"No no, you're not horny at all."The emperor said with a bitter face.

Omi said, "That's all, think about what you're going to do next, I'm not going back to Upper Fern Yama today."

He Guizhou was busy saying, "Mr. Zhou, you're not going back today?"

He Kou Zhou said in his heart: he didn't have that much time to wait here for Omi ah, although he this Omi and Miss Xing Luo relationship is not shallow, but he has no leverage, he is not afraid of Omi, just do not dare to offend.

Omi said, "Senior He, how about this, you go back first, go with Xing Luo for me I'll go to Upper Feyama next month, I think, Yun Zhan won't dare to hit me again."

Next to me, Yun Zhan's heart palpitated, "I'm not stupid, and I would dare to eat his bone marrow again."

"Alright then, I'll go back first then."He Lone Zhou said.

"Take care, Senior."

He Lone Zhou turned his head and said to Yun Zhan, "Yun Zhan, clear up the misunderstanding with Mr. Zhou properly, but don't make any more mistakes."

"Okay, I will."The emperor busily nodded.

"Farewell."He Lone Boat immediately flew away. Remember the URL . kanshu8 . net

The emperor was busy offering, "Zhou Mi, please sit down."

"No need, I'm not in the mood to sit today."

"Zhou Mi, if there is anything, it's all good to discuss, don't be impulsive ah."

"It is good to discuss, then how do you plan to discuss with me, I only have one sentence, I like Yun Meng, betroth her to me, let's forget about this matter."Omi demanded.

The emperor felt embarrassed and said, "Zhou Mi, you like Yun Meng, of course I'm willing to betroth her to you, but it's already too late, you also know that next month she's going to go to the Upper Silk Yan Continent to meet with someone, that person's family, even if it's not as good as the Xing Clan, it's not too bad, so I'm a bit embarrassed."

"Yo, I haven't even had a blind date yet, and you're using this to oppress me."

"I dare not."

"Then I'll go to Yun Meng's place now and take the shortcut, I'll see if that who still likes second-hand goods." Omi said.

"Ah." The emperor was startled, going to Yun Meng's place now?

However, Omi seemed to have forgotten that Yun Meng was a late stage Human Immortal, and Omi was a mid stage Human Immortal, even if the Tyrant could not get on top.

The emperor said, "Zhou Mi, I don't have a problem with it, anyway, Yun Meng has already been introduced to that genius young man from Upper Fey Yan Continent, if you can take Yun Meng away from him, that's your skill, if you can't take it away, I can't help you. Anyway, the unpleasantness that happened before, I hope you'll be kind enough to spare me."

Omi didn't say a word and walked away.

The emperor's forehead was sweating as he looked at Omi's back.

After Omi left, the emperor wiped the cold sweat from his forehead and said, "I really almost fell into the abyss, if I really sucked Zhou Mi's bone marrow, I would have been finished."

At this moment, Omi, who was far away, had a smile on his lips.

The development of things was really unexpected, I thought that I would leave with He Lone Zhou, but I didn't expect that He Lone Zhou would talk about his backstage in such a bullish manner, directly scaring the emperor.

Therefore, Omi had gone along with the situation and became arrogant, the more arrogant he became, the deeper he frightened the emperor.

At the moment, there was no need for Omi to go to Upper Fei Yan Continent in advance, the emperor definitely didn't dare to hit him again, and the emperor was still deeply jealous of Omi. Omi directly opened up and said that he liked Yun Meng, and the emperor didn't have the slightest temper and allowed Omi to go to Yun Meng. If this was before, not to mention Yun Meng, even if Omi dared to have an affair with another woman other than Yun Zi, the emperor would probably behead Omi's life.

Omi unknowingly arrived at Yun Meng's residence.

"Zhou Mi, why did you come to my place?" Yun Meng looked at Omi in confusion.

"Go ahead."

"How do you feel about me?"

"Ah, you're crazy, if my father hears this, you." Yun Meng was shocked and panicked, looking around to see if anyone had heard her.

Omi trailed off and said, "Say it, how do you feel about me? Do you like me?"

"Zhou Mi, how dare you." Yun Meng snapped loudly, looking like she was terrified of being heard.

"Yun Meng, you don't need to be afraid, your father wouldn't dare to do anything even if he was standing in front of you." Omi said.

"Shut up, Zhou Mi, you're really crazy, you dare to openly betray my sister Yun Zi, confessing to me in broad daylight, you don't want to live, don't harm Yun Zi." Yun Meng spoke out.

Omi looked into Yun Meng's eyes, and after a few seconds, smiled, "Understood, it seems that times are different now."

Omi turned around and left.

This time Omi felt that Yun Meng had changed compared to the last encounter at the big wedding.

Perhaps, the last encounter, Yun Meng hadn't found that genius in Upper Fife Yan Continent yet, but this time, she was going to meet next month, so how could she still look at Omi again.

Omi took a few steps and Yun Meng's voice came from behind him, "Zhou Mi, don't say such words in the future, or else don't blame me for being rude."

"Don't worry, I'll never say it again."

"So best."

Yun Meng looked at Omi's back, and for some reason, Yun Meng didn't feel like it at all.

Like half a year ago, when Omi came back from Upper Fell Hell Continent, defeated Gu Ruinba, and assessed to be a First Grade Immortal Pill Master, Yun Meng was full of admiration and fondness for Omi, and then she was sad for a while when Omi got married to Yun Zi.

But now, it didn't feel like that time.

Yun Meng knew that it must be because of the one, who hadn't met yet, in Upper Yama Island.

Inside Yun Meng's heart, she could not wait for next month's time to arrive quickly and then go to Upper Feyan Continent to meet with that person.

Omi was a little hurt inside, too impulsive.

Omi cursed inwardly, "Stinky Sanba, a woman with two minds, last time she was gloomy and sad because I married Yun Zi, but now she has changed her mind, in that case, go ahead and go on a blind date with that whoever you want to the Upanishads, I'm not interested."

Omi went straight back to the Zhou Residence.

As soon as he arrived at the Zhou residence, the Devil King contacted Omi.

"Omi, why are you still here, didn't that He Gouzhou take you to go to Fei Yan Continent? Starro's face is so small?" The Devil King was busy asking.

"Senior, you have misunderstood." Omi told the Devil King what happened.

The Devil King laughed, "You're really good at borrowing power, and yes, Star Luo's power can really scare the crap out of Yun Zhan."

"Yeah, I didn't expect it to turn out like this, but now I feel like I can walk across the room here. Just, I wonder if Star Luo will mind."

"I don't think so, Starro's not that petty, besides it's very small to her."

"Hehe, I was going to just pick up his other daughter by the way, but who knows, she's changed her mind and doesn't seem to like me anymore."

The devil said, "Then use your strength."

Omi said speechlessly, "Senior, I'm really not this kind of person."

"Hahaha, it's because she's higher than you in the realm." The Devil King laughed.

"I won't deny that I've done it before, but I'm really not this kind of person."

"Alright, alright, now that you're out of danger, I'm relieved, I'm not going to bullshit with you, goodbye." The devil's fairy thoughts withdrew.
