Little Flame's eyes were red as she asked, "Yang Yang, if you're so determined not to like me, then why haven't you told me that after I've been chasing you for years. If you had told me that you didn't like me, why would I have wasted so long on you, why would I have let myself get into such a deep hole. Why didn't you tell me earlier, why did it take until today to give me an answer."

The woman named Ocean smiled, "Because, my family's work is done."

Little Fire was startled.

At that moment, several sisters behind Yang Yang laughed, and one of them said, "What a fool, you thought that our village flower was really giving you a chance, she just wanted you to help her family work, hahaha."

"Hahaha."

"What." Little Fire's body shook.

Little Fire looked at Yang Yang and said in disbelief, "Yang Yang, I don't believe this is real."

Ocean snorted, "They're right, I didn't reject you these past few years, I did want to find a free laborer so you could work for my family just. Now that my family's work is done, I don't need you, so you won't have to run to my house anymore."

"Ah." Little Fire sat paralyzed on the floor, daring him to think that he had been foolishly chasing girls for the past few years, but as it turned out, they just wanted a free laborer.

That Yang Yang turned around and said, "Sisters, let's go, we're going to the tribe today, my Yin Ming said that Prince Yan Leopard is hunting today, he can take us with him."

"Wow, that's great, your family Yin Ming is so handsome." First URL m . kanshu8.net

"There's no need to say that, he's a popular man beside Prince Yan Leopard, and he's the only one worthy of this village flower. Go."

At this time, one of the women, pointed at the paralyzed ground, looking pained: "Yang Yang, what about him?"

"Whatever, my work is done anyway, let's go."

A few women flew away with smiles and giggles.

Across the hill, Omi and the others never showed up, not that Omi didn't show up, in fact, Omi was just about to come out and slaughter that Yang Yang, or, arrest that Yang Yang and let Little Fire f\*ck her.

However, they were held back by Yan Xinyi and the others, after all, they wouldn't just stand by and watch this kind of thing happen, although that Yang Yang had used and deceived Little Huo, but at least it was someone's two feelings, let Little Huo deal with it herself, Little Huo had to go through these emotional setbacks before she could grow up.

That's why Omi never showed up, otherwise, that bitch would be dead already.

"Can I go up now?" Omi said.

Mu Qianji said, "I think it's better to let Little Fire calm down, Little Fire must be especially depressed right now, even starting to doubt his life. He's terrified of seeing us, after all, being seen by us is the most humiliating thing he's ever done."

"It's all family, what's the point of being so clear, I'm going up." Omi didn't bother to think so much, he flew straight up, if they listened to their relationship experts think so much, it would take days before they could see Little Fire, immortal cultivators, where would they get the time.

Omi flew to Little Fire's side, and Little Fire sat on the ground in particular frustration.

"Little Fire, you get up." Omi shouted, Omi didn't like the way Little Fire turned prostrate.

"Little Fire, you're a man, for a woman, become, what else do you look like." Omi lectured.

r /> Mu Qianji was busy flying up, stopping him: "Omi, you're crazy, people not only lost love, but also not cheated, you do not comfort, but also so shouting."

"Did I say anything wrong, an immortal cultivator, devastated for a woman, like what kind of words."

"Don't stand there and talk like you've never done this for a woman."

Omi was startled, "Have I?"

Yan Xinyi nodded, "There, I testify, back then in the mortal realm, those wives of yours great limit of old age, your whole person is stupid, slumbering for more than a hundred years it, at that time, why don't you think about, the cultivation of people, eyes."

"That was my closest relative, and Little Fire is now for a bitch. If you guys hadn't just stopped me, I would have *fcking killed that bitch, or ripped her pants off in public and let Little Fire fck her.*"

Mu Qianji stared, "Vulgar, is this how you handled things in your previous life?"

"Uh." Omi was startled, was he affected by the memories of his previous life again?

Yan Xinyi said, "Feng'er, although in our opinion, that Yang Yang is a bitch and doesn't like Xiao Huo, yet she didn't tell Xiao Huo early in the morning, lending Xiao Huo to chase her, so that Xiao Huo can help her family work. The actual reason for this is because of the fact that it is not just a matter of time, but also a matter of time before you get to the point where you'll be able to get to the bottom of the matter. Now, the woman who once liked and pursued him is actually a person who deceived him, what do you think, how does Little Fire feel inside, Little Fire must hate himself for being useless, just don't scold him, let him calm himself."

Mu Qianji said, "Right, let's go back to the opposite mountain first, let Little Fire calm himself for a few days, if he can't figure it out on his own, how will he still be able to survive the tribulation in the future, this kind of thing must be psychologically unraveled on its own before it's useful."

Omi nodded his head, Little Fire's marauding event couldn't be sloppy.

Although Omi could help Little Fire and kill that bitch, but if Little Fire didn't unravel inside, the knot would still be in his heart.

Omi also had no choice but to leave temporarily and return to the tent on the opposite hill.

Little Fire was alone, still sitting godlessly on the ground, the first time in his life to fall in love, he ended up like this, Little Fire was sad. Although Omi said that an immortal shouldn't do this for a woman, but, words are right, but there are a few people who can really do it, immortals also have seven emotions and six desires.

Omi himself was outstanding since he was a child and had never fallen out of love, so Omi didn't understand the pain of falling out of love at all, and when you fall out of love, no matter how reasonable your reasons are, you can't convince yourself.

"Yang Yang, why are you doing this to me, I love you so much, I'm even willing to give my life for you, why are you doing this to me."..

In the back of Little Fire's mind, as long as he thought of Ocean's face, the beautiful fantasies he once had about her, the sweet scene when he once fed him the fruit, Little Fire's heart was torn.

But only now do I know that it was all a lie, using him to help her family work.

It's not just a matter of time, it's a matter of time.

Inside Little Fiery, not only the shock of losing her love, but also the shock of being cheated.

Omi and the others, on the hill opposite Little Fire, kept watching Little Fire from afar.

Just like this, they spent three days.
