

The Day I Kissed An Older Man by Cher the Cherished

Chapter 167

Chapter 167

Despite everything, Sherlyn was a little uncomfortable. “Mom, I do like Mister Jeremy, but he’s a married man. That’s why I hesitate a little. What if

Lilliana, however, did not think that was a problem. “So what if he’s married? Remember how I stole your father from his wife, and look how far I came. If his wife can’t keep her man, then shame on her. Everyone has the chance to fight! Sherlyn, listen to me. It’s better to be Mister Jeremy’s mistress than marry an ordinary man. You have a whole life in the future, and there’s a chance for you to become his wife in the future, too!”

It sounded like solid advice, but Sherlyn was genuinely faltering. “But he’s a cold and proud person. I don’t really dare to go near him...”

“He’s the young master of the first-tier family, a man who has had power over everything since he was a child. It’s normal to have that kind of personality. Don’t worry. After we finished eating, I’m going to bring you to buy something good!” Lilliana tried to convince her daughter.

“What is it?” Sherlyn asked.

“You’ll know later!” said Lilliana, intending to keep her idea a secret until they finished their meal.

Despite her mother being mysterious, Sherlyn trusted her. Her mother was always a person with many tricks up her sleeve, and she reckoned her mother must have thought of a good idea for her

After both of them finished eating in The Wild Bites, Lilliana brought Sherlyn to the market.

Even with a hat and a pair of sunglasses on, Sherlyn was unable to cover how disgusted she felt. It was not a place suitable for a celebrity like her.

“Mom, why did you bring me here?”

Lilliana smiled cynically. “Aren’t you going to cook for Mister Jeremy tonight? You have to buy the ingredients now.”

“You know I don’t know how to cook,” grunted Sherlyn. “I’ll just order some food and pretend I cook them!”

Lilliana pulled her daughter to a quiet corner and lectured her softly. “You don’t know anything! I’m going to buy a special mushroom called cordyceps. It’s going to taste delicious when cooked with fennel. Most importantly, those two ingredients can enhance aphrodisiac activity in men. Once Mister Jeremy eats them, he’s not going to be able to hold himself. I’ll go to the hotel and cook for you tonight. After tonight, you’re going to be Mister Jeremy’s woman!”

Sherlyn’s cheeks turned rosy red as she excitedly looked at the vegetable and cordyceps in the bag, thinking her mother was a genius to come up with this idea.

At the same time, Corinne took a taxi to go back to the Holdens’ estate. When she was about to enter, a white van drove up to her.

The driver rolled down the window and waved at her. “Hey, Miss. Do you know which one is the Holdens’ estate?”

Corinne stood still and looked at the fat driver with sunglasses. “Why are you looking for the Holdens’ estate?”

The driver giggled sillily. “I’m here to deliver what they ordered from me, but they didn’t give me a detailed address. I only know it’s somewhere around here, but I don’t know which one.”

Corinne raised her brow alertly. “And what thing is this that you want to deliver?”

*Just some groceries, vegetables, and fruits. They’re at the back of my car,” the driver explained cheerfully and used his thumb to point to the back.

Corinne looked over the back of the van...

Suddenly, the back door of the van opened, and a man with his face covered by a mask appeared and used a spray mist to spray on Corinne’s face. Instantly, Corinne passed out.

Before she fell to the ground, she was pulled into the van by the man.

He closed the door, and the van drove away quickly to flee the scene.
