When the World's Billionaires Come Knocking by J.M.J Chapter 46

Chapter 46 Rebecca's **Battle of Wits with Her** Mother

Due to the rush to meet Rebecca, the two of them did not prepare to stay overnight in the provincial capital this time and went straight back to Ravero.

If you get too tired along the way, find a place to rest.

The two took turns driving and spent over ten hours, finally arriving in Ravero after 3 am

.

In order to inform Rebecca that he had returned, Greyson posted a Moments update, working day and night.

Back in the apartment, the two of them didn't say anything and went to bed after washing up.

I was too tired from rushing all the way.

The next morning, Rebecca saw the Moments post that Greyson had sent and smiled happily.

Due to his mother's recent strict control, Greyson dared not send any messages randomly.

This circle of friends was just a signal.

Rebecca was happily watching when her mother came knocking on the door.

"Dong dong dong –"

"Rebecca, wake up."

"Mom, I didn't go today. I wanted to sleep in."

Rebecca protested.

Mom pushed open the door and said, "What's the meaning of this? You've only been exercising for a few days?"

"If you don't study hard now, how can I entrust my business to you in the future?"

Carolyn had her own trading company, neither big nor small, with a net worth of several tens of millions!

Someone like her, in the entire society, can only be considered as less than average and more than enough.

Aston was in the antique business and had a net worth of a couple of billion.

The couple worked hard individually and did not interfere with each other's business.

Rebecca got angry and said, "I didn't want to go. Can't you let me have a day off?"

Aston heard them arguing and came over to advise, "Just let her take a day off, there's no need to be so strict with her every day."

Carolyn glared at him and said, "What do you know?"

She suspected that her daughter was in a relationship, but she didn't tell Aston about it.

With Carolyn's mindset, once a sign is discovered, it must be nipped in the bud.

If left unchecked and allowed to develop, it would be impossible to bring it to a close, and one would have to resign oneself to it.

others

Prevention is Carolyn's usual approach.

Rebecca refused to get out of bed today, no matter how much she was called

I was so annoyed!

I didn't know what she meant, so I guarded myself like a thief.

Seeing Rebecca refusing to move, her mother also got angry and threw her bag. "Fine, then I won't go to work today. I'll stay at home with you"

Rebecca was speechless.

Aston also didn't know what his wife meant, anyway, this holiday she seemed to be at odds with their daughter.

I used to bring her with me every day

He also didn't want the mother and daughter to have such a strained relationship, so he gave a few words of advice.

Little did he know, Carolyn glared at him angrily and said, "You don't need to worry, I'm doing this for her own good."

Rebecca got up, and after washing up, she started to tidy up her things.

"What did you want to do?"

"Couldn't I go to my grandmother's house?"

"I will tell Grandma about you and see if she used to treat you like this before."

"I was already an adult, but I had no freedom at all. I don't believe you were so honest before."

Mom looked embarrassed as she was complained to by Rebecca.

Aston looked at his wife and smiled without saying a word.

When she was young...

My own wife was from Medwich, and she had a rather adventurous personality. When she was in her teens, she dared to travel far and wide.

Later, I met myself and finally settled down.

I heard that Rebecca went to her grandmother's house to complain, and she couldn't bear the shame on her face.

It could be because she knew her own personality and was afraid that Rebecca would repeat the same mistakes she made when she was young, that she kept a close eye on her.

Aston saw his wife lose face, covering her mouth and laughing without saying a word.

"Alright, alright, then you can rest at home for a day."

In the end, I couldn't resist my daughter's insistence and she chose to take a step back.

Actually, it is impossible to control when a girl starts dating. She can only try to delay it as much as possible.

"Aston, stay at home and accompany her today!"

After saying that, she picked up her bag and left, looking a little angry.

Aston seemed to have guessed something, "Rebecca, why are you arguing with his mother?"

"You knew her temper."

Rebecca snapped. "Doesn't she get tired? She's always staring at me like a thief. I'm already an adult, you know?"

"There was no dignity or freedom at all."

Aston looked at his daughter and asked, "Have you been in love?"

Rebecca rolled her eyes.

"How could you be just like her?"

Aston looked embarrassed and said, "What I meant was, if you were dating someone, you could bring them home for us to see and help you with some advice."

"If this boy satisfied everyone, wouldn't his mother be relieved?"

"Stop twisting my words, you two are so naughty."

After saying that, she plopped down on the sofa and said, "Dad, you can go and do your work."

"I rested at home."

Aston was cunning compared to his wife. "Can you go to the store for me? I have something to do today."

Why did I want to find some time to meet with Greyson? Why are all of you like this?

Annoyed!

At that moment, she really wanted to run away from home.

"I didn't go!"

Rebecca was not in a good mood.

Aston was actually just testing the waters, after all, he was very concerned about his daughter's lifelong affair.

She could also date, but as parents, we should help keep an eye on it, just in case she encounters a scumbag.

"Then I went to the store, you can handle it yourself at noon," Aston picked up his bag and left,

"I knew it!"

Rebecca was very impatient.

As soon as her parents left, she immediately called Greyson and said, "Pig, have you come back?"

"I came back around three o'clock last night, where were you? I was waiting for your call all the time."

Rebecca thought for a moment, "You should find a more hidden spot, my mom has been watching me."

Hidden spots?

"Then I went to book a room."

She couldn't find it only in the hotel.

What if she catches me while I'm out shopping?

"Suit yourself?"

Rebecca got up and tidied up a bit, then admired herself in the mirror.

Hmm, not bad.

Still so beautiful, youth is like fire.

After leaving the house, Rebecca hailed a taxi by the roadside.

"Beauty, where did you go?"

"Go... um..."

Rebecca suddenly noticed the car behind her and upon closer inspection, she realized it was her mother.

Oh my goodness!

She didn't go to the company originally, she stayed downstairs and kept watch.

Rebecca was speechless.

“To Shining Bookstore.”

After the taxi driver dropped her off at the bookstore, Rebecca casually bought a book and then took a taxi back.

“Ah, this girl actually went to buy books? Could it be that I misunderstood her?”

Watching her daughter go upstairs, Carolyn pondered.

She picked up her phone and dialed a number, “Rebecca, I’m coming back for lunch.”

Rebecca was furious.

This meant that she could not go out anymore.

“Got it!”

I replied angrily and hung up the phone.

Then, Rebecca saw her mother’s car leaving from the window and dejectedly called Greyson.

“Where did you go?”

Greyson said, “I was about to go to the hotel, have you come out yet?”

“Don’t go, he couldn’t make it today.

“Ah?”

“Where are you then? I’ll come over to see you.”

“No, I was being watched closely by my mother.”

“It’s okay, I just went to your house window to take a look, without disturbing them.”

Rebecca’s heart warmed, her gaze fixed on the hotel outside the residential area.

“Hey, I’ll send you my location. Come here.”

“I just needed to come back by noon

Greyson checked the time and it was past nine o’clock.

Without hesitation, he rushed to the hotel across from Rebecca’s
