"

He smiled and simply replied, "Yes."

It was only one word but it was enough to make Shi Nuannuan happy!

She knew that Xiangyi did not say much. For a man with few words, such a response was more than she can ask for.

Xiangyi looked behind her. There was no luggage. He must have booked a hotel in the county town just like last year.

“Are your things at a hotel?” asked he.

Shi Nuannuan nodded. “Yes!”

He smiled and immediately pulled her into the house.

The girl immediately became a mere bystander as she watched them enter the house. “Don’t dirty the floor of our house!”

The smile on Shi Nuannuan’s face froze.

Floor?

She looked down and noticed that her boots had gotten dirty from the snow and mud due to weather changes in the past few days.

However, Xiangyi ignored the figure behind him. Instead, he pulled Nuannuan to the door and reached out to grab his slippers.

“Don’t wear my shoes. I don’t like it when others use my things!” The girl started to really become upset when she saw Xiangyi reaching for his slippers.

Xiangyi continued to turn a deaf ear to her. Instead, he took another pair of men’s slippers and swapped them with his own. Then, he looked up at Nuannuan and said, “Here, wear mine.”

“Alright!” replied Nuannuan as she took off her own shoes, put on the slippers, and walked into the living room with Xiangyi.

The moment they did, someone walked out of the kitchen, about to take off her apron.

The middle-aged woman was shocked to see Xiangyi walk in with a girl.

“Xiangyi, who is she?”

“My girlfriend,” replied Xiangyi calmly.

The middle-aged woman immediately sized up Shi Nuannuan.

Though they had never met before, Shi Nuannuan could already guess that she was his aunt.

“My aunt, Su Xiuying.”

Since she was Xiangyi’s family, she politely greeted her. “Hello.”

Su Xiuying nodded. However, Shi Nuannuan’s empty hands did not make a good first impression.

This was her first time visiting, but she did not bring any gifts.

However, Su Xiuying pretended to be friendly. “So, what’s your name?”

Shi Nuannuan glanced at Xiangyi. Why didn’t he introduce her properly to his aunt earlier?

She looked back at Su Xiuying with a smile. “My name is Shi Nuannuan. You can call me Nuannuan.”

“Oh, Nuannuan, where are you from? What does your family do?”

Although Xiangyi wasn't her son, she judged Nuannuan as if she was choosing her own daughter-in-law.

Shi Nuannuan felt a little uncomfortable that the aunt was already asking about her family upon their first meeting.

However, because she was Xiangyi's family, the one who directly raised him into the man he was today, she could not display her unhappiness too openly. Instead, she simply smiled and dismissed the question.

"We'll go up first." Xiangyi cut in before taking Nuannuan to the second floor

### **Chapter 944: Missing Him (3)**

Su Xiuying and her daughter rarely left their hometown and were oblivious to branded merchandise, explaining how they failed to notice that Shi Nuannuan was dressed in branded clothes from head to toe. Rather than living like Nuannuan, they could only afford to buy new clothes only once a year.

As she watched the couple walk upstairs, Su Xiuying still couldn't help herself from sizing Nuannuan up.

This girl was quite good-looking, but her family background was still unknown to her.

Xiangyi was quite famous in their area so it's not unusual for a number of girls who would want to go after him.

"Mom, why did Big Brother Xiang suddenly bring a girlfriend back? Why haven't I heard of him having a girlfriend before?"

At this moment, Su Xiuying's daughter, Feng Lulu, walked over and looked up the stairs as well.

Su Xiuying turned to her daughter. "How would I know? Besides the money that your big brother Xiang gives us every year, he rarely tells us anything else."

"That's true. He's not a part of our family." Feng Lulu knew very well that the reason her mother was still polite to Big Brother Xiang was because he gave them a good sum of money every year. Otherwise, her mother would not have let him stay in their house!

Su Xiuying glanced at her daughter in annoyance. "Heh! Your father doesn't think so. Didn't he always say that Xiangyi is now a part of our family?"

If it were not for the sake of money, Su Xiuying would indeed have kicked Xiangyi out of the house long ago. When her husband brought him into the house, she did not agree. However, Feng Shunqing insisted on bringing him home. In the end, there was nothing else she could do about it.

