

King of kings

1745

"Hollow, don't talk."

"Uh-huh."

A few hours later, Omi stood naked in front of the window, looking out the window at the sky.

Right now, Omi was regretting that he'd just gotten dizzy, and done something wrong to Mu Qianji.

However, it had already happened, so it was useless to say anything.

Anyway, Omi had had so many women in the mortal realm, and he was not a pure man.

Omi could only comfort himself how he could.

"Wuji, you're tired, drink some water." At this time, the beautiful daughter-in-law, whose face was still red, handed Omi a cup of water.

"Thank you."

"Wuji, what are you talking about, I'm your wife, it's the right thing to do."

"Oh." Remember the URL .kanshu8.net

"Wuji, Cai'er is a little confused, why these two years, you are not touching me, I thought you mistook some kind of spiritual medicine, resulting in incompetence, but just now." The beautiful daughter-in-law didn't dare to say more, she was very shy.

"Alright, let's not talk about this, you go out first, I want to be quiet."

"Who is Jing Jing?"

Omi rolled his eyes, but it didn't seem strange that the people of the spirit world didn't know who Quiet was.

"Get out."

"Good." Blue Fox Wuji's daughter-in-law left the room somewhat forlornly.

Omi exhaled deeply and entered into cultivation.

At this moment, Mu Qianji was in the home of a peasant woman who only had one daughter, and the two mothers and daughters were dependent on each other. The peasant woman's daughter, who was very beautiful, was often harassed by other people, and was almost defiled several times, so the peasant woman's daughter wanted to cultivate immortality very much, but unfortunately, because her

bloodline was too weak, and she didn't have the upper echelons of the family, she couldn't get any resources to cultivate immortality, so she could only have empty fantasies.

The reason why Mu Qianji chose to return here was because he wanted to help the peasant woman's daughter, because the peasant woman had died innocently before after all, so he could do something to make up for that peasant woman.

"Mother, aren't you an ordinary peasant woman?"

"Yu'er, actually Mother has always been an immortal cultivator." Mu Qianji deliberately found a reason, and then the peasant woman's daughter looked half-hearted, so Mu Qianji logically began to help her cultivate immortality.

Right now, the entire Five Seas, the eight great immortal cultivation families, were still sending people to search for Omi, but unfortunately, they found nothing.

A few days later, Omi was cultivating, suddenly, a man outside the window knocked on the window, this man was actually a distraction, Omi was shocked, the distraction to find.

Omi immediately searched his memory, only then did he realize that the man knocking on the window outside was a strong man of the Blue Fox Family's Mahayana stage, Blue Fox Lily's subordinate.

"You."

"Blue Fox Wuji, my master has been summoning you for so long, but you ignore it."

"Ah, I, I forgot about it." Omi pretended to be surprised.

"Hurry up, my lord is looking for you to go there." The man outside the window said.

Omi was depressed.

Blue Fox Lily was probably lonely again and summoned Blue Fox Wuji, but it was Omi who was using Blue Fox Wuji's identity at the moment.

What should Omi do, really go serve that old woman?

"Hurry up, what's the point of dawdling." The man outside the window bellowed, while at the same time, the eyes that looked at Omi were filled with jealousy, as if he hated to serve Blue Fox Lily instead of Omi.

Omi asked, "Can I go later?"

If he could, Omi would leave later and find a new identity.

"No, Old Lily said to go right away, and, let me escort you there."

"Ah, don't." Omi was depressed that this distraction was following him, Omi was simply

There was no escape.

"Don't go yet."

"Yes." Omi had no choice but to take a step and go to the Blue Fox Lily first.

"Fuck, this slutty old woman." Omi cursed inwardly, being closely followed by that Distraction Stage without the slightest chance of escape.

If that Blue Fox Lily really wanted Omi to do something, Omi would never, not even after doing something out of the ordinary to that beautiful daughter-in-law a few days ago, Omi already regretted it.

Soon, Omi arrived at the center of the Blue Fox family, a certain palace-like place.

Entering a large hall, he saw a young and beautiful woman, sitting above. This woman had a slim figure and a stunning appearance, she was a superior posture, more than ten times more beautiful than that beautiful daughter-in-law of Blue Fox Wuji, simply as good as Tang Huan and the others.

That beautiful woman, who looked to be about 20 years old, was currently holding a mirror and looking at her face.

The diverting stage powerhouse who had brought Omi here immediately paid his respects, "Greetings to the Heavenly King, Blue Fox Wuji is here."

That beautiful woman said without looking, "You go out first."

"Yes." That distracted stage filled with jealousy looked at Omi, then walked out of the main hall and closed the door of the main hall.

Omi looked at that beautiful woman and then scanned the entire palace, there was no one else but him.

"Strange, who is this beautiful woman? Why did that strong distraction stage person just now call her Sky King? Could it be that she is the Blue Fox Lily? No, according to Blue Fox Wuji's memories, Blue Fox Lily is an old woman ah."

At that moment, the beautiful looking woman spoke, "Blue Fox Wuji, why don't you pay homage when you see me."

"I'm sorry, I don't know you." Omi said.

"Hahaha, hahaha. Blue Fox Wuji, you don't know me, no surprise at all."

"Who the hell are you? Where's Lily Tenno?"

"Silly me, I'm Blue Fox Lily."

"How can that be."

"Blue Fox Wuji, I fought a few days ago with a few other family's Mahayana stage powerhouses and accidentally injured my flesh body, fortunately I survived only because my YuanYing took off my body, after that I reclaimed my body, because my YuanYing was also injured, so I didn't have time to choose the flesh body to reclaim, so I had to stay close to the principle. It just so happened that there was a woman not far away from me at that time, so I just took away that woman's flesh body. Thus, there is what you see me as you see me at this moment."

"Ah." Omi was shocked, not expecting that the old woman from before had now seized the body of a beautiful 20-something year old girl.

"Blue Fox Wuji, why are you still staring."

"Uh, oh, so." Omi said.

"Oh, Blue Fox Wuji, I have a nice body now, right?"

"Yes, it's quite pretty." Omi said.

"Unfortunately, it's just too weak, but if I hadn't been injured at the time of my infant's injury, I wouldn't have had no choice but to choose such a weak fleshly body." Blue Fox Lily said.

"Oh, that's not bad, so pretty, old and ugly before, now."

"Bold." Blue Fox Wu Da shouted.

"Ah, sorry, I, I slipped up." Omi's forehead broke out in cold sweat.

"Blue Fox Wuji, I never thought that I used to be such an image in your eyes, you disappointed me so much." Blue Fox Lily snorted.

"I, I didn't really mean to do that."

"It's just that you didn't lie, I was indeed old and ugly before, but you were able to serve me comfortably, so, Blue Fox Wuji, if you belittle me, you're belittling yourself, you know?"

"Uh, that's true." Don nodded.
