

## Kiss Me Goodnight, Mrs. CEO!

### Chapter 31: This Is The Car Young Master Prepared For You

They were curious about Zuo Weiyi. What kind of woman was she, to be able to move their big boss?

“Don’t you have to work?” While the maids were focusing their attention on Zuo Weiyi, a cold voice sounded.

The maids regained their senses and saw Aunt Yu standing there with an indifferent look. Although she was past sixty, she still had that authority that no one dared to offend her.

When the maids saw her, they quickly lowered their heads and continued with their tasks at hand.

Zuo Weiyi turned her head to the direction of the voice and saw Aunt Yu.

She remembered Shi Yuting mentioning that this woman was Aunt Yu and that she could look for her if she needed anything.

“Miss Zuo, are you going out?” Aunt Yu was calm without a smile on her face, giving off an unapproachable feeling.

Zuo Weiyi halted for a while and looked at her. “I’m going to the office.”

She then opened the door and walked out of the mansion without looking at Aunt Yu.

When she stepped out of the mansion, Zuo Weiyi was stunned by the view.

It was a huge courtyard with a huge fountain. One look at it, the gate was a few hundred meters away.

Zuo Weiyi stared in bewilderment. It was indeed her first time seeing such a huge courtyard.

She dared not imagine how rich Shi Yuting was.

She dared not even evaluate this mansion.

Such a huge courtyard! If she were to walk to the main gate, she estimated she would have to spend ten minutes?

“Miss Zuo.”

While Zuo Weiyi stared in bewilderment, she heard Aunt Yu's voice from behind.

Zuo Weiyi turned her head and saw Aunt Yu standing stoically behind her. In her hand was a walking stick made of red sandalwood.

“Do you know how to drive?”

Zuo Weiyi nodded. “Yes, I do.”

Aunt Yu stretched out her hand and very quickly, a maid passed her a bunch of keys.

“Young Master has prepared a car for you. You may use it freely.” Aunt Yu handed the keys over to her.

Looking at the keys, Zuo Weiyi was taken aback.

Shi Yuting prepared a car for her?

“It's not necessary. I'll hail a taxi.” Zuo Weiyi declined as she thought there wasn't a need. She turned and was about to leave.

“The nearest bus stop is two kilometres from here. It's a forty-minute journey to the city from here by bus, and no hired cars will come in here. Miss Zuo, are you sure you want to hail a taxi to the city?”

Zuo Weiyi stopped walking.

She turned to look at Aunt Yu.

The nearest bus stop was at least two kilometers away and she was unable to hail a taxi?

This meant that if she were to walk to the nearest bus stop, she would need one hour, and getting to the city would take another hour and a half?

No, that wouldn't work.

If she were to sum up the amount of time spent waiting for the bus, getting down, and walking to the office, she would need at least two hours!

This meant that if she woke up at 6 am in the morning, it would be 6.30 am after washing up and going downstairs. She would then arrive at the office at 8.30 am. If there was interference like traffic congestion, she would definitely be late for work!

Zuo Weiyi looked at the keys in Aunt Yu's hand.

Maybe she should use the car today.

She accepted the keys from Aunt Yu and asked, "Where's the car?"

"To the right of the entrance."

Following Aunt Yu's directions, Zuo Weiyi walked toward the right with the car keys in her hand and arrived at a big garage. She walked in and when she saw the luxurious cars, she was dumbstruck.

### Chapter 32: She Saw Shi Yuting?

There were dozens of cars and each was limited edition worldwide.

She looked at the car keys in her hand. On it was the logo of Maserati, another limited-edition sports car!

Never had she expected that she could drive such a luxurious sports car one day!

When she arrived at the office, it was 12.30 pm.

It was lunch time.

Zuo Weiyi took the elevator to her department.

When she walked to her table, she found that everything was gone.

She was puzzled and frowned. She was only absent for a week and now all her things have disappeared?

"Weiyi? Why are you here?"

Zuo Weiyi turned her head and saw her colleague.

"Ah Ya, why are all my things gone?"

Ah Ya looked around and when she was sure nobody was nearby, she walked toward Zuo Weiyi and said carefully, "Don't you know? You didn't come in for a week. The manager reckons you've quit!"

