omi's prestige in the janitorial team was established.

No matter if it was the captain, or Mirror, or Fatty, none of them dared to look at omi in the eye.

They were obedient, and omi didn't bother to pay attention to them.

However, there were plenty of people who were unhappy with omi.

Those who rushed to find trouble with omi, omi took care of them all.

Just like that, half a year had arrived.

The day of the Miss Falan of the French Dynasty's escort contest had arrived.

On this day, omi and all the late Tai Xian people came to a square in the Fa Dynasty.

In total, there were as many as thirty thousand people running for the competition.

These thirty thousand people were all at the level of Tai Immortal, and since they had the confidence to come and participate, they must all be very confident in their talent.

omi stood among the 30,000 people and looked very small, as he was plainly dressed and even more ordinary in appearance, standing in the crowd, he would almost be overlooked. Remember the URL . kanshu8 . net

Around nine in the morning.

A strong person from the Fa Dynasty flew out, this person was the supreme senior of the Fa Dynasty, named Fa Ji, a high ranking immortal, of course, Fa Ji wasn't the strongest person in the Fa Dynasty, but he was one of the strongest few people in the Fa Dynasty.

"Everyone, thank you very much for coming to participate in my granddaughter's escort contest, I hereby guarantee to you all that whoever can eventually become my granddaughter's escort and successfully help my granddaughter step into the Golden Immortal, then I will reward him with a Second Grade Birth Pill. As you all know, a Second Grade Birth Pill can give those above Xuan Xian and below Golden Immortal a half chance of upgrading one layer; or of course, it can also allow those below Xuan Xian to upgrade two layers, you are all still too immortal and still within the scope of the birth pills, so good luck everyone."

The thirty thousand participants were excited.

"Here, I'll talk about the requirements, after all, my granddaughter Golden Bough, and as her escort, you may need to stay together for a long time, so to be my granddaughter's escort, you need to look a certain way, so if you think you're ugly, you can automatically opt out."

The crowd of 30,000 bustled for a while, but they even asked for face value.

A few minutes later, almost three thousand people, silently chose to quit, these three thousand quitters', all of them knew they were ugly looking, it was better not to be embarrassed, quit.

omi stood indifferent to the crowd.

At this time, many people around omi looked at omi, seemingly wondering why this guy still had the cheek to stand here.

omi's disguised appearance was ugly.

"What are you looking at." omi snorted.

One of the people behind him said, "Hey, this Immortal Friend, didn't you just hear the supreme Fa Ji say, extremely ugly auto-exit? Because the ugly ones can't be chosen."

Don omi said, "If that's the case, then why are you standing here?"

"What did you say? Me?"

"Yeah, you're so ugly, why don't you just quit."

"Fuck you, open your eyes and see who's ugly."

"You're ugly to the soul."

"You mother than."

That man suddenly shouted, "Supreme Senior, here's an ugly guy who doesn't quit."

At this shout, many people looked over.

As expected, everyone felt so ugly when they saw omi's face, and they secretly said, "Who gave this ugly monster the courage to continue standing here?"

The Supreme Fa Ji looked at omi and frowned, inwardly saying, "This kid is too ignorant!

Zhi Ming, grown up like this and still want to continue participating?"

However, Fa Ji could not say anything to his face and said with a smile; "This little friend, may I ask what your name is?"

"My name is Wind Lightning, I am currently a member of the French Dynasty's janitorial team."

"Oh, Wind Lightning, I just said that my granddaughter's chaperone is in need of a certain appearance, did you hear that ah?"

Don nodded, "Of course I hear you, you said that those who think they're ugly can opt out, but I think I'm some of the best looking out of all the contestants here."

"Ow." Fa Ji Supreme almost spat out when he heard omi say that he was the more handsome one.

The rest of them also sneered at omi, who dared to say he was handsome even though he looked like this.

Fa Ji Supreme said, "If that's the case, then you should continue to participate."

Inwardly, the Fa Ji Supreme thought, "It's useless for you to participate, so ugly don't tell me, my granddaughter would lose her appetite if she saw it."

Fa Ji Supreme shouted, "Next, everyone, let's get into the competition. Let's start with an elimination match."

At that moment, omi shouted, "Wait."

"Wind Lightning, what are you doing?" Fa Ji supreme asked with dissatisfaction, he didn't even want to take care of such an ugly person.

omi said, "Everyone says I'm ugly, in that case, I'm in no mood to continue the competition. How about this, now if anyone can defeat me, then I'll immediately quit."

"Wind Lightning, who do you think you are?" A man who stood not far from omi snorted coldly.

omi immediately stood in mid-air and shouted, "Everyone, as long as someone can defeat me, I'll withdraw unconditionally, of course, it's fine to go together, there's no requirement that it has to be one-on-one, you can go together, or even, more than 20,000 people on the scene."

The whole arena was shocked, this man was too crazy.

"Go on, slash him." One of the men who thought he was good in strength got angry and was the first to kill omi.

omi didn't even look and backhanded his sword.

"Wow." The man's face changed, and in the next second, his body was covered in holes, and he fell to the ground weakly.

"How was it? Anyone else on?"

omi was so strong when he struck, and indeed, it shocked the people who were just yelling to give omi a little bit of a fight.

That Dharma Supreme, who wanted to blow omi away, however, seeing that omi was so strong, he didn't say anything.

In the scene, a man slowly flew out.

When everyone saw this man, they were shocked.

"He's the genius of the French Dynasty, Kishi Bey."

"I'm dizzy, a very famous genius like Kishi Bey is also participating."

"Of course, although Kishibai is a more famous genius in the Fa Dynasty, he also wants to become Miss Fa Lan's escort ah. Moreover, he might even be able to get Miss Fashiro's favor."

Many people recognized Kishibai.

However, omi didn't recognize him, and looking at his attire, he should be a more powerful figure.

"Wind Lightning is it." Kishibai flew up into the air and said.

"Yes, I am Wind Lightcloud."

With a displeased look on his face, Kishibai said, "Wind Light Cloud, you're very pushy."

"Really? Your Excellency seems to have a problem with me ah."

"Wind Lightcloud, today's competition is prepared for everyone, but now, it hasn't even started yet, but you've come out to make a fool of yourself, who do you think you are."