At the time, their family wasn't very well-off. So having an extra mouth to feed for free was not something she could easily and generously accept. It wasn't until Xiangyi left and started bringing back large sums of money for them that she started to treat him better.

“But it’s not your complete loss, is it? Big Brother Xiang brings home hundreds of thousands every year! Isn’t that better than your own son?”

Su Xiuying glanced at her daughter and muttered to herself. “That’s true.”

When she thought of her disappointing son, Su Xiuying could not help but grumble, “Your brother is too much! Ever since he graduated, he’s been loafing around at home all day. He only knows how to ask me for money. Look at him now. He can’t even afford to support himself. He even bought a car at the end of last year. Now I have to support him and his car!”

Hearing her mother’s complaints, Feng Lulu couldn’t help but grumble too. “That’s because you pamper Cheng too much.”

Su Xiuying was instantly speechless.

She did indeed pamper her son a little too much.

But she only had one son. If she didn’t pamper him, who would?

“Forget it, none of you have to worry about me!” Su Xiuying left for her bedroom.

After a while, she walked out again to the door, as if she was going out.

“Going to play cards again?”

“Of course, it’s the New Year, what else can I do other than playing cards?”

Generally speaking, the New Year was a time to visit relatives, but the Feng family didn’t have any. Thus, Su Xiuying would only played cards. Of course, it’s also something she loves to do anyway!

On the second floor.

It was Shi Nuannuan’s first time visiting Xiangyi’s room. Although it was a little small, it was very simple and comfortable.

When she came last year, she did not even have time to enter before she ran away in anger!

#### **Chapter 945: Giving You All the Love in the World**

She walked to the window and looked outside. Although it was the suburbs of the county, the scenery was quite beautiful. Small-sized houses stood among the flowers and trees. Potted plants were placed on the balconies of every house. This was something that did not exist in the city.

“Your neighborhood is really beautiful,” said Shi Nuannuan sincerely.

Xiangyi looked at her from the back tenderly and lovingly.

When he was dealing with work just now, he almost couldn’t calm down. After not seeing her for three days, his mind became increasingly distracted and preoccupied with thoughts about her. The task he

had been working on was supposed to only take an hour to complete but an entire morning had passed and it still wasn't done.

"Do you like this place?" He walked over and stood beside her. He followed her line of sight and looked at the scenery.

"I like the tranquility here." As she replied, a thought suddenly appeared in her mind.

If this was Xiangyi's home and they got married, did that mean that she would have to move here?

Though the scenery here was very beautiful, she still wanted to live in the same city as her family.

Thinking of this, she suddenly felt a little troubled.

Xiangyi noticed her change in demeanour and could not help but ask, "What's wrong?"

Shi Nuannuan looked hesitantly at him before seriously asking, "If I marry you, will I have to live here?"

There was no shyness or awkwardness in her voice.

However, Xiangyi was slightly stunned.

He liked her, loved her, and would even do anything for her.

However, he had never had the luxury of hoping that he would marry her and keep her by his side for the rest of his life.

He's a considerate person, so he daren't ask for too much.

Whatever he desired, he'd keep them a secret for now. Instead, he smiled and said, "If you don't like it, we won't stay here."

"Then where will we live?" She was curious.

"Where do you want to live?" asked he seriously.

Without thinking, she said, "I want to live in the same city as Mommy, Grandpa, Brother, and Sister-in-Law."

"Then we'll live there in the future."

"But, your home is here..." Was he going to abandon his family and live in another city with her?

He looked at her bright eyes and paused for a few seconds before saying, "But my family isn't..."

Shi Nuannuan was stunned.

No family?

Yes, although this was where he stayed, it was his uncle and aunt's home.

Suddenly, a gurgle came out of nowhere. Shi Nuannuan and Xiangyi could not help but be slightly startled.

Then, Xiangyi looked at her stomach.

“You haven’t eaten?” A hint of concern flashed across his eyes.

Shi Nuannuan looked up at him, then lowered her head and nodded. “No...”

Xiangyi looked at the time on his wrist. It was already two o’clock.

