Zhen Wuxiang was another genius of the First Order of Enlightenment, Omi didn't like them, so he had to go and steal Zhen Wuxiang.

Of course, only one elder didn't go away, and that was Nong Xiaotian.

Nong Xiaotian paid a small obeisance to Omi and called out with a smile, "Young Minister."

Fortunately, no one saw it, or else they would all die of surprise, Nong Xiaotian, a hall elder, actually bent down and called Omi 'Minister Shao'

"Nong Xiao Tian, could it be that you want to take me as your disciple?" Omi asked.

Nong Xiaotian was shocked, busy: "No no no, Xiaotian has self-knowledge, how dare he be a master of the young minister, young minister don't discount Xiaotian." Nong Xiaotian was able to talk, a grown man, to Omi verbally addressed himself as 'Xiaotian', it was really comfortable to hear.

"Hahaha, you're a bit self-aware, unlike that group of elders, who vainly wanted to be accepted as a disciple, what a toad trying to eat swan meat."

Although Nong Xiaotian was embarrassed, he nodded his head repeatedly, "What I said is true."

Omi saw that Nong Xiaotian didn't walk away yet and asked, "Do you still have something else?"

"Uh, no no, I just want to say to minister young, the last time my son offended you, thank you for bearing with me, if there is anything I can use tsunami, just come and tell me, no no no, just send someone to inform tsunami."

"Hahaha." Omi smiled all over with relief and said, "Alright, I know, I'll find you when I need to." One second to remember to read the book

"Young Minister, then I'll go and see if I can snatch Zhen Wu Xiang as a disciple." Nong Xiaotian said.

Omi asked, "You want to take Zhen Wuxiang as your disciple?"

"Of course, I'm just afraid that I can't snatch it ah, a genius disciple of Zhen Wu Xiang's level, dozens of elders snatching it would be a fight."

Omi said, "Don't worry, I'll let Zhen Wuxiang be anyone's disciple, he'll be anyone's disciple. Since you call me a minister young man, I can't be without some indication, so I'll let Zhen Wu Xiang be your disciple."

"Ah." Nong Xiaotian was stunned, he was a bit unbelieving, Zhen Wu Xiang would listen to Omi? It seemed that Young Minister's energy was really extraordinary, Nong Xiao Tian couldn't help but worship Omi all over again.

Omi looked towards Zhen Wu Xiang, who was not far away at the moment, being persuaded by dozens of elders, each of them persuading Zhen Wu Xiang to worship them and how they would do.

At this moment, Omi walked up.

Omi said, "Elders, don't grab it."

Dozens of elders looked back at Omi and snorted in displeasure, "Omi, we didn't rob you, what are you coming over here to waste your words."

Omi said, "I told you guys not to rob, naturally I have my reasons. Because, it would be a waste for you to rob, I just want you guys not to waste your energy."

"What do you mean?"

"I don't mean anything, I just want to tell you all that it's not up to Zhen Wu Xiang to say who she worships."

"Then who is in charge?"

"Of course I'm in charge."

"You?" Everyone snorted at Omi, although they admitted that Omi was quite a genius, they never believed that Omi still had the energy to decide on Zhen Wuxiang's choice.

"Don't believe me? Well then, just ask Zhen Wuxiang." Omi looked at Zhen Wuxiang.

Zhen Wuxiang did not hesitate, under the gazes of dozens of elders, walked up to Omi and knelt down, "I pay my respects to big brother, little brother finished the examination today, I don't know which elder is better to worship, I hope big brother will help to refer to one or two."

"What." Dozens of elders looked at Zhen Wuxiang incredulously.

"Zhen Wuxiang, you're at least a genius on the same level as Omi, just a little worse, you don't need to belittle yourself like that." One of the elders reprimanded loudly.

Zhen Wuxiang, however, completely ignored his reprimand and instead snorted, "This elder, Omi is my big brother, I expect you to treat him with a little respect."

"You, Zhen Wuxiang, you're too unambitious, hmm, it's fine not to accept such an unambitious person." That elder threw his sleeves in anger and walked away.

The other elders also scolded Zhen Wuxiang for having no backbone and so on.

Omi laughed, "I'm sorry, all the elders, I think Elder Nong Xiaotian is good, so I'm going to recommend Nong Xiaotian to Zhen Wuxiang, so you all go back."

Dozens of elders looked at Nong Xiaotian and threw their sleeves away, but they were so angry that they didn't even accept a single disciple.

"Zhen Wuxiang, I'll let you worship Nong Xiaotian as your master, what do you think?" Omi asked.

"Everything will be arranged by big brother."

"Good." Omi smiled, Zhen Wuxiang's performance today, coupled with the last violent beating of Niu Dabao, two outstanding performances, so Omi decided to let Zhen Wuxiang rejoin the Light Cloud Alliance and become Omi's subordinate.

Nong Xiaotian said to Omi with an arch of his hand, "Thank you, Young Minister, don't worry, I will definitely teach Zhen Wuxiang well."

"Well, go ahead."

Zhen Wuxiang saw Nong Xiaotian all respectfully call out to Omi 'Minister Shao' inwardly felt that he had made the right decision.

After that, Nong Xiaotian led Zhen Wuxiang to leave first.

The assessment elder asked, "The second term disciple assessment is complete, do any of the first term disciples need to become an Inner Circle disciple earlier?"

"There." Don shouted.

"Anyone else? Anyone who had reached the sixth stage of Body Tempering could directly enter the inner enclosure without the need for an examination. Anyone who has reached the fifth stage of Body Tempering, if they pass the examination, they can also enter the inner siege in advance, and as for the disciples of the first realm below the fifth stage of Body Tempering, they are not eligible to be examined in advance. Then, who else is there besides Omi who has reached the sixth stage of Body Tempering?"

"Me." Lu Yuxi walked out and said, "Elder, I've reached the seventh stage of Body Tempering."

"Uh, a one-term disciple has reached the seventh stage of Body Tempering, really good, what's your name?"

"Lu Yuxi."

"Well then, come press the talent sensing stone on your hand and check your talent score."

"Good." Lu Yuxi walked up and pressed his hand on the sensing stone, in fact, Lu Yuxi had pressed the sensing stone before he came to the Flying Cloud Sect, when it was rated very average by the family.

"150 points, gosh, you actually have 150 points." That assessment elder was shocked.

Lv Yu Xi said inwardly, "I was only 90 when I was in the family, how come I came here with a higher talent score." There was nothing to be excited about Lu Yuxi, after all, he had seen many high scores in the family.

The assessment elder said, "That bunch of elders, they were just pissed off by Omi, it's not surprising that there's still a genius in the first class of disciples, hahaha, how about this, Lv Yu Xi, I'll recommend a master for you?"

Lu Yuxi looked at Omi and said, "No need, thank you Elder."

"Why don't you need it, in the inner circle of the Flying Cloud Sect, the difference between having a master and not having a master is great, and it's still an elder master."

At this time, Omi walked up and smiled, "Thank you Elder for taking care of my maid, she doesn't need a master, she has me and that's enough."
