"You are the reincarnation of Zhou Mi?"

"Exactly, I don't know what His Highness Prince Yun You is looking for me for."

Yun You saw that Zhou Mi was quite handsome in reincarnation and became even more uncomfortable inside.

That lover also said inwardly, "He is quite handsome, is it because he is handsome that my grandmother recommended me and him? Grandmother, grandmother, you also place too much importance on appearance, in front of status, appearance is nothing, Zhou Mi is nothing in front of Prince Yun You."

That Yun You loudly said, "Zhou Mi, do you know the crime?"

Omi sized up the two people in front of him, that male was Prince Yun You, Omi knew through his past life memories, in his previous life, although Omi had seen him, but did not cross paths and did not seem to have dealt with him, this Prince Yun You, among the many princes, was also rather mediocre. The latter lover, Omi met her for the first time, and hadn't seen her in his previous life, but it seemed that he had heard of her name in his previous life, and heard that she was quite a beautiful woman, and that many young talents in Immortal City wanted to chase after her, but they couldn't, and never expected that she would get involved with a mediocre prince.

Omi said, "What am I guilty of?"

"Zhou Mi, you have committed a capital crime and you still don't even know that you have defiled the prince's woman, your crime deserves to be punished."

Omi sneered in his heart, what a big hat, this was the first one to trouble him after Omi came back here.

Omi ridiculously said, "As a prince, you give judgments at every turn, where do you place the laws of the Immortal Kingdom, are the laws of the Immortal Kingdom something that you, a prince, can trample on at will?"

"You." Prince Yun You was speechless for a moment, he didn't expect that this reincarnation of Zhou Mi would be very good at talking. The first website m.kanshu8.net

Zhou Tie was also a little surprised, after his son's reincarnation, he seemed to be very different from his previous life, at least the momentum of talking to the prince was different.

Zhou Tie could not help but have some expectations inside.

Yun You said, "Zhou Mi, today, no matter what, I have to educate you."

Omi looked at Yun You with a burst of disdain inside, "This Yun You, is a pre-human immortal, starting stage, among the same level of the Yun Luo Immortal Kingdom, it is estimated to be ranked after thousands, and still, relying on spells to be stronger than people."

Omi said, "Fine, to show my respect for your identity, I have one hand."

"You heck." Yun You heard Omi say one hand, and his entire body became angry, this was looking down on him, despising him, and mocking him in an abject manner.

Omi said, "Please."

"Please mother." After saying that, Prince Yun You's entire body rushed up to Omi.

"Blossom everywhere." Prince Yun You Ton cast a powerful spell.

"Bang." In the next second, Omi slapped the Yun You prince away.

"Ah." Lover's body trembled, but he had completely spiked Yun You.

Omi rushed up with an arrow step and grabbed Yun You.

"Your Highness Yun You, I won't give face to the one who takes his own life."

"Pah." Omi slapped it, then kicked it right out of the Zhou residence.

Only Love'er was left on the spot, as well as some of the servants such as Zhou Tie and the housekeeper.

Omi looked at Love'er and said, "Bitch, do you want me to throw you out? Don't get out yet."

Lover snorted, "Zhou Mi, don't be arrogant, my grandmother is a white witch, if you dare to be rude to me, even your father Zhou Tie, in front of my grandmother, you have to respectfully call him senior."

"Pah." Omi directly slapped away.

Omi snorted, "What a thing."

"Yay, young master is good." A group of spectating servants panicked and applauded.

; Zhou Tie busily shouted, "Don't look, all go to work." The group of servants only then left in a panic.

Omi followed Zhou Tie and went to the study room.

"Mi'er, you shouldn't have slapped Yunyou just now at the end, I'm really afraid that this will make the emperor uncomfortable inside, if you slap Yunyou, you're slapping the Immortal Kingdom."

"Sorry, I didn't hold back, if it wasn't for his identity, I might have just pinched him to death. If it were me before, this kind of person would have died long ago."

"Alas, I hope everything is alright."

“Don’t worry, after all, he was the one who came to trouble me first, and without any reason, he said that I had committed a capital crime, he was justified, even if the Emperor he was upset inside, he wouldn’t dare to do anything about it, after all, he also has to take into account the eyes of others, he can’t do whatever he wants, otherwise, he would also be criticized, how else can he govern the Yun Luo Immortal Kingdom.”

“Well, but making the emperor uncomfortable is ultimately not beneficial.”

“Oh.” Omi snorted inside, on the other day, Omi would show everyone who was the master, but Omi was still too far away from being the emperor of the Yun Luo Immortal Kingdom.

Prince Yun You left with a grey face.

This matter spread very quickly.

Especially in the imperial palace.

Right now in, one of the main halls of the imperial palace.

“Your Majesty, this is how it happened.” A personal guard said.

“That Zhou Mi reincarnated and really slapped Yun You?”

“Yes.”

“Hmph, he’s bold enough to slap the face of the royal family.”

“I think he must have thought that this matter was a justifiable loss for His Highness Yun You, that’s why he was so fearless, I expected that you wouldn’t dare to do anything about it.”

The emperor was extremely unhappy inside.

He asked, “That Zhou Mi reincarnated, how is the realm?”

“I’ve heard that he’s starting out as a pre-Human Immortal, but seeing how easily he was able to defeat Yun You, I think he’s almost halfway to the pre-Human Immortal stage.”

“He’s leaning on the strong against the weak.” The emperor slapped the table and said.

“Who says it isn’t, but what can you say if His Highness Yun You himself comes to your door.”

“Go back later and arrange for a stronger prince to clash with Zhou Mi’s reincarnation to get back this face.”

“Yes, Your Holiness, then how about, arranging Yun Cheng?”

“Cloud City? Not bad, he’s already reached the pre-human immortal halfway point, and, in the pre-halfway point, he’s one of the strongest, so arrange for them to have some conflicts, and when the time comes, teach that Zhou Mi reincarnation a profound lesson. Remember, no traces of the arrangement, or else you’ll create a laughing stock.”

“Don’t worry.”

At the White Witch.

When Bai Witch heard about the incident, she called her granddaughter back.

“O Love, how can you do that, even if you don’t go to contact with Zhou Mi’s reincarnation, you can’t go to make a grudge against him.”

Emotion was busy saying, “Grandmother, why are you so afraid ah, it’s Zhou Mi who should be worried now, not me. Zhou Mi, that lawless one, he slapped Yun You, it’s the same as slapping the Immortal Kingdom. And, Grandmother, I’m not afraid to tell you, Yun You said that the Immortal Kingdom is already making arrangements that, when the time comes, another prince will appear and give Zhou Mi’s reincarnation a good lesson, that Zhou Mi, he’s dead.”

“Alas, Emotion, you’d better listen to Grandma and go apologize to Zhou Mi.”

“Grandmother, you’re crazy, I’m going to apologize, where will that make Prince Yunyou lose face? Alright, I won’t tell you any more, Prince Yunyoung asked me to look at the stars tonight.” After saying that, Lovey walked away again.
