

Chapter 221

"I'll be at the river this afternoon."

"Why didn't you pick up even when you called." Xiang Yun Liu asked.

"Didn't hear."

"Forget it, I don't want to ask, you don't even have me in your heart, and if I ask any more, it's just adding to the sadness." Liona's eyes looked out the window, water mist welling up in her eyes, not daring to be seen by Omi.

Omi was speechless: "Look at what you said, what heart without you, making it seem as if you are a wife, although I neglected my duties for an afternoon, but it's not so serious."

Liona gave a bitter laugh, "Yeah, I'm not your wife, in short, it's really unfair."

"What really isn't fair?" Omi asked inexplicably.

"What do you know about a woman's heart even if I told you." Liona didn't want to say more, she said unfair, she meant feelings, she cared about Omi, as soon as Omi left her sight, or went what didn't say to her, she would think more inside, she would be lost, she would be sad, Omi even a random sentence, or a saying, could make her sad. And Omi doesn't care about her, can care about anything, to be frank, she is just unrequited love, this kind of feelings, how can there be fair to say. I'm not sure if I'm going to be able to do that.

In the evening, after dinner, Liona went back to her room to do her homework, did not call Omi to her room to make up lessons, which made Omi a little strange. But it was better not to call, Omi didn't bother to make up the lesson, saving Omi from making excuses to refuse.

At Song Yu'er's house, Song Yu'er had been in a bad mood all day today.

"Miss, I'm sorry, I've disappointed you." Liu Yue said ashamedly. Remember the website . kanshu8.net

"What's the point of talking about this, hurry up and bring your martial arts skills up. You didn't defeat Xu Yan today, this isn't what depressed me the most, what depressed me the most was Liao Ga Yuan, he offended me." Song Yu'er angrily said that Liao Jia Yuan pushed Song Yu'er on the podium, and also said that he let Song Dai Tian come out and guaranteed that he wouldn't kill her. Although Song Yu'er was very pitiful, she would never allow anyone to insult her dad. Therefore, Song Yu'er was very angry with Liao Gayuan.

"Liu Yue, I only want to seek revenge on Liao Gayuan now, what do you want to do to get back at him."

Liu Yue laughed, "Miss, just this matter ah, this matter is too simple, although Omi is hard to surpass, but Liao Jiayuan this kind of goods, is not worthy to be my opponent, find him to take revenge, it is too simple."

Song Yu'er suddenly thought of Omi cutting off Lin Dongfang's lifeblood, and smiled, "Liu Yue, what do you think would happen if I also followed Omi's example and cut off Liao Ga Yuan's lifeblood?"

Liu Yue was shocked and wiped her cold sweat.

"Miss, you're a girl, how can you say such words."

Song Yu'er excitedly said, "I don't care, I've decided anyway, I'm going to cut Liao Jia Yuan's lifeblood, who let him offend me today."

Liu Yue was incredulous: "Miss, you're too ruthless, Omi dared to cut someone else's lifeblood, that's him being ruthless, but you even dared, you're a girl."

“What’s wrong with being a girl, if you offend me, I also dare to cut. It’s decided like this, Liu Yue, when will you help me catch Liao Jia Yuan, I want to cut him, of course, if this can be seen by many people, I think it will be better.”

“Miss, you’re not messing with me, are you?” Liu Yue had a bitter face.

“Look at this point of your outlook, if Omi dares, why should I dare not ah, cut it.” Song Yu’er had

Decided, no one could change her determination.

Liao Jia Yuan dared to offend her today, Song Yu’er let him know how powerful she was.

Liu Yue bitterly said, “Okay, I’ll try my best, I just don’t know if that bodyguard by Liao Jia Yuan’s side, Li Hao Lin, is powerful.”

“Don’t let my father know about this matter.”

“Oh, good.” Liu Yue nodded helplessly, he no longer dared to go to Song Dai Tian’s place now, the last time Omi spanked Song Yu’er, he went to sue him, Song Yu’er almost resigned him, now where would he dare.

At this moment, at Liao Buffalo’s house.

“Dad, Omi is bullying me so much today, when exactly are you going to do it, it’s so infuriating.” Liao Jiayuan said.

