

King of kings

2344

The Tian Ling War God and the Dragon King fought for hours, but in the end, both sides were exhausted and no one had an advantage.

“Dragon King, I’ll settle this score with you later.”

The King of the Dragon Race snorted, “Anytime.”

The Tian Ling War God rushed out of the sea and saw Omi at once in the crowd.

“Omi, return to the Leng family immediately, otherwise, I won’t be polite.”

The King of the Dragon Clan also rushed out and laughed, “He’s already my granddaughter-in-law.”

Tian Ling War God raged, “Dragon King, do you still want to find a fight?”

“Come on, who’s afraid of who.”

At this moment, Omi shouted, “Two seniors, can we stop arguing? You all want me to be your granddaughter-in-law, may I ask if you have consulted me, am I an object to be fought over and fought over?”

“What do you want, Don Omi?” Dragon King Dao.

“I, Omi, am a person, not a thing, and it’s my freedom to choose who I want, but if I’m not willing, there’s no point in taking me away from you. Now, listen up, both of you, my choice is.” A second to remember to read the book at

“Wait.” The King of the Dragons shouted.

“What? What else do you have to say before I make my official choice? Go ahead then, I’ll take it as you canvassing.”

“Omi, the conditions I promised you before are still valid, you’d better think it over before you decide.”

Leng Tian Ling also said, “Omi, the same goes for me, you’d better think it over before you choose.”

Omi said, “That’s good, now it’s my turn to speak, Leng Lone Moon, I have indeed defiled her purity, so I will definitely take responsibility. In addition, Cheng Yu, that is, Ao Scarin, we’ve known each other for so long, and she’s also liked me for so long, so I shouldn’t fail her either. Therefore, I’ve decided that whether it’s Cheng Yu or Leng Lone Moon, I want it all.”

“You’re dreaming.” The Dragon King and the Heavenly Ling War God almost roared at the same time.

Omi said, “Well then, which one of you is unwilling, quickly say it. Senior Dragon King, you don’t want it, do you? Well then, I’ll choose Leng Leng Yue.”

The Dragon King snorted, "It's impossible to make me give it up to Leng Leng for nothing."

"Then what you mean is, you agree."

"I disagree, you can only belong to our dragon clan."The Dragon King said.

Omi said, "I'm sorry, I can't do that, I can have both at the same time, why should I belong alone, who would dislike having more wives ah."

"You."The Dragon King's angry beard was dancing.

Omi looked at Cheng Yu and asked, "Cheng Yu, are you willing to be my wife together with Leng Lone Moon?"

"I... I'm fine with it, that is."

"It's good that you don't have a problem with it, don't worry about Leng Lone Moon over there, she's fine with it."

"Oh."Cheng Yu rolled her eyes, in fact, the latter half of her sentence wasn't whether Leng Guolue had an opinion, but whether her grandfather had an opinion.

Omi said to the Dragon King, "Grandfather, I'll call this grandfather first, please command ah the place where I'll be used to stay in the future."

Omi looked at Leng Tianling again and said, "Grandpa, I'll also call first."

"Hmph."Leng Tianling didn't say another word and flew away, everyone didn't know what he meant.

The Dragon King was busy shouting, "Leng Tianling, what do you mean by flying away without saying a word?Is it that you don't agree with your granddaughter marrying Omi ah."

Leng Tianling, who was flying in mid-air, snorted, "If I don't agree, you can get Omi all by yourself, right?You wish. Don't worry, I won't let you have it.

So, I agree."

"Fuck, your granddaughter is such a bitch that she wants to share her husband with another woman."The Dragon King scolded in anger.

Leng Tian Ling ridiculed, "Isn't your granddaughter also, to share a man with my granddaughter, isn't she also bitchy."

"You."

"Hahaha."Leng Tian Ling let out a loud laugh, then left a message, "Omi, I restrict you to speedily return to the Leng family within a month, I'm going to give you and Lone Moon a protracted wedding."

"Yes, grandfather."

Leng Tianling disappeared into the sky.

The Dragon King shouted, "Omi, come back to the Dragon Palace with me right now, and I'll give you a marriage for the ages right away."

"Oh, good." Omi smiled.

Leng Tianling and the Dragon King were both depressed inside and were unwilling, but neither of them wanted to cheapen the other, and if anyone was unwilling first, Omi would completely belong to the other, so, reluctantly, they had to agree.

The person who should be laughing the most at this moment was Omi, but they all agreed to it.

It was just that since they had all agreed, there was no telling if there was still a chance for the 100 drops of Hong Meng Qi to come. It must be impossible to get it, because they all agreed to it with a suffocated heart.

The Three-Eyed War God said to Omi, "Omi, once you embark on this path, it may not be beneficial to you, so you better think it through."

"What do you mean?"

"The meaning is clear, it has something to do with the Immortal Emperor, the Immortal Emperor wants that Dragon Sword and wants his son to marry Ao Beng, if you didn't marry Ao Beng, maybe Nian Qing won't put his revenge on you, if you do and marry two at a time, think for yourself, what Nian Qing will do."

"The?'s."

"Omi, you're on your own, I advise you not to return to the Immortal Realm for now, stay in the Dragon Clan first, even if there's a real emergency, you'll be able to run fast."

"Thank you, Captain."

The Three-Eyed War God left.

Right now in the Immortal Court.

The Immortal Emperor and the Immortal Mother were happily eating fruit and chatting.

Immortal Mother asked, "Immortal Emperor, can Nian Qing marry Princess Ao Bao?"

The Immortal Emperor smiled, "Don't worry, it will work, I already know the ending."

"Are you sure?"

"Nonsense, Nian Qing marrying Ao Yi, there's no doubt at all, although, the process has a little bit of a twist, but the result is just fine."

"What process twist?"

"Hehe, I won't say anything, but it's just a bit of a pity."

As soon as the Three-Eyed War God left, a man flew in furiously, it was the Immortal Emperor's ninth son, Nian Qing.

Nian Qing furiously flew in front of the Dragon King and said, "Dragon King, what do you mean?"

The Dragon King looked at Nian Qing and smiled, "Meet Prince Nian Qing."

“Meet your mother, what do you mean? Isn't it a given that I'll be your grandson-in-law? Where did the trash Omi come from.”

The Dragon King chuckled, “Prince Nianqing, I was just about to tell you about this as well.”

“Well, I'd like to see how you explain it to me.”

“It's like this, originally, it was indeed almost an internal decision for you, because in the competition, you upgraded the multiplier of your duel and registered 10,000 times, we all thought that you would definitely be number one, after all, it's impossible for anyone to exceed 10,000 times. However, I didn't expect that there was really someone who exceeded 10,000 times, and he was Omi, who upgraded the Five Ultimate Blades with a multiplier of 390,000 times ah. So, I had no choice ah, I had to choose him.”
