

# King of kings

1720

"Pounce." Liu Baiqiang hadn't finished his sentence when Liu Qingfeng's grandfather pounced on his knees.

"Ah, grandpa, what are you doing?"

"Old ancestor." Liu Baiqiang was also shocked to see Grandpa Liu Qingfeng kneel down.

Tang Huan, Lu Yuxi, and Yan Xinyi all looked at Omi in bewilderment.

Only Liu Qingfeng's grandfather knelt down and said, "I don't know how much Senior Tang is driving over the top, but I hope Senior Tang will be kind enough to spare our Liu family."

"Bang bang." Liu Qingfeng's grandfather repeatedly kowtowed several times.

"Grandfather, you."

"Kneel down."

"Grandfather."

"Kneel down." Liu Qingfeng's grandfather shouted, his voice devoid of any emotion, as if he was in danger. Because Liu Qingfeng's grandfather was well aware that Omi had exterminated two families in the Four Seas, not to mention the Three Seas, and if he wasn't careful today, the family would be gone.

Liu Qingfeng saw his grandfather's face so terrifying and panicked for the first time in history, so he also panicked and knelt down. The first website [m.kanshu8.net](http://m.kanshu8.net)

Liu Qingfeng's grandfather looked at Liu Baiqiang and shouted, "Liu Baiqiang, why don't you kneel down and kowtow to Senior Tang."

"Grandfather, I am."

"If you don't kneel down, I'll shoot you to death." Liu Qingfeng's grandfather yelled.

"Ah." Liu Baiqiang was dumbfounded when he saw how fierce the old ancestor looked, the old ancestor used to be nice to him, then as fierce as he was now, he threatened to shoot him to death.

Liu Qingfeng's grandfather immediately raised his palm.

"Don't, I'll kneel." Liu Baiqiang panicked and knelt down, inwardly blurting out, the old ancestor was really crazy.

Tang Huan, Lu Yuxi, Yan Xin Yi, all looked confused at the moment, what kind of person was Omi, who had only said one word since the beginning, and scared someone like a great enemy of an out-of-the-box family owner?

At this moment, all three of them had changed their previous thoughts, just now they were complaining that Omi wasn't as berserk as he used to be, and even less spirited. However, now that they saw Grandpa Liu Qingfeng, who was trembling on his knees, they realized that they were wrong, Omi was still the same Omi that had once been in the Feiyun Sect.

Omi slowly lifted the cup of tea that the maid had just served and slowly drank it again, then put it down and said, "What's your name?"

Grandpa Liu Qingfeng replied nervously, "Back to Senior Tang, the younger generation is called Liu Last Chong."

Omi said, "Liu Last Chong, Liu Qingfeng is your grandson?"

"Yes."

"What do you think about your grandson trying to chase my apprentice?"

"Forgive senior to open grace, my grandson he has eyes but no pearls, does not know the high ground, vainly wishing to fly up the branch and turn into a phoenix, offended the orderly, really."

"Hmph, you think, a sentence of offended is useful."

Grandpa Liu Qingfeng cold sweat, whispered, "What does Senior Tang have to ask for, please express it, don't scourge my family ah."

"Fine, I can not scourge your family, you just need to shoot Liu Baiqiang, Liu Qingfeng, and the two of them to death on the spot."

"Ah." Liu Qingfeng's grandfather's body trembled.

Liu Qingfeng and Liu Baiqiang were both silly.

"Grandfather."

"Grandfather."

"Shut up." Liu Qingfeng's grandfather shouted, as if he was making a decision.

Omi said, "Kill, do you want me to give you a time limit?"

"Senior Tang, did I really kill them both, and you?"

"Yes. I'll leave your family alone."

"Good." Liu Qingfeng's grandfather bit his teeth, looked at Liu Qingfeng and Liu Baiqiang and said, "Qingfeng, Baiqiang, for the sake of the family, I have to do this, I hope you understand."

"Grandpa, why." Liu Qingfeng shouted, his grandfather who loved him so much was going to kill him, what kind of person was Omi.

Liu Baiqiang cried, "Grandfather, I'm not convinced, Omi who the hell is he, why are you so afraid of him, he's only a YuanYing stage ah."

Liu Qingfeng's grandfather ridiculously said, "YuanYing stage, thanks to you to say it, Senior Tang, in the Four Seas have all already exterminated two families, the Ning family, Yu's, in the Four Seas. You two useless people, you actually provoked Senior Tang to mess with me, you, deserve to die." Liu Qingfeng's grandfather's eyes were incomparably complex.

"What? The family of the Four Seas." Liu Baiqiang and Liu Qingfeng were dumbfounded, how could this be possible, if it was true, then their triple sea's Liu family could indeed be exterminated with a lift of the hand.

Tang Huan Lu Yuxi Yan Xinyi, all three of them were shocked, Omi had exterminated two families in the Four Seas, oh my god.

Liu Qingfeng's grandfather was about to shoot Liu Qingfeng and Liu Baiqiang to death when Omi said, "Alright, let's count them lucky this time and spare them once."

"Ah." Liu Qingfeng's grandfather was overjoyed and said in a panic, "You guys still aren't kneeling down, thanking Senior Tang for not killing them."

"Thank Senior Tang for the grace of not killing." Liu Qingfeng and Liu Baiqiang panicked and knelt down.

Omi walked out of the hall without looking back.

Tang Huan's three men immediately followed until Omi and the others were far away, then they dared to raise their heads and sit on the floor.

"Brother, you."

"Tang Shao."

"Division."

"Alright, I know you guys have a lot you want to ask me, let's ask again when we return to the Four Seas, right, Lv Yuxi, this time when we return to the Four Seas, your parents will be saved. Now that your Lv family is in front of me, Omi, I'm afraid you won't dare to let out a fart."

"Thank you, Tang Shao." Lv Yuxi said excitedly.

I never thought that Omi would be able to rescue her parents and relatives so quickly and trample her entire family underfoot.

Omi left the Triple Sea and returned to the Four Seas, just now in the Triple Sea, but just to give Liu Qingfeng and the others a scare, he did want to kill them, but they had been practicing with Tang Huan and the others for a year, after all, they were considered friends, so in the end, he spared their lives.

"Brother, what kind of strength do you have now? You really exterminated the two families of the Four Seas?" Tang Huan asked.

"In short, the Four Seas, you can also walk across the sea." Omi said.

"Ah." Lv Yuxi and the others were shocked, even they could walk horizontally in the Four Seas, how strong would that be? Lv Yuxi was from the Four Seas Lv family, so she knew better what the concept of being able to walk horizontally in the Four Seas was.

"Tang Shao, I worship you too much." Lv Yuxi's eyes blazed as she looked at Omi, so handsome and powerful, Lv Yuxi swore that she would never find someone as perfect as Omi in this world.

Omi smiled speechlessly.

Soon, we arrived at the Four Seas.

"I'll take you guys to meet Mu Qianji first, then go to the Lv family."

"Mm." Lv Yuxi nodded busily.

Omi arrived at the inn and knocked on the door.

Soon after, a dusty Mu Qianji opened the door.

"Omi, you're finally back." Mu Qianji said when he saw Omi, then smiled at Tang Huan and the others, "You've finally come, I guess Omi had a hard time finding you."

"We only met with Tang half a day ago as well."