Liao Shui Niu’s eyebrows furrowed into a line, Omi had really made him very unbearable.

At this time, Li Hao Lin said, "Can I say something."

"What time is it, say."

Li Hao Lin said, "I know an assassin, codename 'Night Pupil', she's in Linjiang City these days, might as well ask her to kill Omi and be done with it."

Liao Jia Yuan asked: "What kind of strength do you think this assassin is?"

Li Hao Lin said: "What kind of strength I don't know, but she doesn't rely on strength to kill people, she usually uses a sniper rifle, you know, sniper rifles are very powerful, powerful shooters, 500 meters away 100% hit, directly kill Omi, why waste so much energy with him."

Liao Jia Yuan looked at his father and asked, "Dad, what do you think?"

Liao Buffalo pondered for a moment and nodded, "It's good, let the killer take out the murderer, it will save us from getting involved in the murder, so we can get rid of it once and for all. It's just that Omi is not an idle person, is the killer you mentioned sure that he is capable of taking out Omi?" Liao Buffalo looked at Li Hao Lin.

Li Hao Lin smiled, "Absolutely 100%, codename Night Pupil, her eyesight is even better than a hawk, she has never missed, even in the darkness she hits her target 100%. The strongest person who ever killed was a martial arts rank of over 40, Omi, no matter how bullish he is, he can't reach a rank of 40, right?"

Liao Jia Yuan disdainfully said, "Even with him, it's impossible to reach level 40 in his life, in Linjiang City, experts who can reach level 40 are at the level of master martial artist, they can open a school and give out apprentices, is it possible for Omi's that Ji Ba? Dad, I think Hao Lin's suggestion is good, don't bother with Omi, just let the killer snipe it off remotely."

Liao Buffalo asked, "How much would it cost to hire this assassin to snipe off Omi?"

"I don't know about this, I have the member account of the Yan Huang Killer, I'll go in and check it out."

Li Hao Lin entered a secret station and quickly looked it up.

"Uncle Liao, codename Night Pupil, is a gold-ranked assassin, the price of his shot is about 60 million."

"That expensive." Liao Jia Yuan was shocked, killing a Omi and spending sixty million, that was too big a price to pay.

"He's a gold medal killer ah, a gold medal killer can even kill a forty level martial arts master."

Liao Jia Yuan said, "Dad, you want to come clear ah, 60 million to take out Omi, it's not a small price to pay, that idiot Omi, how could his life be worth so much money."

Li Hao Lin no longer spoke, never deciding to hire Night Pupil to kill Omi, it was up to Liao Buffalo.

222

Liao Shui Niu hesitated, sixty million was not too much to say.

"Please, Omi can't let him live anymore, once and for all."

"Good, then I'll immediately enter the secret station and issue this mission to Night Hitomi, and of course, whether she takes it or not."

At this moment, in a certain hotel in Linjiang City, a woman was standing in front of the window in a room, her eyes looking out of the window. Her hotel room was on the 30th floor, but she looked downstairs with clarity, her vision sharper than a hawk. She was Code Name Night Hitomi, who was doing a mission in Linjiang City.

At that moment, a secret message came from her phone, a mission was coming, but a designated mission.

“Target, Omi, amount, sixty million, location, Linjiang City.”

Night Hitomi was a little surprised, a high school student, but someone hired a killer to kill.

However, it just happened to be in Linjiang City, so Night Hitomi didn't mind earning the extra sixty million, so she replied with a letter, indicating that she would take the mission.

Soon, detailed information came from her phone.

“Omi profile, student in class 32 of Baiyun High School, home address: xxx of Fragrant Garden Villa,” and a picture of Omi, although it was a screenshot from the previous video, she was still able to see the appearance. However, this Omi's face made Night Hitomi feel a hint of familiarity.

Night Hitomi drained the cup of wine in her hand, then went back to her room to get a bag, put on her hat, and flew out from the ledge, although her lightness wasn't strong, her climbing ability was strong, and it wasn't difficult for her to fly over the wall. One second to remember to read the book

Night Pupil immediately headed to the place where Omi was staying in an effort to complete this unexpected mission tonight.

