

King of kings

Chapter 2336

Omi held Dinglan in his arms, and Omi was sure that Dinglan would still be his woman, but she would need some time to settle down.

Ding Cangdun arrived at his son, Ding Cap's residence.

"Dad, how's it going? Does that stupid hang of a man like Don Omi agree?"

"Dad, speak up, if he agrees and promises to give me a second-grade fetal pellet in the future, then let's just forget about this incident, we're all still family and my sister is still his wife."

"Pah." Ding Cangdun slapped over.

"Dad, why are you hitting me?"

"Ding Hat, you're a no-good thing, you're the cause of all this."

"Father, what have I harmed me."

"Omi didn't agree to what you proposed, and Omi made it clear that he withdrew the marriage."

"What? He dared."

"What did he dare, the Immortal Realm wanted to marry him, lined up to the Pilgrim Gate. I, on the other hand, was compelled by you to make a big mistake." First URL m.kanshu8.net

"Dad, have you forgotten that Omi doesn't even consider us as family in his heart."

"So what, at least he gave our family glory and aura, and increased our family's prestige and power. I'm also really stupid, still thinking about how he's going to treat me like his own father, but ignoring that what he invariably brings me, hahaha, hahaha."

"Dad, you're crazy."

"You bastard, in the future, when Omi leaves the Ding family, look at how far our Ding family will regress. You are now in the immortal world, majestic, the friends who used to respect you and associate with you, the immortals who used to flatter you, will no longer treat you as a human being, you'll see if you don't believe me."

"Ah." Ding Hat's body trembled.

He had also forgotten that Omi's fame had given him those intangibles.

"Dad, then go persuade Omi, at worst, I don't want the Fetal Pill anymore." Ding Cap said.

"Omi said that if he shoots you progeny to death, he's willing to stay on, otherwise, no deal."

"Grass, that stupid hang, that Omi, really said that?"

"And you call him names."

"Dad, that's what I usually call him behind his back, too. I'm used to it."

"Hmph, Ding Cap, if you don't believe me, just wait and see, you'll regret it." After saying that, Ding Cangcao walked away.

Ding Cang Dao didn't try to persuade Omi again, because Omi was very determined, he couldn't let Ding Cap die.

Omi hugged Ding Lan for a long time.

"Fool, don't cry, even if I leave the Ding Clan and am no longer your husband, I'm still your man, your forever man, you can come to me anytime."

"Ooooh." Ding Lan cried non-stop.

Just at this moment, a loud shout came from outside, "Tang Xiaoyou."

Omi's eyebrows furrowed, hearing the voice seemed very powerful.

Omi immediately ran out and took a look, but it was Leng Tianling.

Besides Leng Tianling, there were also Li Jiudao, Leng Cui, and dozens of other Leng family members.

"Ah, Tian Ling War God, what are you doing here?" Omi asked in shock.

In the distance, Ding Cang Vault also heard the shout, and Ding Cang Vault flew up into the sky in a panic to greet Leng Tian Ling.

"Cang Vault pays homage to the Tian Ling War God." Ding Cang Vault paid a polite bow.

Leng Tian Ling smiled, "Ding Cang Vault, there's no need to be polite, I'm here today, it has nothing to do with you, I'm picking up Omi to be a guest at my house."

"Oh." Ding Cang Vault was embarrassed.

Leng Tian Ling smiled at Omi and said, "Tang, you're ready to leave the Ding family and withdraw your marriage from the Ding family?"

"Er, this." Omi looked at Li Jiu Dao, how did this matter get known so quickly.

Li Jiu Dao smiled, "Brother, don't be angry, I'm also afraid that Ding Cang Dao will be bad for you, so I let my father-in-law come. Come on, let's get out of here, from now on, you're free."

On the other hand, Ding Cangding was very depressed, even Leng Tian Ling had personally come to pick him up, he was, so unappreciative, I really don't know if he had water in his head, but it was too late to regret it.

Unless, he agreed to let Omi shoot Ding Cap to death.

"This." Omi was startled in place and looked back at the house, but Ding Lan didn't show up.

Although Omi had decided to withdraw from the marriage, he was still very reluctant inside.

Leng Tianling laughed, "Omi, I was so happy to learn that you withdrew your marriage that I couldn't sleep for days and nights."

"Senior's words are too harsh."

"It's not heavy-handed, it's true, and I'm ready to make preparations at any time."

"What preparations?"

"The preparations for the big wedding, ah."

"What do you mean?"

"Omi, what do you think of my granddaughter, Lone Moon? She's also one of the top ten genius beauties in the Immortal Realm, and she's a top five ranked genius beauty, not something that Ding Lan, the bottom ranked one, can compare to. As long as you're willing, you can get married in a big way anytime."

"Ah." Omi was shocked.

Omi was ready to marry Ming Yue, who knew that Leng Tianling had thoughts about him.

"Of course, everything is up to you, if you don't like Lone Moon, it's fine for us to be friends."

"Thank you, Senior."

"You're welcome, so now go to my house, I've prepared a beautiful big house for you, you can stay as long as you want."

"Er, thanks."

At this time, Ding Cangding seemed to be stimulated, and was busy saying, "Omi, I agree to your previous proposal."

"What proposal?"

"You said you'd stay as long as you were allowed to kill the Din Hat, and I agreed. Someone, go and get the Din Hat."

"Yes."

It wasn't long before Tin Hat was captured.

"Father, what are you doing?"

Ding Cang Dome was busy saying, "Omi, Ding Cap is here, you can shoot him as much as you want, I don't want this bastard son anymore, but you must stay."

Omi shook his head: "Sorry, I don't want to, things are already at this point, there is no point, really kill Ding Cap, we all have a knot in our hearts, why bother. Goodbye, father-in-law, I'll call you father-in-law for the last time." After saying that, Omi bowed deeply.

Omi looked at Ding Lan's house and shouted, "Ding Lan, no matter where I am, you must remember that you will always be my woman, you can come to me at any time."

After saying that, Omi flew away with Leng Tianling.

Omi arrived at the Leng family, who treated Omi very warmly.

Moreover, Leng Tianling called Leng Lone Moon over to drink with Omi.

"Lone Moon, why are you still cold, pour wine for Omi ah." Leng Tian Ling glared at Leng Lone Moon who was dazed at the wine table.

"Oh." Leng Lone Moon was busy getting up and pouring wine for Omi.

Leng Lone Moon also said that if Omi was willing to marry her, she was willing to marry as well.

"Thank you, you're welcome." Omi was busy.

"You drink." Leng Guolue blushed shyly and said.

"Good."

Leng Cui smiled, "Brother Omi, you and my husband Jiu Dao are brothers, so I'll call you a brother too."

"Sister-in-law is polite."

"Come, sister-in-law toast to you, I hope you can become a member of our Leng family soon, our Leng family will never treat you like the Ding family."

"Er, haha, cheers." Omi awkwardly drank it all down, so enthusiastic towards him, he didn't even know how to refuse, but he had promised to marry Ming Yue.
