2304

Right now, in the Temple of Punishment, that man named You Sky was tied to the Thunder Pillar. After being tied to the thunder pillar, he was always suffering from the pain of the thunder bombardment, so that You Sky was grimacing all the time.

Above the Temple of Punishment, a man full of intimidation looked at the travelling sky.

"You Sky, you still don't admit it, do you?"

"Immortal Emperor, I really didn't." Youkai said painfully.

"If I didn't, why did you go to the Sea of Five Flowers with Nian Tides for a whole day yesterday, and you were alone for several hours, honestly, what exactly did you and Nian Tides do during those hours?"

"Immortal Emperor, let me go, I really don't have any relationship with the princess, I accompanied her to the Sea of Five Flowers because I saw the princess looking melancholy, and as her friend, I went with her to take a walk."

"Ridiculous, taking a walk, hmph, if you don't tell me the truth, don't blame me for being rude."

"Immortal Emperor, you are the supreme of the three realms ah, within the three realms, what else don't you know, whether the princess and I are having an underground affair, you should know."

"You Sky, don't you dare ask, your grandfather You Fu Hai, knowing full well that Princess Nianxie's destiny is higher than the three realms, did he send you to seduce Nianxie, give me an honest answer, or else I will surely kill you all over the family."

"Immortal Emperor, I really didn't."

"Unfortunately, I don't believe you, a lone man or woman alone for a few hours, do you think I'm stupid to believe that?" Remember the URL [.kanshu8.net](http://.kanshu8.net)

You Tian Tian said painfully, "Immortal Emperor, I really didn't, even if you can't trust me, you should trust Princess Nian Shi, Princess Nian Shi is incredibly pure, she would never mess around with me, don't you even trust your own daughter anymore?"

"I believe her, but I don't believe you."

At that moment, a personal servant beside the Immortal Emperor said, "Immortal Emperor, I have a good idea."

"Say."

"Why don't you bring in Princess Nian Shi and find someone to test whether or not Princess Nian Shi is still pure?"

The Immortal Emperor said, "It's better not to disturb Nian Tides about this."

You Sky was busy saying, "I agree, Immortal Emperor, I request that you find someone to verify to know that Princess Nianxie is still pure."

"Hmph, You Sky, you dared to say that because you heard me say that you didn't want to disturb her, you think you can fool my eyes with this move."

"Immortal Emperor."

Just at this moment, Princess Nian Shi came.

"Father, stop." Nian Tides shouted.

Perhaps it was because she was in a terrible mood, but Nian Tides hadn't paid attention to etiquette for a moment and lost her manners.

The Immortal Emperor looked at Nian Tze and humphed, "Nian Tze, what are you doing here."

"Father, everything is already known to me." Nianxie said in pain, her father, deeply hurt her feelings.

The Immortal Emperor snorted, "Nianxie, you dared to be rude to your father for the sake of swimming in the sky, you don't even have basic manners when you see your father, and you actually asked me to stop, it seems that you really do have a problem."

Nianxie knelt down and said, "Father Emperor is enlightened, You Sky and I, we are really just friends."

"Hahaha, you are defending him so much, how can I still trust you."

"Father Emperor, I'm not lying to you."

The Immortal Emperor said, "Fine, since you already know the whole story, then I don't have to be afraid that you know, since you said that you are innocent with You Sky, do you dare to verify it, if you are still pure, then this time I will believe that you and You Sky are just friends. How about it, Nian Shi."

"Ah, this." Nianxie was startled, this was too coincidental, she had just lost her pure body, if this was verified, wouldn't this be a crooked move, what wasn't there became there, and even more so, jumping into the Yellow River couldn't be washed away.

"Nenshi, you don't speak?"

Nian Shi panicked, "Do you have to test it before you believe me?"

"This is the best way for you to prove your innocence to the travelling sky, someone, go and get the pylons."

"Yes."

Nian Shi's body trembled, busy shouting, "No."

"What, what did you say? Not allowed?"

"Father, believe me for once, we really don't have anything."

"If there is none, why are you not allowed to test it?"

"I, I, can't you just trust me?"

"Father only believes in himself, since you're afraid of the test, that means everything is right, come, go and invite the pylons."

Not long after, Lady You came.

"Immortal Emperor, what is your order."

"Lady You, take Nian Shi to test her and see if she is intact."

"Yes, Immortal Emperor."

That phallic grandmother walked up to Nian Tides and said, "Princess, please."

"No, I won't test it, woohoo." Princess Nian Shi cried, the pain inside could be imagined.

"No can't be done."

Suddenly, Princess Nianxiao couldn't move.

Youpo took Princess Nianzhi down and then set up a restraint, the princess couldn't move, so naturally she was left to be verified.

Not long after, the pupa returned to the temple.

"Phou Po, how is it?"

"Back to the Immortal Emperor, it's already out."

"Say."

Princess Nian Shi cried on the side, as if she already knew the outcome.

Youpo said, "Immortal Emperor, Princess Nianxie is indeed not a pure body, and, just today, or yesterday, had performed male and female acts, in addition, there is still some of the essence of the traveling sky left in her body."

"What." The Immortal Emperor was furious.

"Ah." That travelling sky heard the result stayed.

"Oooh." Princess Nian Shi cried out, she didn't know what to do, should she give up Omi just to save You Sky.

Unfortunately, Princess Nenshu hadn't thought of what to do, the Immortal Emperor had already slapped the travelling sky to smithereens.

"No." Princess Nian Tides hissed at the shards.

There was no one who knew better than Princess Nian Tides that the You Sky died with much loss. If it was Omi who died, then he would at least have had a good time, whereas You Sky really didn't even touch the princess's hand ah.

The Immortal Emperor immediately commanded, "Someone, immediately summon the Twelve War Gods and exterminate the entire You Clan, and leave no one behind."

"Yes."

Princess Nianxie didn't know how she got home, it was muddled anyway, she was sorry to You Sky, she and You Sky were just friends who grew up together.

The Immortal Emperor summoned the Twelve Celestial Gods, the Three Eyed War Gods were among them, and surrounded the You Clan, but unfortunately, You Sky's grandfather, You Fu Hai, got the news in advance and ran away to the Earth Immortal Realm.

However, the Immortal Emperor pinched his finger to know where he had run off to and immediately went after him, whether he could escape this disaster or not was unknown.

Omi, who knew nothing, happily returned home.

Omi whistled all the way home.

But Omi didn't whistle, in case the princess didn't like to be known.

"Haha, I, Omi, actually slept with Princess Nianxie, I really didn't expect ah, it seems that my day of flying to the top is coming."