Quit?

Zuo Weiyi was extremely shocked!

She did not come for one week and they reckoned she had quit?

As if reading her mind, Ah Ya, her colleague, took pity on her. "I understand that something has happened to your family. However, the manager says that this is not a vegetable farm where you can come and leave as you wish. So, he..."

Ah Ya pursed her lips and did not continue.

Zuo Weiyi understood clearly.

Indeed, it was so.

After her mother's death, she couldn't work. Her mobile phone had been crushed and nobody from the office could contact her. They were certain she no longer wanted to work.

She was still under probation and the company rules stated that all apprentices who were absent for more than one week will be considered voluntarily resigned.

"I understand, thank you."

She forced a smile and left the office.

It was September and the day was hot.

Zuo Weiyi walked along the road alone aimlessly.

She had not taken her breakfast that morning and felt a little hungry. So, she lifted her head and tried to look for a place to eat.

When she lifted her head, she accidentally spotted a familiar figure.

Was that...Shi Yuting?

She frowned. In a French restaurant not far away, she saw Shi Yuting.

Beside him stood a tall pretty lady who looked about her age. Her arm was hooked through Shi Yuting's intimately then and both of them were walking into the restaurant.

Zuo Weiyi was in a daze.

Wasn't Shi Yuting someone who didn't like to go near women? Who was the girl beside him?

Zuo Weiyi advanced toward the French restaurant. It was as if her feet were disobeying her orders.

When she stepped into the restaurant, she couldn't hear Shi Yuting's voice. She frowned slightly and suddenly thought she might have mistaken someone else for him.

So, she turned and was just about to leave.

Grr...her stomach started to protest.

No matter how hungry she was, this kind of fine dining restaurant was not one she could afford.

Zuo Weiyi turned and was about to look for a hawker stall to get herself something to eat.

Just as she was about to leave, she heard a man's voice.

"Weiyi?"

Zuo Weiyi turned her head and saw Ye Fan, a boy who had pursued her previously, standing there!

"It's really you!" The sight of her made Ye Fan really excited.

Although Zuo Weiyi was surprised, she was calm as she had no feelings for him.

"Ye Fan!"

Before Zuo Weiyi could open her mouth, a woman's voice could be heard from behind.

### Chapter 33: Shu Yun'er's Sarcasm

This voice was one which was extremely familiar to Zuo Weiyi. It belonged to the girl who had plotted against her, Shu Yun'er!

She turned her head and saw Shu Yun'er walking over gracefully. She was smiling but her beautiful eyes were full of enmity.

“Ye Fan, what are you doing?”

Ye Fan turned her head and took a glimpse at Shu Yun'er. “Weiyi is here too. Let’s eat together.”

“Maybe she has a date?” Shu Yun'er turned and smiled at Zuo Weiyi. “Right?”

Zuo Weiyi was not bothered.

Ye Fan turned and was rather doubtful of Shu Yun'er’s words. “Weiyi, do you have a date?”

Shu Yun'er immediately shifted her gaze and waited for Zuo Weiyi to reply.

The expression in her eyes was like a warning for her to hold her tongue.

Zuo Weiyi met Shu Yun'er’s gaze and had no fear. Instead, she smiled and said, “No, I’m here to have lunch too. Let’s eat together.”

Shu Yun'er gnashed her teeth angrily and wished she could skin her alive!

“Alright then, let’s eat together!” Ye Fan smiled and then brought the two ladies to their seat in the center of the restaurant.

Zuo Weiyi was walking in front while Shu Yun'er tailed her.

Zuo Weiyi could feel a pair of eyes filled with enmity behind her, waiting to pierce through her spine!

“Weiyi, what would you like to eat? Please feel free to order!” The three of them sat down. Ye Fan shoved the menu to Zuo Weiyi.

Shu Yun'er, who was sitting on the opposite side, was so angry she kept stomping her feet.

Her furious eyes kept glaring at Zuo Weiyi!

Zuo Weiyi was not bothered. She took over the menu and ordered some food for herself without feeling shy.

Her calm look made Shu Yun'er angrier!

