"Report this to Master beforehand and see what he says." Yang Qian Dao.

Elder Shejun was drinking morning tea when Yang Qian ran in.

"What for."

Yang Qian was busy speaking, "Master, Lie Yueye is back."

"Hmph, still knows how to come back, why doesn't he die far away."

"Master, when Leye Moon Eyes came back, his nose was bruised and swollen, and he smelled of urine."

Elder She Jun was not sympathetic in the slightest and said, "Good fight, this no-good one just needs a beating."

"Master, Lie Yueye said that after he was scolded by you last night, he wanted to go to take out his anger on Omi, but as a result, Lie Yueye didn't know that Omi was stronger than him, so."

"What? It was Omi who did that?" Shejun's gaze chilled.

"Yes, Master, we can't be indifferent now that Lie Yueye is being bullied like this. No matter what, Leye Eyes is still your heirloom disciple, and for Omi to treat him like this, this is not even considering your face."

"Considering my face? Hmph, he's done all the things to make me get down in public, and he would still not dare to humiliate Lie Yueye in the district?" Remember the URL .kanshu8.net

"Uh." Yang Qian was stunned, too.

"Master, then what are you going to do with Omi? He humiliated you in public, are you just going to let it go?"

"Just leave it at that? Do you think it's possible?"

"Then why didn't you do it?"

"You don't think for the teacher don't want to? I would like to skin you alive on the spot. Unfortunately, there are so many elders in full view of the crowd, and as an elder, I'm sure I'll be laughed at for laying hands on a child, but I didn't say I'd let him go. Is there still a district trivial matter for the master to personally do." Shejun said with a glare at Yang Qian, meaning to have his disciple do it for him.

"Uh, what do you mean by Master's?"

"Yang Qian, I'm now officially telling you that the time has come for you to show your loyalty to my master. You several brothers and sisters, I'll see who can make my master the happiest."

Yang Qian was delighted inside, "Master is so gracious to me, I will definitely punish Omi properly and make old man happy. Master, don't worry, we will definitely make your old man happy."

Elder Shejun nodded his head in satisfaction and said, "Tell the other brothers and sisters what I just said, it's up to you how you make my master happy, I'll wait for your good news."

"Good."

"By the way, Yang Qian, I heard that you have a crush on Tang Huan? Trying to bag her?"

"Uh, Master, how did you know about this?"

"You think you can hide it from my master, but I have to tell you, Tang Huan is Omi's sister."

"Ah, so, if I have to clean up Omi, I'll lose Tang Huan."

"Yes, in your mind, it's the woman or the teacher who is important, you measure it yourself."

"Of course Master is important, what's Tang Huan, I originally just wanted to keep her and then kick her out when I got tired of playing with her. Since Tang Huan is Omi's sister, then I won't keep her, but just because I don't keep her doesn't mean I can't have her, I'll just drag her up to the mountain and circle fork her, Master, do you agree with the disciple doing this?"

surname She

Elder Jun smiled darkly, "All Omi's relatives, none of them are good people, that Tang Huan is so cheap, that's how you should treat sluts, Master made an exception this time to support you, but remember, do it in a more secretive way, you are going to become a big man in the future, you can't leave a black spot on your future reputation because of this kind of thing."

"Yes, Master, then I'm going."

"Go, and remember to tell the other brothers and sisters what I just said."

"Good."

Yang Qian walked out of Elder Shejun's cultivation room, but Yang Qian was about to go and tell his master what he had just said so that the other brothers could compare who could make him the happiest when Yang Qian stopped. Yang Qian thought inwardly, "This is a matter of showing filial piety for my master, the first one to do this is definitely the one who will make my master the happiest, I'd better not tell the other senior brothers yet, after I first go and give Omi a good beating, then the other senior brothers will go after that. This way, I'll be the first to do this, and Master will definitely appreciate it the most. Fellow division brothers, don't blame me, we all have selfish intentions."

Thus, Yang Qian didn't tell the other division brothers for the time being and went alone to find Omi. The other division brothers, had no idea that going to clean up Omi now could show filial piety, otherwise everyone would swarm there, and Yang Qian's contribution wouldn't be so great.

At this moment in the periphery of the Flying Cloud Sect, many disciples cried and embraced some of their companions to say goodbye, and then left the Flying Cloud Sect on a large bird sent by the Flying Cloud Sect.

A whole scene of parting.

Soon, most of the people who hadn't passed the assessment left, and there were many fewer people on the outskirts of the Flying Cloud Sect.

Not long after, not far from the Light Cloud Alliance, a large mature looking man looked at the Light Cloud Alliance from afar, he was Yang Qian who had just come out of the Flying Cloud Sect's inner perimeter.

Yang Qian looked at the door of the Light Cloud Alliance and snorted, "Light Cloud Alliance, trash, I'll tear down your door today, I'll have your Light Cloud Alliance disbanded from here on out."

Yang Qian was about to start forward when he suddenly thought of Lie Yueye, Yang Qian pondered and said, "Lie Yueye was hung up all night yesterday, and this morning was also forced to drink urine by Omi, Master was subjected to such a strange humiliation, if I just demolished the Light Cloud Alliance and beat Omi half to death, I'm afraid I can't equal Omi's humiliation of Master. If I want to make my master happy and satisfied, I must naturally be more ruthless than Omi. However, if I kill Omi, I myself will be dealt with by the Flying Cloud Sect, and my future will be ruined, and the loss will outweigh the gain. Then?" Yang Qian turned his head to look around and saw a shed in the distance with a sign on the door, "Light Cloud Alliance special latrine."

Yang Qian snorted, "Fine, I'll throw Omi into the cesspit and let him have a taste."

Saying that, Yang Qian went straight to the Light Cloud Alliance.

"Stop, this is Light Cloud Alliance's important land, no one is allowed to enter." Two second year disciples at the gate stopped Yang Qian without knowing the meaning of the word.

Yang Qian snorted, "Looking for death."

"Bang Bang." With two kicks, Yang Qian kicked the two second year disciples at the gate, then straight into the Light Cloud Alliance.

Omi was chatting with his sister in the courtyard, Omi didn't refine the talisman today, the sales were very poor these days, probably because of the assessment.

At that moment, one of his men ran in and shouted, "Boss, it's bad, someone is forcing his way into the Light Cloud Alliance."

"Who dares to force their way into my Light Cloud Alliance." Omi's face chilled.

"It's me." In the next second, Yang Qian entered the courtyard.

Covering his mouth in shock, Tang Huan recognized Yang Qian at once.