“Why didn’t you eat something when you got off the plane? It’s already so late.”

Shi Nuannuan suddenly felt a little embarrassed and lowered her head. “I wanted to see you as soon as I could...”

Such a simple and ordinary sentence made his heart skip a beat.

He raised his hand and suddenly pulled her into his embrace.

A deep and magnetic voice came above her head. “Nuannuan.”

Shi Nuannuan was still a little stunned by his sudden embrace. But with her face pressed gently against his sturdy chest, she felt comfortable and elated.

“Huh?”

#### **Chapter 946: Cooking for Her**

“Give me some time. I will definitely prove myself and give you all the love in this world.”

The sudden confession caught Shi Nuannuan off guard. She leaned against his chest and nodded her head, a little flustered. “Okay.”

She wasn’t sure what exactly she had agreed to.

He had changed his mind! No matter how much he had to give, he would spoil her until the last moment in this world!

The sound of hunger came from Shi Nuannuan’s stomach again. Xiangyi let go of her and smiled at her. “What do you want to eat? I’ll make it for you.”

It was the first day of the new year, and the restaurants should be closed, so he planned to cook something for her personally.

Shi Nuannuan looked up at him in surprise. “You’ll make it for me?”

“Yes.” He nodded, still smiling at her reaction.

“You know how to cook?”

“Do you want to try it?”

“Yes!” She nodded her head eagerly!

He smiled, took her hand, and walked to the door. “Let’s go.”

After going downstairs, Xiangyi pulled her straight to the kitchen.

He then walked to the fridge and opened it before asking her, "What do you want to eat?"

She thought for a few seconds before looking up. "Steak!"

Xiangyi paused for a moment before chuckling. "I don't have the ingredients for it."

After all, this was a rural area. Things like steak could only be found in restaurants, so it was not something easily found at home.

Moreover, even if they could find a piece of beef to make a steak, they did not have any western tableware that could be used.

"Dishes. What kind of dishes do you like to eat?" They usually had plain white rice, home-cooked dishes, and almost no western dishes.

Dishes?

Shi Nuannuan came to a realization and smiled at Xiangyi. "Meat!"

"What else?"

"Um... I can't think of anything else. You can make whatever you like. I'll definitely like what you make anyway!"

He smiled. "Okay."

He took a few eggs and meat from the fridge and a few vegetables. Xiangyi walked to the side of the sink and washed all the vegetables. After that, he cut them neatly with an incredible handle at the knife.

Shi Nuannuan was dumbfounded as she watched him. "Do you cook often?"

"I do it when I'm in the apartment." It was impossible for him to go out to eat every day. Unknowingly, he eventually learned the job of 'cooking'.

Shi Nuannuan looked at the sliced tomatoes and realized that she was too hungry. She could not help but walk over, pick up a piece, and put it into her mouth. Then, she looked at him.

But Xiangyi only looked on affectionately.

The single slice of tomato was definitely not enough to appease her hunger. She could not help but reach out to pick up another piece and put it into her mouth.

"Delicious?"

"Yes!" She nodded, then picked up another piece and handed it to his thin lips.

Xiangyi was slightly startled. He glanced at the tomato in her hand, then opened his mouth and allowed the slice to enter his mouth before chewing on it.

"Ah!" Shi Nuannuan suddenly exclaimed.

Xiangyi quickly turned around, thinking that she was injured somewhere. "What's wrong?"

Turning his head, he found that she was unharmed, and the worry in his heart disappeared.

Shi Nuannuan raised her bright black eyes and stared at him. She said a little awkwardly, "I forgot to wash my hands just now."

He smiled. "I'm fine."

Half an hour later, Shi Nuannuan smelled the aroma of rice. Then, home-cooked dishes were served one after another.

"It looks so delicious..." Nuannuan almost couldn't help herself as she inhaled the aroma of the home-cooked meal.

### **Chapter 947: Disliking Ginger**

Forty minutes later, two dishes and a soup were ready. Xiangyi brought the dishes to the dining room and served her a bowl of rice.

"Eat."

She was really hungry, especially when she saw the table full of delicious-looking dishes.

She picked up her chopsticks and couldn't wait to taste the shredded pork!

