

King of kings

1946

Don couldn't watch anymore and flew out.

"Bitch."

"Who are you?" Yang Yang looked at Omi.

Omi said, "Bitch, if you disgust my brother here again, I'll shoot you to death."

Yang Yang immediately looked at Dao: "Fire, do you see, he insulted the woman you like, don't you do anything?"

Little Fire really scolded a sentence: "shot your sister, like your sister, the person I like now is the clan leader's daughter."

Little Fire endured anger to: "Yang Yang, in the name of having known each other, you immediately leave, I'll pretend that you never came."

Yang Yang was heartbroken to see that Little Fire really didn't like her anymore, as if she couldn't accept such a fact.

"No, Little Flame, don't drive me away." Yang Yang cried and ran up, hugging Little Fire from behind.

Little Fire didn't think that she would even hug him.

"Let go." Remember the website .kanshu8.net

"Ooooooh, I won't let go, I won't let go even if I die, I love you, even if you kill me, I still love you." Yang Yang looked like she was infatuated, if someone who didn't know the inside story, they would really be moved by her infatuation just by looking at this scene.

Dao: "Let go of me, okay?"

"I won't let go, Fire, let's be together, I swear I'll love you for the rest of my life and I'll give you many, many children."

"Are you really going to force me?" Littlefire.

"Oooh, Little Fire, I'm begging you, okay? Will you trust me for once? I love you so much, I'd do anything for you." Yang Yang cried out and almost fell to his knees.

Omi said, "My mother, I've never seen such a bitchy person in my life. Bitch, yesterday you were watching the Unicorn King competition with your which one, today you came to hug and love him, I'm sure, which one of you doesn't even know that you already love someone else."

Yang Yang panicked to: "Xiao Huo, don't listen to his nonsense, I already broke up with Yin Ming, although we went to watch the match together yesterday, but that was not my willingness, it was him who still pestered me and had to follow me. Little Flame, don't you believe me anymore?"

Omi said, "Little Fire, just ask her if she's still a virgin, if she slept with that someone."

Little Fire hesitated and asked, "My big brother said it, count me in for asking."

Yang Yang's body was startled: "I, I, I." It didn't come out for several times.

"Hmph." Little Fire snickered.

Yang Yang panicked and defended, "Little Fire, although Yin Ming and I did sleep together, but, but there was only one time, and he forced it on me. And, just that one time when I was forced by him, I was still thinking about you in my head, and I felt sorry for you then."

"Ow." Don Omi couldn't take it anymore and threw up.

Little Fire yelled, "Let go of me."

"Oooh, I won't let go, I won't let go, I'm lazy in this life anyway, oooh." Yang Yang cried loudly, his hand clasp Little Fire with a death grip.

Omi said, "Little Fire, what old feelings are still with her."

Little Fire pushed hard and bounced Yang Yang away, but not too hard, just bounced her away.

"Little Flame, I really love you so much, please give me another chance." Yang Yang sat on the ground and cried out.

On the other side of the hill, Mu Qianji and the others were also watching.

Mu Qianji sighed, "Had I known earlier, why would I have done it."

Tang Huan said, "Make it sound like Little Fire abandoned her."

"It's only because she was too insensitive in the first place."

At this moment, in the distant sky, a woman flew in.

Not much.

The woman came to Little Fire's stone house.

It was none other than Yan Ling.

Seeing Yan Ling, Yang Yang was startled, but Yan Ling was the daughter of the clan leader and was a princess in the Qilin Clan.

Yan Ling looked at Little Fire and asked with anxious face, "Will you give me an answer today? Why haven't you answered me yet? Does it mean you don't want to be with me?"

"Yan Ling, I."

"Little fire, I don't want to listen, anyway, I Yan Ling, for the rest of my life, follow you, even if you don't want me, I'll follow you to the ends of the earth." Yan Ling didn't seem to notice Yang Yang who had fallen to the ground.

At this moment, the Yang Yang who had fallen to the disciple looked embarrassed, she had just said that she was lazy to settle down with Little Fire in this life, but she didn't expect that the Qilin Clan Princess would now also say that she had settled down with Little Fire for the rest of her life.

Omi laughed, "Princess Yan Ling, besides you, there's someone else who also wants to be lazy with Little Fire for the rest of her life oh, how do you want Little Fire to choose is good."

"Who?" Yan Ling was busy asking, when she saw the ocean a few meters behind the small fire.

"Is that you? What are you?"

Ocean looked at a loss for words, "Me."

"Alright, I don't care who you are, Little Fire is my man now, and please leave." Yan Ling said rudely.

Little Fire walked towards Yan Ling, hugged Yan Ling in his arms and said loudly, "Yan Ling, I love you, will we be together forever?"

Yan Ling cried and nodded, "Uh-huh, I'm willing."

Omi looked at the Yang Yang on the ground and said, "What are you waiting for, why don't you hurry up? Isn't that embarrassing enough for you? You alone are worthy to be compared to the Unicorn Princess?"

Yang Yang was very ashamed to get up, the princess appeared here, she no longer dared to say a word.

At this point, the word was: "Take your buns with you."

Yang Yang did not take the steamed buns with her and quickly flew away.

Omi went up and took a bite of a steamed bun, "Not bad, it tastes okay, Little Fire, since you're not eating it, we're not going to be polite, hahaha, I won't bother you two." Omi carried the basket and flew to the opposite hill, and distributed these steamed buns to Mu Qianji and the others to eat, not eating for nothing.

Yan Ling said, "Little Fire, your big brother is really funny."

Little Fire was busy saying, "Yan Ling, you're not allowed to judge my big brother like that."

"Uh, why."

"Because he's my big brother."

"Oh, yesterday my father said that your big brother is great, but I don't see anything special about him ah, in my heart, you're the greatest."

"Yan Ling, you don't even know my big brother yet."

"I don't care, in my heart anyway, you're ten thousand times more powerful than your big brother to go." Yan Ling pursed her lips and said.

Little Fire was helpless, let her see her big brother's power later, right now Yan Ling hadn't recovered from the scene where Little Fire became the strongest Qilin King, her head was still full of the scene where Little Fire took out half of his strength and defeated her big brother Yan Leopard in seconds.

On the opposite side.

Mu Qianji smiled and said, "Little Fire has finally found the ideal woman."

"Yeah, congratulations to him."

"Omi, now that Little Fire has also found a girlfriend, can we leave here, we've all spent two years in the Qilin Clan." Mu Qianji looked at Omi.

"Of course, there's nothing to do here anymore, come, eat steamed buns, that bitch made them overnight, they're not bad." Omi said.

"Forget it, it's all in the past, it's just that she doesn't have eyes, don't scold her either." Yan Xinyi.

Xia: "Anyways, I admire that Yang Yang's cheek."

"Hahaha." Everyone laughed.
