

# King of kings

1980

"Yes, I took it away."

"How could you take our Zhou Mi young master's relics? His storage compartment, only he knows the secret language."

Omi said, "I don't know what's going on, it just feels like, everything here is familiar, it feels like I lived here in my previous life."

"Ah." The third housekeeper of the Zhou residence was startled.

Omi didn't say that he was Zhou Mi in his past life, saying it directly was a bit of a fraud, it was more convincing to say that he was confused and had an intuition.

"You, you're not the reincarnation of Young Master Zhou Mi, are you?" Zhoufu's third housekeeper was busy.

"I, I don't know, anyway, I just feel, this place is déjà vu." Omi said.

The third housekeeper of the Zhou residence was busy asking, "Then, then do you know who I am?"

"I, I feel as if I've seen you somewhere before, I can't remember, but first instinct, you seem to be called something Shin."

"Ah, Master Mi, is that really you?" The three stewards of the Zhou residence were stunned, Omi actually said what he called what letter, which was already half right.

"You don't really call it what letter, do you?" Don Zimmer plays dumb and asks. A Second to Remember to Read the Book

"Ummm, Young Master Mi, my name is Drinking Faith, I'm the third housekeeper of the Zhou residence ah, don't you remember me?"

"Sorry, I can't remember the details, only occasionally I get a flash of insight and think of something."

"You must be the reincarnation of our Young Master Mi, go, come back with me to see Master Tie." The third housekeeper Drinking Faith was busy.

A group of people from the nearby Zhen Nan Wangfu were now silly, was it really Zhou Mi's reincarnation? It can't be, other reincarnations can't remember anything, so why is he still able to have déjà vu when he's reincarnated?

Omi said, "But."

"But what's up, you must return with us now, otherwise, the people of the Zhennan Royal Palace won't let you go either. By the way, what are they looking for you for?" The third housekeeper was busy asking.

Omi said, "Oh, a few days ago, at an inn, that whatever Prince of Zhennan, he was very arrogant, I couldn't see past him, so I beat him."

"Young Master Mi, that's impossible, you weren't even an opponent in your previous life."

"Uh, yeah, I don't know about that, anyway, I can second that Zhennan prince now."

"Hahaha, Young Master Mi, you've become even more of a genius after you've reincarnated, it seems that you've reincarnated again, what do you know?"

Another person beside him reminded, "Third Housekeeper, whether he is the reincarnation of Young Master Mi or not is still unknown, let's not say so much for sure ah."

"Hmph, I believe he must ah, go, follow me back to the Zhou residence."

Omi said, "I also want to know if I lived here in a past life, but what about these friends of mine, what about them?"

"Of course we're going to the Zhou residence together."

Omi called Little Fire and the others and followed the third housekeeper.

The people from Zhen Nan Wangfu wanted to stop them, but they didn't have the strength to do so.

"Housekeeper, what should we do, just let them take that kid away?"

"Go back and report to Master Southern King."

"Is that kid really the reincarnation of Zhou Mi? If he is, it's going to be a lot of fun, and I think the whole city will be sensational."

"It better not be, or else he'll get himself killed again sooner or later."

Coming to the Zhou residence.

The third housekeeper was busy saying, "You guys wait here, I'll go and invite Master Tie here."

"Oh."

After the third steward left, Little Fire asked, "Brother Chen, have you decided to return to the family?"

"The King of Zhennan has found me. If we don't return to the family, something big is going to happen, with us being the dry

But King Zhennan's, let's return to the family." Omi said.

"Then why are you pretending that you don't know about your past life."

"You're silly, I'd be lying if I just said I was, besides, they have their own way to verify who I was in my previous life afterwards."

At this time, that third housekeeper came to a study room.

"Master Tie."

"Did the person who took my son's relics bring it back?"

"Master Tie, congratulations Master Tie."

"What joy."

"Master Tie, that man, he said he feels this place, déjà vu, he feels if he lived here in his past life, he also knows the secret language of that locker, Master Tie, I feel like that man, in eighty-nine times out of ten, is the reincarnation of Young Master Mi ah."The third housekeeper cried out.

"What, that, he really said that."

"Uh-huh."The third housekeeper nodded his head with a handful of tears and a snotty nose, really not sure what he was so excited about.

At that moment, a woman busily came in.

"What did you say?Chow Mi reincarnated?"

"Yes, ma'am, I'm sure he is."

"Take me to them."

"He and his friends are in the hall."

Omi was sitting in the hall now, and it was surprisingly unfamiliar inside, Omi felt like closing his eyes to know what was placed in which corner of this hall.

Not long after, a middle-aged looking couple came.

"Mi'er."The man called as soon as he entered the door.

"Mi'er."The woman following behind him was also busy calling out.

Omi looked at the two people in front of him, the man, who was Omi's former father, was named Zhou Tie.

The woman, was Omi's stepmother, Omi's own mother from his previous life, who had died when he was a child.

This stepmother, in fact, was quite a nice person, but, the Omi of his previous life was only devoted to his biological mother, so no matter how good this stepmother was to him, the Omi of his previous life didn't care.

Omi was busy saying, "Meet Master Zhou, meet Lady Zhou."

They only came back to their senses, yeah, they were too excited, they weren't even sure yet.

"You're the one who took my son's relics? May I ask how you know the secret language?" After Zhou Tie calmed down, he asked Omi.

Omi said, "I don't know, it's just a feeling, this place is very familiar, but, I'm new here, I don't have any money, and in my head, I feel that I have something in the Eternal Deposit Place, so I just went there by ghost, but I didn't expect that, but I really opened a locker and took what was inside."

"You really think, this place is familiar? Well, then, do you know who I am?" The woman asked.

Omi shook his head: "Sorry, I don't know."

Zhou Tie smiled, "It's okay, if you are really my son turning around, we have a way to verify it, go, come with me to a place right now."

"Uh, what place."

"A place where you can verify your past life identity, and at the same time, recover your past life memories."

"Oh."

Omi said to Mu Qianji and the others, "You guys wait for me here, I should be back soon. If it's verified that I'm not a Zhou Mi reincarnation, we'll leave here." Omi pretended to say.

"Good."

Zhou Tie and his wife, immediately brought Omi to a certain part of the Yunluo Immortal Kingdom's palace.

"This is the place where the Guli White Witch lives, Guli White Witch, they are good at this, she once persuaded me to do a favor, he can definitely help you verify it."