Yupil quickly arrived at the Fragrant Garden villa area and locked on to the villa where Omi lived. On a tall building about five hundred meters away from Liu Chenming's villa, Nite pupil lay down on the roof and then began to assemble his sniper rifle.

This sniper rifle of his was so powerful that no martial arts expert could carry it, unless it was above level 100.

Once Night Hitomi had everything ready, he took the sniper rifle and aimed it at the target villa, using the scope to be able to see very clearly.

Omi didn't know that a killer was secretly sniping him, Omi only needed to walk out the door or to the balcony, and in the next second, the sniper rifle's bullet would enter his chest.

Don't doubt the speed of the sniper rifle, five hundred meters to the sniper rifle is no different from the present.

Omi was sitting in the living room watching TV, but, he could never watch it. Tonight Liona didn't call him to make up classes, although he didn't want to make up classes either, but he always felt a lump in his heart.

So, Omi went up to talk to Liona.

"Miss." Omi knocked on the door.

However, Liona didn't open the door, I don't know what she was sulking about, Omi just didn't show up in the classroom all afternoon, what's the big deal.

But where did Omi know that Liona was secretly in love with him, things are not as simple as the surface. Omi left for an afternoon, and did not say anything to her, did not answer the phone, and did

not even tell the truth where he went, so that Liona felt that Omi did not have her inside at all, and was just sad for a moment, but her sadness was caused by unrequited love.

“Don’t disturb me.”Liona’s voice came from inside.

Omi internally inputted the door handle and opened the door in a flash.

Omi walked into Liona’s room.

Liona was sitting in her room reading a book, but her eyes were dull.Liona also knows that her body can’t fall in love now, but her feelings are uncontrollable and irrational.

Liona sees Omi come in, so she gets up and walks out to the balcony

.

Omi also followed out of the balcony.

However, at that moment, on a distant tower, a sniper rifle was waiting at all times.

Liona was standing on the balcony, clearly visible in the scope.

But it didn’t shoot at Liona, because the target wasn’t Liona.

Omi saw the lady avoiding him just the same, and also went out of the balcony.

At that moment, Omi appeared in the scope of the sniper rifle, the killer night pupil zoomed in on Omi's face and confirmed that it was the target.

On the balcony, Omi said, "Miss, you're always too small-minded, I just didn't show up in the classroom for half an afternoon, is that so bad that it makes you so angry?"

Liona didn't want to hear it and turned around to go back into the room.

At that moment, the killer shot at Omi's head.

"Bang." A shot was fired.

Just as Omi stepped into the room, the bullet grazed the back of Omi's head and shot into the wall, piercing a hole in the wall.

Omi slammed into the floor, and Liona screamed in fright, seeing that Omi was down and that there was blood on the back of his head, she was busy jumping on him. Omi pushed Liona down to the ground, shouting don't move.

Omi crawled up and touched the back of his head, bleeding.

Omi looked at the hole in the wall and broke out in a cold sweat, this is trying to blow his head off. This power, Omi now this head which can afford to explode, thanks to his life, just one foot into the room, to explode the head of the bullet, hit the back of the head to the back of the head, the back of the head bruised a skin.

"Fuck him." Omi cursed angrily.

Willow Chenming came up as well.

“What’s wrong?” Willow Chenming was busy asking.

“Dad, Omi was shot .” Liona was busy saying, she now regretted being angry with Omi, if Omi really died, she also felt like she didn’t want to live.

“Ah, shot.” Liu Chen Ming’s face turned pale.

Omi was busy, “It’s fine, don’t walk out of the balcony now, it’s a sniper rifle, it’s very powerful.”

“Even you can’t stop it?” Willow Chenming asked.

“With such a strong power, even a brass wall can shoot through, let alone flesh.”

After saying that, Omi leapt up and flew out.

Although Omi couldn’t block that sniper rifle, it didn’t mean that Omi would be hit again, if he couldn’t be hit, what was the use of the strongest power.

Omi felt out the direction the shot just came from and immediately flew towards that place.

