

King of kings

1718

Tang Huan's eyes were red.

Omi said, "Huanhuan, the Tang family was destroyed, but I don't think your father is dead, except, I don't know where he's hiding."

"Brother, what's all this about?" Tang Huan asked.

Omi said, "I'm to blame for all of this."

Omi told them the whole story.

"Ah."

They realized that it was all because of Omi.

"Alright, it's over, so let's not think about it too much. We'll take you back to the Four Seas now." Omi said.

At that moment, the man called Liu Qingfeng was busy saying, "Senior Tang, are you taking them away so soon?"

Liu Qingfeng was a bit anxious, he hadn't even properly confessed to Yan Xinyi ah.

Omi looked towards Liu Qingfeng and said, "Do you have anything else?" Remember the URL .kanshu8.net

"Me, me." Liu Qingfeng looked at Yan Xin Yi several times in succession.

Omi said, "You don't like her, do you?"

As expected, Liu Qingfeng immediately turned his head, held Yan Xinyi's hand and said, "Xinyi, do you know me? I like you, I really like you, I've wanted to say this for a long time."

Yan Xin Yi pulled out Liu Qingfeng's hand in a panic and looked somewhat depressed.

Although Yan Xinyi was a little girl on the outside, she was already an adult on the inside, and she had a husband in the mortal realm, so how could she like Liu Qingfeng, a young man in his twenties, who was indeed a little kid in her eyes.

"Qingfeng, don't be like that."

"Xinyi, I really love you, and now that your master is taking you away, I'm afraid I won't have the chance to see you again. That's right, you might be surprised how I like you, it's your maturity and wisdom that attracted me, although you are young, you are more mature than both Tang Huan and Yu Xi, so I'm in love with you." Liu Qingfeng said in a passionate manner.

Omi inwardly said, no wonder he had the face to make a move on a little girl, so it was the maturity of his teacher's wife that made him involuntarily ignore her appearance and treat her as an adult.

"Qingfeng, we're good friends, we'll meet again."

"No, Xinyi, I." Liu Qingfeng felt that if he didn't seize the opportunity right now, he definitely wouldn't have any more interactions with Yan Xinyi, because he had just seen that Yan Xinyi's master, Omi, had eyes full of superiority and didn't even look at him, so he felt that if he didn't confess and let Yan Xinyi stay for him, he wouldn't have a chance.

Yan Xin Yi still wanted to say something else, at this time, Omi pre-empted him and said, "Liu Qingfeng, don't dwell on it, you don't deserve her, if I were you, instead of dwelling on a woman here who doesn't deserve her, I'd bless her that she can find a man worthy of him in the future, understand?"

"Me." Liu Qingfeng was very unhappy inside and said, "Senior Tang, you're not Xinyi, how do you know that she doesn't have any feelings for me."

"Yo, you don't seem to be convinced yet. Hehe, don't say whether she has feelings for you or not, even if she does, one word from me can make her have no feelings for you, understand?"

"Well, are you going to stick it to me? What's wrong with me." Liu Qingfeng was unconvinced and actually started to resent Omi, thinking that your apprentice can restrict people's love.

The clan brother beside Liu Qingfeng, Liu Baiqiang said, "Senior Tang, our Liu family, we are one of the largest families in the Triple Sea, you are a bit too much to say."

"What, your Liu family is in the Triple Sea what?" Omi doubted if he had heard wrong.

"Hmph, my Liu family, is also one of the largest families in the Triple Sea, say something you don't like to hear, Senior Tang, you'll be at the YuanYing stage if you die, not afraid to tell you that

, in my Liu family, we have a handful of YuanYing stage, and there are also quite a few at the Exodus stage, and my Liu family, we also have strong Exodus stage people." Liu Baiqiang said.

Omi looked at these two frogs at the bottom of the well and wanted to laugh a little, but he didn't want to.

A frog at the bottom of the well is a frog at the bottom of the well ah, and they said that Omi was at the infant stage.

Was Omi going to tell them that Omi could walk across the Four Seas?

Or, have they never heard of it, the reputation of the Don?

It was also true that they had gone on a training trip for more than a year, where had they heard about the big event that happened in the One Heavy Sea this year.

"I'm not bothering to talk to you guys, Xinyi, you can say it yourself, do you like this Liu Qingfeng, if you like him, I can agree to you guys being together." Omi said as he looked at Yan Xinyi.

"Master, you can't be serious, how could I like him." Yan Xinyi was no longer polite, after all, she had already meant it so clearly, Liu Qingfeng still wanted to pester her, so she had to ruthlessly refuse.

"Liu Qingfeng, I'm sorry, I only treat you as a friend, thank you for taking care of me." Yan Xinyi refused.

Liu Qingfeng's face was livid.

Liu Qingfeng's clan brother Liu Baiqiang snorted, "Brother, forget it, you're the first genius of the Triple Sea, he may not be worthy of you yet."

After saying that, Liu Baiqiang added, "Yan Xinyi, you'll regret it, you might not know that Qingfeng's grandfather, is a strong man at the Exaltation stage."

"Uh." Yan Xinyi shuddered, even Tang Huan and Lu Yuxi were a bit surprised, they hadn't expected that Liu Qingfeng's grandfather was a strong man at the Out-of-Body stage.

Liu Baiqiang saw Tang Huan and Lu Yuxi's looks and snorted, "Do you know why we didn't tell you earlier that Qingfeng's grandfather was an Exaltation stage strongman? That's because, Qingfeng said that he wanted to attract you by virtue of his charm, and not because of his grandfather."

Omi burst out laughing, "I'm a little confused, what does 'trying to attract you by virtue of his charm, and not because of his grandfather' mean?"

"Hmph, don't pretend, if you knew that Qingfeng's grandfather was at the out-of-the-loop stage, I'm afraid you would have approved of your apprentice being with Qingfeng. You'd be happy if you had an out-of-the-loop stage person to guide you, I've just reminded you that my family, even out-of-the-loop stage, but unfortunately you don't cherish it, and now you've lost your chance in vain. With his grandfather's dotting on Qingfeng, having his grandfather mentor and guide you is a sure thing. Pity, pity, there's no use regretting it now."

Liu Qingfeng was busy saying, "Alright, Bai Qiang, stop it."

Right now, Omi really wanted to shoot his grandfather to death, Nima, a frog at the bottom of a well, thinking how awesome the Exaltation Stage was, and still showing off in front of Omi, unbeknownst to him, Omi didn't even know how many Exaltation Stages he had shot to death.

Lu Yu Xi said inwardly, "Out of the tricks stage, my father is also out of the tricks stage, alas, alas."

None of them knew what realm Omi was in today, they all subconsciously believed that Omi was at most multiple infants and even at the Spiritual Harmony stage, after all, no one believed that Omi would be able to soar to the Exaltation stage in a year or so.

"Brother, let's go, back to the Triple Sea, there are more beauties to fall back on."

However, Liu Qingfeng said, "Xinyi, can you give me another chance? You come back to my family with me, and I'm sure you'll change your impression of me when you go to my family, okay?"

Yan Xin Yi refused, "No need."

At that moment, Omi said, "Why not? I've never been to the Triple Sea anyway, so what's the harm in going there once, so why not visit his family."

"Ah." Yan Xin Yi was startled, Tang Huan and Lu Yu Xi both looked at Omi in confusion, did Omi really hear that his grandfather was out of the box?

"Hmph." That Liu Baiqiang burst of contempt, at the same time the heart is very proud, an out of the box stage, not attracted to death you, just said not worthy, now own face it.
