

King of kings

2302

"Oh, okay."

"That's fine you can go back first." Princess Nianzhi was busy, the reason why she was in such a hurry to let Omi go was because her body had a feeling of control and wanted to jump into Omi's arms, she knew that it must be related to that problem she had with her body.

Princess Nianzhi was confused, was this secretly set up by his father or not?

However, it was too embarrassing to ask.

Omi said, "Princess, do you have something difficult to say?"

"No."

"Then why are you in such a hurry to drive me away, when honestly, I don't want to leave every time I come to you, and you, you want to drive me away."

"Me." "Princess, can we talk in private?" Don Omi said.

"This."

"Just for a minute, I think, we should talk." One second to remember to read the book

"Well, let's talk then."

The princess led the tang to an empty hall.

"What did you want to talk to me about?"

Omi felt that he had to take the initiative.

Previously, Omi thought that the Immortal Emperor saw that his future wasn't good, so Omi was a bit frustrated that he hadn't even taken the initiative to soak the princess, thinking that there was no point in tossing it around anymore, the end was already known.

However, Omi is now disobeying this fate, he will be brave enough to try and make it, he wants to change the future.

Omi said, "Princess, have you still looked down on me until now? Am I that impossible for you to like?"

"I'm sorry, I don't know why, but I'm so blind to the fact that I always feel like there are no men I can see within the three realms, and you are no exception. However, I don't know why, is it that whoever meditated to connect me to you is always forced inside to be involved with you."

Omi said, "Maybe the Immortal Emperor secretly set it up, why can't we just follow the will of God."

"It's because it was most likely my father who secretly set it up, that's why I didn't resist, that's why I tried to accept this arrangement, and that's why I met with you repeatedly."

Omi said, "Princess, do you dare to take a risk with me?"

"What?"

Don said boldly, "We are, at this moment, playing an adventurous game in this great hall."

"Say."

"We will undress together, and for each article of clothing, we will say: father or immortal emperor, if you do not appear, I will take it that you support us in continuing to undress. Then we'll keep stripping until we're naked with each other."

"Bastard, you dare to abuse me." Princess Nian Shi was furious.

Omi said, "No, it's not abuse, it's depending on the will of God, if we don't show up until we're naked and your father doesn't show up, then it's just obvious that he wants us to do anything. Don't say that your father doesn't know, it's impossible for her to not know that she controls the three realms, maybe he's already watching us play this game when we speak up right now."

"This!"

"Princess, I'll go first." After saying that, Omi took off his upper jacket, then said to the sky, "Xiandi, if you don't show up, I'll continue. Alright, Princess, it's your turn."

Princess Nianzhi hesitated, then took off one jacket as well and said, "Father, if you don't appear to stop me, I'll continue."

Omi took off his second one, then said, "Xiandi, won't you appear yet?"

It was the princess' turn again.

"Father, is this really what you want to see?" Princess Nianzhi has also taken off her second one, already showing her tender white arms.

Tang

Tzu-Chen continued again, already naked.

"Immortal Emperor, it's reached this point and you're still not showing up? You mean, you really want to see us bare each other?"

After waiting for a while, no response.

Princess Nianzhi was also a bit depressed, could it be that her father really didn't stop it?

"Go on, Princess, it's not over yet."

"But."

"There's no buts, if your father doesn't show up, it's obvious that he wants us to be that kind of relationship. You've been suffering inside from the torment of being underworldly strings, haven't you had enough? Why not just do it and save yourself the torture inside."

"Good." Princess Nianzhi thought about it, she didn't want to be tormented every day either, so why not just do it, if she didn't come out to stop her when her clothes were off, that said it all.

"Father, on the count of three, if I don't show up, I'm going to take this one off. One, two, three."

Princess Nianzhi took a deep breath and took that one off, and suddenly, there was only one intimate garment left.

Princess Nianzhi closed her eyes, not looking at Omi or herself, she hoped to hear her father's sudden shout in her ears to make her stop.

Omi continued again.

"Immortal Emperor, I'm continuing again, so come out and give a quick word of pain."

Right now, that Immortal Emperor, however, was still in his temple, completely insensitive.

Princess Nianzhi's destiny was above the three realms, he couldn't sense it, while Omi's destiny, for some reason, couldn't sense it whenever it was related to Princess Nianzhi, perhaps because Princess Nianzhi's destiny covered up the information about Omi's destiny.

"Father, come out and say a word ah, even if, send me a message ah, do you really want to see us like this?" Princess Nianxie finished, and then slowly the next piece. Omi couldn't help but swallow his saliva, now there was only that little bit of cover left, and as for Omi, he was already a ball of light.

"If you don't say anything, I really won't have a single bit left, Father."

No response.

"Father, I know you sense that I'm calling you at the moment, why are you silent, are you really trying to set us up?"

"Father, I'll count to three, I really will. One, two, three."

Princess Nianxie was desperate, and with a pull of her hand, she yanked off the last ribbon tied to it.

Omi swallowed hard, at this moment, Omi felt like he had a feeling that it was worth dying, the divine, honorable princess, but he had been seen by him.

Omi slowly walked up to see if he could go any further while Princess Nianzhi's eyes were still closed right now.

At the moment, Princess Nianzhi's attention was not on Omi at all, but wanted to wait silently for whether her father would appear.

At this moment, Omi's voice came from beside her, "Don't wait, it's come to this point and your father hasn't shown up, which means he tacitly approves of us doing everything."

"Ah." Princess Nian Shi busily opened her eyes and saw Omi all at once.

"Ah." Princess Nianxie screamed and covered her eyes in panic.

Omi suddenly walked up and hugged Princess Nianzhi's waist tightly, fitting each other's bodies seamlessly together.

Princess Nianxie's body trembled.

"Omi, what are you doing."

"Ah." Before he finished speaking, Omi kissed the princess.

After that, Princess Nianxie tried to struggle every time, but as a result, she was powerless to struggle, because, her body felt soft and with that feeling in the meditation, it was almost hard for her to resist Omi. Just like that, Princess Nianxiao was won over by Omi.