"Mmm..." She chewed slowly, thoroughly savouring the flavour of the food.

It was so delicious.

Suddenly, Shi Nuannua stopped eating and spit out the mouthful she ate earlier.

"What's wrong?" Xiangyi looked on with worry.

Her furrowed brows seemed to be expressing some sort of discomfort, as if she was enduring something. Xiangyi's first thought was that the food tasted terrible.

However, it was not the first or second time he had cooked. Although it was not as professional as a chef's, it should not taste so terrible. Or was it not suitable to her taste?

However, no matter how unsuitable it was, she wouldn't have spit it back out like this, would she?

"Is it very bad?" asked he hesitantly.

Shi Nuannuan nodded and immediately shook her head. "No! It's..."

She looked at the food she threw up on the table, and sure enough, she saw traces of ginger.

"I don't like ginger." When she ate ginger, she felt as if she had eaten poison. She really didn't like the spicy and weird taste!

Hearing this, Xiangyi came to a sudden realization. He looked at the dishes that he had just made. Other than the bowl of tomato egg soup, he had put ginger in the other two dishes.

It turned out that she did not like to eat ginger.

"I'll pick it out for you." He got up and walked to the kitchen to get a pair of chopsticks. Then he sat opposite her and picked out all the ginger in the dishes one by one, placing them on the table.

Nuannuan was touched by his considerate gesture.

Xiangyi was really a gentleman. He was simply the perfect man for her!

"Alright." After picking out all the ginger, he put down his chopsticks and looked at her. "Eat."

She smiled and picked up her chopsticks again, eating happily!

After a full meal, Shi Nuannuan was finally satisfied. She rubbed her round belly and said, "I'm so full!"

It was the first time she had eaten so satisfactorily. She was almost stuffed to death!

By the time they were done, it was already 3:30 pm.

After cleaning up the bowls and chopsticks, the two of them walked to the living room. Seeing that it was still bright, Xiangyi did not want her to return to the hotel so early, so he brought her to the second floor.

He had lived with the Feng family for ten years, but he had never thought that this was his home.

If it were not for his uncle, he would have left this place long ago.

Therefore, he did not want to sit in the living room with Nuannuan. He felt more comfortable being with her in his room.

In this house, his only territory was the room that belonged to him.

The furnishing in the room were very simple. There was a bed, two shelves, a desk, a wardrobe, a chair and a single sofa.

There was also a small bookshelf on the wall. There was no television to watch, so Shi Nuannuan walked over to look for a book.

She preferred to read romance novels but Xiangyi seemed to have collected some famous and philosophical enlightenment books. She was not interested in any of them.

"What book are you looking for?" Xiangyi noticed that she hadn't found anything from the bookshelf despite having stood there for awhile.

Shi Nuannuan turned around. "Romance novels. Do you have any?"

Xiangyi paused. He really had not collected romance novels before.

#### **Chapter 948: She Realized that...She Liked this Position!**

"I don't have it, but..." He got up and walked over. "I remember buying a mystery novel before..."

"No, no, no. I'm not interested in mystery novels." Seeing that he was going to look for it for her, Shi Nuannuan hurriedly waved her hands. "If you don't have it, it's OK!"

She had just caught a glimpse of the bookshelf, so she wanted to see if there were any romance novels. If there weren't any, it was fine. She didn't have to read it.

But there didn't seem to be a television in the room...

Then what were they going to do now?

What were couples usually like when they were in a relationship? Shi Nuannuan tilted her head and seriously thought about this question.

Her gaze landed on an iPad on the bed.

Well, they could watch some videos on the tablet!

"Let's watch a movie with this!" said Nuannuan as she walked over to pick up the tablet.

She picked up the iPad and sat down on Xiangyi's bed. She even took off her slippers and sat cross-legged comfortably on the bed.

This was because she often sat and played with an iPad at home! So, she was already used to this position. For a moment, she seemed to have forgotten that this was Xiangyi's bed and not her own!

"What movie do you want to watch?" For Xiangyi, such electronic devices were only used for work. He'd never used them for entertainment before.

He sat down on the bed next to her.

