However, they were also greatly delighted inside, snatching an Immortal Artifact, this was even better than killing Zhou Mi ten thousand times.

If they turned this Immortal Artifact over to the Immortal Kingdom, I'm afraid that the Emperor would immediately be happy to marry a princess to them.

"Immortal artifact?" The eyes of the two mid Human Immortals brightened regardless of the damage they had received.

Yun Zi, who was watching from afar, was also dumbfounded after seeing the Immortal Artifact in Omi's hand. He didn't even have one for a princess, but Zhou Mi did, and Yun Zi's eyes immediately turned greedy.

After Omi used the mirror of his past life once, suddenly, those two mid Human Immortals, fell back to about 500 years of cultivation.

However, what Omi didn't expect was that five hundred years ago, they were both only pre-Human Immortal, about the end of their pre-Human Immortal cultivation.

Omi was overjoyed, and counted these two as unlucky, only becoming mid-Human Immortals within five hundred years.

Omi laughed out loud.

Those two mid Human Immortal, no, pre-Human Immortal, suddenly reacted, they were just so excited that they forgot about the changes in their bodies.

"Ah, this, how come I'm a pre-Human Immortal?"

"Oh my god, I'm also a pre-human immortal, how is this possible?" First web site m . kanshu8.net

Both of them were silly.

Rewind back to the pre-Human Immortal period, did Omi still need to be afraid? Even though they had reached the end of their training in the pre-Human Immortal stage, and Omi was only halfway through, it should be known that Omi had previously defeated all of his opponents in the Genius Ranking Tournament, all of these opponents, including any stage of the pre-Human Immortal stage.

"Hahaha." Omi laughed out loud, his eyes cold, "What a godsend, death."

Omi didn't talk nonsense and immediately charged up.

"All things without spring." Omi's punch went out, carrying the power of the Silence Technique, knocking the two of them into nothingness at once.

"Bang." The bodies of the two men were reduced to pieces.

This wasn't in the ring, in the ring, you can't kill people, naturally Omi didn't put out his full strength, in fact Omi didn't put out his full strength now, because the first level of the Silence Art, and the even stronger Omi hadn't even practiced it.

"Ah." Not far away, Yun Zi's face changed.

"This."

Yun Zi never expected that the situation would be drastically reversed, her two dogs were actually killed, that was the middle stage of Human Immortal, what was the wonderful use of Zhou Mi's immortal weapon?

However, Yun Zi already didn't have time to think too much and immediately fled in the other direction of the town.

In the other direction of the town, another one of Yun Zi's men, a strong late stage Human Immortal was still there instructing the town's people in cultivation, Yun Zi must reach there immediately so that even if Omi came after him, he wouldn't be afraid. No matter how strong Omi's immortal weapon was, it would be impossible to defeat a late stage Human Immortal.

Omi was also very anxious at the moment.

"We can't let him escape to that strong late stage Human Immortal, otherwise, I will definitely not be able to deal with it."

Omi quickly chased after him.

However, Yun Zi's speed was also very fast, after all, she was the second ranked in the genius list, and the distance of a few dozen kilometers was very quick.

Omi wasn't able to stop Yun Zi before he arrived.

However, upon arriving at that late Human Immortal powerhouse's side, he found a large crowd of people over there.

Yun Zi shouted, "Wild Eaters, save me."

Omi had now caught up and pounced on it.

"Wild." There was no chance to shout for the second time, Yun Zi hadn't even shouted the other person's name before Omi covered his mouth.

However, that late stage Human Immortal called Wild Moth had heard it this time.

R /> The wild moth that was guiding someone else's cultivation, stopped, turned pale, and shouted, "Princess."

Omi inwardly said, "Oh no."

However, it was too late to think, Omi grabbed Yun Zi and quickly ran, Omi didn't immediately shoot Yun Zi to death, if that wild moth caught up, he could use Yun Zi as a hostage.

"Princess." That wild beetle realized that something big had happened, but he was now surrounded by the crowd.

“Senior fairy, it’s my turn.”

“Get out of the way.”

“Immortal Senior, didn’t you say that you would guide me day and night?We’ve all been in line for so long.”

“Get out of the way.”That wild beetle was in a hurry all over the place, shaking away the people surrounding him.Everyone was shaken apart and many even died, showing how anxious the wild beetle was.

However, at this moment, Omi had already grabbed Yun Zi and left.

“Princess.”Nodou shouted with a pale face, if anything happened to the princess, then he would really be finished.

Wild Moth immediately launched a search.

Omi’s gaze was chilling, although he was also in a crisis right now, he had finally caught Yun Zi, the bitch, and was going to die to pull a cushion.

Omi didn’t flee with Yun Zi because it would expose him even faster, and that Wild Beetle was definitely searching all over the world.

Omi could only grab Yun Zi and go into the deep mountain forest to hide first.

Omi threw Yun Zi into a cave.

“Zhou Mi, you dare.”

“Pah.”Omi slammed his palm and said in a chilling voice, “Bitch.”

“You.”Yun Zi was afraid, sitting on the ground and constantly backing up, Omi’s gaze was by no means kind.

This time, Omi was literally a death sentence.

“Wild worm.”Yun Zi shouted with a cry, filled with helplessness.

“Pah.”Omi interrupted her shout with a slap.

“Oooh, Zhou Mi, I was wrong, will you let me go, I was wrong, isn’t it enough?Sooooo.”Yun Zi cried and begged for mercy.

Omi coldly snorted, “Want me to let you go?Huh? You think my last name is put?”

“Just let me go, I’ll give you anything you want.”Yun Zi said in a panic.

Omi was also depressed now, not knowing if he would be found by that wild beetle, so Omi couldn’t make a choice to kill Yun Zi, in case he was found, he could take Yun Zi as a hostage, so Omi endured and didn’t kill.

Omi looked at Yun Zi’s graceful and slender body and said, “If you serve me comfortably, anything is easy to talk about.”

"How dare you blaspheme this princess." Yun Zi was subconsciously furious.

"Pah." Omi slammed his palm.

"What time is it, still blaspheming, now that I'm willing to blaspheme you, it's all a gift from you."

"Oooh, Zhou Mi, as long as you let me go, I'll go back and have my father decree that you be recruited as my son-in-law."

Omi ridiculously said, "If you really want to go back, I'm afraid the first thing you'll do is to exterminate my nine clans."

"Don't worry, I won't be so heartless."

"Hmph, bitch, you think I don't know that you're trying to stall for time, but unfortunately, I won't let you get away with it. I'd rather not have you as a hostage, but I'll kill you first." After saying that, a cold light flashed in Omi's eyes.

Yes, Omi was still planning to kill her, in case she was really found, Omi might not be able to coerce her, late Human Immortal was extremely powerful, maybe Omi would be gone before he realized it, it was better to kill her first and then think of a way to escape.
