

King of kings

Chapter 2391

omi and Miss Falan were ready to leave.

However, as soon as they stepped out of the cave's entrance, before they ran five hundred meters away, they were stopped by a human man.

"Hmph." The man snorted angrily.

"Ah." Fa Lan saw the man's body tremble and busily knelt down, "Greetings to the Heavenless Supreme."

omi was also startled that Fa Wu Tian had appeared.

Fa Lan looked at Fa Wu Tian with eyes full of disappointment.

"Fa Lan, you really disappointed me, I didn't expect that you would dare to be forced into the Fa Dynasty for an ugly man, are you worthy of your grandfather Fa Ji?"

"Me." Fa Lan had nothing to say.

omi was also having a bit of a hard time at the moment.

Fa Lan looked at omi and said, "Your name is Wind Lightning, right."

"Exactly." Remember the URL .kanshu8.net

"You've got a lot of nerve, releasing the Acting Supreme Being."

"This."

"Release."

"Alright, I'll release it." omi had no choice but to release the Acting Supreme.

But at that moment, Fa Wu Tian suddenly rushed over and snatched the stone tablet from omi's hand.

Where was omi to prevent such a strong War God.

"You." omi was furious, this son of a bitch actually tried to snatch his stone tablet.

Miss Fa Lan also did not expect this accident, she was busy saying, "Grand Supreme, how can you steal someone else's things."

Fa Wu Tian looked at the stone tablet and laughed, "Not bad, good thing, it's actually a non-attacking, great weapon, hahaha."

Fa Wu Tian was very knowledgeable and immediately recognized what that piece was.

omi said furiously, "Senior Fa Wu Tian, in vain I quite admired you, I didn't expect you to be like this."

Fa Wu Tian snorted, "Wind Lightning, don't be silly, all the divine weapons in the world are acquired by those who have the ability to get them, nothing is born to belong to anyone. Now that I've taken it away, it's mine, understand?"

"You." omi was angry, but helpless. With his current ability, he couldn't take it back from Fa Wu Tian.

"You son of a bitch." omi scolded.

"Wind Lightning, do you want to die." Said Fa Wu Tian, Fa Wu Tian wanted to kill omi.

"Don't." Miss Falan immediately stopped, holding omi tightly so that Fa Wu Tian could stop for fear of her.

Fa Wu Tian was furious, "Fa Lan, you get out of my way."

"Great Supreme, I beg you, don't kill him."

"Fa Lan, you've turned against me."

"Grand Supreme, if you want to kill him, then I'll die with him, I know you want me to marry with the Green Man family, if I die, it won't do you any good. And whether Wind Lightning is dead or alive, it won't do you any harm, you've already robbed him, so why do you need to take his life again."

"Fa Lan, you've really disappointed me, if your grandfather Fa Ji is in the spring, he would also be ashamed of you." Fa Wu Tian said in anger.

"I don't care, anyway, if Windy dies, I'll die, and if he lives, I'll live."

"You." Fa Wu Tian had to weigh the pros and cons, he now needed Fa Lan as a pawn for the marriage, as for whether Wind Lightning was dead or alive, it had no effect on him, even if he put the stone tablet in front of omi, he wouldn't be able to snatch it back.

"Fine, I can promise not to kill omi, but you must honestly come with me to the Qingren Family for a blind date." Fa Wu Tian said.

"I don't believe it, what if I promised you, but you killed him behind my back."

R /> "Fa Lan, don't go too far, what do you want?"

"I'm sorry, Grand Supreme, but forgive me if I can't trust you, but I must be able to see him all the time so I can know if you've killed him behind my back."

"What a bother."

Falan looked at omi and cried, "Wind Lightning, I'm the one who hurt you."

"This has nothing to do with you, I'm the one who wants to thank you." omi said, this Falan is also considered to be compassionate.

"Wind Lightning, if you want to save your life now, you must listen to me, okay?"

"Say." omi didn't think, though, that Fa Wu Tian could kill him, but it might as well be heard.

omi could have hid in the stone tablet, even though it wasn't on him, but as long as Fa Wu Tian took it out, omi could hide in it by reciting the spell, so that Fa Wu Tian couldn't kill him. However, this has no other meaning than saving his life, because the stone tablet can't be brought back no matter what.

omi didn't feel bad about the stele, because omi had two other similar divine weapons, the basin, and the statue.

Fa Lan said, "You must stay by my side at all times, okay?"

Fa Lan looked pleadingly at omi.

omi hadn't spoken yet, but Fa Lan was busy saying, "This won't work, you have to go on a blind date with me, you have to attract that prince of the Green Man family, this marriage is very important. What's the matter with you letting an ugly man follow you."

Fa Lan said, "No or no, you're the one asking me now."

"Falan, don't go too far."

"Great Supreme, what you're doing now has left me with no reverence for you. I'm now officially telling you, first, either return what you stole to Wind Lightning and I'll honestly go on a blind date with you; or, let Wind Lightning never leave my sight at any time, your choice."

"Hmph, naive, the value of this divine weapon of Wind Lightning's far exceeds the value of your marriage with the Qingren family, do you think I would throw away a divine weapon for this? I want you to marry with the Green Man family, and I want that divine weapon even more. However, I can assure you that I will never kill him and let him go far away."

"Great Supreme, I don't believe you, in these extraordinary times, you definitely don't want anyone to know that you have one of those things on you, you will definitely kill Wind Lightning to silence him, you can't fool me."

"Alright, I promise you, but you must declare to the public that he is only your guard and has nothing to do with you."

"Okay." Fa Lan thought about it, and could only insist so far.

Fa Wu Tian definitely had the intention of killing omi, there was no doubt about that.

With a depressed snort, Fa Wu Tian looked at omi as if to say, "Kid, count your blessings, let you live a little longer. In the future, when Fa Lan successfully marries someone from the Qingren family and falls in love with that prince of the Qingren family, naturally, she won't care about whether or not Wind Lightning lives or dies."

"Idiot." omi scolded.

But Fa Wu Tian didn't seem to hear and took out the stone tablet and looked at it for a long time.

He found that he didn't know how to use it.

In the end, it was too hard to study how to use it, so Fa Wutian could only say, "Hey, Wind Lightning, how do you use this thing."

omi sneered, "Why should I tell you."

“Wind Lightning, you’d better recognize the situation, it’s now a case of I’ll live if I want you to live and die if I want you to die.”

“I’m not telling you, what.”

Fa Wu Tian’s eyes chilled and roared, “Wind Lightning, do you really think I don’t dare to kill you? You think you really have the amulet just because Lan protects you? The worst that can happen is that I won’t marry with the Green Man family and kill you all for a divine weapon, it’s worth it, you better give me that understanding.”
