Omi was incomparably depressed inside, he said well, that Fourth Princess is not good, as expected.

However, this Fourth Princess was the daughter of an Immortal Emperor, and she wasn't weak, at least at the Immortal level, Omi was no match for this level.

Do we really have to sacrifice ourselves today?

"Go, Omi, don't make the Fourth Princess wait."

Omi said, "I'm sorry, I can't do that, I'm so lowly that I'm not worthy of the Fourth Princess's noble body, so I'm dead set against it, and I hope the fairy sister will tell the Fourth Princess to take her leave." After saying that, Omi walked away.

Omi was a man of principle and could not do it to death. Someone else might not be able to hold it, although that Fourth Princess was much older than Omi, her appearance and body was only a middle-aged woman, and she was extremely well maintained and had a good figure, at least not worse than an ordinary woman.

"Omi, do you really want to offend the Fourth Princess?"

"Not even to death."

"You."

Omi walked outside, but inside Omi was afraid, wondering if the Fourth Princess would kill him.

At this moment, in a certain cozy room. First URL m.kanshu8.net

The Fourth Princess and another even younger and more beautiful maiden stood together, and in front of them, a picture appeared in the air, and in the picture, it was the scene where Omi was determined not to do anything.

The Fourth Princess said to that young maiden, "Shi'er, it seems that this Omi, is indeed not bad, he was able to pass my first level test, this level, count him as having passed."

That young and beautiful girl said angrily, "Fourth sister, you're also really, what's the point of testing him properly."

"Shi'er, before I heard your servant say, you often say Omi's name, and often ask, whether the father has summoned Omi, sister I knew right away, you must have liked to press Omi."

"Fourth sister is talking nonsense."

"Fourth sister has no nonsense, you know best, it's just a pity ah, although Omi passed my test, but I still do not support you, after all, Omi is nothing but the most handsome in the world, the rest is nothing, very ordinary."

"Fourth sister don't talk nonsense, I don't like him."

"It's best if you don't, you and him, are from two worlds. Since Omi is here, let you meet him, let you have a meal with him." After the Fourth Princess said that, she immediately ordered, "Yong Qing, bring Omi here."

"Yes."

Omi, who was walking outside in Yaochi, suddenly couldn't move his body, and then his body fell backwards out of his own control.

"Hey, what's going on here?"

"Omi, the Fourth Princess is letting you go."

In the next second, Omi's body rushed backwards, and then, he appeared in a hall.

When Omi looked up, he saw the Fourth Princess and another maiden of countless beauty looking at him.

Omi was startled when he saw the girl of countless beauty, and for some reason, there was a feeling of déjà vu, or that his life belonged to him.

Omi looked at that beauty maiden and stayed.

Of course, that beauty maiden looked at Omi and was also startled, secretly saying, "Why is this so? Why do I have a feeling inside that I should be in the vitamins? Do I really like him so much? But there's no reason. He's not good enough for me to like him that much. There are more than a thousand of them.

?"

The beautiful maiden couldn't understand herself, all she knew was that she always felt inside that she and Omi were a natural pair, even though a lot of reasoning didn't make sense.

The Fourth Princess said, "Omi."

Omi scrambled back to his senses and said, "Fourth Princess has shown mercy, I really don't deserve to defile the Fourth Princess, and I won't be able to do it in three seconds, so I hope the Fourth Princess has shown mercy and found someone else."

The Fourth Princess laughed, "Come on, you think you really deserve it?"

"Er." Omi raised his head in puzzlement.

"Omi, I'm just testing, but fortunately you passed my test, if you had actually gone to the Heavenly Pond to bathe just now, I'm afraid you'd be on the Yellow Spring Road right now."

"I'm going." Omi cursed in his heart, what maliciousness, fortunately, Omi didn't have an essence, of course, with this kind of posture of the Fourth Princess, it wasn't possible to make Omi an essence yet, if this beautiful maiden beside him, then Omi would definitely agree without even thinking about it.

The Fourth Princess said, "Omi, this is my youngest sister, her name is 'Tian Nianxi', she is the youngest princess in the Immortal Court, her age, and she is not even ten million years old."

“Paying homage to Princess Nianxie.”

The beautiful woman said, “You’re welcome.”

The Fourth Princess said, “Alright, I won’t bother you anymore, the one who wants to invite you to dinner today isn’t me, it’s my sister Nianxie.”

“Ah.” Omi was a bit shocked as he looked at that beautiful woman, it was her who invited the meal.

That beautiful woman said to the fourth princess, “Fourth sister, please watch out for me, don’t let anyone know.”

“Don’t worry, no one will know that you’ve eaten with this kid.”

“Thank you, Fourth Sister.”

In the next second, that Fourth Princess disappeared, leaving only Omi and that beautiful woman.

Omi always had an urge to kiss that beautiful woman when he looked at her.

Likewise, that beautiful woman, looking at Omi, also felt like wanting to pounce on her and fall into Omi’s embrace.

However, Omi controlled it, Omi thought that it was this princess who was so attractive.

Princess Tian Nianxi, however, didn’t think that Omi was really that attractive.

Tian Nianxi said, “Omi, sit down.”

“Thank you, Princess.”

“You’re welcome.”

“Princess, I don’t know you, so why did you invite me to dinner and give me an eleventh-grade fetal pellet.”

Princess Tian Nian Shi said, “Omi, actually, I didn’t really just invite you to dinner today, I just have something unknown and want to resolve the doubts in my heart.”

“What’s the matter that’s unclear?”

“Omi, the day you killed the enemy in the Heavenly Demon Battlefield, I saw you in the Nine Heavens Temple, for some reason, the first time I saw you, my heart fluttered with excitement, as if I had finally found the man in my life, a feeling of falling in love at first sight.”

Omi smiled hehely, “Princess, don’t be like that, I’ll be embarrassed.” Omi said in his heart, “Princess, I actually like you too, come on, let me serve you well tonight.”

At this time, Princess Tian Nian Shi said, “However, deep down inside my heart, I am very sure that I don’t like you ah, and, if you think about it carefully, you don’t have the conditions to make me like you ah, you are more suitable for me than excellent and outstanding, there are not a thousand or eight hundred, how can I fall in love with you at first sight, I am very confused.”
