

King of kings

2385

"Gao Xiaolian, you've come too." Leng Tianling saw Gao Xiaolian and was busy greeting.

"En." Gao Xiaolian Yue nodded slightly, her face pretending to be angry.

"Little Yue, why don't you sit down for a while and I'll find it." Leng Tianling said with dedication.

Leng Tianling was chasing after Gao Xiaolian, this was known to many people, although Leng Tianling had so many children and grandchildren, if they were able to marry Gao Xiaolian, their Leng family's strength would be strengthened by an unknown number of points.

Unfortunately, Gao Xiaoyue didn't look down on him at all, besides, Gao Xiaoyue was now omi's woman.

"No need, and also, don't hold any illusions about me in the future, it's impossible between us." Gao, with omi as his handsome brother, and then looking at Leng Tianling as his uncle, he almost didn't throw up.

Leng Tian Ling didn't seem worried at all and smiled, "Little Yue, are you sure it's not possible between us?"

"Ten thousand percent sure."

"Xiao Yue ah, in the entire Immortal World, there are only twenty or thirty men who can match you, and most of these twenty or thirty are enough to be your great grandfather, only I, Leng Tian Ling, have the smallest age difference with you, I really can't find any other man who matches you better than me."

"Hmph, that's what you think." Gao Xiaolian Yue trailed off.

"Little Yue, if you keep this up, I really won't chase you, and then you'll regret it, hahaha." Leng Tian Ling laughed, no wonder he wasn't worried at all, he was so sure of himself. Remember the website .kanshu8.net

If omi didn't appear, Gao Xiaolian really had little choice, the smallest age gap with him was Leng Tianling, but Leng Tianling was already full of children and grandchildren, if Gao Xiaolian couldn't see through it, he could only spend the rest of his life alone.

Gao Xiaolian didn't bother to talk nonsense with Leng Tianling anymore and was busy looking for omi.

Gao Xiaolian's brain analyzed, "omi couldn't have run too far after doing bad things in the Immortal Emperor's room, he would definitely hide in a corner of the room so that there was less chance of being discovered and he could still see the ugliness of the Immortal Emperor. Therefore, omi must be somewhere in the Immortal Emperor's bedroom."

Gao Xiaolian was right, so Gao Xiaolian immediately went to the Immortal Emperor's bedchamber and pretended to look for him.

The Immortal Emperor didn't stop it, because the entire Immortal Court was packed with people up and down, and couldn't care where they could or couldn't go anymore.

Gao Xiaolian entered the Immortal Emperor's bedchamber, in fact, there were many people in the Immortal Emperor's bedchamber at the moment, and that three-eyed war god was also searching the bedchamber to see if there was anything out of the ordinary.

After Gao Xiaolian entered the bedchamber, he instantly locked onto a place, in a certain corner of the bedchamber, there was a shelf of flower pots, and on the shelf were more than a dozen pots of very expensive flowers, each pot was filled with small black stones decorating it.

"omi must be hiding in one of the small stones."

Gao Xiaolian walked up and looked at the pots one by one.

Each of the small stones were similar in length, and no matter if they were looked at with the eyes or swept by the divine sense, no abnormality could be seen.

At this time, the Three-Eyed War God came up.

"Xiao Yue, you've come to help find the rebels too."

Gao Xiaolian Yue's heart hummed, "Reverse thief your sister, that's my husband."

"Oh, yeah, you've come to help too." Gao Xiaolian smiled slightly.

"That, Xiao Yue, how are you thinking about that matter?"

"Ew."

The Three-Eyed War God was also after Kozuki.

"That's right, marry me."

"Three-Eyed War God, please don't say it, I won't marry you, I'm sorry."

"Xiao Yue, you don't really want to choose Leng Tian Ling, do you?"

"It's my business who I choose."

"Xiao Yue, although I'm older than Leng Tian Ling, I'm not an old man, I'm also now old and strong, certain aspects will never let you down, and I'm not afraid to tell you that certain aspects I can battle for at least ten minutes."

"Rascal." Gao Xiaolian scolded, and said in her heart, "My husband, he's ten times stronger than you!

More than double, I pooh."

The Three-Eyed War God laughed, "Xiao Yue, think about it, I'm not like Leng Tian Ling, he has so many children and grandchildren, while I, on the other hand, don't have a single offspring."

Gao Xiaolian snorted, "Do you think I don't know about your inability to have children?"

"If you really mind, we can adopt."

"Get out." Gao Xiaolian Yue yelled.

At this moment, omi saw Gao Xiaolian's face, Gao Xiaolian was coming over to omi, a flower pot, and of course, omi heard her conversation with the Three-Eyed War God.

"Good you three-eyed, how dare you pick up my woman." omi cursed.

Gao Xiaolian found her way over, her hand caressing the top of the flower pot's stones, suddenly, she felt one of the stones change its shape.

"Ah." Gao Xiaolian was shocked, she had found omi.

Gao Xiaolian hooked her fingers and hid the stone in her sleeve.

The Three-Eyed War God was still pestering Gao Xiaolian, and Gao Xiaolian walked away just as busy avoiding it.

Gao Xiaolian pretended to continue searching for a while, then took the excuse to leave.

Just like that, omi left the Immortal Court.

"Are we leaving the Immortal Court right now?" Gao Xiaolian asked.

"What about your family?" Don Zimmer asked.

"Yeah, my family." Gao Xiaolian's expression darkened, it seemed that there was no way she could bombard omi for the sake of her family.

"It's okay, Little Moon, when I'm strong enough to fight against the Immortal Emperor, I'll take you to my side, after all, if you leave with me now, your family will die."

"But, I don't want to leave you."

"Trust me, I won't make you wait too long, so you can throw me to the Earth Immortal Realm."

After thinking for a long time, Gao Xiaolian took the stone in her hand and threw it to the Earth Immortal Realm.

After an unknown amount of time, omi landed on the ground.

After landing on the ground, omi immediately came out of the stone.

"Phew, there's a surprise, hehe." omi smiled and took the stone tablet away.

"I don't know where I am now, but it should be safe here, and the Immortal Emperor won't be able to find me at all."

omi found a nearby city to inquire about it.

"Hello, where is this place?" omi asked a passerby.

"The Yunluo Immortal Kingdom."

"What, the Cloud Goblet Fairy Country?" omi was shocked, wasn't this the hometown of Zhou Mi in his previous life?

"Yes, senpai."

"And the king is now?"

"Lansing River."

"Oh."

Yun Meng and Yun Zi's father had already been killed by omi, and this was no longer a country run by the Yun Clan.

However, since it was such a coincidence to be back here, omi had to go into the city to see his parents from his previous life.

omi returned to the Zhou family in the Yunluo Immortal Kingdom, which had changed a lot, but could still vaguely be seen as it was before.

omi's father, Zhou Tie, in his previous life, had not changed his appearance, after all, he was also an immortal, but he was only a mortal immortal.

omi didn't appear as his real identity, but a fake one.

"Hello, Senior, you are?" Zhou Tie was busy bowing when he saw omi.

"Don't, I'm Zhou Mi, I'm inconvenienced to appear in my original appearance, sorry, dad."

"Ah, you, you're Mi'er." Zhou Tie's eyes were red.

"Oh, yes, it's me, Zhou Mi's reincarnation." omi smiled, he didn't admit that he was Zhou Mi, he just said that Zhou Mi was reincarnated.

"Millions of years ago, I thought you were dead." Zhou Tie whimpered out.