Unfortunately, five hundred meters was not a short distance, and the other party was upstairs, by the time Omi found the approximate firing point, the assassin who had attacked him had already vanished without a trace.

“Fuck him.” Omi cursed in exasperation, this sniper rifle was much more powerful than any concealed weapon in Omi’s world, if he was targeted by this thing, Omi wouldn’t really know if he would be killed, the other party only needed him to be still, and he could aim to take him out.

“No, I have to find the person who attacked me as soon as possible, or I’ll have trouble sleeping and eating.” Omi would never allow the darkness to have such a sniper staring at him at all times.

Omi could only try to call the little hacker beauty.

“Hey, brother Omi, you took the initiative to call me, I guess, it must be for my help.” Hacker.

Omi was a bit embarrassed by what he said, making it seem like he only called when he had something to do, forgetting about it in the back of his mind.

223

“That, Sayaka.”

“Actually, my name is Moe.”

“You lied to me.”

“Alright, I don’t want to lie to you now, so really call it, what is it.”

Omi said, “I just almost got killed.”

“Are you kidding, people don’t know who you are, I can tell, you’re a lost cause, who could kill you so easily.”

“Really, someone secretly killed me with a sniper rifle, the gun was too powerful and sneaky, if I hadn’t been so lucky, I would have been shot in the head.Can you help me find out who killed me.”

Hacker Little Beauty said, “Okay, I’ll look into it, but I’m not sure I can necessarily help you.”

Hacker Little Beauty directly hacked into the information of the arrivals in Linjiang City in the past two days, because she felt that it was most likely the killer who did it, the killer was only so professional, and Hacker Little Beauty also doubted that it could be her friend who did it, it shouldn’t be so coincidental.

She found out that her friend had entered Linjiang two days ago.

The first time I saw her, I thought it was a good idea to make a phone call. The first website m.

At this moment, in one of the hotels, the newly returned Killer Night Hitomi picked up the phone.

“Hey, Xiao Meng, why are you suddenly calling me.”Night Hitomi asked, her face without any expression, a look of indifference.

“Sister Qi ah, I don’t think you just went to kill someone named Omi, right?”

“Ah.”Night Hitomi was stunned.

“How did you know, Moe?”

“Oh, my God, it’s really you.”The little hacker beauty squealed.

“Moe, what’s going on, do you know that Omi?”

“Oh Sister Qi, he’s my boyfriend.”Hacker.

“What? Your boyfriend.”Night Hitomi was stunned.

Hacker: “Future boyfriend.”

“Xiao Meng, stop it, what’s going on.”

“Alright, he’s the boyfriend I’m in love with.”

“How old are you to be in love.”Night Hit said with an emotionless voice.

“Aww, never mind about that, anyway, you can’t kill him.”

“Okay, but I didn’t kill him today, I was lucky enough to dodge a shot, I was going to find a chance to snipe him off at school again tomorrow, it’s a good thing you called just in time, otherwise I would have killed him tomorrow.”

“Thank you, Sister Qi.”

Hanging up the phone, Qi Xueyun was speechless, there was such a coincidence in the world, unintentionally taking a mission, but it was Little Moe Love’s boyfriend.

Since she couldn’t kill Omi, Qi Xueyun could only return this mission.

Qi Xue Yun picked up her phone and prepared to return the mission, her phone was naturally not an ordinary phone.

Qi Xue Yun once again looked at the picture of Omi in her phone, always feeling a hint of familiarity.

The call from the little hacker beauty soon called again.

“Brother Omi.”

“How’s it going?Did you find the man who sniped me?”Omi asked, if he found it, Omi was going to do him tonight, this kind of sniper who was secretly watching him, must not be soft, or else he would be the one to die.

“Brother Omi, the search is found, it’s just that, it’s too coincidental, hahaha.”

“What do you mean?”

“Well, I’ll be honest, the guy who just killed you was my friend.”

“What nonsense, what did your friend kill me for?”Omi was speechless.

.

“Really la, my friend she’s a killer ah, she just happened to get a mission to kill you, so she took it, I didn’t expect it to be you.”

“Oh shit, what’s your friend’s name, do you know that she almost blew my head off.”

