

King of kings

Chapter 1721

Omi took a shower, then he and the five of them, Mu Qianji, Tang Huan, Lv Yuxi, and Yan Xingyi, had a full meal at the inn.

After the full meal, Omi said to Lv Yuxi, "Yuxi, you can take me to your family now."

"Just the two of us are going?"

"Yes, they stay at the inn, and when you finish your business and resume your status as the eldest miss of the Lu family, it won't be too late for them to come back to your family as guests."

"Mmhmm." Lv Yuxi nodded excitedly, she had waited for this day for a long time, she could finally return to her family and become a Miss of the Lv family.

Omi and Lv Yuxi walked out of the inn and took a beast carriage, heading straight to the Lv family, Omi didn't need to rush, just go slowly in the beast carriage.

Omi's hands were trembling with excitement when he saw Lv Yu Xi sitting in the beast carriage.

Omi asked, "Yu Xi, did you really want to see your parents."

"Mm." Lv Yuxi cried and nodded her head, when she left the family back then, she was only 14 years old, in fact, Lv Yuxi was also a strong girl.

If she hadn't run into Omi, it wouldn't have been so quick or even difficult for Lv Yuxi to return to the Lv family in her lifetime.

"Tang Shao, thank you." Lv Yuxi said wiping her tears. Remember the website .kanshu8.net

"Oh, silly boy, it's fate that you're able to meet me, it's just a hand up for me. Besides, I have an even bigger gift for you yet."

"Ah, a bigger gift for me? What?"

"Just as well, let's give you the big gift first." After saying that, Omi flipped his hand and a few sixth grade spirit stones appeared in his palm.

"Sixth grade spirit stones?" Lu Yuxi was startled.

"Never seen it?"

"That's not true, my father used to have a few sixth grade spirit stones, but sixth grade spirit stones are too precious and my father only let me look at them a few times."

Omi said, "These sixth grade spirit stones are all yours, I'll help you refine them."

"Ah." Lu Yuxi felt incredulous, originally with Lu Yuxi's realm, it would have been impossible for her to refine the sixth grade spirit stones to death, only with Omi's help, she could refine them.

Sixth-grade spirit stones were usually only refined by those who were strong at the Exaltation stage, and they were extremely slow, only being able to refine a sixth-grade spirit stone for more than half a year.

With Omi's help, in less than ten minutes, Lu Yuxi had refined five sixth grade spirit stones.

"Wow." Lu Yuxi was amazed, too fast, even her father, back then it would take more than half a year to refine a sixth grade spirit stone, and it was not even possible to refine it under the out-of-body stage.

"Don't be surprised, there's something even more surprising, feel your realm carefully." Omi said.

Lu Yuxi discovered that her realm, was soaring wildly.

Yes, it was truly soaring, unknowingly, it had already soared to Spiritual Healing, and the speed hadn't stopped.

"Me."

"Don't talk, wait, if nothing else, you'll soon become a strong person of the first stage of Exaltation."

"What, first stage out of the tricks, I, my father is only at the first stage out of the tricks." Lu Yu Xi was shocked.

A few minutes later, Lu Yuxi really underwent a fish leap change and became a strong person of the first stage of Exaltation.

"Heavens, I'm a first stage out of the tricks." Lu Yuxi was filled with incredulity, so much so that her entire body was stunned.

She wasn't even 17 years old yet, reaching the first stage of Exaltation, since ancient times, even since there had been immortal cultivators, there hadn't been anyone who had reached the Exaltation stage so quickly, right?

Lu Yuxi even wondered if this was true.

"There's nothing to be surprised about, and don't be proud, because you're not the youngest Exaltation Stage." Omi said.

"Uh, there are younger ones than me? If you don't count."

"Of course, I'll upgrade Tang Huan and Yan Xinyi later on as well."

"Uh, in that case, Xinyi's only 14 years old or less and she's out of the bag

Period."

"Oh."

Soon, the beast carriage arrived at the Lu family's gate.

Lu Yu Xi looked at the Lu family gate and was incomparably excited, she was finally back again.

Omi said, "Go up and kick the gate open."

"Ah, does it have to be like this?"

"Yes, how else can you express your anger."

"But in my Lü family, there are all strong people of the ninth stage of Exaltation, and there are also several ancestors who have reached the Combination Stage and entered the Five Seas, we haven't reached the point where we dare to be rude in the Lü family ah."Lv Yuxi said.

Omi said, "Trust me, go ahead and vent your anger."

"Good."

Lv Yu Xi walked up and kicked.

"Boom."The gate was blown open.

"Who dares to cause trouble in the Lv family."

Not long after, a few people from the Lv Family flew out.

"Ah, Lv Yuxi."A group of people were taken aback when they saw Lv Yuxi standing at the gate.

"Lu Yuxi, you still dare to come back."A Spiritual Healing Stage man snorted.

Lu Yuxi said, "Lu Zhu, I will definitely settle the score with you for that year."

"With you."The man called Lv Zhu was disdainful, seemingly unaware of Lv Yu Xi's momentum.

Omi said, "Yu Xi, don't be polite, if you have a grudge, just go up and shoot it straight, you're already at the first stage of Exaltation now, the Lü family can shoot it all below the Exaltation stage."

"This."

"There's no point in being softhearted, as long as you think that what he once did, is enough to warrant a death sentence."

"Good."Lu Yuxi's gaze chilled and a wink rushed up.

"Bang."Lv Yu Xi slapped that Lv Zhu with a single slap.

At that moment, not far away, an old man of the sixth stage out of the box saw the entire process of Lv Yu Xi fearing the death of Lv Zhu and was filled with rage.However, he didn't act because he saw Omi.

That old man raged, "Lv Yu Xi, you dare to kill your fellow clan members."

"Me."Killing a fellow clan member was a very heavy crime, and Lu Yuxi was shocked.

Omi walked up, looked at that old man who was at the sixth stage of out of the box, smiled and said, "Fellow Daoist, killing a fellow clan is nothing, maybe you will be the next one to kill."

"Omi, what do you mean?" That old man looked at Omi and raged.

Omi asked, "Lu Yuxi, who is he? Was there a grudge against you back then?"

Lu Yu Xi nodded, "His name is Lu Chang, he's the one who harmed my parents, and everything that happened to me is because of him. His son, who had a conflict with my father, helped his son frame my father."

"So, this is a big enemy."

"Mm." Lu Yuxi nodded.

Omi smiled, "In that case, I'll help you slaughter him."

"Okay, thank you Tang Shao." Lu Yu Xi nodded his head.

That Lu Chang raged, "Omi, you dare." Lu Chang was furious that he dared to make a spectacle of himself in his Lu family.

Omi said, "What? You don't think I can kill you? Hehe, when I killed Ning Fang, and Yu's Third Ancestor before, you were also on the scene, right, your strength, bracing yourself for death is on the same level as Ning Fang, killing you, it's nothing."

Lu Chang was livid, when Omi killed Ning Fang and the others before, he was indeed on the scene, but he didn't expect that people who were thought to have no interaction with each other would come to kill him today.

Just as Omi was about to strike, an old man on a distant roof flew in and said, "Fellow Daoist Tang, can you give me a face and show mercy."

Omi's eyes saw that it was an eighth stage out of the box, and Omi said, "Who are you, you are worthy of me giving you face?"
