

King of kings

2342

At this moment, Tian Ling War God said internally, "I didn't expect that Omi is beyond my imagination, no, I can't let him become the Dragon King's granddaughter-in-law by saying anything."

The Dragon King said, "Tian Ling, what do you mean by that?"

"Haha, big brother Dragon King, I really didn't lie to you, this kid, he slept with my granddaughter before, I was looking for him to go back and marry my granddaughter, I didn't expect that he came here."

Dragon King snorted, "Tian Ling, if that's the case, why didn't you say it sooner or later,,, you are seeing his potential and want to steal it from me."

"Big Brother Dragon King, how could I do that, the reason why I didn't say it just now is because I thought that he would definitely not become your granddaughter son-in-law, you would definitely choose Prince Nian Qing, so I didn't have to say it in public ah, it's also a way to give Omi face and not embarrass him in public."

The Dragon Clan snorted, "I don't believe that."

"If you don't believe me, ask Omi himself if he has slept with my granddaughter before." Tian Ling War God laughed and looked at Omi, he wouldn't have said anything about this, but today, he said it, which means that this matter will soon spread throughout the Immortal World, and then, everyone will know that his granddaughter, Leng Guolue, did that with Omi.

Tian Ling War God said to Omi, "Omi, tell it like it is."

The Dragon King asked, "Omi, don't be afraid, this is my Dragon Clan's territory, no one can threaten you, tell me honestly, is there such a thing."

Omi nodded his head without hesitation, "Tian Ling War God didn't lie, I did have an unwarranted occurrence with his granddaughter Leng Gu Yue. However, it wasn't my will either, it was also caused by him taking it upon himself to drug me and Leng Gu Yue, the above words, every word is true, and I don't want to offend the two seniors, so I can only tell the truth."

Tian Ling War God: "Omi, words can't be said like this, the wine I invited you to drink that day is a great tonic wine, it was you who couldn't bear it yourself, that's why you took my granddaughter that way, how can this be said that I drugged it." First URL m.kanshu8.net

Omi said, "I'm just telling the truth, but I don't deny that I did insult Leng Lone Moon's innocence."

"In that case, you should know what to do."

Omi was about to say something, but the Dragon King was busy saying, "Tian Ling, this is your fault, Omi doesn't have to take any responsibility in this situation."

"Big Brother Dragon King, what do you mean."

"I mean, Omi I have already decided that he, is my granddaughter-in-law."

"You're not afraid of offending the Immortal Emperor?"

"Go, offend the Immortal Emperor by not marrying your granddaughter to Nian Qing? Is the Immortal Emperor so petty, this is my freedom, what right does the Immortal Emperor have to interfere, besides, Omi won by strength, the Immortal Emperor has nothing to say."

Tian Ling War God said, "Omi, I don't care about you so much, you must come back with me immediately, if you don't go back and marry my granddaughter, her reputation will be ruined."

The Dragon King said, "Omi, there is no need to pay attention to him, my granddaughter, Ao Bao, is absolutely no worse than his granddaughter, you can have your wedding tonight, and the Dragon Sword, it's yours too."

"Omi, I'm not joking with you, come back with me and get married." Tian Ling War God said.

The Dragon King and the Tian Ling War God, looked like they were about to fight.

Omi shouted, "All of you stop, who I, Omi, want to marry is my business, it's not your turn to tell me what to do."

&n

bsp;Tian Ling War God said, "Well then, what about my granddaughter? You say."

The Dragon King also said, "I've already said that my granddaughter will marry you, so with my words, I've already offended the Immortal Emperor, so you can see what you can do."

Omi said, "Since you all want me, then I can make conditions, right."

"Yes, apart from giving you a Dragon Sword, what else do you need from my Dragon Clan, feel free to say." The Dragon King said.

The Heavenly Ling War God was also busy saying, "My Leng Clan, there are quite a few that I can give you, so just say so."

Omi said, "Very well, whoever can give me a hundred drops of Hong Meng Qi, I'll be his granddaughter-in-law."

"What? A hundred drops of Hongmeng Qi?"

"Yeah, is there a problem?"

The Dragon King thought for a moment and said, "I can give you a hundred drops of Hong Meng Qi, but."

"No buts, a minimum of one hundred drops of Hong Meng Qi."

Tian Ling War God immediately took out a large bottle and said, "This contains one hundred drops of Hong Meng Qi, if you come back with me, I'll give it to you now."

"Ah." Omi was shocked, so crisp.

The Dragon King said anxiously, "Omi, I didn't say I wouldn't give it, I can also give you a hundred drops of Hong Meng Qi, but, I need to be given a day to prepare for it, in addition, I'll give you the Dragon Gnosis Sword as usual, so you should be able to see at a glance who's terms are generous, it's nothing more than that, my hundred drops of Hong Meng Qi will be postponed for a day. But you can get an extra Dragon Gnosis Sword, and if you choose Tian Ling, he won't be able to give you the Ultimate Divine Weapon. Unless, he's willing to give you the only Extinct Divine Soldier he uses himself, hahaha." The Dragon King laughed, feeling that his advantage was too obvious, let's see how else the Tian Ling War God would fight with him.

At this time, the Sky Ling War God said, "Omi, although I can't give you the Ultimate Divine Soldier, you did defile my granddaughter's purity, if you were a man, you should be responsible. And the Dragon King's granddaughter, you don't even know what she looks like, why did you choose a woman who doesn't even know what she looks like to be your wife, my granddaughter Lone Moon, she's beautiful now, her figure, you've seen it before."

Just at this moment, a shout came from outside a large door of the palace, "Who said that Omi doesn't even know what I look like?"

Everyone paused to look at the door and saw a woman of unparalleled beauty walk in.

Omi was shocked when he saw that woman, "Cheng Yu?"

Omi would never be able to recognize the mistake, it was just that the outfit was completely different, a very solemn, dignified princess outfit at the moment, whereas before it was a more casual, commoner style outfit.

"Cheng Yu, how come it's you?" Omi asked.

The Three-Eyed War God was shocked when he saw Cheng Yu, he didn't expect that Cheng Yu of his Sky Wolf Battle Team was the granddaughter of the Dragon King.

Cheng Yu walked up to Omi and smiled, "Team leader, I'm sorry, I didn't mean to hide it, I originally wanted to give you a surprise, and also, I carefully designed the son-in-law selection competition based on your strengths."

"Damn, no wonder why it felt like it was prepared specifically for me." Omi laughed.

Cheng Yu plucked up the courage to say, "Omi, you know, I've been in love with you for a long time, and I really hope that I can be your woman, so that I can realize this dream, okay."

"Naru, but."

"Omi, I will definitely be your good wife and mother, you believe me."