“Ouch, that’s not a headshot yet.”The little hacker beauty smiled hehehe.

“Where is she?”

“Brother Omi, don’t hurt her, she’s also a pitiful person.In the past, her family pledged her to a loser from that very powerful family in order to climb up to a more powerful family, and Sister Qi ran away from home, so don’t hurt her.”The little hacker beauty pleaded.

“I don’t even know where she is, how can I hurt her, since I’m your friend, I’ll naturally give you face, but I need to talk to her face to face, don’t worry, I won’t hurt her.”Omi said, but Omi wouldn’t kill her though, a beating was inevitable, as the thought of almost getting her head blown off was very upsetting.

“Okay, I can tell you where she is, but you mustn’t hurt her.”

“Don’t worry.”

“She’s at Hotel XX, Room XX.”

Omi ended the call and went to the XX Hotel XX room.

Omi was driving there, not flying, and flying through the eaves was also very taxing on internal energy.

“Knock knock.”

Qi Xue Yun had just finished taking a shower and walked out of the bathroom with a towel wrapped around her body, when she heard a knock on the door.

Qi Xue Yun with a cat's eye to see, it was Omi, shocked, it must be Xiao Meng told him.

The first thing you need to do is to take a look at the newest version of this article.

As soon as the door of the room opened, Omi saw a beautiful woman wrapped in a towel, fresh out of the shower, her skin still red and moist.

Omi was stunned, wondering if he was looking for the wrong door, that killer was so ruthless, how could it be a beautiful woman, and this beautiful woman didn't look big, estimated to be around eighteen years old, or maybe not even, sixteen or seventeen.

"Are you the killer?" Omi asked probingly.

Qi Xue Yun's face was cold, as if she had no expression, and said, "I am."

"What the hell, you really are." Omi jumped up in anger.

Originally, Omi's purpose was to beat her up, but he didn't expect it to be a woman, and a beautiful woman of a young age, so it seemed like Omi couldn't quite do it when he really met her. After all, they were just killers, and they didn't target him, and they were friends with the little hacker beauty.

Qi Xueyun's face was like a cold frost, seeing Omi's anger, there was no fear, which made Omi quite surprised, not too old, but also quite calm, was Omi's behavior not fierce enough?

Omi walked into Qi Xueyun's room and spun around.

Qi Xueyun didn't stop it, and only after Omi had turned around did Qi Xueyun ask indifferently, "What else do you want?"

Omi felt a little upset that he'd run away for nothing, but he had to say something.

"Why did you kill me."

"It's not a person I'm killing, it's a mission."

"So, do you still want to kill me now?" Omi asked.

"You're Xiao Meng's boyfriend, I gave Xiao Meng face and retired the assignment." Qi Xue Yun said with a blank expression.

"Fetish boyfriend?" Omi remembered, before the hacker little beauty begged Omi to be her on boyfriend, Omi flatly refused this little kid, did not expect this fetish boyfriend, but at the moment, Omi did not want to deny it, there was no need to argue with a killer.

"By the way, who told you to kill me?" Don Omi asked.

224

"I don't know, it's impossible for a killer to know his employer when he takes a mission." Qi Xue Yun said indifferently, her face seemed to be neither irritated nor happy, it was that expressionless. No expression, but her greatest expression, she was like a sculpted beauty, her expression was always like this, but also always so beautiful.

Omi didn't ask any more questions, and probably couldn't ask who had put a bounty on his head to kill him.

"Is there anything else? If not, you can leave now." Qi Xue Yun said.

"Fine, I was going to come over and beat you up, but since you have a good attitude, I'll forget about it." Omi looked at Qi Xueyun one last time, then walked out of the room.

Qi Xueyun closed the door, changed into a pair of pajamas and stood in front of the window, her eyesight was good and she could see clearly at night.

Omi got out of the hotel, had arrived at the first floor, and was getting into a BMW car and sailing away.

Qi Xueyun looked at Omi's departing BMW and pondered, and only after a long time did she say, "It's him, there's such a coincidence in the world."

In fact, Qi Xueyun should have recognized that Omi was technically her fiancé.

