"Feel free, everyone." When they came to the stone house that Little Fire was in.

However, Omi seemed to be able to see that Little Fire was smiling a bit barely, and perhaps, Little Fire wasn't ready to see Omi and the others at all.

Omi looked at the cold house and said, "Little Fire, you'd better stop laughing, I don't believe that you've really had a good time here these past few years. Look at you, you're still still at the fourth stage of Tribulation, and you haven't improved at all over the past few years. These people beside me, they were only at the first stage of tribulation, now the weakest ones are at the third stage of tribulation, and Mu Qianji is even at the fourth stage of tribulation, all of them have surpassed you."

Little Fire put away his smile and lowered his head.

"Brother Chen, sob, I am ashamed to see you." Little Fire stopped disguising herself and cried out.

"Little Fire, we'll always be your family, there's no such thing as impudence."

"Oooh, Minister, I don't know why, the people of the Qilin Clan just don't take much notice of me, I've never been able to integrate into the Qilin Clan and truly become one of them. I'd love to leave, but I'm not convinced. I still like a girl here, but I've never been able to chase her, I don't know how to chase girls."

Tang Huan and the others puffed out a laugh and said, "You can ask Omi about that, he's the best at it."

Omi glared, "Huanhuan, don't talk nonsense."

"It was already well, still sophistry."

Omi didn't bother to talk to Tang Huan in general. One second to remember to read the book

"Fire, what type of girl do you like and where do you live? Why shouldn't she like you?"

"She didn't say she didn't like me, and I'm still after it. By the way, I gave her some gifts the other day, and she said she'd give me an answer in five days."

"Now to five days?"

"Five days is the fifth day, I think she will give me the answer tomorrow, whether she likes me or not."

Mu Qianji said, "Then let's start by wishing you a perfect answer tomorrow."

"Thank you sister-in-law, I'm looking forward to it too.", Little Fire had been single for so long, it was about time he had a girl, Little Fire was especially pure, he wouldn't do such things as jerking off, and even less things like whoring and dating, so Little Fire was still a pure little first time girl.

Omi said, "No matter what, let's start here and accompany Little Fire to pursue a girlfriend, if we really can't catch up in the end, then we'll go back to the extreme southern continent and find a beautiful human beauty."

"Brother Chen, I have confidence in myself."

Omi and the others, for the time being, stayed at Little Fire's place.

However, Little Fire's stone house was small and couldn't house that many people, so Omi went to a nearby mountain and temporarily set up a tent to live in, far away from Little Fire's stone house.

That night, at the temporary tent, everyone held a barbecue banquet to celebrate finding Little Fire and to wish that the girl Little Fire liked tomorrow would give him a satisfactory answer.

After the banquet, Little Fire returned to his stone house to live.

"Little Fire, don't worry, there will be a good answer tomorrow." Mu Chien said.

"I hope so."

Little Fire went back to his stone house, but, he was so nervous, he couldn't sleep at all one night, he hoped, tomorrow the person he liked, came to answer him, willing to be his girlfriend, although, Little Fire felt as if there was little chance, because he had been chasing for years.

The next day finally arrived.

Early in the morning, Tang Huan said, "Let's go over there."

Mu Qianji was busy stopping it, "No, let's not go over and bother, just

This watch."

"All right."

Everyone just watched from the hill on the other side of Little Fire's house.

It was about eight or nine in the morning when the girl that Little Fire liked finally came.

However, the girl didn't come alone, but came with several girlfriends.

"Yang Yang." When Little Fire saw it, he pounced on it excitedly.

Omi and the others were in the distance, and they also saw the girl called Yang Yang.

Mu Qianji smiled, "Not bad, Little Fire has quite a good eye, she's very pretty."

Lv Yu Xi said, "Yes, the woman who looks better than Purple Pupil is pretty."

Lv Yuxi was tongue-tied, making Zi Hitomi and Mei next to him very depressed, but Mei was used to it, after all, no one even wanted rape, what could be a bigger blow than this.

Omi nodded his head, but the woman Little Fire chased after, although much better looking than Mei, but also not pretty enough to be considered moderate. Compared to these beauties of Omi's, it definitely wasn't on the same level.

"Yang Yang, you're here." Little Fire was excited to.

The unicorn woman called Yang Yang said, "Over, I'll give you an answer today, after all, you've been chasing me for years, it's time to end everything."

"Yo-Yo, so you like me, then?" Little Fire was busy asking.

"Shut up." That ocean yelled.

Omi and the others on the opposite hill were startled, what's the situation, it's a bit bad.

That ocean grunted, "Little Fire, you really know how to be whimsical, I like you? You're too self-conscious."

"Yang Yang, what do you mean, I really like you ah."

"Come on, I came today to give you a clear answer and also a warning, if you dare to bother me again in the future, don't blame me for being rude."

"Yang Yang, why?" Little Fire sadly asked, the ocean in front of him, suddenly became like a stranger.

"Still asking why, you don't even look at what kind of person you are, a fire demon beast evolved unicorn, you don't even deserve it. Little Fire, I saw you as an honest person, and only spoke to you so gently now that you're obedient."

"Just because I'm a Fire Demon Beast evolved unicorn?"

"And not just because of that, but mostly because you have no future."

"Why don't I have a future?"

"Come on, Fire, I'll tell you the truth too, I have a crush on someone, and he's someone you can't even compare to."

"Who's he?"

"His name is Yin Ming, he's a popular man beside Prince Yan Leopard, so, Little Fire, you don't deserve it at all, only Yin Ming is worthy of me."

"Just because he's a popular man beside the prince?"

"Yeah, isn't that enough, look at you, what a piece of trash, do you have the slightest bit of status in the Unicorn Clan? You're just a piece of trash who can't even enter the genealogy of the Qilin Clan. And you're a beast evolved from a beast, so the chances of you and I coming to be immortals are so low, almost none. So, in summary, there's no way I'm going to like you."

Little Fire's heart was broken.

Omi, who was standing on the opposite side of the mountain, saw Little Fire in such pain for the first time, and the magic of love was really hard to fathom.

However, Omi couldn't go and fall in love for Little Fire, although Omi could force that bitch to be with Little Fire, but this kind of thing was meaningless, the key was still Little Fire herself.
