

King of kings

Chapter 2206

Omi and Tang Huan soon arrived at the Hua Ming House.

"Stop." A few guards from the gate of the Hua Ming Mansion suddenly rushed out.

Omi smiled heedlessly, "I'm here to find my Qingtian grandfather, how is my Qingtian grandfather now."

"Qingtian? You're the grandson Zhou Mi that Qingtian recognized, right?" One of the old men was busy asking.

"Yes."

"You should go."

"I came to see my grandfather, why did you let me go, isn't he on duty here?"

"Great Grandson, Qingtian he left Hua Mingfu a long time ago, and if you didn't mention it, I wouldn't have thought of him for a while."

"Gone?"

"Yes, Qingtian left the Chinese name house hundreds of thousands of years ago."

"Why?" One second to remember to read the book

"It's a long story, so let's not talk about it."

"I want to know, can you tell me? Did someone bully Grandpa Qingtian?"

The gate guards looked at each other for a moment, and one of them sighed, "Alright, to tell you the truth, your Qingtian grandfather is dead."

"Are you kidding me?" Omi was startled.

"Hundreds of thousands of years ago, your Qingtian grandfather offended a young master of the Hua Ming House for unknown reasons, and that young master had someone kill your grandfather, right in front of this gate, we all saw it."

"Really?"

"Alas, Great Grandson, I didn't want to tell you the truth, for fear that you would go to trouble with that young master of Hua Mingfu, after all, we all work for Hua Mingfu, we should be on Hua Mingfu's side."

"Great Grandson, go away, the Hua Ming Mansion is not something you can afford to offend. We don't want to tell you the truth, but we're also afraid that you'll go to him and lose your life in vain."

"Yes, Great Grandson, tens of thousands of years ago, another grandson of Qingtian, called Qing Shi, also came here to look for him."

"Aoshi?"

"Yes, Aoshi he has stepped into the Celestial Immortal, he saw that Qingtian had not returned for a long time and came here to look for him, but we did not tell him the truth. After that, Qing Shi left, but of course, I don't know if he learned about Qing Tian through any other means."

"Where is he now, Aoshi?"

"I don't know about that."

Omi asked angrily, "Tell me, my Qingtian grandfather, which young master was killed by the Hua Ming House? Because of what?"

"Sorry, we won't tell you."

"Say it or don't say it." Omi yelled.

"Great grandson, this can be Hua Ming House, don't make trouble here, or it really won't do you any good, we're just janitors, Hua Ming House still has a lot of strong people in it, they'll come out at the first sign of trouble."

"If you don't tell me today how my Qingtian grandfather really died, I will never stop."

"Great grandson."

Omi immediately took out a thousand immortal coins and said, "If you tell me, this thousand immortal coins will be his."

"Ah, you, why do you have so many immortal coins." Those gate guards were all shocked.

This time, no one said anything, and their eyes looked straight at Omi's immortal coins.

"Really don't say anything? If I don't say it, I'm sure I can find out about it through other means, but you guys lost a good opportunity to make money, you only earn one immortal coin in ten thousand years, I'm now, one thousand immortal coins in front of you."

Those gate guards bit ah and said, "Everyone, go ahead, the worst-case scenario is to leave the Hua Ming House, it's worth it for the thousand immortal coins."

"Fine, then we'll split it equally, fine."

Thus, those gate guards were decisively bribed by the money.

"Say, how did my Qingtian grandfather die."

p;One of the guards said, "Hundreds of thousands of years ago, there was a time when Young Master Hua Ming Zhi of the Hua Ming House passed by this gate, and at that time, Qingtian was on duty, and Qingtian was a bit slow, so he didn't open the gate in time. Sharper, he's what's going to happen to us."

"That's how my grandfather died?"

Omi was annoyed, this death was so worthless, as if it was as simple as an ant being crushed to death.

"Great Grandson, don't be impulsive ah. Hua Mingzhi is not something you can offend ah."

Omi asked, "What is Hua Ming Zhi's origin?"

"We're not quite sure of the origin, but in any case, it's not like anyone can offend even a dog from Hua Ming Zhi."

"What kind of strength is the Hua Ming Zhi?" Don Omi asked.

"It's a Heavenly Immortal."

Omi's gaze chilled, killing.

Omi asked, "Where is Hua Ming Zhi now?"

"It should be at home, but Hua Ming Zhi will come out almost every few decades to find a girl at Tian Le Fang."

"Okay, how much time is left before he comes out?"

"Hua Ming Zhi hasn't come out for decades, and if you count the days, it's almost time to come out to Tian Le Fang. Great Grandson, what are you doing asking such detailed questions?"

In one word, Omi said, "Kill."

"Great Grandson, this can't be done."

Omi threw a thousand immortal coins to these gate guards and said, "Thank you several, about today's incident, I hope that you will not reveal anything, or else you will be killed."

"Don't worry, but, you?"

"I don't need you guys to worry, I'm leaving first."

Omi and Tang Huan, left straight away.

Tang Huan advised, "Husband, save your grief."

"Don't worry, I'm not that weak, I just feel, very unhappy."

"Weak fish and flesh, this is how it's always been, in the eyes of the Hua Ming House, your grandfather Qing Tian is just a watch dog, you can kill him if you want."

Omi raged, "Hua Ming Zhi, I will use his life to comfort Grandpa Qingtian's spirit in heaven."

"What do you want to do?"

"Go to Tianlefang, Tianlefang is a chance to do it."

“That Hua Mingzhi, he should always have a strong Dao Immortal following him.”

“I know, so I need to think of some way to kill Hua Mingzhi.”

At this moment, in a certain room in an inn across from Tian Le Fang, a man was staring at the direction of Tian Le Fang.

This man clenched his fists and gritted his teeth, “Hua Mingzhi, I want you to die.”

This man, was none other than Omi’s big brother, Qing Shi.

After tens of thousands of years of snooping, Qing Shi had naturally found out who had killed his grandfather, and like Omi, he was ready to strike at Tian Le Fang.

At this moment, Qing Shi’s gaze gaped, and at the entrance of Tian Le Fang, he saw the figure of an acquaintance.

“Ah, it’s Brother Zhou Mi, why is he here, isn’t he at the Immortal Academy?”

At this moment, Omi was standing at the gate of Tian Le Fang.

Tang Huan said, “Do you need to go in and poke around?”

“Of course, I need to know which girl Hua Ming Zhi usually comes to Tian Le Fang for.”

“But, you.”

“Don’t worry, I’m not interested in the wreckage here, so wait for me around here and I’ll go in for a bit.”

“Hmm, good.”
