"Zhou Mi, don't." Yun Zi saw that Omi was really about to strike, and panicked and pleaded.

Omi grabbed Yun Zi, Yun Zi suddenly attacked, but unfortunately, Omi slapped her and vomited blood.

Omi said: "This face, this body, it's a pity to die like this, why don't you let this young man have some fun before you die? Anyway, I'll do it quickly, and I don't care about ten minutes."

"Zhou Mi, please, you can play with me however you want, as long as you don't kill me, okay? Sooooo." Yun Zi cried out, at the moment she was beaten by Omi, her nose and face swollen, her hair messy and pitiful, and she was terribly afraid, she had never experienced such a horrible thing before, her heart had broken.

Omi snorted, "Still telling jokes."

"Zhou Mi, I'm begging you, if you don't trust me, I can offer my soul to you, so that I can lie to you again, unless I want to die myself." Yun Zi cried and kneeled to beg.

Omi was smart, hey, this was indeed a way, if Yun Zi offered her soul to him, she would become Omi's slave, if Omi died, she would still be alive? Even if she wanted to live, she would probably have to follow the same path as Beamon before, going to the spirit world to hide and never daring to return. Moreover, now that Wild Beetle was searching all over the world, if Yun Zi became Omi's servant, Omi could walk out openly, what would Wild Beetle dare to do?

Omi smiled inside, if Yun Zi herself hadn't brought it up, Omi wouldn't have even thought of a way to turn her into a slave.

Omi said, "Do you really want to live?"

"Uh-huh, please." Yun Zi nodded pitifully.

"Good, then offer up your soul, or else, die." Remember the URL . kanshu8 . net

Omi pressed his palm on the top of Yun Zi's head, Yun Zi must voluntarily offer her soul before Omi could collect her soul.

Yun Zi shed tears, biting her teeth, helplessly offering her soul, at this moment, she could not think of any way to live, so she could only save her life first.

Omi succeeded in collecting Yun Zi's soul, Omi could clearly sense that her soul was under his control, Omi could cause her pain and even let her die with a single thought.

"Hahaha." Omi let out a loud laugh, right now, all crises had been averted, that wild beetle even if he found it now, so what, his master had turned into Omi's slave, and he was nothing more than a slave's slave.

Yun Zi sat on the ground, sobbing and crying, she was a Xian Kingdom princess, but she had become someone else's slave.

Omi went up to Yun Zi and hoisted her up.

"Bitch, now you regret it, stealing a chicken and bending yourself in instead, hahaha."

"Pah." Omi slapped her hard, although he had taken her as a slave, but, inside, there was no resentment, since he spared her life, the death penalty could be forgiven and the living crime could not be escaped.

"Slut, slut, slut." Omi slapped several times in a row, beating Yun Zi's nose and face even more.

However, no matter how bruised and swollen her nose was, she looked, still beautiful. Omi was depressed, it seemed that a beautiful woman, no matter how she was tossed, was still a beautiful woman.

Omi reached out to Yun Zi front a tug, pulling her chest belt down, immediately revealing the alluring that.

"Zhou Mi, I've offered my soul to you, what do you still want?" Yun Zidun said at once.

"Hmph, you're already my slave, I can do whatever I want, you know?"

"Chow Mi, you."

"Slap." A slap.

"Try that crap again and I can still want you dead."

"Ooooh." Yun Zi cried out in pain.

Omi pressed Yun Zi to the ground, Yun Zi wanted to struggle but couldn't, so he could only watch as he was being nana'd by Zhou Mi.

Because this was not the time, that wild beetle could be found at any moment, Omi was quick, and it was over in ten minutes.

Yun Zi wowed and cried, looking at Omi was a bit sympathetic to her, but unfortunately, it was her own choice.

"Princess." Just at this moment, a shout came from the distant sky.

Omi said, "Don't hurry up and put your clothes on, your dog's legs have found them."

Yun Zi cried as she put her clothes on.

Soon after, that wild beetle found Omi and the others.

"I'll kill you." The wild beetle burst into the cave.

Omi said, "Dog slave, try to touch my master, kneel down."

"You." Nodou looked at Yun Zi, a glance could see that Yun Zi was not only beaten and bruised, but also defiled, Nodou was furious, such a noble princess, a sacred that could not be desecrated in his heart, was given by Omi.

"I'll kill you."

Omi yelled, "Kneel to me."

Princess Yun Ziwei said, "Wild Dodo, you still won't kneel down, do you want me to die with you? I've already offered my soul to him, woohoo." After saying that, Yun Zi cried out.

"What." That wild worm was dumbfounded, startled in place quickly, and then, with weak legs, he slowly fell to his knees.

"Hahaha." Omi laughed.

The wild beetle kneeled on the ground and sobbed, "Princess, my subordinate is late, whimper."

Yun Zi cried out of the cave with a handful of tears and a snotty nose, looking at that wild moth incomparably distressed, noble princess, how could she be subjected to such bullying. The wild beetle looked viciously at Omi, killing intent thick in his eyes.

"Pah." Omi slapped dryly over.

"If you look again, do you believe I'll gouge out your eyes?" Don cursed the wild beetle and said.

"Yah yah." Nodou was so angry that smoke was coming out of his nostrils, he was so insulted by this guy at the late stage of Human Immortal.

"Slap." Omi slapped him again and said, "Dog thing, behave yourself from now on, you'd better not reveal half a word about this matter, otherwise, you'll be waiting to exterminate the nine clans. The princess was taken by me as a slave, you slave, the emperor will let you go? Hahaha."

Omi laughed and walked out of the cave.

That wild beetle hissed in pain, Omi was right, if the emperor knew that the princess was taken as a slave, let's not say what he would do to Omi, but he would definitely exterminate the nine clans because he didn't protect the princess.

Omi was in a doubly happy mood right now, half an hour ago, Omi was worried about whether he could survive this disaster, but now, everything was over and passed perfectly.

Yun Zi lost his mind walking in the forest, as if he had gone silly.

That wild beetle scrambled to catch up, wiping his tears as he shouted, "Princess, wait for me."

At that moment, the voice of the Devil King sounded in Omi's mind, "Congratulations, Omi, you have finally made it through this crisis, I was right about you, you really are one, who can turn good fortune into evil, now you don't need my help anymore, I can make sure that another person doesn't have to rush to save you."

Omi smiled, "I should thank Senior for this, if you hadn't reminded me, I would have been in danger. Moreover, if it wasn't for this late Human Immortal who happened to go to instruct those immortal cultivators and provide me with the opportunity, I definitely wouldn't have been able to kill those two middle Human Immortals, let alone turn Yun Zi into a slave." Omi's heart was also palpitating inside.
