

# King of kings

Chapter 2046

Two days later.

A pre-Earth Immortal powerhouse arrived at the Yunluo Immortal Kingdom, and this person was He Kouzhou.

However, He Kou Zhou came to the Yunluo Immortal Kingdom without fanfare, and was not even known to anyone other than the emperor.

Omi was also unaware of it.

The Devil King told Omi that He Kouzhou had arrived and was in the Emperor's palace, having a drink with the Emperor, and from their tone, He Kouzhou would stay in Yunluo Immortal Kingdom for three days, after which he would return to Upper Feyama, asking Omi to make sure to look for He Kouzhou after three days.

Omi remembered the devil king's words and kept an eye on the movements over at the palace hall.

On the morning of the third day, Omi immediately went to the palace hall.

At this time, the emperor and He Kou Zhou were still drinking and chatting.

At this time, a servant reported, "Your Majesty, Zhou Lianma requests an audience."

"Zhou Mi? What's he doing here? Don't you know I'm talking to my best friend? Send him away." The emperor snapped an order.

"Yes." That servant prepared to go and send Omi away. One second to remember to read the book

However, He Liao Zhou was startled when he heard Zhou Mi's name, wasn't this the person Miss Xing Luo wanted him to bring back?

He Kouzhou was busy saying, "Yun Zhan, perhaps people have something important to report, let him come in."

The emperor didn't think too much about it, so he ordered that servant to let Omi in.

After Omi entered the main hall, he first bowed to He Kouzhou, "See Senior He."

He Kou Zhou was startled, "You know me?"

"Of course, Starro, let me go with you."

"Ah." He Liao Zhou was shocked, he thought that Omi was Miss Xing Luo's enemy, but now it seemed that Omi was Miss Xing Luo's friend, and it looked like the relationship wasn't shallow.

He Kou Zhou looked solemn.

The emperor was very unhappy inside at the moment, Omi came in and didn't even pay him a visit first, did he not put him in his eyes?

The emperor snorted, "Zhou Mi, what are you doing here without a summons?"

Only then did Omi bow to the emperor, "Greetings to His Majesty."

"There's no need to be hypocritical." The emperor was furious, it was too late to worship him now.

Omi was only worshipping him because Zhou Tie's family still needed to live here, so he had to do it.

Omi said, "Why is the emperor so furious."

"Zhou Tie, get out of here immediately." The emperor bellowed.

Omi didn't bother to pay attention to the emperor and said to He Kou Zhou, "Senior He, when will you leave to return to the Upper Wilderness, I'll travel with you."

He Kou Zhou was busy saying, "I'll be leaving to return to Upper Cyathea Yan Continent in a moment."

At this moment, the emperor was startled, Omi wanted to go with He Kou Zhou? Wouldn't that mean he couldn't eat Omi's bone marrow.

The emperor immediately said, "Zhou Mi, who told you to go to Upper Yama now, didn't you previously say that you would go with Yun Meng next month?"

Omi said, "Your Holiness, it just so happens that Senior He is here, so I want to go early."

"No, I can't, I'll go whenever I said I would." The emperor was resolute.

Omi smiled, "Sovereign, you don't seem to have the right to restrict my personal freedom, do you."

"Zhou Mi, how dare you speak to me like that? Believe it or not, I'll shoot you to death." The emperor was furious, feeling that today Zhou Mi's attitude had changed into a tug.

Omi said, "Sovereign, think of the consequences before you pat me to death."

"Zhou Mi, how dare you speak to me like that, I sentence you to death, now execute, give me death." The emperor just used this as an excuse to shoot Omi to death, after that, he would then eat his bone marrow, only, it was a bit depressing to have to eat the bone marrow of a dead person, it would have been better to have the bone marrow of a living person. But now that Zhou Mi was leaving, he might not be able to eat Zhou Mi's bone marrow in the future, so it was better than nothing.

Just then, He Lone Ark immediately flew out and stopped the emperor in front of him.

He Lone Zhou felt very depressed, he saw that the emperor was going to kill Omi, he had to come out and stop him, Miss Xing Luo told him to bring Zhou Mi back, if he watched Zhou Mi get shot to death, he would definitely offend Miss Xing Luo.

However, Yun Zhan was his friend again.

"Yun Zhan, don't." He Lone Zhou stopped Yun Zhan.

Yun Zhan's eyes glared, "Lone Zhou, why did you stop me? You are my friend, and you stop me. A rebellious vassal, he deserves to die, this is a matter of my state." Yun Zhan spoke in a righteous manner, little did he know that inside he just wanted to eat someone's bone marrow.

He Kou Zhou was busy saying, "Yun Zhan, you're crazy, you dare to touch him."

"Why wouldn't I dare to move, what is he."

He Kou Zhou could only say, "Yun Zhan, Zhou Mi is extraordinary, even I can't move ah."

"Hmph, you're being funny, how would I know what Zhou Mi's status is, I can move even one finger, and you can't even move?"

He Guzhou didn't want to offend his friends, and didn't want Zhou Mi to get into trouble, so he could only try to elevate Omi's identity, so that Yun Zhan wouldn't dare to touch Zhou Mi.

He Kou Zhou said, "Yun Zhan, to be frank, I didn't really come here to catch up with you this time in the Yunluo Immortal Kingdom. I'm here on the orders of Miss Xing Clan to take Zhou Mi to Upper Tree Cursed Hell. Even if Zhou Mi doesn't come today, I'll take him to Upper Periyama. And you want to kill Zhou Mi, Yun Zhan, if you dare to touch him, I guarantee that none of your Yun Clan will survive, all of them, even me, will die. So, Yun Zhan, I don't care if you believe me or not, today, for my own life, I will say nothing to let you touch a single cold hair of Zhou Mi."

He Guzhen made Omi sound like he had a strong background.

Yun Zhan was stunned there.

He Kou Zhou immediately walked up to Omi and said, "Mr. Zhou, I'm sorry to have frightened you, what just happened, I hope you don't take it to heart ah, if Miss Xing Luo asks, don't ever say anything, otherwise, I really can't afford it."

The emperor saw how nervous He Guzhou was, so he couldn't help but believe it a bit.

Could it be that Omi really couldn't afford to offend?

Yun Zhan came up and asked, "Lone Boat, don't scare me, how could Zhou Mi have such a deep backstage as you think, if he did, how could he marry my daughter."

Omi took advantage of the emperor's lack of attention and slapped him with a "slap".

"Ah." The emperor was silly, Omi slapped him.

That He Kou Zhou was also stupid, and said, "What a damn good drag, even the emperor hit him, could it be that he really has an unfathomable relationship with Miss Xing Luo?"

Originally, it was just a relationship that He Kou Zhou guessed, but now that he saw how dragged Omi was, He Kou Zhou was a little convinced that he had made up his own words to scare Yun Zhan.

"You." The emperor was furious.

Omi said, "Yun Zhan, it was you who was unkind in the first place, so don't blame me for being unrighteous. I'll never forgive you in the face of Yun Zi."

"Zhou Mi, you've turned against me."

“Hahaha, yes, I’m revolting. Yun Zhan, how much do you know about me? How dare you hit on me? You don’t f\*cking think I know that you’re trying to suck the marrow out of my bones?”
