

King of kings

1793

Don asked, "What's it called?"

"Why should I answer you, I advise you to unlock me immediately, or else."

Omi's mind began to shrink as the locking circle began to contract, and he wouldn't honestly cooperate until he was given some pain.

"Ah." That person in charge screamed.

"Can you cooperate now? Otherwise you're dead, and you're not the only one in charge anyway, so I can go find someone else in charge." Omi said coldly.

"I'll cooperate, I'll cooperate." That person in charge said painfully.

"That's right, if you knew that, why did you have to suffer this pain."

"My name is Bai Xiaohui, I'm one of the people in charge of this auction house."

"Bai Xiaohui, since you're the person in charge of the auction house, I'm sure you're well aware of some of the things that have happened recently regarding the Yew Dynasty."

"I wonder which events you're referring to?"

"A few days ago, wasn't there a long king of the Mo Dynasty, who came here." Remember the URL .kanshu8.net

"Uh, well, it's, like, he said that our Yewyangtian prince, he captured his daughter."

"Yewyangtian?" Omi's eyes chilled, since His Majesty the Long Emperor said so, then it must be, Omi vowed to let this Yaoyang Tian die without a burial place.

Omi asked, "So, did Yaoyang Tian really capture Mo Yuyan?"

That Bai Xiaohui snorted, "So you're here to find Mo Yuyan, you're from the Mo Dynasty."

"Pah." Omi flashed over with a slap and said, "Now I'm the one asking you, if you interrupt again, I want you to die, say, did Yaoyang Tian capture Mo Yuyan."

"I don't know." Bai Xiaohui stared at Omi with hatred.

"You don't know?"

"I really don't know, I'm not familiar with Yew Yang Tian, besides, that day, your long emperor came personally, since Yew Yang Tian refused to admit it to death, it means that this matter won't be easily known, it must have been done extremely secretly. Unless it's someone beside Yaoyang Tian, who knows."

Omi said, "Do you know why I chose you? Because this is the auction house, a place where almost all immortal cultivators have come before, this is the relay station for information. Bai Xiaohui, I need to know now, who is very close to Yaoyang Tian, don't tell me you don't know, that person will definitely come here as well, even, Yaoyang Tian could have come to this auction house often."

Bai Xiaohui snorted, "That's right, Prince Yaoyang Tian does come here often, he's a regular visitor to our auction house."

"I want to find a close retainer of Yew Yang Tian, I'll give you half an hour, if you don't see anyone after half an hour, you'll die. You can now start getting the people below you to look for him."

"You really are a demon." After saying that, Bai Xiaohui took out a jade slip and shouted, "Come over to my cave."

Soon after, two old men from the Divide Stage walked in.

"Senior Bai, what are your orders?" The two old men who walked in asked.

Bai Xiaohui said reluctantly, "Is Rugan X coming to the auction tonight?"

"Yes, Senior Bai."

"When he arrives, you tell Rugan X to come to my place first."

"Okay."

"It's fine, you guys go out."

After the two men left, Bai Xiaohui said, "Lu Gan X is a red man beside Prince Yaoyang Tian, he must know if Yaoyang Tian has captured Mo Yuyan. Lu Gan X often comes to our place, sometimes in place of the Yaoyang Heavenly Prince, and sometimes he auctions them himself. Tonight he will come."

"Very well." Omi nodded.

"Can I let go of the ring around my neck now?"

Omi huffed, "I haven't even seen anyone yet and you want me to release them? Do you think I'm an idiot? I'm not letting you go until I see Rugan Ten, and you're not leaving here."

"Don't you dare make me."

; "I'll make you do what, how dare you bet your own little life?"

"Fine, you win." Bai Xiaohui gritted his teeth, it was clear that he was the strong one, Omi was weaker than him, and as a result he was threatened.

After waiting for a few hours, it was finally dark.

As soon as it was dark, someone knocked on the door outside.

"Come in."

A man pushed his way in, his face full of flattering smiles.

"Boss Bai, what are you looking for me for, is there something good specifically reserved for me." That obsequious man walked in with a hehehe smile, he was Lu Gan X, the red man beside the Yew Yang Heavenly Prince.

"Phew." Omi threw his hand again, trapping the man who came in.

"Ah, sh, what the heck."

Omi snorted, "I'll let you experience what's what." Said the locking circle began to contract.

"Ah." That Rugan Ten struggled desperately, his eyes viciously looking at Bai Xiaohui as he raged, "Bai Xiaohui, how dare you set me up."

Bai Xiaohui was depressed, "I also have it around my neck."

"Ah." Lu Gan X really did see Bai Xiaohui's neck as well.

Omi said, "Lu Gan X, now I ask you to answer, or else, die, do you hear me?"

"Hear."

"Well then, let's begin. Are you not the red man beside Yew Yang Tian?"

"Yes."

"Did Yaoyang Tian capture the Mo Clan's Imperial Princess Mo Yuyan?"

"There is."

Omi's heart was furious, and there really was.

"Where is Mo Yan now?" Don's heart was bleeding when he asked this, maybe for nothing, but he was definitely being played badly.

"I don't know."

"What, you don't know either?"

"Yes."

"You don't know, or you don't tell, if you don't tell, you'll die."

"I really don't know, that day we went out to the sea, we ran into Mo Yuyan, saw that she was very beautiful, our prince wanted to play with her, then he killed all her followers and brought Mo Yuyan back alone. After bringing her back to the prince's residence, I don't know where she went, if I'm not wrong, she should be locked up in a dungeon or somewhere else. No one has seen her since then, and the prince has instructed us to treat this as if it didn't happen."

"Hoo, son of a bitch." Omi clenched his teeth fiercely.

It seemed that it was necessary for Omi to sneak a trip into Prince Yaoyang Tian's mansion.

It wasn't difficult for Omi to do so, Omi only needed to disguise himself as Lu Gan X to enter, and as long as others didn't seriously look at his infant or run into a half-immortal powerhouse, he would usually not be discovered.

Omi's mind moved, and the spirit locking circle that lassoed Bai Xiaohui and Rugan X began to shrink rapidly.

"Ah."

"Ah, you're lying, you said you'd let me go."

Omi sneered, "You believe what I say, huh."

"Ah."

The two struggled desperately, but they couldn't struggle, Omi's Spirit Locking Circle, which directly locked the infant, couldn't be helped by anyone, no matter how powerful, unless they were half-immortal.

Soon, Bai Xiaohui was killed by Omi, and Rugan X was dying, Omi immediately disguised himself as Rugan X, and obtained information about Rugan X's memories, then killed Rugan X and destroyed his body, Omi walked out of the room.

Everyone thought he was Rugan X. No one knew he was Omi.

Omi learned from Rugan X's memories that he was ordered by Yew Yang Tian to come tonight to auction a magic weapon called the Black Dragon Whip, a top-grade superior magic weapon that could be auctioned off if the price was right. However, Omi apparently had no intention of auctioning it and went directly to Yaoyang Tian's residence.