“Oh yes, Weiyi, why did you leave early during our previous gathering?” Ye Fan asked Zuo Weiyi while waiting for the meals to arrive.

Zuo Weiyi glanced at Shu Yuner. "No reason. I drank too much and went home early."

Listening to their conversation, Shu Yuner, who was sulky, suddenly smiled. "Went home? Zuo Weiyi, I heard someone saying that you left Charm of Night the next morning?"

Zuo Weiyi looked at her. "You heard? Wasn't that part of your plan?"

After all, she had to thank her. If it were not for Shu Yuner, she wouldn't have had the chance to know Shi Yuting!

Not to mention get close to him!

Upon hearing this, Shu Yuner's face turned dark. "Zuo Weiyi! What do you mean?"

"Isn't it true?"

Shu Yuner stiffened and was speechless!

She did plan this, but the plan did not go on smoothly because Zuo Weiyi had left in the midst of the gathering, using a toilet break as an excuse. She, on the other hand, did not know how to explain to Mr. Ong as she had promised him a beautiful lady that night.

Shu Yuner was so furious she had nothing to say. Then, she suddenly snorted.

"Hmph, you went fooling around with who knows which man and you're too embarrassed to mention it, so you're placing the blame on me?"

"You're the one who fools around with men, isn't it?" Zuo Weiyi knew very well that Shu Yuner really cared for Ye Fan and she wanted to use this weakness of hers to sow discord in front of Ye Fan!

Who asked her to plot against her?

As expected, Shu Yuner's face changed. She looked anxiously at Ye Fan, followed by a glare at Zuo Weiyi.

### Chapter 34: You Mother Is A Mistress

"What do you mean? Since when have I fooled around with men?" Shu Yuner was most afraid that Ye Fan would dislike and avoid her. It had been difficult for her to finally win over his heart and she would not allow Zuo Weiyi to spoil it!

“One night, I saw you coming out from a hotel in the middle of the night...” Zuo Weiyi sneered at her and dragged the last word on purpose.

“Zuo Weiyi! Stop making malicious remarks!” Shu Yun'er was anxious. She looked at Ye Fan, afraid that he would believe what Zuo Weiyi was saying.

“Then, stop pretending that you don't know. You know best what you did during our previous gathering!” Zuo Weiyi retorted.

Her keeping quiet didn't mean she was stupid and could be bullied.

“Hah! That's right. I definitely hate you but I didn't do anything to you that night. It was you who stayed at Charm of Night until the next morning!”

“You didn't do anything? You dare say you didn't spike my drink?”

She couldn't believe. If she had entered another person's room that night and if the person had bad intentions, wasn't her entire life going to be doomed?

Although she didn't know Shi Yuting's thoughts about her, her instinct told her that Shi Yuting was not a bad man.

At least for now, she didn't think he was.

Shu Yun'er was stunned.

Suddenly, she remembered something.

That's right. That night, she saw Zuo Weiyi drinking the glass of wine with her own eyes.

Her friend told her that once that drug entered one's body, only a man could alleviate its effect. There was no other antidote.

So, that night, if Zuo Weiyi did not go to Mr. Ong's room, how did the effect of the drug within her disappear?

Suddenly, Shu Yun'er had a strange smile.

“I don't understand what you're saying. Zuo Weiyi, you're the one who can't withstand loneliness and wishes to look for a man. Don't you dare blame me!” she sneered. Suddenly, she was feeling confident.

That night, Zuo Weiyi drank that glass of wine and left Charm of Night the next day. That meant if the effect of the drug within her had been soothed, she must have had sex with a man!

The thought of this made Shu Yuner smile. She was very pleased with herself.

Zuo Weiyi clenched her fists!

Since she had deliberately planned to destroy her, why should she be nice to her?

“I can’t withstand loneliness? That night, weren’t you fooling around with men when you walked out of the hotel?” Zuo Weiyi accused Shu Yuner.

She had never seen Shu Yuner walking out of a hotel. She said that deliberately in front of Ye Fan.

Wasn’t Shu Yuner trying to destroy her? Then, she should strike first to gain the upper hand.

“Zuo Weiyi! That’s enough!” Shu Yuner was completely mad. She hit the table and stood up!