A few years ago, when the family had engaged her, Qi Xue Yun had met Omi once, but Omi should have never met her.

She was only thirteen years old at the time, and Omi was presumably fourteen as well, and at the time, Omi's wimpy appearance didn't even have first-grade martial strength. After that, she was withdrawn and cold and arrogant, she directly left the family, she didn't want to be used as a tool to climb the strong family, she didn't go back once in all these years, and her parents died early anyway. She had heard, however, that later that wasteful fiancé had been expelled from the family for peeking at someone else's bath. I just never thought I'd run into him here today and nearly shoot him.

The first thing you need to do is to take a look at the newest addition to your own website, which is a great place to start. Remember the website [.kanshu8.net](http://kanshu8.net)

Omi returned to his home where Liu Chen Ming was anxiously waiting for him.

“Omi, you’re back, how was it?” Willow Chenming panicked and asked.

“It’s okay, Uncle Willow, it’s taken care of.” Omi said comfortingly.

“Who was trying to kill you?” Xiang Yun Liu asked.

“A killer, it’s a pity we can’t ask who the bounty is, otherwise we would never let it go.” Omi was depressed.

“Did you kill that killer?”

“That’s not true, but she’s afraid to kill me again and he backed out of the mission.” Omi said.

Willow Chenming was busy saying, “But even if he backed out of the mission, it doesn’t mean there aren’t any other killers to take the job again.”

“Yeah? If that’s the case, then don’t blame me for being rude.” Omi’s face chilled.

Willow Chenming said, “Nine times out of ten, it was Lin Dongfang who offered the bounty, after all, you cut his lifeblood. It could also be Yu Wei and his son, all three of them are still in half eunuch status.”

“Nima.” Omi was depressed.

Liona said, "It could also be Liao Jia Yuan and his son, or Zhao Ritian, it could even be the families of those campus madmen, like Su Yuhao or something, there are too many suspicions of hiring a killer to kill you anyway." After saying that, Liona couldn't help but glare at Omi, if she had listened to her in the beginning and kept a low profile at school, how nice, then there would be no trouble whatsoever now.

&nb

sp;Omi's speechless smile: "Just, just hire a killer, make it as if I'm afraid, it doesn't matter, I'm a little more vigilant myself, not so easy to kill me."

At this moment in Liao Jia Yuan's house.

Li Hao Lin suddenly said: "Uncle Liao, Young Master Liao, that assassin codenamed Night Hitomi, after she took the mission, she has now even retreated."

"Ah, why did she take the job and then retreat?" Liao Jia Yuan asked puzzled.

"I don't understand, or maybe she had a temporary thing to do, Uncle Liao, since Night Hitomi has retired, what now? If this mission is withdrawn, the sixty million bounty already paid will be refunded the rest after deducting twenty percent of the basic fee."

Liao Buffalo was depressed, "Omi isn't even dead yet, so twenty percent of the basic fee is deducted? This is too much of a trap, the bounty was 60 million, it's only been a short time since it turned into over 40 million."

Li Hao Lin laughed: "Uncle Liao, it's already good that people can return eighty percent, some killer alliances with bad reputations have to deduct half even if the mission is returned."

Liao Jiayuan busy said: "Dad, don't return it, this night pupil won't take it, offer a reward to other killers to take it, I don't believe other killers won't take it either."

Liao Buffalo was a bit distressed about the money, after all, 60 million was not a small amount, the main reason was that he still felt that Omi's life was not worth the price.

"Alright, offer a reward out."

Liao Shui Niu decided to offer another bounty out and let another assassin take the job.

At this moment, at Song Yu'er's house.

"Liu Yue, have you thought about it ah, I want to cut Liao Jia Yuan, hurry up and think of a way ah, so that I can cut Liao Jia Yuan in a place with a lot of people and attention."

Liu Yue is full of black lines, what kind of Miss ah, fear of heaven and earth, cut men's lifeblood are brave enough to do.

"Miss, this kind of cut, will definitely be on the Linjiang Window Forum, will ruin your father's reputation, you have already pitted the last time, this is only a few days and pitted again, by your father knows, your father will fire me." Liu Yue advised.

