Omi laughed, "Your name is Zhu Zhou, now the three strongest of the Yao Clan are trapped by me, you only need one chapter to shoot that little bitch beside you now, and the Yao Clan Dynasty can become the Zhu Clan Dynasty, don't you want that?"

"Sorry, I don't want to, let them go immediately." Zhuzhou said loudly, he seemed to have made up his mind at the moment and was too lazy to seize power, so his tone became tougher.

Omi said, "Zhuzhou, I'll ask you one last time, do you want to save them? If you still want to save them, then don't blame me, I don't mind using another scroll to trap you as well."

"Ah." Zhu Zhou's face changed slightly.

Omi said to Mo Qing, "Uncle Qing, you go up and kill Yao Yin now, don't worry, Zhu Zhou won't dare to stop it, if he does, I'll dare to trap him as well."

"Good." Mo Qing nodded his head and rushed towards that Yaoyin.

"No." Yao Yin's face turned pale and shouted, "Senior Zhuzhou, save me."

Zhu Zhou was in a dilemma right now, he was really scared by Omi, he was really afraid that Omi would trap him as well. So, right now Mo Qing went to kill Yaoyin, he didn't know whether to save or not.

Yaobang who was trapped in the formation yelled, "Zhuzhou, what are you waiting for, go save Yaoyin yet."

Omi also yelled, "Zhuzhou, if you dare to save, I'll have you trapped and hung like them too."

"Me." Zhu Zhou was startled there, so torn. The first website m.kanshu8.net

However, Mo Qing was at the fourth stage of tribulation, and it was only a matter of moments before he shot to kill Yaoyin.

Zhu Zhou hadn't even thought about whether to save or not, Yaoyin had already been killed by Mo Qing.

"Ahhhh." The three strong men of the Yao Clan trapped in the formation roared in anger and pain, Yao Yin had been killed right under their noses, and they were helpless to do anything about it.

At this moment, Yaobang hated Omi, but he had to admit that he was terrified of Omi, a man who didn't look like he was only at the Mahayana stage, but, as usual, he could play with him, a man at the sixth stage of the Tribulation, and there was nothing they could do about it.

"Oooh, Yaoyin." The two trapped in the formation, Yao Ai and Yao Xiang, couldn't help but let out cries.

Mo Qing finished killing Yaoyin and returned to Omi's side, unaware that Mo Qing had all taken Omi as his leader.

Zhu Zhou sighed deeply, Yaoyin died, he didn't save it in time after all, now he couldn't even if he wanted to, he didn't want to seize power, but was there any choice now?

Omi said, "Senior Zhuzhou, congratulations, the Yao Dynasty has become the Zhu Dynasty, and you are the first long king of the Zhu Dynasty." Omi arched his hand in congratulations.

Mo Qing also arched his hand to congratulate, "Congratulations, Senior Zhuzhou."

Those two, Liu Bing and Song Complaint, also followed suit in congratulating.

"Alas." Zhu Zhou sighed deeply and looked at the three trapped Yao Bang.

Yao Bang, Yao Ai, and Yao Xiang were looking at Zhu Zhou with angry eyes.

Zhuzhou said, "Your Majesty the Long Emperor, Your Majesty the Second Emperor, as you can see, I was forced to do so, and I did not try to seize power."

"Zhuzhou, you have disappointed me."

"Indeed, I'm disappointed myself because my hesitation just now caused Yao Yin to be killed. However, I was also worried about being trapped by him."

"Now, then, are you planning to establish your Zhu Dynasty?"

"Alas, it's not that I wanted to, I was forced into it. Once Yao Yin dies, I guess you won't leave me alone, so I have no choice but to help the

Mo Qing and the others, kill you all together." Zhu Zhou said helplessly.

"Hahaha, hahaha." Yao Bang let out a loud laugh and said sorrowfully, "I, Yao Bang, cultivated against the heavens all the way to the sixth stage of Half Immortal, and was only four steps away from ascension, but I never expected that I would now die at the hands of a few nameless rats, hahaha, hahaha." Yao Bang let out a sad, maniacal laugh.

Zhu Zhou turned back to the three people behind him and said, "Now, I am the eldest emperor of the Yao Clan Dynasty, will you return to me, or will you go on your way with Yao Yin?"

Those three people panicked and worshipped, "Greetings to His Majesty the Long Emperor."

"Very well, then, let's work with the people from the Mo Dynasty to kill Yao Bang and the three of them."

"Yes, Your Long Emperor." The three of them nodded helplessly.

Omi smiled, "Senior Zhuzhou, from now on, we, the Mo Dynasty, and you, the Zhu Dynasty, will work together, and we will help each other."

"I only wish to live a little longer at the moment." Zhuzhou sighed helplessly, the death of Yaobang and the others meant that they were only at their strongest at the fifth stage of the tribulation.

"Uncle Qing, let's all attack together and kill them soon."

Ten days later.

After ten days and nights of Omi and the others attacking, finally, Yao Bang, Yao Ai, Yao Xiang, Ma Diao, and the four of them were killed.

Zhu Zhou returned to the Zhu Clan Dynasty with the three strong Half Immortals.

The Mo Dynasty also finally regained calm.

Omi and the others had also moved into the center of the Mo Dynasty to cultivate and live.

Omi and Mo Yuyan also held a simple ceremony to form a dao couple.

Mo Yuyan became Omi's second Daoist couple in name only.

Originally, Omi would not add any more women in his life, after all, he had lived a full life of polygamy in the mortal world, and only Mu Qianji was enough for the rest of his life.

However, Mo Yuyan was the reincarnation of Wei Sakura, and since she had not finished her previous life, she had to return in this life, so Mo Yuyan became Omi's second Taoist couple.

Late that night, Omi was standing in front of the window, looking at the moon in the sky as if there was something on his mind.

Omi was reminded of many things from the past, about everything in the mortal world.

Liu Xiangyun, Li Xuan'er, Xu Mei Qian, Han Xiaomeng, Qin Ren, Shangguan Rou, Xiao Cao, these names, it seemed that Omi had not appeared in his life for a long time.

Omi gradually forgot them, just like the dust in history, they are destined to become a distant memory, a passerby in Omi's life. And one by one, new women would appear around Omi, just as they had appeared in Omi's life one by one in the first place.

"No, I don't want it." Omi hissed.

Omi seemed to be terrified that one day in the future, a new batch of women would appear around him to take their place where they once were.

Therefore, Omi had vowed before that there would never be another woman besides Mo Qianji.

However, forming a daoist couple with Mo Yuyan today, although with good reason, broke Omi's previous vow for the first time.

With this time, there would be a second time, and no matter how much Omi swore, there would always be an irresistible reason.

Not to mention, wouldn't the few women who followed Omi every day, Tang Huan, Lu Yuxi, and Light Water, have their feelings explode one day? Or maybe something irresistible happens, or maybe we all get along for a thousand years, have a deep, irresistible bond, and then get together?
