

# King of kings

Chapter 2356

A few days later.

The Dragon King entered the secret room.

"Grandpa, how is it."

"I've found out Nian Qing's preference, this son of a bitch, he likes beautiful men."

"What?"

"Yes, you heard right, he likes beautiful men. And I asked about a thing."

"What is it?"

"After Nian Qing killed you last time, when he returned home, he told his servants that it was a pity that you were such a beautiful man, but if you hadn't been against him, he would have taken you."

"What, yah yah." omi trembled with anger, especially hearing the words, set to take him in, made omi unable to contain his anger.

"In fact, after you died, Nian Qing has always felt pity for you, he likes beautiful men, you are so handsome, it would have been just to his liking."

"Son of a bitch, grandpa, don't say that, disgusting." One second to remember to read the book

"omi, this time, we'll use the beautiful man as bait and let Nian Qing follow."

"But, will this implicate the Dragon Clan?"

"Of course I will, but I don't care anymore, as long as I can kill that son of a bitch, even if I resist with the Immortal Court, my Dragon Clan has submitted to the Immortal Court for so many years, it's time to declare independence."

"Mhmm, the Dragon Clan is independent, the Ten Thousand Purple Mountains will definitely support it, when the time comes, what can the Immortal Court do to you."

"Right, the Ten Thousand Purple Great Sage stole something from my Dragon Clan, he knows he has a loss, once he said that as long as he lives he will protect my Dragon Clan."

"Fuck him Fairy Mother, Grandpa."

"Hahaha, f\*ck." The Dragon King laughed wildly.

After that, the Dragon King sent a man to the Immortal Court to visit his relatives and told Fake Ao Scuttlebutt that the Dragon Clan would be sacrificing their ancestors in half a year and wanted Ao Scuttlebutt to come back with Nian Qing. At the same time, he also told Fake Ao Scutellaria that one of

her cousins, who had come of age this year, was incredibly handsome, simply the most handsome Dragon Clan man ever, and asked Ao Scutellaria to help ask Nianqing if there was a suitable girl in the Immortal Court to introduce him.

Fake Ao Ao of course nodded, whether or not there was actually such a cousin, she didn't know, after all, she was fake herself, besides, it had been over a million years since she had married into the Immortal Court, there were so many new dragon teenagers born.

That night, Nian Qing came back in a drunken air.

"Husband, you're back."

"Fuck off." Nian Qing didn't have a good face to say.

That fake Ao Scuttlebutt looked pained, she had been married to Prince Nian Qing for millions of years and had yet to share a room with him, even though her posture was average, she wasn't ugly.

"Husband, my mother's family came today, she said that in half a year, my dragon clan will offer sacrifices to my ancestors, and she wants me to bring you back to my mother's family to offer sacrifices together."

"Hahaha, stinky bitch, you've got it wrong, I'm going with you to the Bird Clan for ancestor worship? You dragons are worthy of my sacrifice? Aren't you ancestors of the dragon clan afraid of fracturing the fury?" Nian Qing laughed wildly, his words were very disrespectful to the Dragon Clan, not treating them as his mother's family at all.

"Don't be angry with your husband, if you don't go, I'll just go back on my own."

"Hmph, it's your business to go if you like, if your maiden family dares to talk about taking me back again in the future, don't blame me for being rude, it's an insult."

"Yes yes yes."

"Is there anything else?"

"Husband, there is indeed one more thing. My mother's family said that I have a cousin who happens to be an adult this year, and this cousin of mine, who is very handsome, I heard that he is the most handsome man in the history of the Dragon Clan, and my Dragon Clan wants you to help him out and see if you can introduce him to a girl with good conditions."

Nian Qing's eyebrows jumped, seemingly instantly interested.

>

"Are you serious?"

"There's no need for my mother's family to lie to me."

"Since that's the case, I'll go back with you on the day of your ancestor sacrifice, you've been married to the Immortal Court for so long, I should go to your mother's house as well."

"Mhmm, thank you, Husband, let me serve you tonight."

"No need, hahaha." Nian Qing gave a loud laugh.

Nian Qing was lying on the bed and seemed to be in a good mood.

“Damn, searching, I finally heard that there is a beautiful man, that omi that I killed a million years ago, think about it, it’s a pity, I should have known not to be impulsive and take him in, then I would have taught him slowly, after all, it’s really hard to find a man with such a beautiful face. This time, the Dragon Clan has born the most beautiful man in history, I hope I won’t be disappointed.”

If omi heard Nian Qing’s words at the moment, he would definitely explode with anger, and the idea of slowly disciplining him would dare to arise.

The Immortal Emperor was all this time worrying about that new addition that he couldn’t sense, so he didn’t have time to think about anything else.

Although the Immortal Emperor sensed that Nianqing would die in the future, he hadn’t even thought that he would die so quickly, he thought that that new born person would at least take hundreds of millions of years to grow up, he only thought that he would be able to strangle that person before they grew up.

It was half a year in the blink of an eye.

One day after half a year, Nian Qing left the Immortal Realm for the Dragon Clan with Fake Ao Bao.

However, the Immortal Emperor already knew about this.

The Fairy Mother came early in the morning to report to the Immortal Emperor, asking him to keep an eye on Nian Qing.

The Immortal Emperor said, “Don’t worry, no matter what, Nian Qing can’t die so soon.”

However, the Immortal Mother was not worried, so the Immortal Emperor had to keep an eye on Nian Qing at all times.

omi was ambushed not far from the Dragon Clan.

omi waited for no more than a few hours and saw a large honor guard coming ahead.

However, what omi didn’t expect was that it was accompanied by several middle-ranked Immortals.

“Damn.” There was no way omi could do anything.

omi could only improvise.

“Since this son of a bitch likes beautiful men, I’ll disguise myself as a beautiful man and try to find an opportunity.”

So, omi immediately used the disguise technique to disguise himself as a stunningly beautiful man, but of course, he was also a beautiful man before he disguised himself.

omi used the low-level disguise technique of the mortal world, which could have been easily seen through, but because of omi’s body, not even the Immortal Emperor could see omi’s true face when he scanned him with his Immortal Sense.

Just as omi was about to strike, the voice of the Dragon King was suddenly heard, “Stop.”

“Grandpa, what’s wrong?”

“Tzu-Chen, cancel the operation first.”

“Why?”

“The Immortal Emperor is monitoring the entire process right now, if you appear at this moment, the Immortal Emperor will immediately notice that he can’t sense Nian Qing’s location, so he’ll be able to reach here in a few breaths of time.”

“Ah.”

“The Immortal Emperor controls the three realms, anywhere within the three realms, he can reach it as fast as he can, even if we capture Nian Qing alive, we won’t be able to escape for a few kilometers.”

“Damn, after working so hard for so long, we’re just going to cancel?”

“Our own safety comes first, and I’ve just learned that the Immortal Emperor is watching the entire time, so we can only do it when the Immortal Emperor isn’t watching, so that even if the Immortal Emperor is fast, he won’t know which way to chase.”

“Damn it.”