"Omi cut Lin Dongfang is on the news, so how come it didn't affect the reputation of Liu Chenming? Why should my cutting have to affect my father's reputation." Song Yu'er said unconvinced.

"It's different, Omi cut Lin Dongfang, that's because Lin Dongfang wanted to rape Liona, and Lin Dongfang also raped beautiful female customers at the mall before, no one sympathizes with Lin Dongfang, so naturally, it won't affect Liu Chenming's reputation."

Song Yuer said, "Then we can also design a trap for Liao Jia Yuan to rape you, then I will catch him on the spot, then I can justifiably confiscate his tools, yay, I'm great, just do it."

Liu Yue was speechless, rape him, does anyone believe that?

However, Miss is hard-hearted, that Liao Jiayuan is also really, why offend Miss properly today.

At Liao Jia Yuan's home.

Li Hao Lin smiled and said: "The mission was taken over by another killer, this killer is codenamed 'Blood Baby', this Blood Baby is very famous in the killer world."

Liao Jia Yuan asked happily, "Very famous? Is this Blood Baby, a very powerful man? That means Omi is dead or alive? Great, fuck Omi, that stupid bird man."

However, Li Hao Lin shook his head and said, "Codename Blood Baby's fame isn't because he's very strong, he's famous in the industry because he's a bloodthirsty killer who likes to eat babies, especially newborn babies."

225

"And how strong is he?" Liao Shui Niu asked.

"Strong, a gold medal killer, even stronger than that code name Night Pupil just now, at least from the number of missions he has completed, surpassing Night Pupil, in short, killing Omi is like killing a chicken."

"Hehe, Tang dumbass, he's waiting to die." Liao Jia Yuan laughed excitedly.

Liao Shui Niu also laughed and said, "I hope that this time, some blood will be shed to exterminate this ant Omi, saving him from having to bounce around again and once and for all."

Li Hao Lin said, "Once Omi is dead, Liao Shao can regain his former prestige in school, congratulations Liao Shao."

Liao Jiayuan plotted against Omi at home, but little did she know that the mantis pounced on the cicada and the yellow sparrow, Song Yuer was also plotting against Liao Jiayuan at home.

No words were spoken all night.

The next day, it was Tuesday, Omi still drove Lina to school with him.

"Miss, yesterday you were still angry, today you're not." Omi asked driving the car.

Lina angrily said, "Who said I'm not angry."

In fact, Lina is not angry inside, yesterday, Omi was almost killed by a killer, the heartache is dying, what is still angry. A second to remember to read the book

"Let me know where you're going from now on, okay, and don't let me worry," Lina said.

"Yes, okay."

In the morning when classes were in session, Omi entered the campus to walk around.

Today, the campus was talking about topics related to New Year's Day, such as the New Year's Day Gala, and especially the New Year's Day Talent Competition.

A friend called Dzungdu made a post, saying, "This year's New Year's Day Gala will be very exciting, I heard that Ling Longyu will come to our school to sing at the New Year's Day Gala. Ling Longyu, my idol, I'm so excited to see my idol, are there any who are Ling Longyu fans like me?"

Tomoyo lonely beg sister drag said: "I am also a fan of LingLongyu ah, also excited in."

You tree's life said: "super love Ling Long Yu, I like all his songs."

Yaya said, "My god is coming."

Omi took a look at the post, this post quite a lot of people replied, the number of replies more than eight thousand, and, it seems to be what Ling Long Yu's fans, super love Ling Long Yu or something.

Omi curiously asked Carlos, "Who is Ling Longyu?"

Carlos smiled, "It's a singer from our Linjiang City who has gone out, he used to be a student at Baiyun Middle School, and I heard that this New Year's Day Gala, he will come to the school to sing a song to express his love for his alma mater. However, I don't really like this Ling Longyu."

"Why?" Omi asked.

"I heard that this Ling Longyu is a bit lecherous, quite a lot of gossip, and there are often reports of him having a room with some female model or something."

"Oh, is he famous?"