Zuo Weiyi was calm. She looked at her. “Enough? I’m not done yet. The man who walked out with you from the hotel looked familiar...”

That moment, Zuo Weiyi was pleased with herself for lying smoothly without a script and with every sentence making sense.

However, before she could finish her sentence, Shu Yuner, who was sitting across from her, picked up a glass of water in front of her. Without hesitating, she splashed the water onto Zuo Weiyi’s face.

“Yuner!” Ye Fan, who was taken aback, screamed to stop Shu Yuner.

Shu Yuner ignored him completely. She was too angry and lost all rationality.

“Zuo Weiyi! Why are you so pleased with yourself? Don’t you think I don’t know that your mother is a mistress. You’re the illegitimate daughter of Jiang Huaiyuan, the chairperson of the Jiang Group, aren’t you?”

## Chapter 35: Sore Spot!

This matter, which was beyond expectations, was something she had stumbled upon on the Internet a few days ago.

Outside the main entrance of Jiang Group office, her mother had hung a sign stating that she was a mistress and knelt to beg for Mrs. Jiang’s forgiveness.

She had been in the same university as Zuo Weiyi for four years and she had never known that Zuo Weiyi was someone's illegitimate daughter. No wonder she took on her mother's surname. So, she and her mother were the illegitimate daughter and mistress!

Zuo Weiyi looked unkempt with the water splashed on her face but what stabbed her heart violently was Shu Yun'er's words.

"I heard that your mother died rescuing you. If you hadn't made a scene in front of Jiang Group, your mother wouldn't have died, would she?" Shu Yun'er smiled as if she had touched Zuo Weiyi's sore spot.

Tears filled her eyes and her heart was attacked by a throbbing pain.

She had been reluctant to accept the fact that her mother died rescuing her.

That day, if she had not dragged Qiu Yun to the middle of the road, would her mother not have died?

When Shu Yun'er saw that she was silent with her head down, she added, "You don't have to feel sad, because..." She looked at the unkempt Zuo Weiyi and smiled. "Your mother deserved to die. Who asked her to seduce another person's husband and ruin their family? This is retribution. What your mother did deserves more than death!"

Zuo Weiyi was initially blaming herself but when she heard what Shu Yun'er said, she looked angrily at Shu Yun'er and spat out word by word, "Say it again!"

"Isn't it so? Your mother is a shameless scheming b\*tch. She deserved to be killed by a car!"

Slap!

Shu Yun'er felt a sudden burning pain across her cheek.

She widened her eyes and stared at Zuo Weiyi in disbelief. "You dare slap me?"

Zuo Weiyi did not utter a single word. She stared at Shu Yun'er and left the table.

"Weiyi!" Ye Fan tried to run after her.

His gesture enraged Shu Yun'er even more. She rushed forward and gripped Zuo Weiyi's arms, then pushed her violently to the side towards the dining table.

Zuo Weiyi was facing her back towards Shu Yun'er and she couldn't ward off the sudden attack. She was being thrown towards the dining table violently!

The sound of plates shattering on the floor drew the attention of many people in the restaurant.

Zuo Weiyi fell to the ground and in the next second, she felt piercing pain on her palm. It was so painful that she broke out in a cold sweat and her brows were knitted tightly.

“Weiyi!” Ye Fan rushed towards her and helped her up from the ground. “Are you alright?” he asked.

Ye Fan saw that Zuo Weiyi’s right palm was covered in blood.

His concern for Zuo Weiyi infuriated Shu Yun'er once again. She walked over and pushed Zuo Weiyi away from Ye Fan!

Zuo Weiyi staggered and fell backward.

She thought that she would fall to the ground once again but suddenly, she felt someone catch her by the waist.

After steadying herself and turning around, she saw that handsome face.

When he saw her wet hair and unkempt appearance, Shi Yuting knitted his brows slightly. He thought he had seen the wrong person.

The next second, he saw the blood on her hand. A faint chill filled Shi Yuting’s usual calm eyes.

“What happened?”

He was just about to leave after his meal and when he heard the commotion, he turned and saw a person who looked like Zuo Weiyi. That was why he had walked over.
