2028

"Hiding, do you think you can hide?"

"Zhou Mi, I beg you." Nodou said pleadingly.

Omi looked to Yun Zi and said, "You're not going anywhere, if you're really afraid that something will happen, go straight to your uncle's house, no matter where you hide, it's not as safe as the Yang House, so it's best to go secretly."

"Good." Yun Zi nodded.

Nodou was suddenly ashamed that he had encouraged hiding, and handled the problem without Omi's calmness.

Yun Zi asked, "What about you?"

"Me, I live here," Don Omi said.

"No, it's dangerous." Yun Zi was busy stopping it.

Omi's eyebrows furrowed as he laughed lightly, "Can I understand that you care about me?"

"Ah, me." Cloud Violet was speechless for a moment, she just didn't want to get out of her mouth, and that's exactly what she said.

"Of course I care about you, because if you die, I die too." Cloud Violet said. One second to remember to read the book

"Pardon me if you don't like me," Don Omi said.

"Right, I'm just that my life is in your hands." Yun Zi was busy, she didn't believe that she would fall in love with Omi either.

Omi let Wild Moth take Yun Zi away.

As for Belinda Ma, Omi told her to go to another inn, there was no one here to care about Belinda Ma's existence.

Omi quietly left the inn and headed to a place called Star Music Square.

Star Music Fang was a place like a grand theater that specialized in playing music and singing and dancing.

Omi really didn't understand how the Xing Luo family could open a place like this, Omi found a fellow named Xin.

"Hello, what can I do for you?"

"Your name is Shin, I'm Don Omi."

"Uh, you're Omi?"

"Yes."

"Starro passed you, and she said you could pass on anything you wanted on my behalf, but in the meantime, Miss Starro is in retreat."

"Oh, for how long is the retreat?"

"Xing Luo, it's about a month of seclusion, and in that month, if you have anything to do with it, she asked me to take you to Uncle Alan. What's the matter with you?"

Omi shook his head, "No, just here to see."

"Well then, go ahead."

Omi didn't go looking for any Alan, there was no point, it wasn't like he was seeking protection.

Omi was still back at the inn.

Right now, at the Yang residence.

"Father, how's it going, when is Gusheba going to recover?" In a room, Yang Fan asked anxiously.

"I don't know, the immortal is crazy, there's no way to save him, he can only rely on his own mind, if his mind figures it out, he'll naturally be awake, if he never gets out, then he'll be crazy forever."

"It's over, the Ancient Family will definitely not let us go, Cousin Yun Zi is also really disappointing us."

"What's the point of talking about this now, the biggest fault in this matter is us, we set them up, Yun Zi has the right to dislike it. We were in too much of a hurry, we didn't even figure out Yun Zi's relationship with that Zhou Mi, so we just set them up haphazardly."

"So what now?"

"At this point, you can only claim that we didn't introduce you, that they met by chance, that Gusheba fell in love with Yun Zi and asked you to introduce him. You were happy to set them up out of moral obligation as a friend. I don't think anyone suspects your motives, after all, Yun Zi is indeed very beautiful, and the Ancient Family also wants to save face, so they won't do anything to you regarding this matter."

"

Good, then I will now immediately take Gusheba back to the Gu family and make things clear with the Gu family."

"Go quickly, try to send Gusheba back before the news gets back to the Gu family, and make it clear to the Gu family, remember, all the blame goes to Gusheba, the implication is that Gusheba doesn't have the stomach for it."

"Mm." Yang Fan immediately brought the Gu Temple Ba with him and headed to the Gu Family.

Half an hour later, in a large hall of the ancient family, there stood more than a dozen strong men, more than a dozen strong men all looked at the large hall, foolishly saying that they were inferior to a hillbilly Gu Temple Ba.

And Yang Fan stood to the side, silent, he had just explained everything.

A strong man from the Ancient Family slapped and slapped Gusi Ba's face.

"Useless thing, a woman can do that to you."

However, after the slap, the Gu Temple Ba, who was not sober, seemed to be even worse, hugging a maidservant and saying, Yun Zi, I want to marry you.

At this time, Omi was practicing in the inn.

The next day, before Omi even opened his eyes, he heard a sharp knock on the door.

Omi waved his hand and the door opened automatically.

Only to see it was the inn's fellow.

"What are you looking for me for?"

"Senior Tang, something big has happened."

"What big thing has happened."

"Guzi Ba's sister, Guzi Ba has come to our inn and is asking where you are at the moment, I think she'll be up here soon." That fellow said that this fellow had previously given Omi the benefit of the doubt, so he had come up to inform in advance.

"Guvunba? What the heck, never seen it."

"Senior Tang, you don't know anything, Guzhi Ba's sister, Guzhi Ba, is a true genius, Guzhi Ba is ranked within 150 on the Pre-Human Immortal list, but his sister, Guzhi Ba, is ranked in the top 20."

"What? Top 20?"

"Right, exactly twenty, this woman's strength, it's really not ordinary, you have to be careful ah, I'm leaving first." After saying that, that fellow felt withdrawn.

Soon after, a woman dressed in red rushed up and came straight to Omi's room.

Omi hadn't even stood up.

"Are you the reincarnation of the number one pervert, Zhou Mi? You're the one who hurt my brother's feelings with that bitch Yun Zi?" That red-clothed woman raged.

Omi slowly stood up and took a look at Gu 婷巴, she was quite pretty, her figure was straight, and she had big breasts, however, her face looked very unpleasant, a fierce and evil look.

Omi said, "You're the famous Gu 婷巴, right?"

"You know me?"

"Hehe, the genius ranked 20th on the pre-human immortal ranking list in Sanshenshu, Gu Enba, who doesn't know him." Omi gave a small flattering pat on the back.

As expected, people liked to be praised, and Gu Enba, who had just looked fierce and evil, eased up a bit.

"Hmph, scared, eh?"

"Hahaha, I, Tang, have never been afraid of anyone in my life, you might have heard that I defeated Yang Feng with one move before."

"Which so what, Yang Feng is nothing, I can also defeat him with one move." Gu Ronba's gaze rose.

Omi said, "Did your family send you here to find me today?"

"Wrong, I only came to you on my own behalf."

"So, what do you want with me?"

"You and that bitch Yun Zi hurt my brother, what do you think I'm looking for you for?"

"Hurt? Why didn't you tell me that it was your brother who was useless and crazy for a woman."