“It’s just a third-rate little star who sings, he used to participate in ‘The Voice of the Earth’ and won the top twenty and signed a company, he’s considered a pride of Linjiang City. There are especially many fans in our Linjiang City, after all, he’s from our city.” Carlos seemed to know quite a bit about this.

Omi no longer asked, and continued to stroll around the campus, bored in class, of course playing with his phone, with Omi’s reputation, even if the principal came, he wouldn’t dare to say anything.

Say Cao Cao, Cao Cao arrived, the principal was indeed patrolling the corridor outside, saw Omi playing with his cell phone, as if he didn’t see it, careful not to be beaten up by Omi.<

A friend named Jin Zhonghao posted: “New Year’s Day talent competition, this year, respectively, invited Linjiang City’s famous experts to judge the score oh. For the musical instrument competition, we invited Wen Mengxuan to be the judge; for the calligraphy competition, we invited Meng Lun and Su Yang, two master calligraphers, to be the judges; for the painting competition, we invited Xiong Jiajun to be the judge; for the poetry competition, of course, the principal himself was the judge. The prize rules have been doubled compared to previous years. The first place will be awarded ten thousand yuan, the second and third place five thousand yuan, the fourth, fifth and sixth place two thousand yuan and the seventh to tenth place one thousand yuan respectively. Everyone, go for it.”

This friend called Jin Zhonghao must have been a teacher.

Omi was surprised to see Meng Lun, and Meng Lun was even a calligraphy judge.

Omi hadn’t even known that Meng Lun even knew how to do calligraphy.

In the reply to this post, a friend called ‘Qi Dao’ replied, “Compare and contrast, it’s not the same people who win awards every year, and we hangers-on, there’s no half-assed relationship, might as well take a few more days off on New Year’s Day.”

“That’s right, don’t need to compare all know, musical instrument playing, definitely senior Xu Wenxin first, calligraphy competition, definitely Jiang Yu first, painting competition, definitely special class Guo Weidong first; and poetry, with feet think all know, is senior 32 class of talented Liu Yang first.”A friend replies.

Omi participated in four items this year, so Omi was still more concerned about this, Omi didn’t want to get any ranking himself, it was purely a matter of participating.

However, with Omi’s former talent as the world’s number one youngster, I’m sure it wouldn’t be too bad.

Once upon a time, Omi was the world’s number one youngster, with an outstanding talent in music, chess, calligraphy and painting, and every time he appeared, many young girls would be electrocuted by him.

At this time, on a certain grassland on the side of the school building, Liao Jia Yuan and Li Hao Lin were sitting on the grassland.

“Hao Lin, when is that assassin codenamed Blood Infant going to come and kill Omi ah.”Liao Jia Yuan asked, he couldn’t wait any longer, feeling all uncomfortable where Omi was present.

“Liao Shao, I think it will arrive in Linjiang City tomorrow at the latest, maybe even tonight, if you wait one or two more days, Omi will soon disappear from the face of the earth.”Li Hao Lin said.

“Well, after Omi dies, I’m going to make a big splash to restore my reputation in the school.Shao Jie has already figured out how to make it for me, and now everything is ready, just waiting for Omi to die.”Liao Jia Yuan said.

“Omi will only survive through the night if he survives.”Li Hao-Lin said with a flick of his mouth.

At this moment, about fifty meters away from Liao Gayuan and Li Hao Lin, Song Yu'er and Liu Yue were secretly following.

After Song Yu'er came to school today, she kept an eye on Liao Jiayuan, ready to carry out her revenge.

Song Yu'er said, "Can we find a way to branch out that bodyguard of Liao Jiayuan, that bodyguard of his doesn't seem to be weak, I'm afraid that he will be bad."

Liu Yue said, "Miss, I'm afraid it's not that easy to distract him."

"Forget it then, start implementing the action right away, if he'll be bad, you'll take action against him."

"Mm." Liu Yue nodded her head.

Song Yu'er immediately waved her hand, and a small boy came up behind her, wearing a school uniform, not sure if he was a real student or an impostor.

Song Yu'er took it to that Dao: "Do as I said before, and make sure to make him drink water."

"Good."

That little boy took that bottle of water and walked towards Liao Jia Yuan and Li Hao Lin.