"Let's see if there are any good movies." Nuannuan turned on the device and scrolled through what was on it before finally deciding on a disaster movie from abroad.

As soon as the movie started, Shi Nuannuan became very engrossed in it. However, halfway through the movie, she felt that her neck was a little sore because she had her head lowered, so she wanted to lie down.

However, she quickly realized that this was Xiangyi's bed...

Uh, wouldn't it be bad if she just lied down like this?

However, she was also a little curious about what Xiangyi's bed would smell like? Would it have a smell that belonged to him?

However, no matter what she thought in her heart, Shi Nuannuan still had to keep her behaviour in check!

Even if she was with her boyfriend, she still had to pay a little attention to her image.

However, if she kept looking down like this, her neck would be very sore...

As she thought this, she could not help but raise her hand and rub her sore neck.

Xiangyi noticed her movements and knew just from her sitting position that she would quickly grow uncomfortable.

Thus, he reached out and pulled her into his embrace, letting her lean against him as he leaned against the headboard.

The sudden action surprised Shi Nuannuan—she was a little confused for a moment.

Then, he said in a gentle voice, “It’s more comfortable this way.”

Shi Nuannuan could not help but raise her eyes to look at him as she leaned into him. When she met his dark eyes, she realized that.. she liked this position!

Shi Nuannuan was finally able to continue watching the movie in comfort as she snuggled with him. Even Xiangyi, who did not like to watch movies, was influenced by her. His dark eyes remained focused on the iPad screen as they watched the movie together.

The main characters of the movie was a couple who was suddenly kidnapped by a mysterious man and thrown into a secret room. The man had to decipher the answers before he could finally find the female lead. However, every question was would mean life or death for the female character. If the answer was wrong, the female character would be in danger. If the answer was wrong three times, the main character would die immediately!

The couple in the movie spent 13 days in despair, helpless against the security of a proper supply of food and water—they hovered between life and death.

#### **Chapter 949: An Embarrassing Scene**

In the end, the male lead answered all the questions correctly and met the female lead! And the two of them kissed passionately...

Shi Nuannuan immediately shifted uncomfortably.

Xiangyi felt her squirming in his arms and he felt a jolt through his heart.

Strange, why was this scene not over yet...

Shi Nuannuan wanted to fast-forward, but on second thought, if she reached out to fast-forward, wouldn’t that make the situation even more awkward?

Thus, she planned to wait for this scene to automatically end.

However, two minutes had passed, and this damn kiss scene was not over yet. Instead, it was getting more and more ridiculous...

No way, could it be that the male and female protagonist were planning to do that kind of thing on screen?

As she thought about it, Shi Nuannuan could not help but swallow her saliva.

Neither turning off the screen or keeping it on sounded like a good idea...

She pursed her lips, and suddenly, she felt that her face was burning, as if it was on fire.

And she started to become curious about Xiangyi's expression at the moment. She slowly turned and looked up at him.

Xiangyi was a man after all. With a beauty in his arms and such a passionate scene playing in the background, he would be an abnormal one if he did not feel anything.

However, he did not show it. He continued to calmly look at the screen as if nothing had happened.

He just did not expect Nuannuan to suddenly look at him. The moment she raised her face, he also looked over and happened to meet her eyes.

In an instant, his heart felt as if it had been struck by something, and his throat felt a little dry.

Shi Nuannuan also did not expect him to suddenly meet her eyes too. She could not help but be shocked and quickly lowered her head again!

Following that, she felt her entire body heat up, and her cheeks turned red and hot.

Finally, the movie ended. Shi Nuannuan only realized that the movie had already ended when there was no more kissing between the male and female lead!

Damn it, why did a kiss have to be so long? She thought that there would be other plots after the kiss, but why weren't there any? They didn't even say who had kidnapped them.

What kind of movie was this that had no proper ending?

Then, the last scene of the movie appeared with two words: To be continued..

DAMN

To be continued?!

Shi Nuannuan came back to her senses and awkwardly moved the iPad away. "Uh, it seems like the show is over..."

She tried to break the awkward atmosphere, but she did not hear Xiangyi's reply.

She was stunned for a moment, but she did not dare to look up at Xiangyi again because she was afraid that his magical black eyes would suck her in!

