

King of kings

1794

Soon, Omi arrived at Yew Yang Tian's mansion.

"Meet Senior Lu." When they arrived at the gate, the few guards guarding the gate even greeted Omi, respectfully calling him Senior Lu.

Omi smiled and said, "Is Prince Yew Yangtian here?"

"In."

Omi swaggered into Yewyangtian's mansion to go unimpeded.

Omi searched Rukan X's memories and learned that in the backyard of Yew Yang Tian, there was a hidden underground chamber, a place that no one was allowed to approach.

Omi guessed that if Mo Yuyan was still alive, she must be held in this secret room.

Omi headed straight for Yaoyang Tian's backyard.

"Stop." At the gate of the backyard, ten Divide Stage powerhouses intercepted Omi at once.

"I'm looking for Yaoyang Tian."

"Insolence, this is the restricted area of the prince's house, what are you, daring to trespass and calling the prince by his name." One of the men of the ninth stage of divination was furious. One second to remember to read the book

Omi smiled, what's the point of talking so much nonsense with these trash, Omi flipped his hand and a circle appeared in his palm.

"Swoosh." The locking circle threw out and split into ten as it was thrown into the air, trapping the ten Divide Stage guards.

"Die." Omi only said one word, and the ten Distraction Stage guards were trapped dead.

"Ah, you, you're not Rukan Ten." The last one died, struggling to say those words, but unfortunately, it was too late.

After Omi killed those guards, he went straight to the backyard and found the entrance to the backyard's secret room.

At this moment, in the underground secret room.

Yao Yang Tian sat on a chair and laughed, "Mo Yuyan, I'll see how long you can hold out, I think in a few hours, or even a few more minutes, you'll be at my mercy, hahaha."

"Yaoyang Tian, you are despicable and shameless, I advise you to let me go immediately."

"Let you go? I won't let go of the meat that's in my hands."

"My grandfather won't let you go." Mo Yuyan threatened weakly.

"Your grandfather? I pooh-pooh, your grandfather, Dark Green, is probably already dead."

"No way, my grandfather isn't dead."

"Silly woman, I've been waiting for you for so many days, and if I don't F*ck you all day and night, I'll take your last name." Yao Yang Tian said.

Mo Yuyan was in despair, she really couldn't hold on any longer.

After Mo Yuyan was caught here, she activated a secret scroll, that secret scroll was a protective array, this protective array was not very large, it was just able to protect her to a three meter radius around her body.

Originally, Yaoyang Tian wanted to defile Mo Yuyan, but unfortunately, this protective scroll of Mo Yuyan was too strong and Yaoyang Tian couldn't break it.

However, Yaoyang Tian was not in a hurry because he knew that Mo Yuyan's protective scroll would definitely fail slowly.

Sure enough, in less than half a month, Mo Yuyan's protective scroll was going to fail.

If nothing else, it would expire in a few hours, or even minutes.

"Hahaha, hahaha." Yao Yang Tian looked at the incomparably anxious Mo Yuyan and laughed, the more anxious Mo Yuyan was, the more conquered he felt.

Mo Yuyan was anxious inside, "Why haven't my father and the others tracked them down here yet, why haven't they come to save me yet, if they don't come to save me, I'll really be tainted by this beast."

Yao Yang Tian seemed to have seen Mo Yuyan's pain and said, "Mo Yuyan, don't wait, no one will come to save you, real

By the way, your father came here about ten days ago, but unfortunately, I flatly denied that I didn't arrest you, and your father had no choice but to slink away. Now that your Mo Dynasty, is about to collapse, you will soon be reduced to a plaything under me."

"Impossible."

"Believe it or not, in addition I can tell you one more thing, your father wanted to ask Ma Diao to come out and save you, but unfortunately, Ma Diao refused, your Mo Dynasty will soon become the Ma Family's dynasty, hahaha. By the way, your father ended up having to impotently issue an imperial decree saying that whoever can save you will marry you to him. Unfortunately, no one came to rescue you at all, because no one was willing to be the prince's son-in-law of an imperial dynasty that was about to collapse and become a laughing stock, hahaha."

"Ah." Mo Yuyan was dumbfounded, Mo Yuyan who had been living in sweetness didn't know that the dynasty had so many hidden dangers.

Just at this moment, the protective scroll beside Mo Yuyan's side suddenly dimmed in color.

Yao Yang Tian immediately stood up from his chair, one hand reaching to his pants waistband, looking like he was about to take off his pants, while laughing, "Mo Yuyan, your protective shield finally can't take it anymore, I've been *Fcking waiting for this moment for half a month, now, let's see how I'm going to Fck you up.*"

"No, don't come over." Mo Yuyan cried out, at the same time, the protective shield around her completely dimmed, the protective scroll that had held up for almost half a month, finally failed.

"Hahaha." Yao Yang Tian let out a chilling cheap laugh.

"Don't come over." Mo Yuyan cried out and ducked into the corner.

Yao Yang Tian was a strong man at the seventh stage of the Divide Stage, and Mo Yuyan, a Combination Stage, was no match at all.

At this moment, Omi was standing on the stairs, which extended down from the entrance of the ground-level chamber.

Omi threw his hand.

In the blink of an eye, the Spirit Locking Ring was around Yao Yang Tian's neck.

"Eh?" Yao Yang Tian was startled, and he suddenly noticed that a circle instantly appeared around his neck.

"What is it?" Yao Yang Tian was busy touching the spirit locking ring, trying to take it off.

At that moment, there came Omi's voice: "Don't waste your energy, this is specially made for dogs, dogs can't take it off no matter what."

The crying Mo Yuyan immediately looked towards the place where the voice came from, and immediately saw Omi slowly walking down the steps, each step so elegant.

"Fellow Daoist Tang." Mo Yuyan's voice trembled with excitement, never expecting that Omi would appear in front of her when it made her despair.

Yao Yang Tian immediately looked back, only to see a stranger.

Omi had just disguised himself back to his true face when he came down.

"Who are you? Why are you allowed to enter my prince's house." Yao Yang Tian yelled.

Omi snorted, "I am the one who is about to take your life."

"You dare."

Omi scowled, "Whether I dare or not, just ask the dog collar around your neck, it has the most say."

"What, the dog collar? By the way, you just dared to insult me as a dog."

Omi said, "I didn't just insult you as a dog, your father, your mother, your whole family, all of them are dogs."

"You you you." Yao Yang weather trembled all over, never receiving such anger before.

“Who the hell are you?”

Omi snorted, “Since you’re so curious, I’ll let you be a dog that dies with a clear conscience, my name is Omi, Mo Yuyan is my friend, I’m here to save her.”

“Ah, you, you’re here for wanting to marry her?Specially to save her?”
