When the World's Billionaires Come Knocking by J.M.J Chapter 25

Chapter 25 Young and Free

The police arrived in time and took all of them into the police car.

Greyson wiped the blood on the corner of his mouth. When he put Kady down just now, he was beaten, and his gums bled.

Kent and Pearce also looked terrible. After all, they were just ordinary students, and they had no experience of fighting.

If Greyson hadn't suggested confronting them, Kent would have chosen to compromise. But this time, he felt the passion of friendship.

Money couldn't buy such an emotion.

They would have many things to recollect years later.

They were young, proud, and happy..

Because of this, Kent kept this friendship in his mind.

They were all taken to the police station. After interrogation, the police got to know what was going on.

It was quite troublesome to deal with such a case. After all, there were debt disputes.

For those students, the police just educated them and let them go back to school.

They still had to pay the debts. As for the sum, they still needed to negotiate.

Kady and his men were aggressive. Even though they were in the police station, they still shouted that they would kill Greyson and his

friends.

They didn't put those students in their eyes at all.

After coming out of the police station, Pearce asked, "What if they take revenge on us?"

Greyson handed a cigarette to them, "There is no way out. We have to fight to the end."

"If we don't kill them, we will have trouble."

"But how?"

Kent lit the cigarette and asked.

"Let's talk about it after getting back."

Greyson remembered that Rebecca had the evidence. He called Rebecca.

Rebecca was anxious, "Are you alright?"

"I'm going to ask my father for help."

"I'm fine. We're out. But it isn't settled."

"Don't worry. We will come to see you when we get back."

As soon as they got back to school, they came to meet Rebecca immediately.

After Rebecca showed the video she took to the three people, Greyson got the video through his mobile phone.

"I'll take care of the rest. So don't worry."

Pearce said, "If you need my help, just call me."

Kent put his arms around their shoulders and said, "Thank you, my

bros!

"You are my best friends."

“Let’s go get some drinks.”

After a fight, their states of mind changed a lot.

In the past, they never had the guts to fight against gangsters.

But now, it was different. They were fearless.

The three of them and Rebecca went to have a barbecue.

“Shall we invite Stephanie?”

“I don’t think so. It’s not proper.”

Rebecca was a part of this matter, so she was invited.

At the barbecue stand, Kent shouted, “Boss, give us more beers!

“And give us all the barbecue you got.”

Rebecca said, “What’s wrong with you? I will go to order the dishes.”

Rebecca only ordered some delicious food, because she was still sober.

Kent was so excited that he almost lost his mind.

Bang!

Kent bit open the beer bottle. “Come on, men! Let’s drink!”

“After what we experienced today, I will always be loyal to you.”

“Cheers!”

All three raised the bottle and Rebecca poured a glass for herself.

They toasted and the three boys raised their heads...

They finished the beer in one go.

After drinking, Kent put the bottle heavily on the table, "Great!"

"What a good life!"

"Let's have another shot!"

Then...

The three boys finished another bottle.

Rebecca glanced at them and remained silent.

She wouldn't stop them right now.

It was rare for them to be so happy.

She could deal with them when they all got drunk.

After drinking three bottles, Kent gave a hiccup. "Alexis is really unkind. He won't be my friend anymore."

Alexis had never been kind to his friends. But as long as there was any benefit, he would always show up.

Greyson said, "There is no need for this. It is impossible for people to treat everyone as best friends in their whole life, nor can they be sincere to everyone. There are only a few friends who can be relied

OIT.

"Doesn't an ancient wise man say that it is enough to have a confidant in one's life!"

"Alexis is just a passerby in your life. Don't take it to your heart."

Rebecca looked at Greyson surprisingly, sighing that her boyfriend was extraordinary.

She did find a different temperament in Greyson.

Many people couldn't be so tolerant.

Pearce nodded, "You're right."

Just as they were having the barbecue, Kent said, "Rebecca, just try whatever you want to taste. Don't care about us."

"I don't want to care about you."

Rebecca smiled, and she looked obedient.

Rebecca sat next to Greyson and handed over some barbecues she had bit from time to time.

"Just have it. I have helped you try if it's poisonous."

Seeing them do PDA, Pearce had a look of disgust.

The three of them drank and ate barbecues.

Greyson gave Rebecca a wink. "Go and pay the bill later."

"Okay."

Rebecca kept quiet and she was ready for it.

That night, the three finished many bottles of beer and Rebecca drank two bottles.

Looking at the way they staggered and could not walk steadily, Rebecca just smiled.

People could indulge when they were young and didn't restrain themselves.

Just let their passion shine.

This was youth!

”

Rebecca paid the bill quietly and watched the three boys staggering along the side of the road.

Just as Rebecca wanted to approach them, she saw them shamelessly take out their dicks to pee.

Damn...

Rebecca turned over and pretended she didn't see anything.

With the booze, the three boys sang songs with their hands on each other's shoulders.

They were happy.

Rebecca envied that they were so free and wild.

Those boys forgot all their worries.

Rebecca went back after sending them back to the dormitory.

When Alexis saw that they were back and drunk, he cursed, "Damn! You motherfuckers. You went to have midnight snacks, but you didn't invite me."

Hearing that, Kent became furious. He had been drunk. Now he glared at Alexis and cursed, "What else can you motherfucker do except for ask for food and drinks for free?"

"Alexis, I wasn't being ruthless.

"But you don't deserve my kindness.

"Did you know what we three have done?"

"We fought with the loan sharks! Damn it! We were all beaten hard. If the police didn't come in time, we would have died!"

“When we shared the pain and hardship, where were you?”

“How dare you say that we didn’t invite you to have midnight snacks?”

“Even if I invite you, do you dare to eat? Shame on you!”

Cursed by Kent, Alexis sat back on his bed. Greyson stopped Kent, “Enough. Just forget it.”

Alexis literally had a hard mouth. “Damn. Did you have a fight with someone? You didn’t call me. If you did, I would definitely come!”

Pearce couldn’t stand it, “Didn’t we call you? You are unwilling to come!”

“What the fuck are you acting for?”

“Enough. Let’s stop! It’s time to go to bed.”

They all lived under the same roof. If they didn’t like each other, they could no longer contact each other. They didn’t have to quarrel.