She cupped her little face and was about to get up from the bed. It was already dark out.

After watching the movie for an hour and forty-nine minutes, it was already past five in the afternoon. Night was gradually falling outside the window.

She got up and placed both her legs on the edge of the bed, about to reach for her slippers.

However, in the next second, Shi Nuannuan felt a force pulling her back, and her center of gravity fell back to its original position!

When she came back to her senses, Xiangyi's face was right in front of her!

She widened her bell-like eyes and looked at the handsome face in front of her.

She felt that her heart was about to jump out of her chest!

Xiangyi's face didn't move any closer to hers as he stared into her eyes but his throat still felt quite dry.

Yes, he had missed her very much.

His gaze slowly moved down from her eyes, to her nose, and then to her pink lips...

### **Chapter 950: Xiangyi's Uncle**

He could not help but lower his head.

In the next second, Shi Nuannuan could clearly feel the familiar softness of his lips and the faint smell of tobacco from his breath.

When she was kissed by him last time, he caught her off guard and her eyes were wide open.

This time, she knew that she had to close her eyes. She shyly kissed him back, enjoying the moment.

This time, she was willing to patiently wait for the moment to end naturally.

Her response was undoubtedly a signal to Xiangyi!

The kiss went from shallow to deep, from slow to fast. He did not want to hold back his longing for her anymore. He trapped her in his arms and sucked on the fragrance in her mouth.

It was never more intense than this. Shi Nuannuan felt almost out of breath. Her small hands held onto his clothes tightly, and her whole body slowly lost strength as if she was paralyzed.

After the kiss, he let go of her, because if he did not, he would only fall deeper, and it would be hard for him to control himself!

She was a little shy, but she liked his kiss very much.

She could not help but roll over onto the soft blanket, and cover her face.

It seemed like she was happy while hiding her shyness at the same time.

Seeing her like this, a beautiful arc formed on Xiangyi's face.

He turned to look out the window and noticed that the sky had completely darkened.

He got up and stood. "Stay for dinner. I'll send you back to the hotel later."

Shi Nuannuan finally got her blushing face out of the blanket and looked up at him.

She said, "Uh, I'm not very hungry."

She had only eaten at three o'clock so she still hadn't felt hungry.

“Do you want to go back now, then?”

She thought for a moment and nodded. “Okay!”

He smiled and extended a hand to her.

She took a look and placed her hand in his palm. Following his strength, she got up from the bed and shuffled into her slippers.

The two of them went downstairs. Just as they reached the living room, they saw a middle-aged man walk in.

When the man looked up, he saw his nephew holding a girl’s hand as they walked down the stairs. Feng Shunqing could not help but feel a little surprised. He glanced at his nephew and then at Shi Nuannuan.

When she saw the middle-aged man who had suddenly returned, Shi Nuannuan was also slightly stunned. However, what made her even more surprised was that the middle-aged man only had one arm...

Was he a disabled person?

Although she was a little shocked, Shi Nuannuan did not show it on her face. She may be capricious sometimes, but she had a good upbringing and would never discriminate against disabled people.

“Yi, this is...?”

Xiangyi pursed his thin lips when he saw his uncle. He then looked at Nuannuan beside him. “My girlfriend, Shi Nuannuan.”

Feng Shunqing was a little surprised when she heard this, but he could not hide his joy.

Xiangyi was already 27 years old. In a rural area like theirs, it was already time for him to start a family.

However, he had not seen him for a long time. His family had wanted to introduce him to someone, but he always rejected them directly. He even rejected all the girls who liked him. This made his uncle very anxious about this matter, but that was as much as he could do.

Feng Shunqing looked at Shi Nuannuan with a curious gaze. He nodded and smiled at the same time, as if he was very satisfied with Shi Nuannuan.

“Okay, okay!”

“Call him Uncle.” Xiangyi turned his head and suddenly looked at Shi Nuannuan.

Shi Nuannuan was surprised for a moment.

Xiangyi wanted her to call him uncle?

Uh, did this mean that she had already met the parents?

She looked up at Feng Shunqing and revealed a brilliant smile. “Hello, Uncle!”
