

# King of kings

Chapter 2256

“Return to the court.”

The remaining Heavenly Kings returned to the Immortal Realm.

Of course, there were still some who were injured and still alive, as well as some who were lucky enough to have their primordial spirits still alive, and they all left together.

A day later, Omi and the others returned to the Immortal Realm.

At the Pilgrim Gate, many many families of the Heavenly Soldiers came.

Ding Lan was now nervously waiting at the Chao Tian Gate as well, she was very afraid that she wouldn't see Omi return, if she didn't see the return, she would be staying in Nan Zhan forever.

“Omi, you have to come back, you have to come back.” Ding Lan held her hand nervously.

“If you come back, I will definitely do whatever it takes, regardless.” Ding Lan didn't even want to say it inside, yes, she will do whatever it takes to jump Omi down, she will make Omi strong, but, you must come back.

At this moment, the tension inside Ding Lan's heart could be imagined, if she didn't come back again, it would be useless to say anything.

At this moment, someone suddenly shouted, “They're back.”

Everyone rushed out of the Pilgrim Gate, and in the distance, a group of Heavenly Soldiers were flying back, only, everyone's face looked tired, their battle clothes were even more tattered, and the number of people was much less than when they left yesterday. Remember the URL .kanshu8.net

All the family members were nervous, and having so many less meant that more than half of them would be waiting here today without their loved ones returning.

The heavenly soldiers had entered the Chaotian Gate, and suddenly, the families who couldn't hold back rushed up.

“Have you seen my son, Yun Jing ah.”

“Have you seen my daughter come back ah.”

“Hello, have you seen my grandson?”

“This Heavenly Soldier brother, do you recognize my husband, Fan Qiang ah.”

And so on and so forth, innumerable.

Omi had seen a familiar figure long ago, and that was Ding Lan.

Ding Lan was also looking around anxiously at the moment.

Omi saw her tension-filled look and his heart touched for some reason.

"Dinglan." Omi shouted.

When Dinglan saw Omi, she burst into tears and threw herself on top of him, hugging him tightly.

"Dinglan, are you coming to pick me up?" Omi asked.

But, Ting Lan raised her head in tears, said nothing, and kissed Omi fiercely.

"Ew." Omi was startled, being forcefully kissed.

"Dinglan, you." Omi was busy struggling away, Dinglan cried and laughed and said, "You've finally come back."

Omi wiped on his lips, Ding Lan's salty tears, some speechless, "You actually kissed me forcibly, damn."

Ding Lan plucked up her courage and said happily with a cross inside, "I'm not only going to rape kiss you, I'm going to rape you when I get back."

Omi was shocked, was Dinglan crazy?

However, Omi couldn't understand Ding Lan's feelings like that, after all, there were countless cries at the scene right now, it was obvious that he hadn't seen his loved ones return, and thinking about those who couldn't wait for their loved ones to return, one could understand why Ding Lan wanted to rape Omi.

At this moment, that General Wuhe shouted, "Generals, you have worked hard, next, I'm giving special permission for you to go home, spend time with your loved ones, and report back to the barracks after half a year."

"Thank you General." All the celestial soldiers were happy.

Ding Lan grabbed Omi's hand and said, "Go, come home with me."

"Khan, get so close." Omi was a bit speechless.

"I'm your wife."

"Don't you forget, we are fake husbands.

Wife."

"I don't think it's fake, come home with me."

In his mind, Omi thought to himself, shouldn't it be true that Ting Lan was strong as soon as he returned? Shit, Omi was a little too scared to go back.

At this moment, in the distance, a female soldier looked at the back of Omi and Ding Lan walking hand in hand and sighed deeply inside, this female Sky Soldier was none other than Captain Ming Cheng's sister, Ming Yue.

Ming Cheng walked to his sister's side and said, "What are you looking at."

"Nothing."

"Sister ah, I know what's on your mind, you guys are impossible, now that everyone is back alive, this is the best, come on, let's go home too."

"Oh." Ming Yue looked again, Omi who had flown far away.

Omi was pulled by Ding Lan all the way back to the Ding's Immortal Mansion.

After returning home, Ding Lan directly pulled Omi towards where they lived.

"Hey, hey, Ding Lan, you don't really want to force me, do you."

"Hmph, do you think I'm just kidding, this Miss I've been married to you for tens of thousands of years, I've even just given you my first kiss, I can't wait anymore, immediately, go back, do business."

"Oh shit." Omi saw her playing for real, busy breaking away from her hand.

Just at this moment, the butler came running.

"Congratulations, Aunt, on your safe return."

"Housekeeper, what's the matter with you?" Dinglan asked.

"Back to Miss Dinglan, Master Xian asked me to ask my aunt to go there."

"My father."

"Yes, I expect my aunt to go right away, Master Xian is very happy to know that my aunt has returned safely."

"Oh."

Omi was busy saying, "Butler, let's go, I'll go with you."

"Please, my aunt."

Omi had a chance to get out of there quickly, or else he wouldn't really be forced by Ding Lan.

Ding Lan stomped her foot in anger and shouted, "Omi, don't try to escape, come back to me right away when you're done, I'll wait for you at home, if you don't come back, you wait for me."

Omi scampered away, but he heard Ting Lan's words.

Omi came to a study place, where Ding Cangdang was humming a tune and was in a very good mood.

Also, this war, on the Nine Heavens Divine Hall, all the immortals saw Omi's bravery and also knew that Omi was his son-in-law, he fiercely rose to glory, how could he be in a bad mood.

Ding CangDong hehe smiled: "It seems, of course I was right to marry Ding Lan to Omi.Hahaha, I, Old Ding, can be considered to have vision ah, at first, Omi, was not even worthy of Ding Lan, but I let them get married, now, see, hahaha."

It was indeed true, Ding Lan was at least one of the ten most talented and beautiful women in the Heavenly Realm, not only did she belong to the ranks of the War Gods, but she had also opened the Deep Space once, even though Ding Lan had a bad reputation at the time, it wasn't something Omi was worthy of, but Ding Cang Dome, decisively chose Omi as his son-in-law.

Ding Cang Dome still remembered that yesterday at the Nine Heavens Divine Hall, that General Monta, when he learned that the courageous man was the same Omi that he had tried to take as a disciple at the Immortal Academy without success, he looked regretful.

At that moment, the butler and Omi walked in.

"Dad, you're looking for me."Omi busily called out.

"Omi, come, come, take a seat."Ding Cangding said several times in a row.

Omi was a little confused when he saw how enthusiastic he was, even if he came back alive, he wouldn't be so nice to him, there were still nearly 20,000 celestial soldiers that came back, it wasn't like he was the only one.
