

King of kings

been putting up with you for a long time, let's go, to your home, today we'll settle old and new scores together." Omi dragged Blue Fox Watch to the 99th floor, which was upstairs.

Then kicked in the 99th floor door.

The Blue Fox Table family was tasting the fresh fruit that Blue Fox Table had brought back.

"Cousin, this?" Blue Fox Table's family was dumbfounded, and the waste downstairs, Blue Fox Chong, was so strong that he subdued Blue Fox Table.

Omi released Blue Fox Table and said, "Blue Fox Table, your family are not good people, killed 'my' parents, and often still bully 'me', today, I'll make you pay the price."

"Bang bang." In a few breaths, Omi killed all of Blue Fox Table's entire family.

"Ah, no." Blue Fox Table shrieked, at the same time, he was also dumbfounded, the formerly incredibly weak Blue Fox, who was left to be bullied by him, suddenly changed into a person today, killing his entire family in one go.

Omi snorted, "It's heartbreaking isn't it, did you ever feel bad when you killed the parents of the victim. Alright, it's your turn at last."

"Pah." Omi slapped over, and Blue Fox Watch's head was directly smacked away.

It was so easy to kill such a weak chicken.

Mu Qianji came up and said, "Why did you kill his whole family?"

"This family is just asking for it, bullying people everywhere by virtue of the fact that Blue Fox Table is the top ranked genius in the entire building, Blue Fox Chong's parents were the ones who were jointly killed by them, and since I'm disguised as Blue Fox Chong, I naturally want to take revenge for him."

"Since you've killed them now, you can't use Blue Fox Wuji's identity now, lest the Blue Fox family track anything down."

"Don't worry, I still have another identity, Blue Fox Wuji, when I went out of the city before and killed the search team of the eight major cultivation families, it was using Blue Fox Wuji's identity to go out."

"Well, let's get going then."

Omi closed the door of the Blue Fox Cousin's house, then quickly left.

One couldn't blame Omi for being ruthless, exterminating the entire Blue Fox Watch family must have gone too far, so the heavens arranged for Omi to clean up after them.

Coming to the street, Mu Qianji said, "Should I follow you to Blue Fox Wuji's house, or?"

"Suit yourself, but Blue Fox Wuji has a wife at home."

"Then I'd rather not go to Blue Fox Wuji's house, to avoid embarrassment."

"Oh, what do you call that, if it's embarrassing, I'll just kill Blue Fox Wuji's wife."

"Stop hurting the innocent, then I'll go with you, I'm a peasant woman with a body and an identity now, I'll just go to her house."

"Good." Omi didn't stop him either.

Mu Qianji gave Omi a meaningful look and then left.

Mu Qianji seemed to be wondering if Omi would take the opportunity to do anything with Blue Fox Wuji's wife.

Omi disguised himself into Blue Fox Wuji's appearance again, then returned to Blue Fox Wuji's home.

"Wuji, you're back." As soon as he opened the door, a pretty young woman called out affectionately.

"Mm." Omi hummed.

"Wuji, you've been searching outside the city for the past few days, I'm really worried about you, I heard that many of the Combination Stages that searched were killed by that heaven-killing one, not even a scrap was left, I thought you too."

"Oh, don't worry, my life isn't as bad as you think, how else could I have married a woman as beautiful as you." Omi said with his finger hooking the chin of that beautiful young woman.

"Mmhmm." The beautiful young woman blushed shyly, looking seductive.

Omi immediately searched Blue Fox Wuji's memory

, taken aback, Blue Fox Wuji actually had a lover, and that lover's identity was so big that it scared Omi.

"My goodness, no." Omi's heart was shocked.

This Blue Fox Wuji, was too much of that.

That lover, was none other than the Blue Fox Family, one of the fifteen Mahayana stage powerhouses, Blue Fox Lily.

Blue Fox Lily, a woman around five hundred years of age, had currently reached the first stage of the Mahayana realm. Blue Fox Lily had a husband, also at the Mahayana stage, named Liang Shan Gu, who was always in the Six Seas, so the two didn't see each other often, and Blue Fox Lily couldn't stand the loneliness and sought out a little fresh meat, and every time she finished her cultivation, she hung out with the little fresh meat, and this little fresh meat was exactly Omi's disguised identity at the moment, Blue Fox Wuji.

Omi was really stunned when he learned this information.

"Blue Fox Wuji, I've really underestimated you, I didn't expect that you are still the little fresh meat that the Mahayana woman is keeping."

Omi touched his chin, his eyes looking at this beautiful young woman at home, Blue Fox Wuji is really sorry for this beautiful daughter-in-law at home ah.

However, this was none of Omi's business, after all, Omi just happened to be disguised as Blue Fox Wuji.

Inwardly, Omi said, "That's good, maybe I can use Blue Fox Lily's identity to travel to the Six Seas more easily."

"Wuji, you're tired, I'll give you a back rub." Blue Fox Wuji's beautiful daughter-in-law said kindly.

With such a nice daughter-in-law, Blue Fox Wuji didn't even know how to cherish it.

Omi immediately searched Blue Fox Wuji's memories to see what kind of person that Blue Fox Lily was.

This search revealed that that great 500 year old woman, Blue Fox Lily, was a middle-aged woman with a somewhat old physique on the outside.

"Tsk, this taste, I'm convinced. Letting such a beautiful and virtuous wife at home not want to go as an old woman's fresh meat."

Omi lay on a chair, enjoying the massage of Blue Fox Wuji's wife.

"Wuji, is it comfortable? Stronger or smaller ah." Blue Fox's inimitable wife asked.

"Well, good, the strength is just right." Omi smiled pleasantly, if only Mu Qianji had massaged him like that.

Not long after, Blue Fox Wuji's wife, the massage pressed onto Omi's thigh.

"Uh, what are you doing?" Don's brow furrowed.

"Me." The pretty daughter-in-law immediately lowered her head and blushed, and Omi seemed to understand that she was teasing Omi intentionally or unintentionally.

It was a pity that Omi wasn't her real husband, or else he would've done her that.

Omi saw the blue fox Wuji's wife, who really seemed to be very much that way, and his heart was a bit torn.

"Fiery, whether I should put her on the spot or not, this beautiful daughter-in-law, day this virtuous, while her husband does not touch her, but also behind her back as a strong old woman's little fresh meat, it is.

It seems that Blue Fox Wuji will be killed by Omi, but it is also the will of the heavens, and the heavens sent Omi to take care of him.

Could it be that the heavens also sent Omi to save this beautiful daughter-in-law?

Thinking of this, Omi didn't bother to think about what Mu Qianji would do when he found out, he just rolled over and crushed Blue Fox Wuji's beautiful daughter-in-law.

"Hehehe."

"Qianji, I'm sorry, I didn't mean to betray her either, it's just, she's so pitiful."

"Wuji." Blue Fox Wuji's beautiful daughter-in-law cried in excitement when she saw that her husband was finally willing to touch her.
